

Schedules Man Contest

sponsoring an Ugliest campus contest the week of February 13 through Friday, February 17. One candidate from the men's fraternity and one independent are vying for the honors. The contest will be done with money, a vote.

Candidates will be on hand at the Friday night to help cheerleaders. Immediately after the game a WUS dance will be held in the SUB. A vote of a dance ticket will be given to five votes for the choice of his choice. Miss Barlow will crown the Ugliest on Campus. Music will be provided by Roy McCracken's Band.

Accidentals. Money received from this contest will be sent to the World Service which is an international organization formed to give financial assistance among the nations of the world. It is to fight against poverty, sickness and disabilities throughout the world.

Present time WUS is money to help students in Africa, the middle East, and in South America as well as in the United States. The organization is trying to educate the people in the countries tomorrow in countries where two to twenty-five percent of the people can read.

Dance Feb. 11

will decorate the room for the annual dance, sponsored by Pi Kappa Alpha. The semi-formal dance will be held Saturday, February 11, from 9 to 12 with Roy McCracken's

of the dance will go to the Beta Phi Settlement in Gatlinburg, Tennessee. Near the Great Smoky Mountains is isolated from the rest of the country until the Settlement.

Staff members are re-elected next Wednesday. Pictures will be taken for the Montanan. Pictures will be taken at 7:00 p.m. in room 100 of the Student Union Building. Members are urged to attend.

ool project began in the schools, handcraft shops, and stores were built up. The name Gatlinburg was chosen to be the most needy country in regard to the U. S. Commission on Education. Now it is approximately two million a year.

ing of the Hill" will be at the dance. Girls' tickets may be cashed for one of the ten tickets up by the fraternity. "King" will succeed the present "King of the Hill."

ating \$1.50 per couple purchased in the SUB on Monday, February 8, at 7:00 p.m. in room 100 of the Student Union Building. Members are urged to attend.

CHRIS DUNLAP was selected "Miss Pi Week 1961" at the Pi Week Mixer held in the SUB ballroom last Friday. Chris was selected in conjunction with the Pi Kappa Alpha's annual benefit drive for the March of Dimes.

Founders Day to be Voted On

MSC's student body will step to the polls Feb. 6 to vote on the issue of setting aside a specified Founder's Day at Montana State College.

The holiday has been proposed to replace the probable post-game victory day after the Bobcat-Grizzly football game. If this issue is to pass, 25 per cent of the student body must cast their ballot. If the required 25 per cent is met and the issue passes, an annual Montana State College Founder's Day will be held the

Monday following the mid-point of winter quarter each year. This year's Founder's Day will be held Feb. 13, if the issue meets student approval.

Various activities will be scheduled in coming years in the event it is held. A possible all-school assembly would be held to commemorate our founding.

Voting will take place Feb. 6 in the SUB lobby from the hours of 8:00 to 5:00 and the issue must include 25 per cent of the student body to be valid.

Debaters At Tourney

Three teams of junior debaters from Montana State College will compete in the University of Puget Sound Tournament on February 2-3-4 at Tacoma, Wash.

Montana State is defending champion in the junior division of the tourney. MSC's Jack Dunn, Livingston, and Gary Crane,

Bozeman, won the Junior Men's Championship last year.

Debate coach L. A. Lawrence has named the following teams to make the trip: Tina Reynolds, Bozeman, Deanna Leer, Snohomish, Wash.; Dick Ward, Bozeman, Don Wolfe, Hardin; Carol Sandenaw, Los Alamos, N.M., and Idell Weydemeyer, Fortine.

In addition to debate, they will compete in extemporaneous speaking, oral interpretation and impromptu speaking.

Chris Dunlap Is "Miss Pi Week"

This year's Pi Week brought Christine Dunlap, Chi Omega, the title of "Miss Pi Week 1961" at the Mixer Saturday, January 28.

Pie eaters Jim Edwards, Sigma Nu, and Shirley Slaughter, Kappa Delta, topped the honors in the "Pie Eating Contest," bringing to a close a week of festivities yielding more than \$1000 to be donated by the Pi Kappa Alpha fraternity to the new March of Dimes.

