

Pres. Strand Honored By Students

Monday morning's assembly was one of the most colorful of the last few years. The attendance was unusually high, with women representing themselves in a commendable manner, as well as the men.

The meeting had a twofold purpose—to present several officers of the various armed services and to present the students' farewell ceremony for Dr. Strand.

The military portion was outlined by Lt. Roman's introduction of the following: Lt. Eleroy Van Diest, Navy; Lt. John Goggan, Navy Air Corps; Lt. Lynn Hale, Marine Corps; Lt. Coodiman Hislop, Army Air Corps; and himself representing the Army ground forces. These officers delivered brief talks explaining the college reserve corps of their respective branches. They emphasized that they were not guaranteeing commissions and deferments for draft dodgers, but were offering opportunities to serve the country. They were available for more detailed interviews that afternoon and Tuesday afternoon in the Student Union. Enlistments will be accepted when they return on or about October 23.

The second portion of the assembly began with Dr. Strand's presentation of his successor, W. M. Cobleigh, and continued in front of the gymnasium building. He was presented with an engraved silver plaque by John Rousseau on behalf of the Associated Students. His car was then led off the campus by the Bobcat band and a military escort of the ROTC cadets. The ceremony was simple but very impressive and fitting for a man we have all known and liked so well.

Capitol Stuff

by Ray Bryan

Behind the scenes pressure is still being exerted upon various persons in Washington to have Henry J. Kaiser put back in his place as a measly contractor. It was practically mandatory that Donald Nelson give into the plan of Mr. Kaiser because public opinion had been steadily growing against the efforts of the War Production Board. Various shipbuilding companies are still trying to bust Kaiser out of business and even Bethlehem Steel is not keeping too quiet about it. Various aircraft corporations are still smarting at the blow dealt their production schedules by the man of the month, Henry J. Kaiser. Parity Bill.

The fact that President Roosevelt immediately criticized Congress for not passing the farm parity price bill by October 1 but by October 2 has not been setting so well in Congress. It is now becoming more evident than ever that various members of Congress believe that the Presidential authority is coming too close to that of a military dictatorship. Even members of the administration admit this growing determination against further loss of congressional power and authority of at least some issues of importance.

(Continued on Page Two)

"COLORFUL COLLEGE"

Athletic Development Plan To Be Inaugurated by Coach Breeden

With the supreme effort that is being made by our country's leaders in physical development to promote among men not in the armed forces or men who plan to enter later a physical fitness that will make them ready for any eventuality, Montana State college's athletic department, headed by John Breeden, is cooperating by granting extended privileges and opportunities to all men who will take an interest in their development physically as well as mentally.

Our high command and athletic experts are echoing the fact that the unique qualities of competitive athletics would probably contribute to the physical fitness program with great effectiveness when adapted to the particular situation, meaning that college students should all be enlisted in a program of competitive sports as well as a calisthenic routine.

Touch football is being inaugurated to give the organized groups a competitive development but, however, does not touch the unorganized groups or even wholly aid the total membership of those organized.

Realizing this, the athletic department has announced that all men students are welcome to come to the gym any day of the week at any time during the afternoon and every evening until 10 p. m. to take part in any athletic endeavor they wish whether it be competitive or not.

With this opportunity to play basketball, wrestling, boxing, swimming and calisthenic exercises with such a variety of times, every student should find time to put in the few hours a week that it would require for his fitness for his own enjoyment and with the idea in mind that probably some day he will be called upon to be a part of the largest program ever known.

A man in the armed forces must quickly become excellent in physical condition, strong, aggressive, alert, intelligent, easily adapted to changing conditions and know the essentials of teamwork.

Few students can lay claim to many of these qualities, but by a few hours each week he may better himself for the probable strenuous time ahead and at the same time get the recreation that a college is entitled to.

Every male student in the college is invited to visit the gym as often as possible. Groups may be formed for competitive sports and instruction will even be offered if it is wished by members of the department. This will enable each collegian to prepare himself physically for the future and make him a better student for the present.

NOTICE

There will be an important meeting of all those interested in debate tonight at 5:00 in room 301 of Main hall.

Livestock Team Goes to Portland

Joe Urick, George Stewart, Bill Alexander, Jack Galt, Wilson Hodgkiss and Harold Johnstone have been selected for the livestock judging team to compete at Portland this week. The team with Coach Ralph McCall left Saturday for Moscow, Idaho, where they will stop to do some practice judging. They will also stop at Pullman, Wash., to do more practice work.

