Little I To Open

e 27th annual Little International Livestock Show at Montana State College gets underway tonight at 7 p.m. in the house arena with 88 students to show livestock entries. The show continues through Saturday night.

Grand Champion Show will receive the animal heifer and each division winner will receive an animal from division in which he showed. Animals to be shown are sheep, swine and beef and dairy

ing to this year's event be a seed show sponsored by the college Chaff and Dust. Also, various college departments will set up displays in front end of the arena.

Addition to students show animals, 12 students will enter in four performance classes—Western pleasure, bitting, equitation and hackamore.

stured events each night include the appearance of a local class on Shetland ponies led by Alton McIlhatten of Bozeman, and Marin Bolinger, student from Bozeman, will enter with her trick horse, Bon.

Saturday night, A. C. Lyon will present a trick rope沼 act and there'll be a final FFA pig scramble.

ges named for the various

divisions are: Beef cattle—Remi Monforton, Wilbur Spring, Jr., and Carl Stimson. Sheep—Frances Niven and Ben Slanger. Dairy cattle—Jay Kirby. Swine—Wes McEwen and Sherman Smith. Horse—Dean Jackson, Hugh Peltz, Carl Holt, William Armstrong and Bob McIlhatten.

NEW CHEERLEADERS—Selection of next year's cheerleaders was made by the Traditions Board last week. Front row from left are: Dottie Perry, Marian Wylie, and Pam Mayer. Back row from left are: Billie Jean Applegate, Phyl DeJana, Cheer Queen; Dullain Dolighan, and Danny Brown.

Sessions Offer Variety

The 1960 Summer Session at Montana State College offers college students an opportunity to take undergraduate or graduate work in all departments. Acceleration of the program or removal of deficiencies is possible. Three terms of enrollment are available: June 14-July 15; July 18-August 19 - or a full quarter June 14-August 19.

More than 400 courses are offered this year in 37 bachelor's degree curricula, 27 master's degree curricula and 12 doctor's degree curricula. A conversion program enables those with a bachelor's degree in an academic area to complete teaching certificate requirements in the summer.

Summer recreational and cultural opportunities on campus are: bowling, swimming, square dancing, golf and tennis tournaments; six prominent lecturers, including Sir Pearson Dixon, British Ambassador to the United Nations; four recent Broadway plays produced by the MSC Theatre; weekly film classic series; five music concerts, including the Young Aspen Group; and other attractions. This area offers unsurpassed opportunities for picnics, fishing, hiking, camp-outs, or just enjoying the scenery.

Summer Session Bulletins, with all course offerings and the

Honor's Day Assembly Set

The Honor's Day assembly this year is scheduled for the 26th of May. All seniors are expected to attend and should therefore reserve their caps and gowns at the Student Union book store prior to this date.

Activities Set

by Jim McGinnis

Final plans are now in full swing for M-Day activities. This annual event has been scheduled for next Wednesday, May 18. It will be kicked off Tuesday evening with the Sigma Nu Follies at the Quads and the M-Eve mix-

er in the SUB ballroom.

As in the past, the freshmen and sophomores will paint the "M" in the morning while the upper-classmen will attempt to beautify the campus. In the afternoon, an all school picnic and variety show is planned.

It is at this point that a cry for help is in order. Entertainment is needed for the variety show. In order to make the program a success, it is hoped that every group on campus will be represented in this show. So far, response has been slow, so if you have an act you think is worthwhile don't be afraid to speak up. Anyone interested is asked to call Jim McGinnis at JU 7-3171 before Saturday noon.

Tickets for the campus picnic may be obtained by contacting Ben Green at JU 7-2577 or in the SUB lobby next Tuesday. All students and faculty members are invited to attend. Tickets will be sixty cents a piece for members of organized living groups and seventy-five cents for others.

Senator Claims GI Bill Stalled

Sen. Ralph W. Yorborough (D., Tex.) this week accused the House Veterans Affairs Committee of "stalling" tactics on the peacetime GI Bill. A GI Bill passed the senate last summer and is currently awaiting action in the House.

Yorborough said the House Committee has had more than eight months to study the bill's provisions and yet, in a recent executive session, voted to delay action for additional study. He said such tactics could kill the bill forever and that time for passage of this bill is growing short.

The House Veterans Affairs Committee is chaired by Rep. Olin E. Teague (D. Tex.) a War II combat hero and legislator since 1946. Yorborough said that if Teague does not have sufficient concern in the education of cold war veterans, "then the plan will most likely die in his committee or come out too late to be passed—that is, be killed by his own inaction."

Yorborough added that if a bill is passed, then veterans, their families, and educators owe their thanks to Teague. "But if it dies in the same committee, they should also know who to hold responsible."

Senate passed the cold war GI Bill last summer; surely this overwhelming vote in the Senate ought to convince the committee chairman (Teague) that this bill deserves consideration on the floor of the House. This Bill S-1138 would extend education and training, loan guaranty and vocational rehabilitation benefits to veterans who have entered active duty since Jan. 31, 1955—the cutoff date for Korea GI Bill entitlement.

WUS Plans Street Dance And Contest

The annual WUS street dance will be held May 20, according to chairmen Marge DeWit and John Petelin. A small fee will be charged to enter the dance and another fee of one half the admission price, for those who wish to enter a dancing contest. The contest will be separate from the rest of the dance. The winners will receive one half of the money collected from the people participating in the dancing contest.

According to John Petelin the mixer scheduled for tonight will be cancelled; however, plans are proceeding for a car wash in the near future.

New committee members are: D. Anders, B. Nelson, C. Wright, J. Maier, L. Holliday, G. Warren, and M. Jenson. This makes a total of 43 committee members in WUS.

M-Day Library Schedule

Library hours on M-Day, Wednesday, May 18, will be: 8 a.m. to 12 noon 6 p.m. to 10 p.m.

The library will be closed from noon until 6 p.m.

Editorially Speaking . . .

G.I. Bill Questioned

Recently the Veteran's Club of Montana State College has been circulating a petition aimed at gaining congressional support for the extension of federal education benefits to post-Korea veterans.

This new "GI" Bill would consist of education and vocational training assistance for veterans who had or will have some active service during the period from January 31, 1955, the officially declared termination date for establishing eligibility under the present Korean "GI" Bill, to July 1, 1963, the termination date of the compulsory draft law.

All men that had served for more than 180 days would be eligible for these benefits.