According to Dennis Marriage, Chairman of the event, this is almost twice the donation achieved in 1958 and exceeds last year's total by \$254, and is in his words, "the most successful Pi Week ever."

MSC Students Form Youth Corps

"This nation is full of young people eager to serve the cause of peace in the most useful way," So said President Kennedy in a speech last fall in which he proposed a Youth Corps of talented young men and women willing to serve abroad in technical assistance programs.

The Point Four Youth Corps is being studied and discussed here at MSC. The International Cooperation Center on campus is doing specific study on selection, orientation, and training of applicants for the program. This

(Continued on page 5)

State's First

Bobcats On TV

by Mary Bennett

Whether February 13 will mark the beginning of an annual winter holiday will be decided by an all-school election to be held Monday, February 6. Chairman of this praised issue, Dave Gibson, stated that if this item passes by a vote of twenty-five per cent of the student body, the holiday will be known as Montana State College Founders' Day.

President Godston announced that he had sent a second letter to the five other units of the University System concerning the pending Nutter budget cut. The letter was aimed to explain the present feeling of MSC students toward this reduction in funds, as well as to ask the other members of the system to sit tight and not make any rash movements.

A formal recommendation was made that ASMSC make the Mardi Gras an annual affair. It was suggested that there be a student elected by senate to chairman this costume affair each year. The low price of \$1.50

per couple will remain permanent.

Commissioner of the fieldhouse reported the good news that the Bobcat-Gonzaga basketball game to be played on February 22 will be televised over KRTV in Great Falls. Students in the Film and TV curriculum will carry forth the work on this excellent publicity project. The game will be the first intercollegiate athletic event to be telecast in Montana. The Montanan Choral Group will furnish the half-time entertainment.

Phil Schneider announced that a story, including pictures, featuring the well-known MSC skier, Finn Fluggein, is found in the new edition of Sports Illustrated.

Commissioner of the Bookstore, Ron Cloniger, explained that the Bookstore is not attempting to cheat students on the paper sold, as each packet has better quality and more content.

Art Finlayson stated that there will be a junior class meeting February 9, the time and place to be posted.

Gospel Singer

Mahalia Jackson Appearing In MSC Fieldhouse Feb. 19

Mahalia Jackson's unusual talent has baffled musicologists, but her gospel singing stirs millions both here and abroad.

Miss Jackson, who will appear at the MSC Fieldhouse on February 19, 1961 says that ever since she started appearing in big concert halls people have been trying to teach her to be "grand." She avers that she just can't do it.

"Some people get so grand," she observes, "that you can't hand them a letter from home, but I just don't know how they can act that way." "When I go to New York City and sing at

Madison Square Garden and at Carnegie Hall I feel like a peacock with all my feathers spread out; but when I get back to Sixty-third Street in Chicago and look at my feet, all the feathers disappear."

"I remember I've been singing now for almost forty years and most of the time I've been singing for my supper as well as for the Lord. I never had a music lesson and I still can't read music. I don't know anything about chord structures—I just sing it. I never sing the same song the same way twice. I have to get my own little way in there somehow..."

That Miss Jackson's "own little way" is a successful one is attested to by the fact that more than eight million of her records have been sold since 1934.

Among the great singer's future plans are becoming an evangelist and erecting a big evangelist temple in her native Chicago.

Tickets for Miss Jackson's concert are on sale at the MSC Fieldhouse ticket office.

PAT BARRETT
MRA Winter Princess

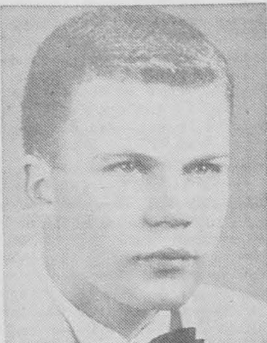

Ritner Announces Picture Deadlines

Skip Ritner has announced that the deadline for the senior activity lists has been set for Feb. 15. Forms for these lists are available in the Montanan office in the lower floor of the SUB.