Due to the present war, the contests at the Pacific International Livestock show have been limited this year to two classes of livestock. One of the classes will consist of fat stock and the other will be a Hereford breeding class.

Interfrat Council Drops Kappa Sigs

After 2 weeks of deliberation and discussion, the Interfraternity Council voted Monday night to drop Kappa Sigma fraternity from the council for one quarter for illegal rushing. This represents the first definite action taken by the council to enforce rushing rules at Montana State college for the benefit of both freshmen and upper classesmen.

During this year the council has levied rushing fines against Kappa Sigma and Sigma Alpha Epsilon in addition to Monday's action.

NOTICE

Appointments for freshmen picture taking for the MONTANAN have been made at Linfield's Studio, 109 S. Willson. Twenty freshmen per day are scheduled, so watch bulletin boards in Main hall and the Student Union building and see when your appointment has been made. Please help by being prompt.

UNTIL FURTHER NOTICE THE REGISTRAR WILL ISSUE ALL EXCUSES FOR ABSENCES AND HONORABLE DISMISSALS FOR MEN STUDENTS.

Freshmen To Give Big "M" Annual Whitewash Monday

Instead of getting up for that 8 o'clock, Monday, October 12, MSC freshmen will rise even earlier and await trucks that will take them to the M on Mount Baldy for the annual painting of the world's largest block letter.

If the weather is favorable, the college whistle will sound at 7:00 o'clock and M day will be held. If the whistle sounds at 6:30 as usual, classes will be held and the painting of the M will be at a later date.

Strand Is Given Farewell Banquet

Students and faculty of Montana State college bade farewell to Dr. A. L. Strand at a banquet in the Student Union building Monday night, the eve of his departure. Immediately preceding the banquet students turned out to sing school songs for Dr. Strand and his family on the steps of the SUB.

Dr. Harlow B. Mills acted as master of ceremonies for the banquet, at which 200 faculty members and friends were present. All members of the family were present except James, who is taking naval training at Annapolis. Dr. Howard Welch, Dr. J. R. Parker, Dr. Jessie E. Richardson and Dr. Gladys Branagan each gave a few remarks during the program. Dr. Strand responded, briefly minimizing the many tributes given him. Following custom, he presented to his successor, President Cobleigh, the Bible which has been handed down to the incoming president since President James Reed. Dr. Branagan presented Dr. and Mrs. Strand with a set of silver from the faculty.

Dinner music was played by the Hawaiian string trio and Vic Wilkowski on his violin, accompanied by Allison Rehn. Between courses Mrs. Zada Sales Dickson played a piano solo and Mrs. A. R. Johanson sang several vocal numbers.

(Continued on Page Two)

White Lectures To Paper Staff

Staff members of the Montana Exponent will have the opportunity of hearing Mr. Hub White of the publications department lecture to them tomorrow, Thursday, October 8, at 5 o'clock in room 303 of the Union building.

Every student who applied for work on the staff or who plans on applying later in the year should attend this meeting, where Mr. White will give some of the fundamentals of news writing.

SEPTEMVIRI SPONSORS PRESIDENT'S ASSEMBLY

Students will have the opportunity of hearing Dr. W. M. Cobleigh address them for the first time in the capacity of president of Montana State college at the annual president's assembly to be held Friday, October 16, at 10 o'clock.

This traditional assembly under the auspices of Septemviri, senior men's honorary, is held to give the president an opportunity to address the students early in fall quarter and also to give the members of Septemviri the chance to explain the various traditions to be enforced at Montana State college.

NOTICE

Tryouts for the fall play will be held this afternoon, Wednesday, from 4 to 6 in the little theater room of Main hall. These tryouts will also be continued Wednesday and Thursday evening.

As only two trucks are available, the committee has asked everyone to take their own cars who can. The trucks will go down Cleveland and Willson picking up students at all intersections. They will proceed to the foot of the hill where all freshmen will register and pay their class dues of 50 cents. This entitles them to attend the freshman mixer in the afternoon. At this mixer scheduled to start at 3:00 o'clock, freshmen will make nominations for their class officers for the coming year.

In charge of M day will be the Fangs under the leadership of John Gordon, while the Spurs will be on hand to retail "cokes" and doughnuts to the hard-working freshman.

Painting the M is a highlight of fall quarter for every freshman and all are urged to attend this traditional event at Montana State college.