If this law was passed, what would this mean? Would it mean additional tax burdens? Would it mean that a man should be payed for serving his country? Or would it mean, "I'd be glad to serve my country if they pay me enough."

Sure, if a man has seen actual combat and has offered his life for his country, he has definately deemed himself worthy of future aid, but if he has simply lived up to his military obligation, like millions of other men and served his time is he right in expecting future aid?

This editor feels not. It is true that a man is giving up valuable time while serving military time, but we must make this sacrifice if we are to go on surviving as a current world leader. We can not allow a lag in our national defense, at such a crucial time. Our military network must call upon the men of this country to support this program, as it has done in the past.

Thus, these men must give of their time, and fulfill their military obligation, but for a price?

Jawin' It

Why Not Take The Easy Way Out?

By Jack Wayland

In an effort to insure that the normally hard-working students of MSC enjoy the unusually pleasant weather (it's not snowing), this column is devoted to pointing out ways by which homework may be done without getting in the way of your education. You CAN enjoy those parties and pass too!

Chemistry . . . you say you have a set of unknowns you must identify before the end of the quarter? Your problems are solved, friend, go out and enjoy the sun. Pack your unknown in a bottle (there are a lot of those on the campus lawn) and mail it to Chief Chemist Dr. Edmund Reek at MSU who will send back the results without cost.

Dairy Production 104 . . . Buy a couple of quarts and skip the middle man.

Individual Differences (Psychology 34) . . . Ask your mother.

Practical Astronomy (Math 302) . . . It is of the utmost importance to get a good lab partner for this course, one who doesn't mind working at nights. This course is very popular behind the fieldhouse.

Mechanics of Fluids . . . The best source of supplementary material for this course is the Parkway Grocery.

Things a person might never know if he couldn't read:

Fee exemption scholarships for all those other than athletes total \$102,165.

Preview of Coming Events— Next week in this column will appear a review of *Love and Death in the American Novel* by Leslie Fiedler.

Letters To Editor

Thanks Slated

Dear Editors:

Having never written a letter to the editor before, it is rather difficult to put into words the feelings I would like to put across to the students of Montana State College. The World's Championship Fight is history now. There has been much talk pro and con concerning the outcome, but that is part of what makes the world go round. I feel that students at Montana State College who participated in this venture, both by purchasing tickets and by donating services, deserve a great round of applause. I am most sincere in my thanks to the Spurs, Fangs, Rodeo Club members, and all others who donated their time and energy. Without their help this fight could not have been the financial success that it was. It gives me a great feeling of pleasure to be part of the staff of Montana State College and to be associated so closely with so many fine students. My heartfelt thanks to all of you.

Kindest regards,
Bud Purdy.

Halls Impress

At the recent convention of the Associated College and University Residence Halls MSC attained membership. The association was impressed with your school's residence hall program. It must provide very educational and enjoyable living for the residents.

The organization was even more impressed with the fine delegation that represented Montana State. Your school is to be complimented.

Myron Deibel and Wess Anderson were elected as president and secretary treasurer of the organization. Not having previous experience with the organization, the personal qualities of these two men won the confidence of ACURH.

It is hoped that the entire campus will back Myron and Wess during their term in office.

Sincerely,
Fred Swartz
Iowa State Teachers College

ARTCRAFT 2 PRINTERS

Theater Slates
Summer Works

Summer theatres are cropping up all over the United States in colleges, universities and communities. Through Montana State College, Bozeman is no exception. For quite some time, one or two plays have been produced in the summer. They were presented in the then unfinished theatre and one was presented in a local church.

Last year, the MSC Summer Theatre was organized with four plays over a period of eight weeks. They were done in-the-round, three-quarter-round, half-round and regular proscenium staging. It was an experiment which attracted many tourists. Faculty, townspeople, high school and college students participated in the casts and crews. This endeavor proved so successful that the program will be continued this summer.

Due to the tremendous response to the children's play this Spring, *Tow Sawyer* will be the first play. Two others will be *Lady Windermere's Fan* by Oscar Wilde and *Visit to a Small Planet* by Gore Vidal with a fourth yet to be selected.

These will be presented on Thursday, Friday and Saturday nights of each week, beginning June 16. There will be six performances of each play. Anyone is eligible to try out or to work on any or all of the plays.

Assisting Charles M. Billings of the present theatre staff will be a visiting director. Information may be obtained from Mr. Billings.

Marty Lee Wins
Top Acting Prize

After the last performance of the Spring play, the theatre awards were given. This year the acting award was presented to Marty Lee for her performances of the Indian girl in the one-act, *The Only Good Indian* and of Blanche DuBois in *A Streetcar Named Desire*. Marty is a junior Theatre Arts major from Shelby.

The technical award was given to sophomore Jim Rock, from Canada. This award is designed to give due credit to those who work behind the scenes. Jim is majoring in Agriculture and has worked consistently in the theatre program for the last two years.

These awards were presented by Joseph C. Fitch, Director of Theatre.

Curtain Calls

by Ann Dunbar

The MSC Theatre Arts department will take a rest this week end and let a professional company take over dramatic entertainment. The Bishop's Company of Santa Barbara, California will appear at the First Presbyterian Church on May 14 at 8 p.m. They will present C. S. Lewis' *The Great Divorce*, one of their six repertoire plays.

According to the play, once a year the residents of Hell are invited to become passengers on an excursion bus that will take them to the very borders of Heaven. On the arrival of the bus they are met by their counterparts from Heaven and discover once again that there can be no marriage between Heaven and Hell, only "the great divorce."

Currently on their seventh national tour, the Bishop's Company is bringing to an end the long separation between the church and the drama. Their plays are not obviously religious but contain a definite religious significance. The cast is interracial and inter-faith acting in an independent organization. There is no admission charge to their performances.

In Manhattan on May 15 at the Manhattan Presbyterian Church, they will present Rumer Godden's *An Episode of Sparrows* which takes place on Catford Street, London. Lovejoy Mason and her friend Tip have been stealing little plots of ground from the Gardens of the Square. This upsets the Garden Committee who does not realize the purpose to which it is being put by the two children. Their lives are changed, however, when they discover the secret.

Next Thursday evening, the lights will dim and the curtain will rise once more in our own Student Union Theatre. Three one act plays will be presented

by this quarter's directing. They will be *The Chairs* by Eugene Ionesco, *The Last of Solid Gold* by Tennessee Williams and *Let There Be Fare*.