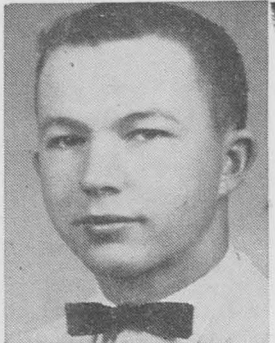

The deadline for Greek pictures is Feb. 10 and may be taken at any of the downtown photographers.

Ritner urges all seniors and Greek members to take notice of these deadlines as there will be no exceptions.

through 'his sales tax,' telling the people that this is the only way we can bring ourselves out of debt, without cutting education.

Another item of interest brought to my attention is this: Why did Gov. Nutter start calling names and making threats against a certain college head? Was it in hopes that this person would lead the people in his domain in a name-calling campaign against himself. In this manner, Gov. Nutter would have something to work on when he tries to get rid of the 'most influential non-political democrat' in the state?

What are you trying to do, Gov. Nutter? We want to know!

Youth Corps

(Continued from page 1)

study will be brought before Congress.

There will be a meeting of Americans Committed to World Responsibility, a newly-formed student organization, on Monday, Feb. 6, in the SUB Lounge at 3:00 p.m. All persons interested in the Youth Corps are invited to attend. Bill Lassey, who is preparing the ICC report, will outline some of the particulars of the Youth Corps proposal. Jagdish Desai, President of International Club, will give an international student's views on the subject. The meeting will then be opened for general questions and discussion.

Special emphasis will be in the area of selection, orientation, and training of applicants for the proposed corps, but other phases, such as the objectives of the corps, will also be open for discussion. All students, faculty members, and anyone else who is interested, is urged to attend the meeting.

—Bob Eagle, Pres., ACWR

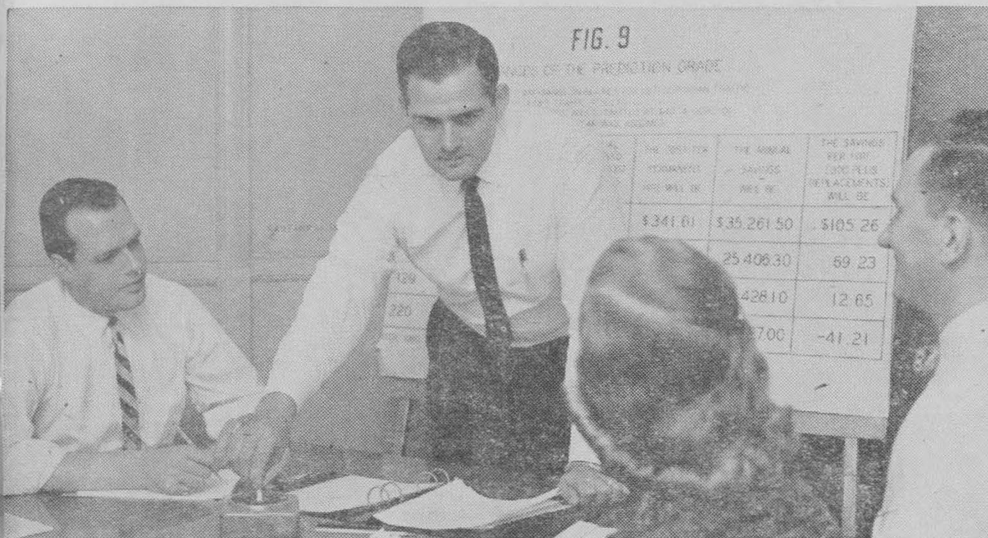

"Jawin It"

(Continued from page 2)

we might want to hear a waltz.

Within an hour the room has become a utopianism of shuffling feet; the air is alive with us; it is perfume, after shave lotion, shampoo, sweat, and the aromatic smell of warm clothing. Sometimes we dance close and enjoy the warmth of being together. Since our eyes are closed we cannot know that our partner is winking at her last night's date.

But soon it's twelve and the romance of the room is gone; it is a smelly room in the process of being swept that we leave . . . the party's over.