Coeds To Make Surgical Dressings

Coeds at Montana State college will have the opportunity of contributing effectively toward the war effort by aiding in making surgical dressings for the Red Cross, according to Betty Ann Hanley, women's defense chairman. The local quota is 5,000 dressings per week, which will require the cooperation of every girl.

The regular hours are from 1 to 5 o'clock on Monday, Tuesday, Thursday and Friday and 7 to 10 in the evening on these same days. However, girls can come for shorter periods of time if they are unable to work the entire shift.

Sorority women will sign up for this vital work in their organized houses while independent women will register in Dean Harrison's office or at their independent meetings. The headquarters for making the dressings is at 21 East Babcock, just in back of the Presbyterian church. Every girl should bring a wash dress. Girls are urged to begin work as soon as they sign up and not wait until the goal of every woman at MSC is attained.

Joy Rides Out For Duration

College students with cars must conserve their tires by adopting all of the measures used in war industry areas. These measures include group riding, cutting out all pleasure and non-essential driving, cutting down speed, and avoiding the "jack rabbit" starts and "cow-boy" stops so prevalent among college students.

With rumors of rationing bus, air and rail travel, students may well be confronted with difficulties in getting home for vacations. If we conserve our tires, the college "jalopy" can aid in solving this serious transportation problem.

Remember, you can't even get used tires now unless you are an essential driver. It is your patriotic duty to save the ones you have for that important drive you must make.

NOTICE

Chaperones must be recorded in Dean Harrison's office at LEAST THREE DAYS before a party.

Lost Articles

A letter received by Registrar
W. H. McCall last week read as
follows:

"I have in my possession some
articles of clothing which were left
on the west-bound train, No. 3—
Northern Pacific railroad—on Sep-
tember 22.

"The girl to whom they belong
is in her junior year at your col-
lege. If she will write to me, iden-
tifying herself and the people she
was traveling with, and also iden-
tifying the clothing, I will send
them to her C. O. D. or as she
directs.

"I'm sure she is looking for them
and I would appreciate your help
in locating the right girl. Will
you ask her to be complete in her
identification as I wouldn't want
the clothing to get into the wrong
hands?"

The student to whom this letter
applies is urged to call at the regis-
trar's office immediately and make
arrangements for the identifica-
tion of the articles involved.

Strand Is Given Farewell Banquet

(Continued from Page One)

Both are members of the music
faculty. M. R. Good was in charge
of tickets and the novel seating
arrangement which seated husband
and wife at different tables.

Dr. Strand graduated from Mont-
ana State college in 1917 and was
the first alumnus to serve as its
president. He returned several
years later to become head of the
entomology department. In Octo-
ber of 1937 he became president of
Montana State college. On October
15 Dr. Strand will take over the
duties of president of Oregon State
college. W. M. Cobleigh, former
dean of engineering, became acting
president of Montana State on Oc-
tober 1.

Reception Honors President Cobleigh

In honor of Dean and Mrs. W. M.
Cobleigh, Dr. and Mrs. A. L. Strand
entertained faculty members of
Montana State college at a formal
reception last Wednesday evening,
September 30. The reception took
place in the fireplace room at Her-
rick hall from 8 until 10 p. m.

Dean Cobleigh has been appointed
acting president of the college,
whereas Dr. Strand is retiring from
this capacity to become president
of Oregon State college at Corval-
lis.

Governor and Mrs. Sam C. Ford,
Dean and Mrs. Cobleigh, and Dr.
and Mrs. Strand were in the re-
ceiving line to greet members of
the faculty. Miss Leigh and Mrs.
Schilling assisted.

A blue and gold theme was car-
ried out in all the decorations. Cov-
ered wagons of the Oregon Trail,
representing Strand's new position,
were used extensively. Palms and
fall flowers completed the setting.
Mrs. Hadleigh Marsh of Bozeman
was in charge of the decorations.

Mrs. Strand was presented with
a lei of purple asters by the mem-
bers of the college art department.

As chairman of freshmen week,
Acting President Cobleigh took over
the leadership of this year's fresh-
men. This was the forty-ninth
such class that he has started on
its way through Montana State.
Nearly 50 years ago President Cob-
leigh first came to the institution
as instructor of physics and chem-
istry and he has been with it con-
tinuously since that time.

