

Patti Goetz Homecoming Queen

Full Schedule Traits Alums

Homecoming 1961 presents a schedule of events for returning alumni and the students on campus. Honored this year are the classes of 1936, 1951, and the Bobcat band honorary, former editors of the "Montan-

Administration began this morning at the Baxter Hotel and the Student Union Building, with tours available. The Homecoming of Nursing Dinner will be held this evening. The 1961 Homecoming Variety Show will be held at the Fieldhouse, featuring talented MSC students, and will be climaxed by the coronation of the queen by President

Immediately following the Variety Show there is to be a pep rally in front of the Student Union. In conjunction with the pep rally there will be the traditional Homecoming of the "M", which was decorated, polished, and whitened by the "Greenies" early this morning. The "Queens Dinner," sponsored by the Fangs, will be held in the Student Union after the pep rally. Saturday, there will be further registration at the Baxter Hotel and the Student Union for all Homecoming events. The Bobcat Boosters will have their breakfast at 7:30. The Homecoming Parade will wind its way through Bozeman at 10:30 with 20 floats and 3 bands participating. The floats and frays and sorority house decorations all built around the theme "The Year 2000", will be judged and prizes awarded.

Immediately following the parade will be the Alumni Reunion Luncheon at the Student Union, where a special table will be set for former editors and staff members of the "Montanan." The Homecoming game begins at 2:00 with the Bobcats meeting Augustana. Homecoming parties and sororities will be open house between 4 and 6. A banquet honoring the chapter of Kappa Kappa Gamma and the Bobcat band honorary, will be held at the Bozeman Homecoming Alumni Friendship Hour during the Homecoming Ball. Homecoming alumni and students will be featured at the Homecoming weekend and the music of Ralph Marterie's orchestra.

Exponent Editor Seeks Circulation

MSC students are urged to send copies of the EXPONENT to their parents after reading. Seeing to it that parents receive copies of our paper will be of public relations for our school as well as to establish a better student relationship which has many advantages, both to the student and to the parents who receive the material.

PATRICIA GOETZ

Athlete's Wages Cut

Board of Regents Rules Fee Increase for Montana State

"Placing of ceiling, \$1.50 per hour, on student labor for athletes who work part time on campuses of university units by the State Board of Regents, October 10, 1961, in Helena, was accompanied by an increase in student fees at Montana State College with an understanding that student athletic fees at Montana State University would be reduced," stated President Renne.

Prior to the action of the board, there was no ceiling on hourly rates to be paid athletes for work on campus. MSC has been paying \$2.50 per hour for work performed by athletes on athletic work opportunity scholarships. The maximum an athlete was allowed to work was \$40.00 per month or a gross earning of 100 hours per month and a net of \$91.60 after tax deductions, where

as in contrast, MSU has been giving athletes "free ride" scholarships which fees, tuition, board, room, books and expenses were given outright to the athletes. The athletes were also allowed to work to earn spending money not to exceed \$15.00, or \$1.20 to \$1.25 per hour, ordinarily.

The "free rides" at MSU were made possible by using a \$30.00 per year student athletic fee plus use of gate receipts and booster "Century Club" contributions. At MSC, the Student Senate has been allocating funds from the student activity fee income, approximately the equivalent of \$5.00 per quarter for intercollegiate activity or a maximum not to exceed \$15.00 per year, or just one-half as much as at MSU. Moreover, all income from gate

(Continued on Page 7)

Ennis Girl to Reign Over '61 Homecoming Festivities

Patricia Goetz, MSC's 1961 Homecoming Queen, was crowned tonight to highlight the variety show held in the Fieldhouse. President R. R. Renne did the honors before a crowd of nearly two thousand students and alumni. Queen Patti hails from Ennis, and was elected to her reign by a campus-wide vote.

A twenty year old junior, currently majoring in languages with emphasis on French and German, Patti is an Independent. Her other interests include being very proficient on the piano, and designing and making nearly all her own clothes. She was elected Governor of Girls' State in 1959, and attended Girls' Nation as Montana's representative. Also, she is a member of International Club.