The Chairs is directed by Vey Jung with Ellen M. Lanny Luding and Bryce M. in the cast. The story concerns around an old woman and her husband, who has a great sage for the world. They many people to hear the who will tell this message the old man. They bring a chair for each guest that he see and hear very clearly could be said to be the most usual play ever to be presented here and one which will have audience from the time the curtain rises to the moment scends.

The Last of My Solid Watches will present Glenner, Dave Brink, and Keith directed by Jim Rock. This is a typical Williams one involving an old salesman who is discontented with his life dreams of the old days people showed him more re

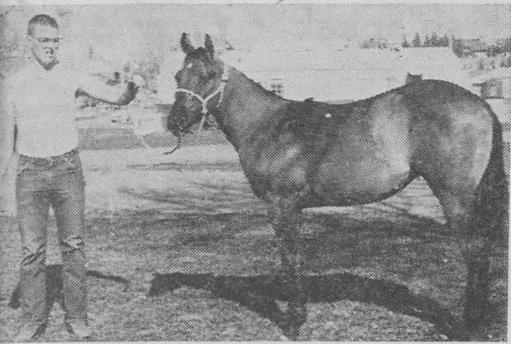

Ro Upham will direct *There Be Fare*. Bryce M. Carla Wulff and I will be in the cast. Gert and Lu Lu New York and meet on days to talk over the problem of getting along in the and "looking after number first and foremost." That's Lu's first husband used to and the thief in the neighborhood has been doing just that. they turn out to be one and the same, the hilarity begins, in a comic note into the nining.

Don't forget the Mixed Concert this Sunday evening 8:15 in the gymnasium. There no charge. The major work of the evening will be Haydn's

LITTLE MAN ON CAMPUS

"YOU HAVE YOUR ASSIGNMENTS TWISTED!! - THIS IS SLIPPED TO BE A BOTANY FIELD TRIP - NOT BIOLOGY."

FILE I MINDED—Many long hours have gone into the training of the "I" stock such as seen above.

Nursing Council Elects President; Scholarship Funds Are Explained

Robert Hardgrove was elected president of the Gallatin Nursing Council at the spring meeting held at Montana State on Thursday noon and attended by 30 members.

Other officers elected are Mrs. Dahl, vice president and Kenneth Jones, who was elected secretary. Max Worthen, outgoing vice president, died.

The scholarship fund to aid students enrolled in nursing has \$150, Miss Rita Darragh, part professor of nursing at

MSC reported. This is short of the demand she said.

She also explained that the western states are educating a smaller proportion of nurses than any other region. These same states are below the reasonable minimum of 300 nurses for each 100,000 of population.

To provide enough nurses for the expected population, the west will need from 68,000 to 94,000 additional nurses by 1970, she added. This means from 5,650 to 7,850 annually. Of these, 3,750 to 5,250 can be junior college or diploma graduates, 1,900 to 2,600 with B.S. degrees and there will be openings for 9,200 to 12,500 to go on for M.S. degrees.

Turning to the present Miss Darragh pointed out that there is a net addition of only 1,750 nurses annually at the diploma or junior college level and 900 who receive M.S. degrees. This means that the west is not graduating enough students to replace dropouts in the present nursing force.

The remainder of the program was a motion picture "Working for Better Public Health Through Recognition of Feelings." It was shown by Mrs. Magdalene Lobo, assistant professor of nursing and instructor of public health nursing in Gallatin county.

"Creation" Slated

A special performance of Franz Joseph Haydn's "Creation" this Sunday, May 15, will be the final concert of the year for the Montana State College Community Chorus.

Nearly 150 townspeople, faculty and students sing in the chorus which is under the direction of MSC music instructor Maurice Casey.

The concert is set for 8:15 p.m. in the college gymnasium. Mrs. Helen Landoe will provide the piano accompaniment and Charles Payne will be at the organ.

There is no admission charge.

Writing Contest Set By Press

Grove Press Inc. has announced a writing contest for college students to be known as *The Evergreen Award*. The winner of the contest, whose work will be published in *New Campus Writing No. 4*, will be awarded a cash prize of \$500.

Any student, graduate, or undergraduate enrolled in any college or university anywhere in the world is eligible to participate. Entries may be in the form of any literary material: stories, poems, plays, essays, etc. The contest opens on May 1, 1960 and closes September 30, 1961.

The aim of *The Evergreen Award* is to provide recognition for the most promising and distinguished talent among college students who submit material for publication in *New Campus Writing*. The winner of the award will be chosen from those authors whose work is accepted for publication in *New Campus Writing No. 4*. Other entries accepted for publication will be given honorable mention.

Entrants in the contest should provide proof by a registrar or teacher that they are registered in a college or university. Manuscripts are to be in English, typewritten on one side only, double-spaced, on 8 1/2 x 11 in. white paper. Each manuscript should be submitted separately. Poets should submit, preferably, a body of work, consisting of six or more poems. No manuscripts will be returned unless accompanied by stamped, addressed envelopes. Foreign submissions should be accompanied by international stamp certificates.

Entries will be judged by Nolan Miller and Judson Jerome, the editors of *New Campus Writing*, and by the editors of Grove Press Inc. Manuscripts should be sent to *The Editors, New Campus Writing*, Antioch College, Yellow Springs, Ohio.

TV Spectacular Slated June 27

A television program dedicated to the nation's younger generation—that's "Coke Time", the all-star ABC-TV show set for June 27 and starring the top names in the recording business.

The hour-long program (9:30-10:30 p.m. New York time) will star Pat Boone as master of cere-Paul Anka, Frankie Avalon, Ed (Kookie) Byrnes, Bobby Darin, Bob Denver (who portrays Maynard Krebs on the "Dobie Gillis" TV program), Fabian, Annette Funicello and others.

Nock Vanoff produces the television spectacular, with Marc Breaux and Deedee Wood as choreographers.

MSC Receives Lab Equipment

Montana State College is the recipient of a gift of engineering laboratory equipment and a certificate in recognition of the excellence of its engineering curriculum.

Both were made on behalf of the Westinghouse Educational Foundation.

The presentation was made by Glenn H. Clapp of Butte, apparatus manager for the Westinghouse Electric Corporation, and John H. McCarvel, engineer with Westinghouse in Butte. Both are MSC graduates.