"I DON'T THINK THERE'S ANY END TO THE OPPORTUNITY IN THIS BUSINESS"

When Gene Segin got his B.S. in Business Administration at the University of Illinois, he was in touch with 8 prospective employers.

Gene joined Illinois Bell Telephone Company because: "The people I talked to here made it very clear that I would not be shuffled into some narrow specialized job. I thought this job offered the greatest opportunity for broad experience."

On his first assignment Gene was sent to Springfield where he conducted courses in human relations for management people.

His next move was to a traffic operations job in Rock Island. On this assignment he was in charge of all personnel who are directly responsible for handling telephone calls in this heavily populated area. Here Gene earned a reputation for sound judgment and skill in working with people. He was promoted to Traffic Supervisor.

Today, Gene's chief responsibilities are in management training and development, and company-union relations. The latter includes contract bargaining and helping settle labor disputes.

How does Gene feel about his job? "It's a real challenge. I'm in some of the most vital and interesting work in the country." And about the future—"Well there aren't any pushover jobs around here. It's tough. But if a man has what it takes, I don't think there's any end to the opportunity in this business."

* * *

If you're looking for a job with no ceiling on it—a job where you're limited only by how much responsibility you can take and how well you can handle it—then you'll want to visit your Placement Office for literature and additional information on the Bell Companies.

"Our number one aim is to have in all management jobs the most vital, intelligent, positive and imaginative men we can possibly find."

Frederick R. Kappel, President
American Telephone & Telegraph Co.

MSC Matmen Hold 8-1 Record

MSC wrestlers ran their record to eight wins and one defeat last weekend on a trip into Minnesota and North Dakota. The squad met their first defeat on Thursday in Moorehead at the hands of the Moorehead State Teachers College. Despite a pair of decisions and two falls by Bobcat grapplers, the Teachers won by a 17-16 decision when a Bobcat wrestler forfeited a match because of not meeting the maximum weight limit.

On Friday the Cats defeated Valley City Teachers 32-3 and on Saturday they defeated North Dakota State in Fargo 29-6, Bemidji State 35-5, and the Univer-

sity of Saskatchewan 42-2.

The Cats meet Utah State University again Friday at 3 p.m. in the gym. In their first match, MSC defeated the Aggies.

Know Your Bobcats

by Monte Eliason

FINN FLUGEIM

One of the major point-earners on the Bobcat ski team is Finn Flugeim, a native of Kongs-

berg, Norway. His specialty is jumping, and at this there are few better college ski jumpers in the nation.

Finn is a junior majoring in Electrical Engineering and

has earned two previous letters in skiing.

He is a member of M-club, and plays piano for several campus dance bands.

Without Finn's points in the jumping and cross country events, the Bobcat skiers would certainly not have the strength they have displayed thus far this season.

KEN MILLER

Ken Miller, another two-year letterman on the Bobcat ski team, hails from St. Regis, Mont., and has been a valuable squad member in the Alpine events.

Slalom and giant slalom are his best events, at which he is a standout competitor.

He graduated from St. Regis High School in 1958, and is a junior majoring in Film & TV.

His campus activities include M-club, Arnold Air Society, and MSC Ski Club.

Coach Beck says of him, "Ken has been a very integral part of our team, and a very consistent point earner."

Coed's Corner

by Margo Vogt

With the election of W.A.A. officers coming up the fourth week in February, all members should be seriously thinking of prospective officers. There will be a general meeting on February 16 to limit each position to two candidates. W.A.A. members of the current year shall be eligible to vote provided they received at least five points fall or winter quarter. Votes shall be counted and tabulated by a committee of five selected by the president, Bev Johnson.

Cats Compete

by Chuck Fulton

Montana State's ski team will be attempting to maintain a thus far perfect record in Banff, Alberta, this weekend. The skiers have had a two weeks rest since their last meet in which they defeated, for the second time, the NCAA champion team from the University of Colorado.

The Cats have a pair of first places on their record from previous meets held at Laramie, Wyo., and Winter Park, Colo., competing against the toughest teams in the nation.