Royal duties for her Highness commence tonight with the pep rally and continue through Satur-

day's busy schedule. In tomorrow's parade, set to the theme of "The Year 2000", she will grace the float with her attendants, Jeanne Kessler of Bozeman, and Carol Raffl of Basin, Wyoming. She will then officiate at the football game between the Montana State Bobcats and the Vikings from Augustana, at Sioux Falls, South Dakota. Winding up an exciting weekend, she will preside tomorrow night at the Homecoming Ball, featuring the fine music of Ralph Marterie and his orchestra. (Continued on Page 7)

Senatorially Speaking

Student Delegations Will Meet

Central Board of MSU has invited the MSC Student Senate to a joint meeting in Missoula on October 29 to prepare legislation regarding this year's Bobcat-Grizzly game. President Tom Richardson expressed his desire to take a large delegation to this annual meeting.

It was announced that a letter has been sent to campus organizations offering Student Senate members to speak on various campus topics. Class elections are being conducted in accordance with the new election regulations drawn up last spring. This will not only provide for more care in the class elections but will be the first real test for the new election system. Steps have been taken to prevent undesirable conduct at the Homecoming football game and it is hoped that all students will cooperate by being individually responsible for their behavior.

Senior class president, Ed Harper, announced that at the Senior class meeting it was decided to have a voluntary \$2.50 fee waiver to finance the senior class project. The Senior Prom and Banquet will not be held this year because of the many conflicting activities spring quarter. Pam Mayer, cheer queen, reported that Pom-Pom girls chosen are Lynda Bramlette, Shirley Nash, Karen Kirwin, and Denise O'Conner.

Commissioner of Forensics, Jack Dunn, announced that the Forensics team will travel to Idaho this weekend to take part in the Gem State Tournament at which they will meet such top teams from throughout the country as West Point.

It was announced that the Speakers Bureau has begun its operations for the year and any students wishing to volunteer their services as speakers are asked to contact Jack Dunn or

Mr. Brammer of the English Department.

Shirley Pfister and Roy McCracken, Co-chairmen of WUS, reported on the activities of the past year and urged that any interested sophomores apply for the position of co-chairmen for this year's program. The application deadline for both WUS chairmen and the ASMSC All-School Dance Chairman is October 23, at 5 p.m. Applications can be picked up at the SUB desk or the Student Senate office.

Chuck Sumner, Commissioner of Finance, explained the changes and additions to several fall quarter budgets which were then approved. He urged all organizations requesting funds to be extremely careful that their budgets are complete before handing in to be approved.

RALPH MARGERIE and his Down Beat Orchestra will star tomorrow night for the 1961 Homecoming Ball. Marterie's troupe was recently rated as the top orchestra in the nation among the college set by "Down Beat" magazine. A nation wide poll of campus leaders from coast to coast was taken.

Editorially Speaking

Welcome Extended to Alums

As this paper reaches your hands, a major part of Montana State's 1961 Homecoming is over—the varsity show and announcement of the '61 Homecoming queen. We hope that both the alumni and students will, after this year, think this has been the best Homecoming in our history, which each succeeding Homecoming should be.

Homecoming is an opportunity for the students to show the alumni what the present generation is doing, and what steps have been taken for the betterment of our institution. We hope our actions live up to the expectations of you alums.

Of course, Homecoming is a long way from being over. Tomorrow, among other things, are the parade in the morning, the football game with Augustana in the afternoon, and dancing in the evening to the music of Ralph Marterie—a fitting climax to one of the best of weekends.

Our Homecomings are designed to welcome back the classes of 5, 10, and 25 years ago, and to enable the students and alums alike to mingle and share together the pleasure of witnessing the tremendous growth of our school.

Homecoming, as well as college on the whole, always has and always will depend upon the participation of everyone. Don't adjourn or table activity. Instead, continue it until next year's Homecoming, to insure once again a "bigger and better" celebration.

Over Burden of Homework Could Hinder Social Life

by Jim Goetz

What is that deep, dark, inner compulsion within a person's mind that would cause him to want to take his own life? This very same question occurred to me the other day as I was walking past Reid Hall. I looked up just in time to see a desperate sophomore flirting with death on the roof of the building. This sophomore was about to plunge to his death and put an end to all his troubles. What was his dark, inner motive? Obviously, his problem was too much homework. I can readily understand this poor fellow's problem.

After only three weeks of college, many people are finding themselves snowed with homework. Many people have discovered that it is taking almost 45 minutes a night to complete their homework. Frankly, this interferes with their social life. The average student has by now adjusted to the point where he can bear the burden of his 14 1/2 credits and still find time to eat, but I have heard rumors that there are a few ambitious students on campus who carry more than 14 1/2 credits. I just can't see how they manage. Why, they must stay up later than 10:30 every night to study! Is there any solution to this serious problem? Several crackpot ideas have been tried. These include various methods such as strikes, walkouts, riots, petitions, etc.