The gift is a part of the Foundation's nationwide program of giving laboratory equipment valued at more than \$500,000.

Three Speak

Three nationally known authorities in the life insurance field will be on the program for the annual convention of the Life Underwriters of Montana which meets here today and tomorrow, according to Irv Hintzpter, president of the Montana Association.

They are Paul R. Green of Seattle, Raymond W. Frank, Chicago, and John Burkhart of Indianapolis, Indiana.

Green has won five president's trophies for agency management in Seattle, was a founder of the Washington Life Underwriters Association, and is on the Board of the National Association of Life Underwriters.

Frank is a life member of the national "million-dollar" underwriters sales club and has qualified for 19 consecutive years. He has won about every trophy offered by his company, Hintzpter says.

Burkhart has been awarded an honorary doctor of law degree from his alma mater, De Pauw University, for his outstanding business success. He is a co-founder and president of the University Life Insurance Company of America. He has been an active campaigner for support of education in Indiana and in the United States Chamber of Commerce.

Olympics Set

Marking the coming of spring events, the Sig Alpha Olympics will be held this Saturday. Sponsored by Sigma Alpha Epsilon fraternity, the Olympics will be composed of a team from each sorority and an independent team.

The coeds will participate in various games of skill. Although only girls will compete in the events, the public is invited to come as spectators.

First, second, and third place winners in each event will be awarded with ribbons. A training trophy, now held by Alpha Omicron Pi sorority, will be presented to the house receiving the most points and an individual trophy will be given to the capturing the most points.

The Sig Alpha Olympics are to be held May 14, from 1:30 to about 3:00 p.m. on the lawn of the Sigma Alpha Epsilon house. The games to be contested are: tug of war, sack race, tricycle race, ball-bat relay, chase, standing broad jump, bathing suit race, steeple chase and an egg throwing contest.

Marine Positions Open to Students

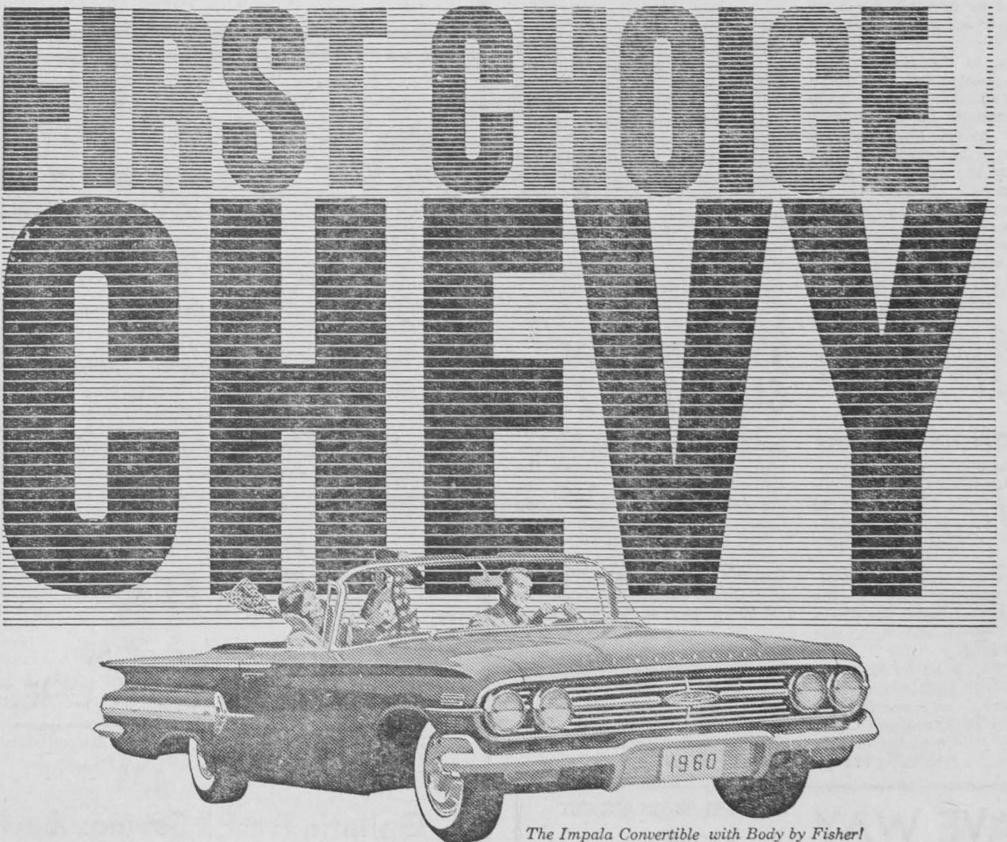

Oustanding college students interested in ground or aviation training leading to a commission in the United States Marine Corps, may apply. Freshmen sophomores and juniors are eligible for platoon leaders and platoon leaders class aviation. Seniors or college graduates eligible for officer candidate course or aviation officer candidate course. The program offers to interested and qualified college students a commission in the Marine Corps, opportunity to complete college, no on-campus training, draft deferment, and those who enroll early in their college career, up to \$92.00 a month more pay upon commissioning.

Applicants must be physically and morally qualified for service as a Marine officer and agree to remain on active duty for a minimum of three years.

The officer selection team also interview college women interested in a Marine Corps commission.

AICE Slates Meeting Here

The Northwest Regional Convention of the Student Chapters of the American Institute of Chemical Engineers will be held at the MSC campus on May 13-14.

The purpose of the convention is to present the students in Chemical Engineering of this region the opportunity to exchange their ideas, knowledge and experiences and thus broaden the engineering education of concerned.

One of the highlights of the convention is the oral presentation of student papers on a scientific subject, with an award of \$100 for the best paper.

The states that will be represented at this convention are: Washington, Oregon, Idaho, and Montana. British Columbia is also included in this region.

These are the silver wings of a U.S. Air Force Navigator. As a young officer on the Aerospace team, he has chosen a career of leadership, a career that has training, rewards and executive opportunity.

The Aviation Cadet Program is the gateway to this career. To qualify for this rigorous and professional training, a high school diploma is required; however, two more years of college are highly desirable. Upon completion of the program the Air Force encourages the new officer to earn his degree so he can better handle the responsibilities of his position. This includes full pay and allowances for taking off-duty courses under the Bootstrap education program. The Air Force will pay a substantial part of all tuition costs. After having attained enough credits so that he can complete his work and residence requirements for a college degree in 6 months or less, he is eligible to apply for temporary duty at the college of his choice.

