Hinman Announces Preparations Under Way For May 26

Suzanne Hinman, chairman of 1945 Women's Day, May 26, announces that preparations are nearing completion and progress is satisfactory. The main speaker is to be Vivian Cowan Coefield, chosen five years ago from the graduating class. She is coming from Woodburn, Oregon, to speak for the program. Her topic is "What Do You Seek?"

The Women's Day program will be similar to those previous. The procession will form in the Student Union lounge at 12:45 P. M. and proceed from there around the campus in the traditional parade to the gymnasium. There, Mrs. Coefield will give us her message, and the customary awards and honors will be announced, including the tapping of the new Spurs. Detailed plans for Women's Day will be explained at the Women's Day Assembly, May 18.

The general committee working on Women's Day is made up of the following people: Rose Clair Hansen, arrangements; Lois Steere, music; Lora Simard, pageant; Althea Harris, publicity; Ann Mahan, assistant publicity; Ruth McDonald, processional and recession; assisted by Spurs; and Janice Mayfield, courtesy.

This day is one of the most important for MSC women and has become a cherished tradition on the campus. This year's program promises to live up to the precedent set by past ceremonies.

Gals Watch For Surprises At Pan-Hell Dinner

Will there be any surprise announcements of engagements at the Panhellenic banquet this year? Traditionally, all engagements and marriages of the past year are formally announced at this spring meeting of sorority women on the campus. Girls will don formal attire to attend this annual event in the ballroom of the Student Union Building at six-thirty Thursday evening.

Pledge songs of the new members of the five sororities will be presented by last year's pledge class. Junior Panhellenic also has charge of all decorations including the tables and placecards. Mrs. Harrison will be a guest and will speak to the girls.

The new officers of the Panhellenic Council will be introduced. Outgoing officers include: Bettie Ryder, president; Anna Marie Peoples, vice-president; Mickey Linfield, sec. treasurer; Harriet Schug and Carolyn Gullick, Kappa Delta representatives; Gloria Fallon and Lily Stensland, representing Alpha Omicron Pi; Billie Buchman and Marcy Kranz, Alpha Gamma Delta; Erys Smart and Virginia Howell Barfnecht, Pi Beta Phi; and Barbara Bergen and Janice Gaines for Chi Omega.

Officers for 1945-46 are: Margaret Linfield, president; Suzanne Hinman, vice-president; Mary Gray, secretary-treasurer; Jean Stehlik and Gladys Anderson, Alpha Omicron Pi representatives, Betty Germeraad and Margaret Birkeland, representatives for Pi Beta Phi, Marilyn Hoole and Joyce Russell for Chi Omega, Jane Matzke and Tag Grettenberg representing Alpha Gamma Delta, and Rose Claire Hansen and Barbara Baarson, representatives for Kappa Delta.

Marines Visit MSC

Staff Sgts. Mary McGeough and Blanche Moore will be in Bozeman Thursday and Friday, May 17 and 18 to interview applicants for the Women's Reserve of the Marine Corps. They are attached to the Salt Lake district office, and will be accompanied by Sgt. Chester B. Turner, who recently returned from 34 months of fighting in the Pacific.

Enlistees will be permitted to complete their present semester in college. They may also apply for immediate service in Hawaii, instead of waiting the customary six months.

The sergeants will visit the college during their stay.

M Day Set For Saturday

Under the supervision of the Fangs, assisted by the Spurs, both sophomore service organizations, the annual spring M Day is being revived this coming Saturday, May 20. The main intention of these groups is to get the M into shape for a good paint-job next fall, and in order to accomplish this, the rocks of the letter must be re-set, and more put on.

A good days work out on the M by the whole school will result in a much better looking letter, and one which will stay white longer! The condition of the M has been such that students were merely painting the dirt, so get your old jeans, shirts, and old shoes, and come out climbing on Saturday . . . full of spirit to get the largest block letter of any college back into good shape.

Spurs will be on hand to sell cokes as well as doughnuts. They will also take roll of the freshmen women. Watch for further announcements concerning transportation and the hour!

Women Hold Assembly This Friday At 11:00

There will be a special Women's Assembly Friday, May 18, at 11 o'clock, which all women students are expected to attend. The purpose of this assembly is to familiarize the women with the parts they will play in the program on Women's Day, May 26. The following notice has been posted:

"Notice to all Women: Attendance at the Women's Day Assembly at 11 o'clock Friday, May 18, is absolutely compulsory. Roll will be taken by the following girls: Freshmen, Jean Swanson; Sophomores, Martha Wright; Juniors, Phyllis Green; Seniors, Mary Embleton.