There is, however, one method which hasn't been tried. When an instructor assigns homework, don't simply slide through. Do double and even triple the amount assigned. I realize how difficult this will be for us who carry over 14 credits, but the results will be worth it. The teachers will soon find themselves with too much homework to correct. They, themselves, will be overloaded and will soon lessen the homework burden. Above all, we will be able to slump back into our semi-daze and increase our benefits gained from a moderate social life.

This solution seems to present another dilemma, though. If our homework is lessened, the Rus-

sians will surge ahead of us. There seems to be only one solution to this problem. We must all write letters to the Soviet government. Of course, I don't know Mr. Khrushchev personally, but he looks like a very considerate gentleman. In fact, he almost reminds one of Santa Claus without a beard.

Now, I'm sure if we all sent nice, polite letters to him, he would kindly retard the progress of Russia. Therefore, no one would have to work as hard and everyone would be happier. For this reason, I encourage you, fellow students of MSC, to get your letters off as soon as possible and to start doing those extra loads of homework. Incidentally, if anyone happens to notice a lonely sophomore up on Reid Hall, give him a little word of cheer.

Songleaders To Perform

On October 13th, the Traditions Committee of M.S.C. announced that Lynda Bramlette, Shirlee Nash, Denise O'Connor, and Karen Kirwan had been selected as this year's Pom-Pom girls.

These girls, along with 31 others, assembled at the Fieldhouse on October 11th, 12th, and 13th, from 3 to 4 p.m. Under the direction of Pam Mayer they practiced the words and actions to various songs.

Actual tryouts began on Friday night from 5 to 7. The girls were grouped in pairs and assigned to a cheerleader who performed with them. They were judged on the basis of personal appearance, pep, stability, and audience appeal. The highest score in each category being 3.

After the initial judging the contestants were eliminated to ten girls. Each of these then performed alone before the audience. From these girls five more were eliminated and the records of the remaining five were placed before the Traditions Committee. The new Pom-Pom girls will perform for the first time at the Homecoming Game.

The Montana EXPONENT

Acceptance for mailing at special rate of postage provided for in Section 1103 Act of October 3, 1927. Authorized February 17, 1919. Continuation of Weekly Exponent and Monthly Exponent founded in 1895.

Published every Friday of the college year by the Associated Students of Montana State College, Bozeman, Montana. Subscription rate by mail to any point within the United States and its possessions is \$2 per college year.

ARTCRAFT PRINTERS

Little Theatre To Present Comic Satire

The MSC Little Theatre's next attraction, opening November 1 for four performances, will be *King of Hearts*, a satiric comedy about a fabulously successful author of a famous comic-strip. Written by Jean Kerr and Eleanor Brooke, the play's title is the authors' ironic comment on their leading character—a prize heel. The story related by the comedy is of the come-uppance that befalls this egomaniac when he hires a "ghost" to do some of his work.

Lee Woodruff will be starred in the role of the cartoonist so engrossed in admiring himself that when pinned down, he can't remember the color of his fiancée's eyes—even though they are so unusual that one is blue and one is brown. During the eight-months' long run of *King of Hearts* in New York, the long-winded, flatulent speeches of this character were counted among the most convulsing part of the comedy.

Featured as the cartoonist's secretary-fiancee with the multiple-colored eyes is Judy Langworthy. Mark Monson portrays the part of the shy but dogged young man who saved her from the appalling fate of matrimony with the vain and malicious "king of hearts."

A young Bozeman lad, Kurt Krueger, will have the part of a ten-year-old orphan adopted by the cartoonist as a pattern for further comic strips about a little boy which the cartoonist thinks has comic significance, and Peter Helburn will be another like he has made into a friend.

Don Jacobs will be seen as a worldly editor, sardonic about the cartoon-strip he syndicates to hundreds of newspapers. Completing the cast of this rollicking comedy will be Dave Swingle, Ann Hewitt, Bob Stitt, and Ed Heinle.

King of Hearts has been considered one of the most amusing portraits of a self-important bore since George Kelly mercilessly pilloried the back-slapping Aubrey Piper in *The Show-Off* in 1920. The Larry Larkin of *King of Hearts* would never guffaw or slap backs as Aubrey Piper did, for he is a snob specializing in smart sophistication. But both characters are the sort that most people would walk miles to avoid in real life, and always find hilarious on the stage.