Juniors to Meet In Little Theater

The first meeting of the junior
class is to be held October 8 in the
little theater room of Main hall
at 5 o'clock according to Waldo
Emerson, senior president, who will
be in charge of the meeting. Pur-
pose of the meeting is to nominate
candidates for junior class presi-
dent to replace Vic Johnson, who
is not returning to school this year.

All nominations will be made at
this meeting and secret balloting
will be held in the Student Union
building one week from the time
of nominations, Thursday, October
15.

NOTICE

Attention freshmen: Green caps
will be available in the bookstore
Thursday, October 8, only. Trade
in your receipt for a cap.

(Continued from Page One)

Labor.

President Roosevelt has given the
labor union politicians concession
after concession. Even the War
Labor Board has been coddling and
helping various labor groups. Mean-
time, wages are still on the increase
and all the while the C. I. O. and
A. F. of L. are piling tremendous
sums into their treasuries for use
when they have to come up for a
fight as to their rights. Congress
has passed finally the farm parity
bill, leaving the wage and labor
situation right up to the President,
as he stated he wanted done. The
question whether the Constitution
gives the President the power to
fix prices in wartime is a debat-
able issue, but it is becoming quite
evident that the President will ex-
ercise this power even though doubt
exists.

Exports.

The transportation situation of
this country with countries in the
southern hemisphere has been be-
coming quite serious and in the last
week a new U. S.-Brazilian agree-
ment for speeding our exports has
developed. The governments of the
importing countries will have a
greater voice in determining what
they shall get and there will be
less dictating from Washington.

Second Front.

The fact that a second front has
not yet been established has been

causing quite a bit of ill feeling
between Russia and the Allies.
Wendell Willkie was sent to bolster
the cause, but even this seems to
be falling short of the goal. It is
possible that Chief of Staff General
Marshall, Donald Nelson of the War
Production Board and that Air
Force Commander H. H. Arnold
will go to England to command
attention as to the opening of a
new front or to quell some of the
criticism of Russia that we are
doing nothing but sitting back.

"There is in the corner of my
heart a little plant of reverence
that needs watering once a
week."—James Russell Lowell.

Congratulations to Alpha Dowl-ing, A. O. Pi, who has the white cross of Dave Tawney, Missoula. . . and to Alum Betty Ford and Joe Gans, Theta Chi, Missoula. . . this also goes to Marjorie Richardson, Pi Phi, who is sporting a beautiful diamond. . . Don O'Neil, Pi K. A., was married to Lorraine Rude in Livingston. . . and Sigma Chi's had a cigar or two from Jim Dixon, who recently put that white cross on Charlotte Esp. . . who, by the way, is teaching in Melville this year. . . and more congrats to Jessie Doull, who has a pin from Eugene Gleason, Delta Upsilon, University of Chicago. . . rush week disclosed four diamonds at the Alpha Gamma house. . . Nona Moore is wearing Bob Travers' . . . Ed Fallon supplemented his pin with a ring when Avonne Miller went to Texas. . . Billee Austin wears a diamond from Alden Harris, Great Falls. . . Trudy Trescott's ring came from

a navy man. . . Betty Jo Opp and Kenny Kjeldstrip also did some diamond shopping. . .

Pi Kap's had election last week and we find Bill Saubert as the new president, and Harry Cosgriffe becomes the vice president. . . and returning to school is Jim Schultz who is appointed secretary. . . While Jim Lunney is the new house manager in the Alpha Gamma Rho house. . . In the Sigma Chi house we find Frank Howard replacing Vic Johnson as consul and this was followed by the election of Bill Leary as pro-consul. . . Vic left Monday night for Sheridan, Wyo., and from there he goes on to Cheyenne to complete his training in the air corps. . .

Pledging continues with David Fort, Kenneth Cahoon, Bob Crossley and Lawrence Mikkelsen being the latest to wear the Phi Sigma Kappa pledge button. . . and Anchor Christie was recently initiated. . . The Sigma Chi's have added Robert J. Brewer of Helena

Ray E. Brooks of Bozeman, James R. Smith of Gallatin Gateway, William H. Hodgson, Oscar Peterson, Walter Hodgson, all of Kalispell, and Preston Maynard of Billings to the pledge list of Beta Rho. . . Chi Omega held formal pledging Sunday. . . Alys Jane Watson, Joyce Wallin and Marj Devine have moved into the house. . . Pi Beta Phi is happy to announce the pledging of Dorothy Olsen during rush week. . . pre-rush week pledge to Kappa Delta is Bee Gutchee, Anaconda. . .