If you think you have what it takes to earn the silver wings of an Air Force Navigator, see your local Air Force Recruiter. Ask about Aviation Cadet Navigator training and the benefits which are available to a flying cadet in the Air Force. Or fill in and mail this coupon.

There's a place for tomorrow's leaders on the aerospace Team.

AWS Awards Set For Woman's Day

The Associated Women Students Organization will again, as in the past, present scholarships at this year's Woman's Day Assembly.

The scholarships are made available from the proceeds raised at this year's Chinese Auction.

Applications for these scholarships are available in the Student Welfare Office and the recipient will be chosen by a committee appointed by AWS council. The girls receiving the awards will be selected on scholarship, leadership, and need.

Jack Toole Presents Views

Thursday, May 5, the Young Democrats sponsored a talk by Mr. Jack Toole, Democratic candidate for governor. Jack Toole is a rancher, business man and former student of MSU. In his talk, Mr. Toole told the group attending that he feels the economic problems of this state can be solved by: (1) tightening the purse strings of government and (2) establishing the Industrial Development Commission. He feels that the Industrial Development Commission could develop plans to encourage industry to come into Montana. Under the actions of this commission,

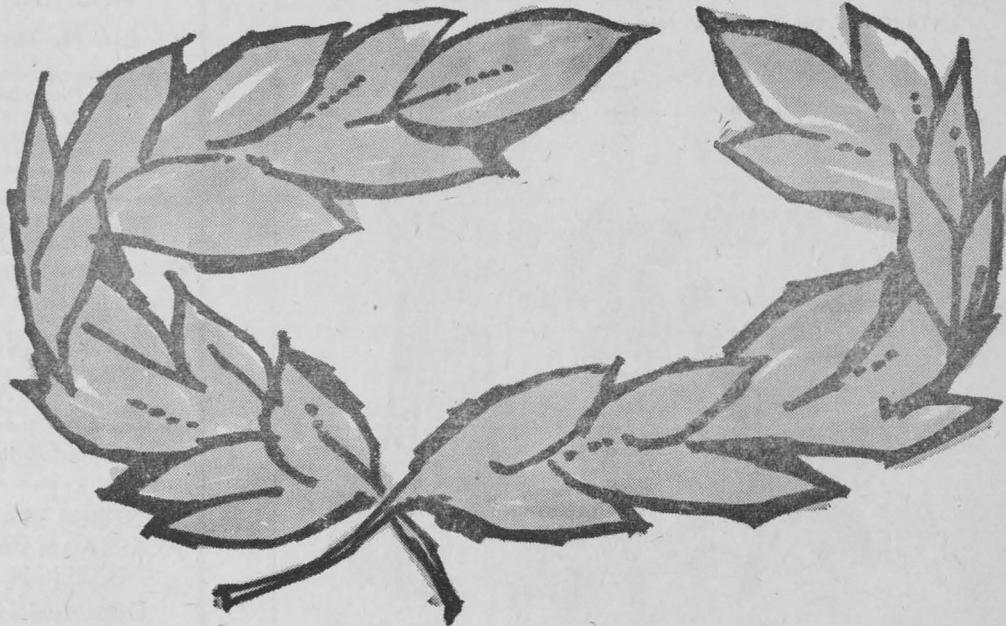

Mr. Toole proposes that state owned industrial sites should be made available to new indus-

Jack Toole

tries on a dollar per year per acre land lease basis. To prove his point, Mr. Toole cited the recent industrial development in Alberta, Canada, our neighbors to the north.

In commenting on education, Mr. Toole said that he feels emphasis should be placed on the development of vocational education institutions. He feels that such institutions could be administered under the University system and that they would relieve much of the pressure on the existing institutions of higher learning.

YOU WON'T REST ON YOUR LAURELS AT IBM

OUTSTANDING CAREER TRAINING KEEPS YOU LEARNING AND GROWING: at IBM, qualified college graduates rapidly develop a broad understanding of the many worlds of business. IBM Sales Representatives, for example, learn to work with the top executives of different firms, helping them introduce modern data processing techniques.

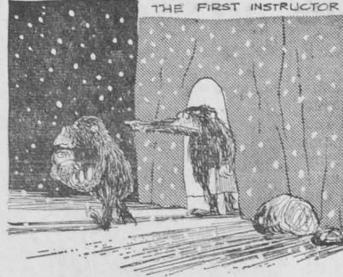

Whether you're majoring in engineering, science, math, business administration, or liberal arts, you

should know about us and about the varied careers we have to offer. See your Placement Officer for more information. If we have already interviewed on this campus, and you did not get to see us, please write or call:

Nursing Degree Will Be Offered

Starting with its 1960 commencement, June 6, Montana State College will award a Degree of Associate in Nursing students who have successfully completed the two-year program of the school of nursing. The degree replaces the nursing diploma which has been awarded in the past.

However, Dr. Anna Peas Sherrick, director of the school of nursing, points out that the change in no way alters the present curriculum of the two-year nursing program nor the college's affiliation with the Montana Deaconess Hospital at Great Falls and the Billings Deaconess Hospital.

Authority to award the degree was granted by the State Board of Education, ex officio Regent of the University of Montana, its April meeting.

Until this change was made, Miss Sherrick explained, Montana State College was the one collegiate institution in the United States with a two-year academic program in nursing that awarded a diploma upon completion of the course.

All collegiate institutions with two-year nursing programs now offer the associate in nursing degree while the diploma is awarded by single-purpose schools under the control of hospital or non-collegiate authority.

The League of Nursing, which is the official accrediting agency for schools of nursing, urged that MSC make the change, Miss Sherrick added.

Library To Close Memorial Day

The library will be closed Saturday, May 29, preceding the Memorial Day holiday on Monday. Seniors and graduate students particularly should note the change in weekend hours.

Danny Costello Now Presides Over M-Club

M-Club, Montana State College's varsity letterman's organization, initiated new members recently. These men are: Don Cahill, Terry Jensen, Jim Berg, Bob Durado, Ron Frank, Dan Greer, Jerry Johnson, Dick Nawotczynski, Norman Mell, Gene Kolstad, Lones Wigger, Ron Weiss, Harry Finsk, Dick Bratton, Tom Sawyer, John Bryant, Harry Stagnito, Gordon Haugen, Gail Lewis, Lee Blackwood, Bob Baker, Ken Young, Steve Sobonja, John Bietendue, Bob Schmitz, Bob Cegelski, and Bob Biastoch.