Joe Fitch is directing *King of Hearts* in a setting designed by Ted Hippely.

"The Word To Be Heard"

By NORM LARSEN

Once again I feel it is about time we shed some light on that important pillar in our social life here at MSC—the coke date. The coke date is what you have when you don't have the time or don't know the girl well enough to want to have a regular date. (A regular date is where you go up town and have a coke, whereas a function is where you make the fieldhouse scene.) The coke date requires much more technique than one realizes. For instance, having coffee is out. About nine o'clock you go over and pick her up in your car (or bicycle), run up to the SUB, and then it begins—

First Date:
Ah—is your coke strong enough?
It's okay.
Not many people here tonight, are there?
It's okay.
Think that Kennedy will—er, forget it.
Happily Pinned:
Gosh, John, I think it's wonder-

ful the way we both like the things. I mean parties, sports cars, Brubeck records—and aren't you?

Eager Frosh:
Ski? No— Play tennis?
Cards? No—
You're not very athletic, you?

Well, I neck like crazy!
Subtle Hint:
I'd love to go to the dance, you, John, but I have to wash that night.

Table Full of Engineers:
Hey men, here comes Bob's girl! Good basic design—detail work too. And what eyes! Gosh Bob, she doesn't have as much hair on her face as said. Heck no, and she doesn't sweat much either. Why, you aren't leaving already, you—

The Loudspeaker:
Please clear your dishes. God, and I'll strike you with lightning if you don't clear your dishes!

Autumn Campus Fashions Are Versatile, Modish, and Colorful

Fashions at this time of the year leave us all in a dither. So far this quarter it's been a merry mix-up dictated by falling autumn leaves and whirling snowflakes.

As long as fall continues, dark cottons are quite permissible for campus life. But with the lovely, clear color combinations that skirts and sweaters have taken, they're hard to resist. Amethyst, spicy oranges, forest greens and those striking blue-green, red-pink, black-brown combinations lend a striking projection to the wearer.

The boxy, hip length look in sweaters is more popular than ever. The apparent reason is their versatility: try a handstand length pleated skirt with knee socks and patent leather loafers or a slimming straight line skirt. For originality and a wide selection in sweaters, try knitting; it's easy and fun and so individualis-

tic. And you'd be getting twice as much done at meetings, football games, classes, cocktail parties, etc.

So much for the school wardrobe. If you want to budget your money, low heels and a few vesper bags (not bubbles) comprise school outfit to casual date. Car coats are following their more and more too; and a shift to imitation fur has made it suitable for both school and date.

The traditional sheath is a good standby. The Jacky trend version is sleeveless, drop waistline. Add a straw hat, pearls, gloves and a feathered fur crown and you're there. Another stable outfit you'll regret is a suit. Choose that that compliments you: the and up collar jacket with flaired sleeves, the modish belled sleeveless frame skirts—you can't miss.