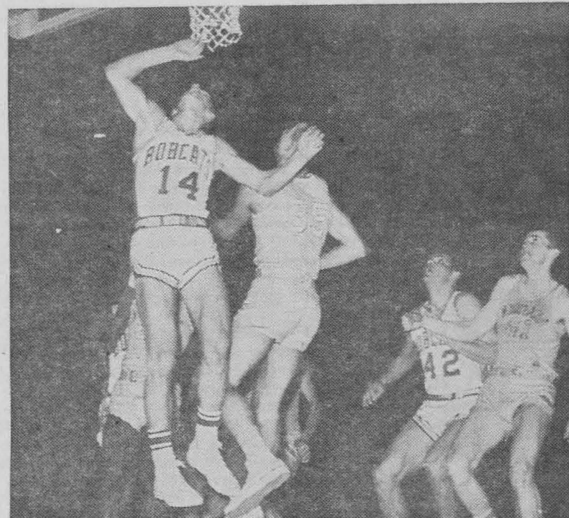

Coach Beck's skiers left Wednesday for Banff, where they will compete in a four-way meet against two teams from Canada and several teams from the Pacific Northwest. The meet will include downhill, which will be run off today, slalom and cross-country on Saturday, with the jumping event on Sunday.

Teams competing at Banff will include the host team University of Alberta, University of British Columbia, University of Idaho, University of Washington, Montana State College, Montana State University, and possibly Oregon State College.

Through the showings of their previous meets, the Cats are favored to win, but can expect rugged competition from the University of Idaho, and University of Washington.

Leading the MSC jumping team are Finn Flugeim and Tor Fageraas, backed up by Garry Battistella and Flint Taylor. Flugeim won the jumping at Laramie, and placed second at Winter Park, with Fageraas placing in the first five at both meets.

The Washington Huskies will be led by Olympic star Torbjorn Yggeseth in the jumping department, and can be expected to be plenty tough. They lack depth, however, in Alpine events, and

Tom Sawyer drives for two more in last week's Bobcat-Grizzly series. The standout MSC guard has dumped in 75 points in the last three games.

Bobcats Split With Grizzlies

by Wes Nordin

Tom Sawyer led the Bobcats to a 2-2 record this past week with a stunning 94 point total for the four games played in the field-house.

Last Wednesday night the Cats

this could hurt them. Yggeseth is considered one of the best ski jumpers in the world, and placed 5th at the Winter Olympics held last year at Squaw Valley.

Idaho is strong in both Nordic events, but also are lacking in the Alpine. British Columbia is strong in the Alpine department with Don Burneski, who was on the Canadian Olympic team last year, but they are weak in the Nordic events.

tangled with the North Dakota Bisons in what seemed at first to be a routine victory for the Cats. But the Bisons thundered through the first half and led by 34-33 at intermission. During the first 12 minutes of the second half the Bisons continued their rally but the Cats came alive under the sharp shooting of John Bryant.

N.D. Fouled in Last Second

With only six seconds remaining in the game Bryant tossed in two points to tie the contest. North Dakota then called time and set up their final play of the game. The Bisons under Marv Bachmeier missed the final shot but in the ensuing scramble for the ball, Ken Lehr of North Dakota was fouled. Then, as the Bobcats helplessly watched, Lehr sank his free throw to give the Bisons a 66-65 game.

Friday night the Cats sought revenge on a rival Grizzly squad. The Missoula team, under Dan Sullivan, had piled up a 69-57 score with two minutes remaining.

Then the Cats, in a frenzied last minute burst, scored 12 points to bring them within two points of the Grizzlies with the clock showing 18 seconds. Sawyer then grabbed the ball and immediately Coach Lambert called time out. Bryant tried for the tying score but Grizzly Dan Sullivan blocked the shot and gave the Grizzlies the 71-69 victory.