Seating will be arranged alphabetically according to classes. These will be the same seats you will have for Women's Day. Sections and rows will be marked at the assembly so you can find your place.

AWS officers for next year will be installed, the Women's Day Chairman for next year will be announced, and the Big-Little Sister Captains will be announced. Ruth Pease will give a brief history of Past Women's Day, and Suzanne Chairman, will explain the day's activities. A sample demonstration will be given of the exact procedure that will take place on May 26. BE THERE; IT IS IMPORTANT!"

Registrar Gives Information On Commencement

Baccalaureate services will be held at 7:30 p. m., Sunday, May 27 for the forty-eighth graduating class from Montana State college. Dr. Paul W. Dierberger, pastor of the First Congregational church in Great Falls, will give the sermon. The services will be held in the gymnasium.

Commencement exercises for the 1945 graduates will be held at 10:30 a. m., Monday, May 28. Dean H. G. Klemme will give the address.

Women's Day Pageant Marks Twenty-Second Anniversary Of Annual Event

Women's day grew out of organizational advancement of women on the campus. As early as 1914 there were women's assemblies when alumnae came and some marked honor was paid each of the returning visitors. These assemblies occurred toward the end of the year. Then the Women's League Committee worked on a plan for just one special Women's Assembly to be held near the closing of the school year.

On May 26, 1923, the first Women's Day was held with over 200 girls participating in the most impressive event the college had ever witnessed. The girls, wearing white skirts and brightly colored sweaters, marched across the campus from Main Hall to the Agriculture building. At this point the

Cadet Corps Vows Taken By Many Nursing Students

Forty-one student nurses were inducted into the U. S. Cadet Nurse Corps in special ceremony Saturday, May 12. Miss Kathrine McDonald, director of nursing of the Bozeman Deaconess Hospital performed the induction ceremony in which all participants repeated the induction pledge.

The formal address for the occasion was given by P. C. Gaines, vice-president of Montana State college and in charge of the chemistry instruction of students taking the three-year nursing program. He explained that 60,000 new nurses were inducted throughout the nation in a similar ceremony yesterday with 50,000 others renewing their pledge.

Although 600 students have taken the pre-nursing science training in Montaa, they have only partly fulfilled the demand, Gaines said. At least 120 more students are needed to register in the three-year program at Montana State college next June 11 if Montana is to meet its quota for this fiscal year.

Rev. Lyle J. Onstad gave the invocation and benediction.

The Montana State Bobcat band furnished the music during the parade and for the induction ceremony, which concluded with the playing of the Star Spangled Banner.

Degree course students of the school of nursing of Montana State college who took the pledge are: Jean Bishop, Jeanne E. Blandet, Joan C. Brakstad, Alice L. Clark, Eva F. Cowan, Lois V. Hopkins, Mary Jo Hurley, Ruby Kirby, Rosemary Lorensen, Shirley A. Mehlhoff, Phyllis J. Rowlee, Virginia R. Senty, Thelma Smith, Lavonne M. Ullman, Elaine Morris and Myrna Kodalen.

Hoffman Becomes New Delta Phi Delta President

At a meeting held May 10, Kay Hoffman was cosen as the new president of Delta Phi Delta, national art honorary active on this campus. Other new officers include: Jean Stehlik, Vice-president; Rose Claire Hansen, Secretary, Jane Matzke, Treasurer; Frances MacGowan, Historian; and Betty Germeraad, Corresponding secretary.

After the business meeting the members of the group visited the Emerson school to examine the art exhibit there.

ceremony of Breaking the Ties was carried out. As the junior and senior line separated, the girls crossed over and Dean Herrick broke the streamers between the marchers. From here the procession continued to the gym.

The program at the gym was one of the most elaborate ever offered by the women of MSC. It consisted of several vocal and piano selections, interesting addresses about the work of each women's organization, such as Cap and Gown (now Mortar Board), Phi Upsilon Omicron, Spurs, Home Economics Club, and the College Girls' Athletic Association, as it was then called.

At the conclusion of the address, the guests were escorted through the Physical Education Departments, as this was a new department, and various athletic activities were demonstrated. Tea was then served in the Art Department in Main Hall and the Home Economics Department in the Ag Buildings, where each department had an exhibit.