LITTLE MAN ON CAMPUS

AS SEEN BY: HIMSELF ----- HIS ADVISOR

HIS MAJOR PROF ----- HIS GIRL ----- HIS PARENTS & FRIENDS

International Festival Features Foreign Foods, Entertainment

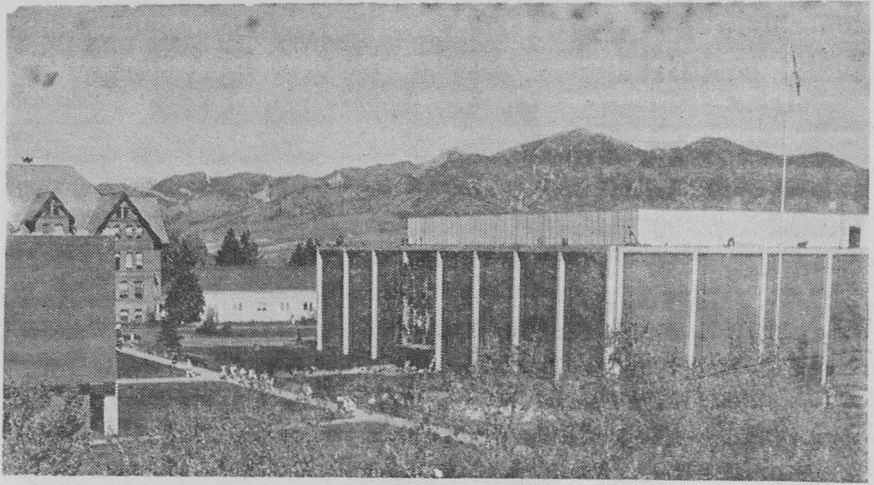

The Fieldhouse at Montana State College will be converted to a typical street scene of a European country for the International Festival, scheduled for Saturday, Oct. 28. Sponsored by the International Club of MSC in conjunction with the United Church Women of Bozeman, the festival will feature costumes, foods, music, and craftsmanship of foreign countries represented by students on the MSC campus. Presented in the authentic costumes of their countries, students will climax the festival with the Parade of Nations. Each International Club member will also give a short talk about his country and its customs. The sides of the "street" will feature food stalls, and vendors hawking their wares. Displays of foreign food and their preparation will be available to visitors. The booths will display a variety of interest from other countries. Entertainment will also take an international flavor. Stu-

dents will present acts, songs, and dances which typify their country's taste in entertainment. In addition to the student entertainment, the Saunders Dance Group of Bozeman will perform, and the Pen Edwards Jazz Band will play American music. For the children, pony and cart rides are planned, and Danny Kaye's movie on the work of UNICEF will be shown.

Everyone who attends is asked to join in the International fun by wearing a foreign costume, although it is not necessary. Family admission is \$1. Individuals will pay 25 cents.

Mrs. Paul Jordan, general chairman, stated this week that the festival was an outgrowth of last year's International Banquet which attracted a turn-away crowd of 350 persons. "There is so much interest in the 200 MSC foreign students," said Mrs. Jordan, "that a festival of this kind was needed."

President of the International Club is Paul Sakellaridis of Turkey.

Alumni returning to the campus for the '61 Homecoming activities will be greeted by new sights in the library and chemistry building as well as the old ones of Montana Hall and Annex.

Bands Support Events

Since 1906, when the late Lou Howard led the eight members of the first Montana State College band onto the playing field, this musical organization has lent color and spirit to MSC athletic events.

The Bobcat marching band will be a special attraction at the Homecoming game when Montana State College meets Augustana on Gattion field, October 21.

This year, 90 musicians, a drum major and a galaxy of majorettes perform between halves of home football games with a show of talent and precision that delights the spectators.

The Bobcat marching band also travels to at least one out-of-town game each year at the request of the Associated Students, Inc., which supports the band by financing tours and trips, and by purchasing uniforms.

"I am very pleased with the freshman turn-out this year," said Ed Sedivy, MSC band director. "It is the best in many years."

Sedivy explained that in addition to the Bobcat marching band, there are 75 musicians in the Air ROTC band and 42 in the Army ROTC band. While there are some who play in several of these musical organizations, the students usually find that they have time for only one.

For the Homecoming game, the percussion section of the band will be supplied with all new equipment, Sedivy said.

Most of the band members own their instruments, but the college furnishes the more expensive and usually large pieces. Each of the ROTC band have 28 allotted instruments.

Less than ten per cent of the band members are music majors. "This means that the majority are in the band because they want to be, and not because they are obligated by their majors," Sedivy said.

Sedivy selects the music, trains the musicians and plans the precision formations. He is assisted by the officers and members of two national band honorary organizations, Kappa Kappa Psi, the men's honorary, and Tau Beta Sigma, women's honorary.

At present a symphonic concert band is being organized by the MSC music department. Admission to this band will be by try-outs to keep a desirable balance between woodwinds, brass, and percussion sections.

After the football season a campus concert band will be organized to play for campus activities. This band will be open to all musicians without try-outs, Sedivy said.

Tradition Set In Pep Songs

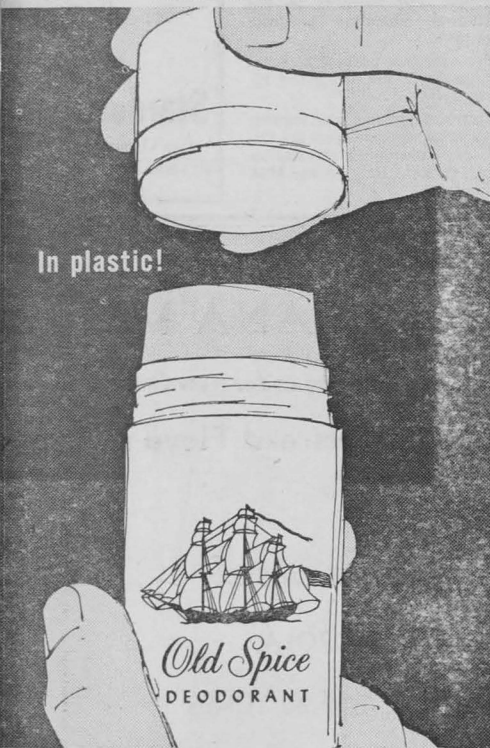

A concentrated effort is being made to establish a tradition regarding the playing of the school songs at football games. Careful planning by Edmund Sedivy, director of the Bobcat band, and Herb Agocs, head football coach, has gone into this project and the co-operation of all the students is requested.