Here is wishing a speedy recovery to Vinnie Manning, A. O. Pi, who is recuperating from an appendicitis operation. . . Joe Urlick and George Stewart left the A. G. R. house Saturday with the livestock team to compete at the International Livestock Show, which is being held in Portland, Ore. . . Those going from the S. A. E. house were Jack Galt, Bill Alexander. . . Bob Kropp was unable to make the trip because of illness. . .

Congratulations to new actives of Alpha Omicron Pi. . . Billie Sweet, Ada Atkinson, and Mary Archibald. . . and those of Pi Phi, who were Sue Tait and Jean Ann Chestnut. . . also to Alpha Gamma's, Helen Luini, Marcelyn Kranz, Vivian Gillette and Maxine Dross. . . New pledges of Lambda Chi are Dale Dredericks, Joe Gibbons and Roger Ludwig. . . Kappa Delta announces the return of Marie Garey to school to complete her course. . . Marilyn Madison moved into the A. G. D. house last week. Alice Ann Matzke visited at the Alpha Gamma house. . . Stan Eck, '44 dropped in at the S. A. E. house Thursday. . .

Sigma Alpha Epsilon list Frank Marmont of Shelby, Bob Nash, Bill Guanoulis, Del Peck, Warren Roberts of Great Falls, Tommy Mahan, Helena, Joe Kelly, Anaconda, Joe Eagle, Bozeman, as new pledges. . . Chuck Ruzicka was elected the new vice president and pledge trainer to replace Art Dougan, who was called to the army this summer. . . while new pledges at the A. G. R. house since rush week are Buster Dunlap and Bob Brown from Circle, Harold Cantrell and Harry Tash from Dillon, Dick Gosman, Lima, Howard Holton, Cut Bank, Bill Works, Big Sandy, Bob Garritson, Billings. . .

Barbara Dieffenbach, chapter visitor, spent a few days at the Chi Omega house last week. . . An alum, Joy Walker, was also a visitor. . . Winnie Young, Pi Phi, left Sunday for Great Falls to accept

Fangs Sponsor Weekend Mixer

The Fangs are sponsoring another all-school mixer this Friday. They will want you kids to get properly "mixed" and this is the time to do it. There are several firesides the following night and, you freshmen, there is the place to get that good date. And you upper classmen who feel you might be becoming a "has-been"—here is your chance. Who knows? Something exciting might step on your feet.

No dates are needed and the fewer the better—give everyone a square break. Heinie Mockel will be there to help out again and the price is only 35c!

College Girls!

You will find a complete assortment of suits, coats, sweaters, blouses and skirts in our shop at prices that will please you.

RIDDLE'S

CLEVER CAREER* GIRLS CHOOSE Swansdown

*Also clever school girls and housewives

They know that a coat and suit, well-tailored of good cloth and styled for all-around wear, is a sound investment. Especially at sensible Swansdown prices!

Above—Gabardine classic suit with faultless lines, that takes to accessories like a charm. In gay colors to peer brightly out from under your winter coat! Sizes 10 to 20.

Right—Black on black—smart for business and for "Sunday best"—with lush black velvet yoke to lend the dressy touch. Ties, to swathe your waist with easy grace. Sizes 10 to 20.

Nagel Offers New All-Student Swim Schedule

Co-educational swimming will be added to the schedule this quarter and more time will be allowed for the sport, according to Charles Nagel, director of swimming.

Swimming for men only will be from 4 p. m. to 5 p. m. on Monday through Friday and from 5 to 6 on Wednesday and Friday. Both men and women may swim on Tuesdays and Fridays from 5 to 6. On Mondays from 5 to 6 women only may swim. No one will be allowed to enter the pool without a buddy at any time.

M. S. C. Offers Religion Courses

Strong student interest last year led to the giving of a course in religion each quarter again this year. The fall quarter course, "Christianity and Non-Christian Religions," will be given by the Rev. M. E. Van de Mark of the Methodist church; the winter quarter course, "A Survey of the Old Testament," will be given by the Rev. P. H. Pollock of the Presbyterian church. In the spring quarter the Rev. Donald P. Skinner of the Episcopal church will give a course on "A Survey of the New Testament."

These courses listed in the history department all carry three hours of regular college credit. The ministers giving the courses have special training and interest in the fields they teach, and they receive no compensation for their teaching work.