In 1924, the processional started from Montana Hall and proceeded to the gym and the Breaking of Ties was carried on in the gym. This year the presentation of the Junior cup to the Junior woman with the highest general attainment was inaugurated. The custom of choosing the Women's Day speaker of five years in advance from the graduating class was also started in 1924. Laura Asbury was the first recipient of this award and she came back to give her address in 1930.

In 1926 Spurs took over and made all of the plans for Women's Day and the processional extended past Hamilton Hall, Herrick Hall and on to the gym.

In 1929, the first Women's Day assembly was held for the purpose of discussing plans for Women's Day. This year a new plan was decided upon whereby the outgoing officers of A. W. S. would introduce their successors at this assembly instead of Women's Day as was formerly done.

Up until 1933 the Laist award was awarded to the girl with the highest number of points in athletics. This year it was changed and was awarded to the most outstanding girl at the end of her four years of college.

In 1935 the first tea was held in the iris garden near Herrick Hall.

The last change of Women's Day was made in 1941 when the processional started from the SUB lounge and proceeded past Hamilton Hall, Herrick Hall, up Hello Walk, around Main Hall, and to the gym.

From these events grew the most impressive and outstanding ceremony for MSC women, Women's Day.

7th WAR LOAN

The Battle of Japan has just begun. It must be backed up, paid for, fought for by a free people, intent on sweeping the Pacific clear of fascist hate—forever.

With the war in the West over, we can now go all-out in the East. The war to crush Japan will be bigger, tougher and longer than most Americans expect. The Allied Military Command has estimated that it will take years, not months.

The destruction of Japan's armies has not yet reached the annual rate of normal replacements—between 200,000 and 250,000 men a year. And the Jap, as our men in the Pacific know, fights to the death.

The single greatest obstacle to our crushing of Japan is distance. While in the Battle of Europe supply ships from our bases in England only had an overnight run to make, ships in the Pacific have long-reach round trips taking up to five months to make.

To crush Japan will take time, heroic and backbreaking effort, overpowering equipment. Millions of fighting men—freshly outfitted and equipped—will be moved from Europe half way around the globe; and supplied day in, day-out by hundreds of new ships now building. More of everything will be needed. More B-29's, more tanks, halftracks, jeeps, trucks. More rockets, mortars, airborne radar.

A whole new air force is in creation—huge new bombers dwarfing the Superfortress—fast new jet-propelled combat planes, the P-80 or "Shooting Star", coming off the lines by thousands.

These are just some of the 101 ways in which your dollars are needed more than ever to bring America's might to its full strength so that we may crush our foe the faster, make an end of killing, and bring our men back.

And lest we forget—the sick, wounded and disabled will require medical attention and care. Many millions of dollars will be required for mustering out pay and benefits voted by Congress to help our veterans get started again in civilian life.

There are other weighty reasons for supporting the 7th War Loan—reasons that take us from the present to the future . . . and by investing in this 7th War Loan, the patriotic American is safeguarding his own future, as well as that of his country.

The dates for this drive are May 14 through June 30 . . . and the goal is the enormous sum of \$14,000,000,000. This year there will be only two War Loan drives, not three. But in those two drives the Government will have to raise almost as much money from individuals as in the three drives last year. It's now up to all of us . . . and remember the picture of the Heroes of Mt. Surabachi, Iwo Jima.

Dear Mom

It sure seems funny to be writing to you after seeing you just a couple of days ago but I thought I would let you know that I am still here and all the old stuff. Gee, Mom, I was so glad you got to come down for Mother's Day and I'm glad you liked the teas we went to and I called up Hoot and apologized to him because we embarrassed him while he was changing his clothes but he said it was all right and we were really supposed to go upstairs and see the house. And Jimmy said he didn't have his little brothers and sisters hid in the closet upstairs, they were just waiting up there in one of the rooms. And I guess Hoot wasn't the only one that was embarrassed because a housemother was up in the dorm and asked H. F. where she slept only H. F.'s bed is gone now because the Sigs are back there and stuff . . .

As usual it rains and rains here just like Sunday and I have a leak in my rubbers so I guess you had better get me some cold remedies as I will no doubt be catching a good one soon . . .

The Spurs had an Amateur hour the night before you came and the Chi O's were first and stuff and Hoot got the Booby prize but it was a close race.

I have to dash off now Mom and see my instructors and also try and get a ticket to Pan-Hell so I can find out if there are going to be any surprises this year—of course you never know . . .

Jr. Group Entertains Members At Dinner In Student Union

All sorority pledges of this year were entertained by the Junior Panhellenic Council Wednesday, May 2, with a banquet in the Student Union Ballroom.