Montana State came back Saturday night to even the situation with the Grizzlies. The fighting Bobcats led all the way during the second half and their lead was in danger only during the final seconds of the game. But the Grizzlies could not retaliate and went down to a 62-59 defeat to the Bobcats. Bryant, Sawyer, Jim Murphy, and Armand Erias all scored in double figures for the Cats.

Cats Rout Mustangs

Monday night the Cats ran away with the University of California team from Davis with a 78-48 rout. Sawyer had a remarkable 31 points for the game; Bryant was next with 14. The Mustangs were unable to stop the Cats who outplayed them in every aspect. Coach Roger Craft, taking over for Coach Lambert who had the flu, sent every Bobcat on the bench into the fray.

Campus Tales

by MARIAN WYLIE

Panty raid at Hapner! That was the cry last Thursday night ringing through Lewis and Clark dorms. The lights went off (cutting down on expenses) and the boys were off on a spree. I hear the lot next to Hapner held quite a few boys, plus those stationed around the hall. Even the head residence men were there, but just to protect the girls. (Nice job to have, huh?) Someone was kind enough to warn Hapner against the attack, though, by calling and stating there would be a panty raid within a half hour, so the plan fell through. Oh well, that's life!

I was told the other day that the wrestling matches are going to hold something special this week-end. Curt Ferrier has devised a new hold called the hungee gungee torture hold. I'm left in the dust as to what it is, but maybe we can all find this out Friday.

Someone mentioned to me the other day that they didn't think there have been as many pinnings, engagements, or marriages up to this year of 1961 from January to February as there had been last year within the same time. I did some research on the matter and here are the results.

Last year at the stated time the KD's led with three pinnings announced. The Pi Phis and AOPis were tied with two each, and the Alpha Gams and the DGs had two to their credit. At this time this year, the Pi Phis have two, and the AOPis and DGs are holding their own with one.

Engagement wise, the Alpha Gams are the only ones who announced one within this time. The Pi Phis and DGs now have one to add to their 1961 lists.

The KD's and the Alpha Gams' each announced a marriage within their house last year.

The Kappa Sigs and the Phi Sigs hold the high in the 1960 countings, with three pinnings each. The Sigma Chis rate next with two, and the Delta Sigs, Lambda Chis and Pi Kaps each had one.

There were only two engagements announced during this time. One was in the Delta Sig house, and the other in the Lambda Chi house. The Kappa Sigs scored high already this year in this category with four. The Phi Sigs and the Men's Co-op each have one.

The KDs recently acquired some new pledges. They are: Cheryl Caughlin, Caroline Klimas, Betty La Gorte, and Sharon Palm. Congratulations to you. One of their number, Sharon Newell, is now a member of Alpha Tau Delta.

Congrats go to the new pledge in the Phi Sig house, Jim Johnson. The same to the new actives, too. They are Jerry Baker, Jim Brown, Frank Cada, Bob Cegelski, Ron Gibson, Jim Goo, Dave Fredenberg, Jeff McAnally, Gary Peterson, and Bob Schmitz.

Richard Moos passed cigars to signify his pinning to Eileen Grosfield in the Kappa Sig house, as did one of his brothers, William Goss, who is pinned to Niki Wright of Helena. New Kappa Sig pledges are: Dick Gordon, Kent Norby, and Fred Thomas.

The Pi Phis are happy to announce four new pledges by the names of June Anderson, Sue Seitz, Judy McKenna, and Kay Evans. Helen Hagen surprised the house by announcing her pinning to Dave Sloan, Sigma Chi.

Applications For Park Employment

The Yellowstone Park Company is now accepting applications for employment in hotels, lodges, campers cabins and cafeterias throughout the Park.

An "Information Circular for Prospective Employees" is on file in the Placement Office. The circular includes a list of positions available.

All requests for application blanks must be accompanied by a self-addressed stamped envelope, post office size No. 8 (9" x 4"), and should be submitted to—Personnel Department, Yellowstone Park Company, Yellowstone Park, Wyoming.

Fall Quarter Grades Given

With a grade average of \$4.56 the Delta Gamma sorority topped all organized living groups at Montana State College for scholarship during autumn quarter, according to Martha Hawksworth, registrar.