FOUR SPUR PLEDGES ANNOUNCED MONDAY

Four new Spur pledges were tapped at the assembly Monday. These girls are Lois Noble, Luella LaVelle, Pat Purdy and Marjorie Cole.

Due to the loss of two of the Spur officers, Margaret Noble was appointed to be the new editor and Gladys Gaines will be the new historian.

Touch Football Inaugurated Here

Touch football will be inaugurated on Montana State college campus today at 5:15 when six of the nine teams will play on three fields.

The opening games will see the Lambda Chi's and Pi Kaps battling each other, while Co-ops and Kappa Sigs and the Sigma Chi's and AGR's will be battling for supremacy.

Anyone is eligible for play except employees of the physical education department and the rules will be based on those formulated by St. Mary's college. Each organized house has been presented with a set of the rules. Jim Krall, Cory Dogterum and Jinx Anderson will be the officials for the contests.

The week's schedule is as follows:

Thursday:
Independents vs. LCA, PSK vs. SAE, PKA vs. Co-ops.

Friday:
KS vs. PSK, SAE vs. Ind., LCA vs. SX.

Saturday:
Co-ops vs. AGR, KS vs. PKA, PSK vs. Ind.

Monday:
KS vs. LCA, SAE vs. AGR, Co-ops vs. SX.

WAA Holds First Meeting Thursday

The first W. A. A. meeting of the year will be held Thursday, October 8, in the little gym for all women students interested in any type of sports. The following sports will be discussed at the meeting: Riflery, volleyball, softball, hiking, modern dance and swimming. These sports are the ones that will be played fall quarter.

Dues will again be \$1.00 for freshmen and 75 cents for upper classmen. Handbooks will be given to all members. Dues are to be paid at the first meeting or as soon afterwards as possible. Refreshments will be served at the meeting.

All freshmen interested in becoming intramural managers in the athletic department report to Harry Ellis in the gymnasium.

Key Collectors Conduct Campaign

"Turn your old keys into fighting powder."

The National Key Collecting Campaign has placed cartons in the Student union building, Montana hall, Agriculture building, Herrick hall and Lewis hall for the collection of your old keys.

Look over your key ring. See that one there to that old lock you threw away and that old rusty one beside it? You don't need them anyway, so turn them in. Then there's that one there—oh, oh. Well, donate it, anyway. Just the old ones, though, remember, and don't give away fifty cents' worth of keys for three cents' worth of powder.

The keys collected will be used in metallic preparations for the ammunition our armed forces are needing badly. Between October 1 and 25 you will be given another chance to prove your patriotism, so don't put it off. Big keys, little keys, brass keys, and steel, all go for the Key Collection Campaign.

Runners Compete In Cross Country

Saturday, October 17 is the date that has been set for the annual cross-country run. Harry Ellis, minor sports manager, has announced that all entries must be in by October 15.

As in the past, teams will compete from the individual organized groups and individual awards will be given.

Fusser's Guide Published Soon

The student directory, Fussers Guide, will be on sale sometime next week, according to Phi Eta Sigma. Watch the bulletin boards and Exponent for exact dates.

The guide will be sold in all organized houses and in the bookstore. As there will not be enough directories available for the entire student body, it is essential that those who desire them get them early.

PEN REPAIR MATERIALS
GETTING SCARCE . . . MAY SOON
BE IMPOSSIBLE TO OBTAIN!

NEW PROTECTIVE INK!
GUARDS YOUR PEN AGAINST
WARTIME FAILURE

Imagine writing term papers with a quill! You may be—unless you protect your pen from wartime failure. Repair parts are scarce. And that's what makes amazing new Parker Quink with solv-x big news. This sensational ink discovery eliminates the cause of most pen failures . . . ends gumming and clogging of inferior inks . . . cleans your pen as it writes! Get Quink with solv-x today. Rich, full-bodied, faster-drying—Quink gives a new zest to writing. Don't ask for ink—ask for new Parker Quink!

NEW PARKER QUINK is the only ink containing solv-x.
Eliminates the cause of most pen failures:

1. The solv-x in new Parker Quink dissolves sediment and gummy deposits left by inferior inks. Cleans your pen as it writes!
2. Quink with solv-x prevents the rubber rot and corrosion caused by strongly acid writing fluids.

15¢, 25¢, and up. Made by the makers of famous Parker Pens. 7 PERMANENT COLORS: Black, Blue-black, Royal Blue, Green, Violet, Brown, Red. 2 WASHABLE COLORS: Black, Blue.