Ninety pledges were welcomed by Clara Brattin, president of the council, a pledge of Alpha Gamma Delta. For entertainment Mary Lou Hubber, of Alpha Gamma Delta, played two piano selections; Janice Christenson, of Pi Beta Phi, played the marimba, accompanied by Nancy Austin, of Pi Beta Phi; Nancy Stenson of Alpha Omicron Pi sang and accompanied herself; Ann Hollenbeck of Kappa Delta, played her accordian; Marie Mysse of Chi Omega played a piano medley. A spring theme was beautifully worked out with snapdragons and gay place-cards. Joy Russell and Jean Peterson were in charge of decorations.

Members of Junior Panhellenic Council are Clara Brattin, president, Alpha Gamma Delta; Margie Roberts, vice president, Alpha Omicron Pi; Jean Peterson, Alpha Gamma Delta; Joy Russell and Monte Padbury of Chi Omega; Dobie Hughes and Esther Reardon of Kappa Delta; Margie Gleason and Carol Seabart of Pi Beta Phi.

Campus Chatter

Mother's Day teas on the campus drew a host of out-of-town visitors to Bozeman Sunday in spite of the lack of cooperation from the weather-man. Teas at Quad A, the Sigma Chi house and the Alpha O house drew the social spotlight their way on the day of days.

The guests at the Sigma Chi house included Mrs. D. Swenson, Mrs. R. Anderson and daughter, Emma Jean, Mrs. Wm. Hawkins, Mrs. L. R. Lyons, Mrs. Steve Miller, and Mr. and Mrs. James O'Neill. At Quad A out-of-town guests were Mr. and Mrs. R. Mackey, Mrs. R. Curry, Mrs. H. C. Wise, and Miss Ann Flemming. The guest book at A. O. Pi house was signed by Mr. and Mrs. R. J. Stehlik, Mr. and Mrs. F. C. Boyd, Mrs. C. L. McDonald, Mrs. C. Wright, Mrs. John Roberts, Mrs. W. V. Sweet, Mrs. John Sampson, Mrs. C. H. Hewitt, Mrs. W. J. Murray, Mrs. Jack Vanden Biesen, Mr. and Mrs. J. G. Summerville.

Congratulations to Bud Weinrich who was recently pledged to Pi Kappa Alpha and to Pete Roberts, now wearing the pledge button of Sigma Alpha Epsilon. Flash! Ruth Pease is now wearing a diamond on the third finger left hand from Sigma Chi Bob Bateman.

Open house in Quad C drew forth the men on the campus Friday evening to the Alpha Gam Cabaret Dance, and Saturday night the Spurs brought back to the campus the old Amateur Hour event in the Student Union Ball-Dance night by sponsoring the room. The Kappa Sig-Pi Kap number copped the unusual glass loving cup for the funniest number and the Chi Omega gals walked off with first prize for their "television set". To Hoot Eusterman, who was at M. C. for the occasion went the booby prize for the funniest individual and also literary orchids for a swell performance.

Rained in at the P. E. Cabin over the week-end were Marcy Kranz, Gyla Marmont, Elaine Guth, Lou Clydesdale and Doris Skarda. Off to Butte to spend Mother's Day were Martha Oaas, Beryl Garrison, Jean Lamberg, Patty Rend, Peg Gary, Anne Marie Peoples, and Marie Mysse, while Gloria O'Connell, Peg Hays, Shirley Hibarger, and Aleva Benjamin spent the day in Helena. Pulling off for Big Timber was Rausie Lou Solberg, while Mary Ruzicka choose Billings for a week-end visit. Ruth Quammen went home to Glendive to see her brother home on leave from the Navy and Rusty Stanford trekked off to Great Falls for the two days. Vi-

vian Keating took in the Prom in Livingston and Jo Porter spent her time in Sunburst while Margaret Ann Simpson dashed off to graduation ceremonies in Miles City.

The Kappa Delta gals sang sweet music to the campus houses last Tuesday evening and Thursday the Alpha O's followed the serenade route from house to house.

Marion Kelly of Butte spent the weekend visiting her sister Betty and guests at the Co-op house included Gloria Jensen, Phyllis Eastlick, Juanita Altice, and Dora Bolin, all of Park City. And at the Pi Phi house for the week-end were Mrs. W. T. Johnson, Helen Birkeland and Emogene Anderson. Ginny McComas of Helena spent the weekend visiting her sister, Ruth Dobler at Quad C, while the guest list at the Kappa Delta house included Mrs. H. L. Hopkins, Mrs. H. F. Rafn, Mr. and Mrs. E. E. Hughes, Miss Betty Anne Simpson, and Norman Diesen, R. 1/c.