M-Club also elected officers. These are: Danny Costello, president; Sam Moore, vice president; Tom DeVine, secretary, and Tom Sawyer, treasurer.

Montana Mines Edges Out MSC In Local Match

Montana School of Mines edged by MSC 2-1, in the tennis match held here last Saturday.

In singles competition, Manuel Munoz, Mines, defeated Dick Hill, MSC, 6-1, and 6-3. Rod Zoske, MSC, defeated Bill Thompson, Mines, 6-1 and 6-1.

In doubles, Munoz and Thompson defeated Hill and Zoske, 6-4, 4-6, and 6-1.

Team Scores:
Montana Mines, 2 - MSC, 1.

MSC Cowpokes Sweep USU Rodeo

The MSC Cowpokes swept 9 out of 10 first place buckles offered at the USU Rodeo in Logan, Utah, last week, as they trounced the second place team by a margin of 474 points. The strong MSC team won every event except bull riding, in which they placed second.

Team standings were:

1. MSC	766 1/2
2. West. Mont.	292 1/2
3. ISC	135
4. USU	124
5. BYU	87

Individual results from the rodeo saw little Jack Dawson, who made such an outstanding ride on "Trails End" here in the Fieldhouse, win three events, Saddle Bronc, Bareback Bronc, and Bull Dogging. Dawson also won All-around Cowboy award. Eddie Scott placed second in both Bulldogging and Calf Roping. Dan Frazer won the Calf Roping, and garnered a third in Saddle Bronc riding, with Hale Jeffers copping the Ribbon Roping, and placing third in Bulldogging.

MSC also led the field in women's events. Dolly Hughes won both go-rounds of Barrel Racing, one go-round of Pole Bending, and the All-Around Cowgirl award. Sharon Mehling won the Pole Bending, and wound up sec-

ond in Barrel Racing. Barb Smythe was second in one go-round of Pole Bending, with Sue Burgrass fourth in one go-round of the Barrel Racing.

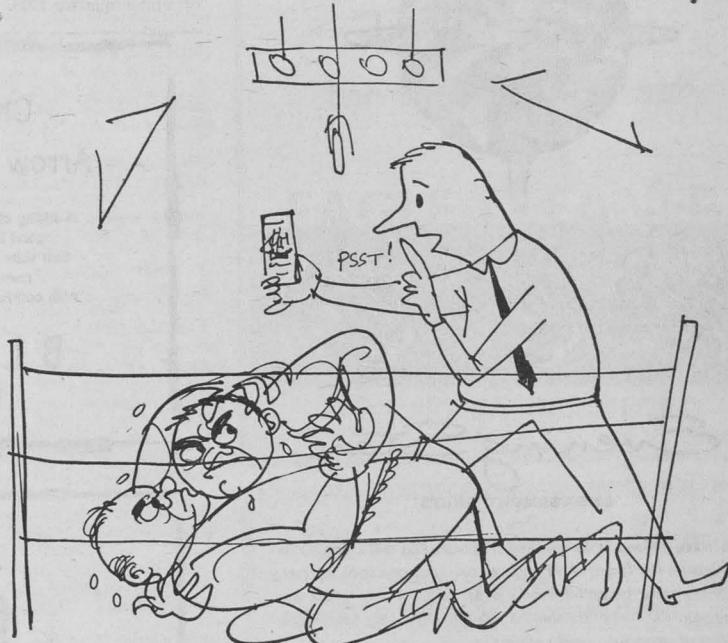

This rodeo put Montana State College way ahead for cumulative points during the rodeo season. So far they have scored almost 1800 points.

Evening Star

ENGAGEMENT RINGS

You have to see it to believe it! Looks like a diamond star floating on her finger. And it makes any diamond look bigger, brighter, more beautiful. Don't even think of any other engagement ring until you see the dazzling "Evening Star" collection at your Artcarved jeweler's.

And, for real proof of value, ask your jeweler about Artcarved's famous nationwide Permanent Value Plan. It gives you the right to apply your ring's full current retail price, should you ever desire to, toward a larger Artcarved diamond—any time—at any of the thousands of Artcarved jewelers throughout the country.

IMPORTANT: Every genuine "Evening Star" diamond is guaranteed in writing, for color...cut...clarity...and carat weight and only Artcarved stamps the exact diamond weight in the ring. It's a genuine "Evening Star" only when the name is stamped in the ring.

Beloved by brides for more than one hundred years (1850-1960)

NRA Selects All-Americans

News has just been released by the National Rifle Association, Washington, D.C. that two members of the Montana State College Varsity Rifle Team, Lones Wigger and Jerry Davis, have been selected as members of the 1960 NRA All-American Intercollegiate Rifle Team.

This honor is best explained by quoting from the letter from Mr. F. C. Daniel, NRA Secretary. Winners of the 'Golden Bullet' are chosen by a special selection board because of their skill with the rifle, leadership ability, scholastic standing, and sportsmanship. You may be justly proud of this recognition as one of the ten most outstanding collegiate riflemen of the year."

Lones Wigger is a Cadet Lt. Colonel in Army ROTC, Captain of the Varsity and Army ROTC rifle teams, and president of MSC's rifle club. He was also a member of the 1959 NRA All-American Intercollegiate Rifle Team.

Jerry Davis is presently on duty as a 2nd Lt. with the USAF, and is stationed at Bainbridge Air Base where he is undergoing flight training. Davis was captain of the AFROTC rifle team until his graduation at the end of winter quarter 1960.

MSC Tops Carroll

Cat's To Face MSU

Won 7—Lost 1

MSC's baseball team extended its record to seven victories against only one defeat with a doubleheader triumph over Carroll College Monday afternoon. The Cats won the opener, 7-1, and captured the nightcap 14-1, as Con Strzelczyk hurled two hit.

To Battle Grizzlies

Tomorrow the Bobcats battle the Grizzlies in a twin bill scheduled in the Capital City. The games were originally scheduled for MSC, but were moved to Helena since the turf on the new MSC field is not yet ready.