Listed below is the adopted plan for playing the numbers. This new system will go into effect at tomorrow's Homecoming game with Augustana College.

1. "Stand Up and Cheer" will be played when the team comes on the field just prior to the start of the game.
2. "The Star Spangled Banner" will be played immediately before the kick-off. When the weather is bad, the teams will remain in the fieldhouse until the "National Anthem" has been played.
3. "Hail, Hail" will follow a touchdown or any other type of score by the Bobcats.
4. The "Alma Mater" will be played by the band at the close of the half-time show if the time and occasion is compatible. Should the show go over the allotted time or if the presentation was extremely hilarious, the number will not be played.
5. "Montana" is to be sung by all the fans between the third and fourth quarters while the teams are changing ends of the field. Everyone should stand while "Montana" is being sung.
6. The songs "Fight On" and "Hit The Line" will be used during time-outs and at the request of the cheerleaders.

This project can become another of the many fine traditions here on campus if all the students will take part. Let's learn the songs and come to the games to sing and cheer the Bobcats to victory.

Senior Project Being Discussed

The first meeting of the senior class was called to order by President Ed Harper on October 11, 1961.

Jeanine Hess, Junior Class Secretary, gave a report about the activities of the junior year.

Dale Winters, assistant editor of the Montanan, gave a report on senior class pictures. They will be taken in color this year and appointments will take place from October 16th to October 31st. It was voted by the senior class not to have a Senior Prom and Banquet. There will be a senior picnic which will take place spring quarter.

Suggestions were made concerning the senior class project. These will be discussed and decided later after committee action. Seniors or anyone interested is asked to submit suggestions to Ed Harper. A fee waiver was decided upon and will be taken at spring quarter registration. The amount will be \$2.50 per student and will come from the deposit fee.

Class pins were voted down by the members. These would be on the order of lapel pins with some type of recognition concerning class. The committee on class project will be headed by the vice-president of the class. Those signed up on the committee are: Phil Schneider, Ed Kanemasu, Daniel M. Kempa, Jerry Krause, Gene Bratton, Bob Black, Barbara Rader, Karl Ratzburg, Clark Wilcox, Wayne Lea, Richard Albrecht, and Jack Weyland. The senior picnic committee will be headed in turn by the co-social chairmen. This committee consists of Butch Nutter, Bob Peck, John Petelin, Ed Kanemasu, Karen Johnson, Dick Hagen, Gary Kennedy, and Don Norwood. The committee for caps and gowns is headed by Marjorie DeWitt, Class Secretary. Persons on this committee are: John Greiner, Don Hill, Kay Wheeler, Jeanne Belschner, and Edith Tacke. A committee for announcements will be headed by Jeanne Belschner and has on it Kay Wheeler.

Any interested members are asked to contact either Ed Harper or Marjorie DeWitt to be signed up for a committee.

Dick Albrecht was appointed to head a committee to arrange for a senior class float to be entered in the Homecoming Parade.

AWS Notes

State AWS Plans Meet

Thanks were extended to the women students for their cooperation in the AWS Big-Little Sister Program this year at this week's Associated Women Student's Council meeting. Myrna Lutes, co-chairman of the program, asked that "the big sisters keep in contact with their AWS little sisters and not let this relationship dwindle."

The 1961-1962 AWS budget, which appeared in last week's Exponent, was approved by the council and will go into effect immediately.

AWS president, Gerry Blackman, announced that the State AWS Meet will be held in Missoula on October 27, 28, and 29 with all of the schools in the Montana University System attending. It was voted to appropriate money to send four MSC AWS officers to this meet.