Alpha Gam seniors were guests of honor Monday night at the home of Mrs. Harold Halcrow when the alums entertained.

Sunday dinner guests at the Co-op House included Mary Ellen McIntosh, Winifred McDermott, Miss Brownell, Barbara Beers, Aleva Benjamin, and Mrs. Mildred McHenry. Wednesday dinner guest at the same house was Myrna Kodalen. Evonne Humphrey and Marilyn Evans were guests at the Spanish Creek Ranch near Gallatin Gateway and Mitzi Bocher and Roberta Morley went to Toston over the week-end.

Wednesday dinner guests at the Pi Phi house included Mr. and Mrs. John Blankehorn and Mr. and Mrs. M. B. Good while on the same night the Kappa Deltas had as their guests, Mr. and Mrs. Welch, Mr. and Mrs. Morris, and Mrs. D. B. Swingle.

Best wishes for speedy recoveries to Margaret James and Dovie Hughes who are in the hospital.

All eyes will be on the Pan-Hell banquet Thursday evening when all engagements and marriages for the year will be announced and upon the Pi Phi Gardenia Party which will be THE social event of Saturday evening.

Klemme Addresses State High School Graduating Classes

Dr. H. G. Klemme, dean of men and director of the student welfare department at Montana State college, will deliver three baccalaureate sermons and 15 commencement addresses to 1945 Montana high school graduating classes during May.

The three baccalaureate sermons will be delivered by Dr. Klemme, May 13 at Three Forks, Sheridan and Twin Bridges.

Dr. Klemme's schedule of commencement addresses follows: Highwood, May 10; Wilsall, May 11; Columbus, May 13; Froid, May 16; Bainville, May 17; Culbertson, May 18; Poplar, May 19; Antelope, May 21; Westby, May 21; Scobey, May 23; Fort Benton, May 24; Belt, May 25; Stanford, May 28; Great Falls, May 29; and Missoula, May 31.

When this commencement season ends, Dr. Klemme will have delivered more than 1,100 such addresses in high schools and colleges in the middle west and west. Last year he gave about 20 commencement addresses in Montana but this year could not accept quite as heavy a schedule.

Coupled with his speaking ability is a rare understanding of youth. When a Presbyterian minister, Dr. Klemme was chosen to speak to a number of middle western college groups. He also has been in counselling work for a number of years. Part of this experience was while he was a Presbyterian minister. He continued this work when he was assistant to the president of Carleton college, Northfield, Minn.

Wave Alum Visits

Phyllis Taber, S 1/c in the Waves visited the campus last week and renewed old acquaintances. Before her enlistment last July, she was a student majoring in Home Economics at MSC. She took her training at Hunter College and also went to mail school for further training. Seaman Taber has returned to New York City where she has been assigned to the fleet post office.

Renne Accepts Resignation Of G. L. Starmer

The resignation of Garrett L. Starmer from the English staff at MSC has been officially accepted by President Renne.

Mr. Starmer came to the college in the Fall of 1943 and took over the teaching of the following courses: public speaking, voice and diction, radio speaking, and play production. While the air corp was here, he taught English to the cadets.

Under his capable direction, six major productions have been put on by the dramatic dept. They were "Ah! Wilderness", "The Father", "Nine Girls", "Claudia", "Letters to Lucern", "Romantic Age".

Mr. Starmer was born in Palo Alto, Calif. In college he majored in speech, drama and education. His first two years in college were spent at San Jose State college in Calif. He received his B. A. from Stanford University, Calif. in June 1940. The following summer he spent at summer school at Northwestern. In 1940-41 he took graduate work at Stanford acting as assistant instructor in speech and drama. The following year he received his masters degree which gave him general secondary teaching credentials. Following his master of arts degree he enrolled in summer school at Stanford where he received his Calif. State administration credentials.

Prior to coming to MSC, Mr. Starmer was a member of the school system at Tule Lake Japanese Relocation center.