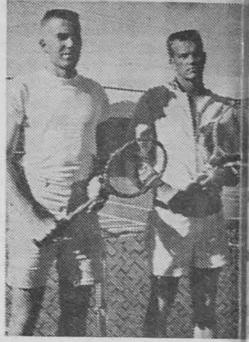

Cats 7, Saints 1

In the first game Monday, Carroll collected seven hits off right hander Keith Strandberg but could push only 3 runs across. Meanwhile, third baseman Jim Owens and Strzelczyk were punching out two hits each to pace MSC to six runs.

MSC 14, Carroll 1

While Strzelczyk held the Saints to only two hits, Strandberg blasted a pair of triples and two singles to lead the 14-hit Cat attack. The Bobcats had 14 hits and three errors in piling up their 14-1 margin.

MSC coach Bob Rousey plans to start Strandberg and Strzelczyk on the mound against Grizzlies Saturday. Earlier this year they pitched MSC to a pair of victories over MSC at Missoula. Relief hurlers for Cats are "Skitch" Hender and Tom Sawyer.

MSC NETTERS—Dick Hill and Rod Zoske pace MSC's Tennis Team. These two men represented MSC last week match against the School Mines.

Russ Johnston, MSC's top dash man gets into position to run his record breaking 440 run which he made in last Saturday's invitational meet. Russ, a promising prospect for MSC's track future is a freshman from Fairfield, Montana.

Cindermen Take Meet

by Flint Taylor

Montana State College garnered nine first places to edge Western Montana 65-59½, in the ninth annual MSC track meet Saturday at Gatton Field. In third place was Eastern Montana 19, Rocky Mountain fourth 11, Northern Montana fifth 5½, and Montana Mines sixth 1½.

The host Bobcats had stand-out performances from their top distance runner Terry Jensen, and brawny Jim Roban, star weightman. These two combined talents to capture the firsts; to overcome Western's superior depth.

Jensen Breaks Records
Jensen, a slender junior transferred from Ricks College, established new meet records in winning the mile and half-mile runs, nearly shattered the two-mile mark set last year by Western's Wayne Barney. Jensen clocked 4:32.2 in the mile to overcome nearly eight seconds off old meet record, and whipped through the half-mile in

Roban Fulfills Promise
Roban, as earlier prophesied, 2.9, bettering the old mark 2:04.4 set by Barney last year.

In both the shotput and discus, in addition to setting new meet records. He tossed the shot even 50 feet, and hurled the discus 153 feet, 6 inches.

Wild Day at Gatton Field
In all, seven meet records fell Saturday. Also setting a new meet record was Jerry Selvig of

Western, who tossed the javelin 197 feet 6 inches. Tom Sawyer of MSC broke Roger Hankin's pole vault record of 12 feet with a vault of 12 feet 8 inches. The final record to fall was the 440 yard dash. That mark was set by Russ Johnston, MSC freshman, who clocked 51.1 breaking former Bobcat star Duane Delgler's mark of 51.8 set last year.

It was fitting that Johnston should break the 440 record, since he had tough luck in his specialty, the 100-yard dash. Johnston was favored to win this event, but was disqualified for making two false starts. He finished third in the 220 yard dash to capture 7 points for the Cats.

With Johnston on the sidelines, Steve Good, another MSC freshman, won the 100 in 10.1. Also winning a first for MSC was Tom Huff in the 220 yard low hurdles.

Jensen Gains Most Points

Jensen, the standout performer, won 15 points for the Cats in running almost four miles. He competed in the 880, mile, two-mile, and was a member of the mile relay team.

To Meet Missoula

The thinclads' next meet will be in Missoula tomorrow against the Grizzlies. This meet should prove to be a real duel, since not only is there a great rivalry, but both schools have good track teams. MSU's distance ace, Gary Wajtowick, and MSC's Terry Jensen should provide some close competition and excellent times in the distance events.

Muslemen Keep Title With Five Firsts

MSC's weightlifting team successfully defended its state AAU weightlifting title at Butte Saturday, as they took five first places, three seconds, and one third. The team members also set seven state records.

Bruce Bramlette retained his title in the 132 lb. class with a 570 lb. total in the three Olympic lifts. George Douglas retained his 165 lb. title with a 675 lb. total. Ed Warwick won the 181 lb. class, and set a new record with a clean and jerk lift of 270 lbs.

The hottest competition of the evening was in the 198 lb. class. Charley Jackson, the 1958 champion in this class, took first place in a close competition against his teammate, Bill Frederick, and Derek Smith of Billings. Jackson's total was 725 lbs., only 5 lbs. ahead of Frederick, and 10 lbs. ahead of Smith.

In the heavyweight class Jim Roban was unopposed, but in spite of this he set new state records in the press, clean and jerk, and total. Roban's press was 250 lbs., his clean and jerk was 295 lbs., and his new total was 760 lbs. An extra attempt lift by Roban of 305 lbs. in the clean and jerk was brought to his shoulders but he could not

manage the jerk. It is interesting to note that on the morning of the same day, at Gatton Field, Roban set new Montana State College shotput and discus records.

The muslemen will compete next in Portland, Oregon at the Pacific Northwest Championships on June 3-4.

Alpha Gamma Delta

At the International Reunion Day, April 23rd, Jo Anne Hudleston was honored as the outstanding active for the year. Also honored were Deanne Kostka, outstanding pledge and Betsy Ross for highest pledge grades.

Kappa Delta

Key Woldvedt was given the outstanding pledge award. Dora Lou Tidball announced her forthcoming marriage to Steve Sevener.

Pi Beta Phi

Jan Christian was seranaded in honor of her pinning to Lindy Royer, Lambda Chi. Sandy Bolstad now sports a diamond from Larry Walker, Sigma Chi.

Chi Omega

Judy Phelan announced her forthcoming marriage to Jack Nelson, Delta Sig.

Delta Sigma Phi

Paul Biering is engaged to Earline Ward, Delta Zeta, Oklahoma City University.

Lambda Chi Alpha

Bob Rutherford is engaged to Joyce Kent.

Sigma Alpha Epsilon

New pledges are Bruce Rodgers and Larry Kamlopske.

Kappa Sigma

Dave Genest announced his engagement to Mary Clair Aldrich, Sigma Kappa, University of Nebraska.

New officers are Stan Butcher, House Manager; Dale Winter, Ass't. Treas.; and John Parkins, Commissary Manager, Great Falls Nurses Home.

Nancy Clikman announced her pinning to Paul Wallner, Phi Sig, MSU.