MONTANA STATE College President, Dr. R. R. Renne, chats with the "Bobcat" battle group cadet staff during his recent visit to the Army ROTC Cadet Corps drill. Pictured with the president, from left to right, are Cadet Colonel Peter A. Sanborn of Honolulu, Hawaii, who commands the Corps; Cadet Captain Edwin N. Scott of Glendive, Montana; Cadet Lieutenant Carl Lehr-kind of Bozeman; Cadet Major Robert G. Millons, Great Falls, Montana; and Cadet Lt. Col. James M. Berg from Oakmont,

Float Awards to Be Given By Queen During Intermission

The theme for the 1961 Homecoming is the year of 2,000. Float awards will be presented during the orchestra's intermission (approximately 10:30) on Saturday night. The 1961 Homecoming Queen will present these awards.

Homecoming Floats: Alpha Gamma Delta, Architecture of Year; Alpha Gamma Rho, Agriculture of Year; Alpha Omicron Pi, Dress of Year; Chi Omega, MSC that Year; Delta Gamma, Progress of Year; Delta Sigma

Phi, None; Kappa Delta, Psychology of Year; Kappa Sigma, none; Lambda Chi Alpha, War of Year; Phi Sigma Kappa, Telephone of Year; Pi Beta Phi, Miss Universe of 2,000; Pi Kappa Alpha, Visitor from Outer Space; Sigma Alpha Epsilon, Flying Saucer; Sigma Chi, Transportation of Year; Sigma Nu, Space Monsters; Sigma Phi Epsilon, Social Fads of 2000; Men's Co-op, Labor of Year; Independents, Olympics of Year; American Indian Council, Unknown; Men's Residence Hall, Unknown.

Courses Begin

Two courses in the continuing education program at Montana State College will begin October 17th and 18th, according to Robert C. McCall, program director.

A course in Gregg shorthand with Leona Barnes as instructor is offered beginning October 18th and continuing on Wednesdays through January 10, 1962. Classes will be held in room 306 Reid Hall, from 7:30 to 9:30 p.m.

Gregg shorthand was designed for personal use, for the purpose of helping the student or professional person to take notes more rapidly than he can in longhand. Gregg shorthand symbols are used but emphasis is also placed on how to take notes by writing words phonetically with these symbols.

This is a no-credit course and the fee is \$10.00 for the twelve-week series.

On October 17th, Mrs. Monique Barnes will begin classes in elementary French in room 212, Bridger Hall, MSC campus, from 7:30 to 9:30 p.m. This course will be held on Tuesdays and Fridays through January 5, 1962.

Mrs. Barnes was born and schooled in France and has taught in the Berlitz School in Orleans, France. She has been tutoring students in the French language, and teaching in the continuing education program since 1959.

This also is a no-credit course and the fee is \$12.00 for the 12-week series.

Interested persons may register at the class sessions or at the Office of Continuing Education, room 247, Reid Hall, on the MSC campus.

Primary Vote Results Give

The primary elections of officers held last Tuesday narrowed the field of aspirants for each position down to two.

Vying for the vice-president of the senior class will be Schneider and Jack Wey. Ron Frank and Wilbur K will be running for treasurer. Helen Coffman and Frances Trick, and Brent Hall and D. Osgard will be running for social chairmen.

The Juniors will be asked to choose between Sharon Hill, Jack Sherick for vice president, Maurine Hager and Stan S for treasurer, Sandee Quicke and Jo Staff for secretary. Sue Setiz and Marsha Thom and John Layne and Don Ra for co-social chairmen.

Up for vice president of sophomore class will be Tom Tourrette and Dory Schre for secretary will be Tom Tohris and Marilyn Lyall, and treasurer will be Barbara Alson and Deanna DeCosse. 1. Dillon and Sandy Turner.

58 Students Win Honors with Straight 'A's'

Fifty-eight students with straight "A" averages headed the Spring Quarter Honor Roll at Montana State College while 456 other students had an 87.5 average or better in full-time undergraduate courses.

Honor roll members receiving all "A's" are: **Billings**—Ruth E. Bendor, George L. Card, Mrs. Margaret Choate, Rinla J. Einfeldt, Patricia C. Griebel, Mrs. Doris Hinnaland, Lynne E. Johnson, Jean A. Madison, Mrs. Manila McGuire, Thomas K. Wilkinson, Shirley A. Rider.

Bozeman—Charles D. Anderson, William L. Ballheim, William J. Booth, Neal E. Buholz, Mary Jean Conser, Mrs. Joyce Fiechter, Wayne A. Lea, Mrs. Kay H. Leibrand, Gary G. Sackett, Harold A. Smith, Robert L. Taylor; **Butte**—Donna M. Kiss, Noralyn M. Stillings.