Among men's organized living groups Lambda Chi Alpha ranked first with an average of \$1.01.

After Delta Gamma, the sororities ranked in this order: Pi Beta Phi, Chi Omega, Alpha Gamma Delta, Alpha Omicron Pi, and Kappa Delta.

Kappa Sigma followed Lambda Chi Alpha among the men's groups and then came Alpha Gamma Rho, Sigma Alpha Epsilon, Sigma Nu, Delta Sigma Phi, Pi Kappa Alpha, Men's Cooperative House, Sigma Chi, Phi Sigma Kappa, and Sigma Phi Epsilon.

Sorority pledges ranked in the following order: Delta Gamma, Alpha Omicron Pi, Pi Beta Phi, Chi Omega, Kappa Delta, and Alpha Gamma Delta.

Pledges in the men's groups rated as follows: Lambda Chi Alpha, Phi Sigma Kappa, Sigma Chi, Kappa Sigma, Sigma Alpha Epsilon, Sigma Phi Epsilon, Alpha Gamma Rho, Sigma Nu, Pi Kappa Alpha, Cooperative House, and Delta Sigma Phi.

"A GUIDE FOR THE DATELESS"

With the cost of dating rising higher and higher it is no wonder that so many of us men are turning to discus throwing. Naturally, we would prefer nuzzling warm coeds to flinging discs, but who's got that kind of money? Prices being what they are, the average man today has a simple choice: dating or eating.

Unless the average man happens to be Finster Sigafoss.

Finster came to college with the normal ambition of an average man: he wanted to find the prettiest coed on campus and make her his. He looked long and carefully, and at last found her—a tall job named Kretchma Inskip, with hair beaten gold.

He asked her for a date. She accepted. He appeared at her sorority house that night, smiling, eager, and carrying a bouquet of modestly priced flowers.

"Now then," said Kretchma, tossing the sleazy flora and fluff, "where are we going tonight?"

Finster was a man short on cash, but long on ideas. He prepared an attractive plan for this evening. "How would you like to go out to the Ag campus and see the milking machine?" he asked.

"Tck," she replied.

"Well, what would you like to do?" he asked.

"Come," said she, "to a funny little place I know just out of town."

And away they went.

The average man today has a simple choice.

The place was Millionaires Roost, a simple country inn of solid ivory. It was filled with beautiful ladies in ball gowns, handsome men in tuxedos. Original Rembrandts adorning the walls. Marlboro trays adorned the cigarette girls. Chandeliers over each table was a gypsy violinist.

Finster and Kretchma were seated. "I," said Kretchma, the waiter, "will start with shrimps remoulade. Then I will lobster and capon in maderia sauce with asparagus spears; dessert I will have melon stuffed with money."

"And you, Sir?" said the waiter to Finster.

"Just bring me a pack of Marlboros," replied Finster. "If ever a man needed to settle back and enjoy the mild influence of choice tobacco and easy-drawing filtration, it is shattered hulk you see before you now."

So, smoking the best of all possible cigarettes, Finster watched Kretchma ingest her meal and calculated that every time she fetched young Adam's apple rose and fell, he was out a 97¢. Then he took her home.

It was while saying goodnight that Finster got his big idea. "Listen!" he cried excitedly. "I just had a wonderful notion. Next time we go out, let's go Dutch treat!"

By way of reply, Kretchma slashed him across the face with her housemother and stormed into the house.

"Well, the heck with her," said Finster to himself. "I'm just a gold digger and I am well rid of her. I am sure that many girls just as beautiful as Kretchma who will understand the justice of my position. For after all, girls get as much money from home as men, so what could be more fair than sharing expenses on a date?"

With good heart and high hopes, Finster began a search for a girl who would appreciate the equity of Dutch treat, and will be pleased to hear that he soon found one—Martha Hematoma, a lovely three-legged girl with sideburns.

© 1961 Max

We're no experts on Dutch treat, but here's an American we recommend with enthusiasm—Marlboro's popular partner for non-filter smokers—the Philip Morris Company.