Hannon Hall

Sarah Massey, Ind., is engaged to Charles Myrick, Ind.

HONORARIES

Scabbard and Blade

New officers are, pres., Capt. Laren Buckland; vice pres., First Lieut. Mike Clune; treas., Second Lieut. Sam Moore; sec., First Sgt. Marv Lindseth; publicity, Corp. Dennis Ekstrom.

Sigma Nu Follies Slated Tuesday Presented at Quads Before Mixer

The famed Sigma Nu follies will appear on this campus next Tuesday evening in the center of the quads.

This informal variety show will precede the M-Eve mixer and will feature several fine entertainment acts. Among these is a chorale octet, a dixie land band, the 3½ four and many novelty acts.

A western theme will dominate this show primarily aimed

Mu Sigma Alpha

The new officers of the music honorary are, pres., Roger Reser; vice pres., Grant Gilfeather; secretaries, Bobbe Garry and Roberta Nistler; and treas., Cliff Cox. Alpha Tau Delta

The quarterly meeting of the nurses honorary was held April 30th. Divisions represented besides Bozeman were Great Falls and Billings. New members are Karen Erle, Vera Goulet, Lois Jordan, Lois Lindsay, Ellen Olsen, Pat Sanders, and Amy Swanson.

Les Bouffons

In conjunction with the Miss America Selection Committee the Les Bouffons are sponsoring a Queen of the Year Contest, with the winner to be announced at the M-Day variety show. The candidates are: Cathy Schreiber, Alpha Omicron Pi; Phil DeJana, Pi Beta Phi; Bobbe Garry, Chi Omega; Billie Jean Applegate, Delta Gamma; Barbara O'Neil, Alpha Gamma Delta; Barbara Holland, Kappa Delta; Rose Marie Roundheels, MSU; Barbara Smith, Ind.; and a dark horse candidate who will be announced later. This contest may prove to be one of the highlights of M-Day and the Les Bouffons year.

CLUBS

I. S. A.

New officers for 1960-61 are: pres., Larry Ropes; vice pres., Myrna Salvas; sec.-treas., Ben Torres; ISA Bobcat editor, Norman Strung.

Positions on standing committees are open. Those interested should attend the next meeting.

Student Flying Co-op

Dick Bolland, advisor, Leif Larson, Ray Sammons and Dan Keil will fly to Columbus, Ohio, for the National Intercollegiate Air Meet on May 12, 13 and 14.

CHURCH NEWS

Canterbury Club will be charge of Chapel services for the week beginning May 16. The services are held from 7:30 to 7:50 each day.

to entertain the females, but all students are urged to attend.

The group will present an hour and one half show hoping to kick off the M-day festivities in fine fashion.

Tickets On Sale

Senior Banquet reservations will again be on sale in the SUB from 9:00 until 4:00 this coming Wednesday, the 18th of May. Reservations will be \$2.00 per plate.

Cleanup Slated

M-Day activities for juniors and seniors will start at 9 a.m. on Wednesday, according to M-Day chairman, Larry Chanay.

Tentative projects on tap for the annual campus cleanup include cleaning several streets on campus, policing the grounds—including a general cleanup behind the field house, painting guard rails in the parking lots, painting hello walk and painting parking line on curbs.

Activities have been planned so that they will be done in time for the picnic and variety show, Chanay said.

EUROPE MADE SIMPLE: No. 1

Summer vacation is just around the corner, and naturally all of you are going to Europe. Perhaps I can offer a handy tip or two. (I must confess I have never been to Europe myself, but I eat a lot of Scotch broth and French dressing, so I am not entirely without qualification.)

First let me say that no trip to Europe is complete without a visit to England, Scotland, Wales, Ireland, France, Germany, Spain, Portugal, Italy, Lichtenstein, Holland, Belgium, Switzerland, Luxembourg, Denmark, Sweden, Norway, Finland, Poland, Czechoslovakia, Latvia, Lithuania, Estonia, Russia, Greece, Yugoslavia, Albania, Crete, Sardinia, Sicily, Hungary, Romania, Bulgaria, Lapland, and Andorra.

Let us take up these countries in order. First, England.

The capital of England is London—or Liverpool, as it is sometimes called. There are many interesting things to see in London—chiefly, the changing of the guards. The guards are changed daily. The old ones are thrown away.

Another "must" while in London is a visit to Buckingham Palace. Frequently in the afternoons Her Majesty the Queen comes out on the balcony of the palace and waves to her loyal subjects below. The loyal subjects wave back at the Queen. However, they only continue to wave as long as Her Majesty is waving. This of course is the origin of wave lengths from which we have derived numerous benefits including radio, television and the A&P Gypsies.

Be sure also when you are in London to visit the palace of the Duke of Marlborough. *Marlborough* is spelled *Marlboro*, but pronounced *Marlboro*. English spelling is very quaint but terribly disorganized. The late George Bernard Shaw, author of *Jo's Boys*, fought all his life to simplify English spelling. He once asked a friend, "What does g-h-o-t-i spell?" The friend pondered a bit and replied, "Goatee." Shaw sniggered. "Pshaw," said Shaw. "G-h-o-t-i does not spell goatee. It spells fish. Gh as in enough, o as in women, ti as in motion."

It must be remembered, however, that Shaw was a vegetarian—which, all in all, was probably a good thing. As Disraeli once remarked to Guy Fawkes, "If Shaw were not a vegetarian, no lamb chop in London would be safe."

But I digress. We were speaking of the palace of the Duke of Marlborough—or Marlboro, as it is called in the United States. It is called Marlboro by every smoker who knows flavor did not go out when filters came in. Be sure you are well supplied with Marlboros when you make your trip abroad. After a long, tiring day of sightseeing, there is nothing so welcome as a fine, flavorful Marlboro and a foot bath with hot Epsom salts.

Epsom salts can be obtained in England at Epsom Downs. Kensington salts can be obtained at Kensington Gardens, Albert salts can be obtained at Albert Hall, Hyde salts can be obtained at Hyde Park, and the crown jewels can be obtained at the Tower of London.

Well sir, now you know all you need to know about England. Next week we will visit the Land of the Midnight Sun—France.

© 1960 Max Shulman

* * *

And you also know all you need to know about smoking: Marlboro, if you want the best of the filter cigarettes—Philip Morris if you want the best of the unfiltered cigarettes.