The resignation becomes effective at the end of this school year. In June Mr. Starmer plans to attend the Stanford University summer school radio institute. It is described as follows: "The Department of Speech and Drama in collaboration with the National

Case Worker for Social Service Staff (Women-Age 25-45 - Foreign & Domestic) works under direction of Red Cross hospital executive and in cooperation with Army medical officers. Graduation from an accredited college or university is required for medical and psychiatric workers plus the completion of a full course in medical or psychiatric case work in an accredited school of social work. At least two years of social case work experience in medical or psychiatric inpatient or out-patient service, or two years of social case work experience in a family agency plus one year of social work experience with a medical or psychiatric inpatient or out-patient service or satisfactory equivalent combination, is essential. For general case workers, graduation from an accredited college or university and completion of the full course in an accredited school of social work, or at least one year's training in such a school including supervised field work plus two years' satisfactory experience in a recognized social agency is required; or four years' experience in a recognized social agency is required; or four years' experience in a recognized social agency, one year of which must have been in a supervisory capacity. Hospital executives are chosen from the social group after the training period.

Recreation Worker (Women - Age 25-45 - Foreign & Domestic) is responsible for planning, organizing and conducting recreation activities as a part of social service program of Red Cross in hospitals. Training and/or experience in recreation, physical education, music, drama, or arts and crafts are required.

Hospital Worker (Staff Aide) (Women - Age 25-45 - Domestic only) serves mainly in assisting with the social work program under the supervision of a trained social worker. Training or experience in social work, personnel work, or any related field would be helpful. A college degree is desirable, although with unusual related experience, an exception may be made. A primary prerequisite is a liking for and ability to work with people. An ability to learn quickly, and apply this knowledge under pressure is essential. Maturity, stability, initiative, and good judgment are also essential attributes.

Renne Gives Addresses to High Schools

Dr. R. R. Rene, president of Montana State college will deliver eight commencement addresses to graduation seniors of Montana high schools this month. The titles of his addresses are, "Toward Peace and Progress," and "Charter for Tomorrow."

Dr. Rene is one of five Montana State college faculty members who will deliver commencement addresses and baccalaureate sermons to about 35 Montana high schools this spring. Other college speakers are Dr. H. G. Klemme, dean of men and director of the student welfare department; Prof. Schubert R. Dyche, director of physical education; David G. Poston, assistant professor of history, and R. B. Tootell, professor of agricultural economics, economics and sociology.

The content of the addresses Dr. Rene will give will be filled with an understanding of school youth and will present a comprehensive view of the future, gained through experience in educational and practical fields.

Dr. Rene's experience in the educational fields has been broadened by association with seven colleges and universities. He has lectured in several states and has been called from Montana State college six times to work with governmental and educational institutions. He has traveled in Denmark, Germany, Russia and other foreign countries.

As a resident of Bozeman, Dr. Rene has been keenly interested in school youth. He served on the Bozeman school board for a number of years and has four children in the grade schools here. He also has done extensive research with schools along with other research.

Dr. Rene's interest in rural youth dates back to his own sphere of youthful hospitality and friendliness, assists with information service and general recreation program, handles canteen service including preparation and serving of food. College education desirable with major in recreation, music, dramatics, arts and crafts, et cetera. Outstanding experience may be considered in lieu of college training.

The meet was divided into two classes—the novice, for entrants who have not previously entered an MSC meet, and the amateur, for students who have previously entered a meet.

The winners of the novice division were: Peggy Rhoads Gerry, first; Joy Bowden, second; Alea Benjamin, third. The winning organization were Chi Omega, first; Alpha Omicron Pi second and Independent third. The final winners were Mary Louise Ray, Independent, first; Elaine Guth, Alpha Omicron Pi, second; Lucille Clydesdale, cooperative House, third.

Reporter Finds Views On V-E Day

One hour in the coffee shop proved to be an interesting place to interview students on their thoughts and reactions of V-E Day. Some of the people, when questioned, had lots to say and found it hard to narrow it down to one statement. A few had nothing at all to say, but from others, after a few minutes of deliberation, we got the following comments:

Bob Scheibe, "I think that on the average most of the people met it with a more serious thought of the war yet to win."

Monte Padbury, "I spent all V-E Day thinking how nice it would

be to see my friends that have been over in Europe for so long. But just wait till the war is over in Japan—then you'll really see a bunch of live wires go into action on this campus."

Ruth McDonald "I personally think more people on the campus thought more of having a day off from school than the war in Europe being over."

Maurie Funk, "It's a big job half finished."

Mr. Starmer, "It's a great thing and we should have an-

other one real soon."

Betty Jean King, "Why call it Victory in Europe Day? There'll have to be many more victories in the future before we can really celebrate and call it a finished job."

Hoot Eusterman, "Half the job is done and more lives won't be lost in that theater."

Emil Blazina, "The only trouble was everything was closed up and you couldn't celebrate."

Laura Simard, "I didn't celebrate it, I just slept."