Chinook—Nancy Clikeman; **Coffee Creek**—Shirley M. Nemece; **Cut Bank**—Lee E. Cannon, Ardythe Zimmer; **Dutton**—Walter T. Michel; **Glendive**—Mrs. Ruth S. Tombre; **Great Falls**—Loretta M. Goerger, Donald R. Zwolle; **Harrison**—Mrs. Dixie Hokanson; **Helena**—Carol A. Anderson, Sharon L. Anderson, Josephine B. Dye, Doral Hood.

MUN Relates Topics; Trip

The Model United Nations held its first meeting of the year on Monday, October 16. The group discussed plans for the forthcoming trip to Missoula on November 3 and 4. It was decided to have a picture booth at the Homecoming dance to take couples' pictures.

Plans were made for the meeting next Monday, October 23 at 7:30 p.m. in room 317 of the SUB. In addition to the regular meeting, all of the students and faculty are invited to participate in and listen to a general discussion on the following topics:

1. The problems facing the present General Assembly.
2. The admission of Red China to the UN. Yes or No.
3. The election of the successor to Dag Hammarskjold or the establishment of the communist proposed "Troika."

Rocketeers Plan To Organize Club

Science-minded students would you like to see a good, effective Rocket Club or Society at MSC? This is a formal matter of application. If we can get enough interested young people and enough of the right attitude we feel that such an organization would go a long way in Montana.

You need not be a jet-propulsion technician to come and join, if you are interested you would like to learn, by all means notify us. We need members. For further information see: Dick Barr, or Dick Strickland.

udent Fees

(Continued from Page 1)

MSC have been used since it built in 1955 to help pay in- t and bond payments on the new bond issue. In other s, MSC did not receive the fit of basketball and conces- income for the use of ath- program and with only \$5.00 quarter of student activity allocated for intercollegiate ties, the only way MSC could ompetitive in major sports with work opportunities at rate which enabled athletes rn most of their college ex-

receipts from basketball games and concessions at the fieldhouse penses.

The cutting to \$1.50 per hour passed by the board, Oct. 10, has made it necessary for MSC to get funds from other resources to continue its intercollegiate program. The board agreed that fees at MSC would be increased \$3.00 per quarter and student activity fees at MSU would be reduced to \$18.00 per year from the present \$30.00 level.

Discussion with student leaders by President Renne, indicates that students prefer to have a "H and PE USE fee" rather than the board increasing the general student activity fee, since over the years the students have always

had the authority and initiative to make any changes in the student activity fee.

The board passed a \$3.00 "H and PE USE fee" at the Oct. 10 meeting, the fee, to be effective in the fall quarter of 1962. The income from this fee will be used for the interest in sinking fund to pay off the bond principle and interest of the fieldhouse bonds and will supplant the income from the H and PE building fee initiated by vote of the students of MSC in 1955.

It is estimated that the new \$3.00 fee will yield \$36,000 a year. Last year, 1960-1961, \$14,204.44 was taken from the student activity fee balance to meet interest in sinking fund requirements

on the fieldhouse and on an average, about \$20,000 a year is put into the sinking fund account through home basketball gate receipts, thus the new \$3.00 quarter fee will release the basketball gate receipts for operation of the intercollegiate athletic program and will release the student activity fee balance from further expenditures for payment of the fieldhouse bond principle and interest.

Since MSU must fulfill its obligations of its "free ride" to the upperclassmen now at the university, the reduction of the \$30.00 activity fee will be made in three steps during the next three years, so that in the fall of 1964, the student activity fee will be not more than \$6.00 per quarter in place of the present \$10.00.

At MSC, all athletes who are on the \$2.50 per hour, 40 hour per month work opportunity, will continue until they graduate or

leave the institution, consequent- ly, only incoming athletes next fall will be on the new plan.

"This is not a de-emphasis program," President Renne says, "but a shift in source of funds, from state appropriations, funds used to pay for work opportunities at \$2.50, to a shift to student 'increased fees' and sports fans 'gate receipts'."

Loans Available to Needy Students

Recent action by the Executive Committee of the Alumni Association will make it possible for Montana State College students faced with emergency financial problems to secure loans from the college.

J. J. Travis, Butte, president of the Alumni Association, stated that there has been a need for a loan service of this kind for several years. The service will be known as the Alumni Emergency Loan Fund.

ENNIS GIRL—

(Continued from Page 1)

tra. At this time she will present float and lawn decoration awards.

Miss Goetz and her attendants have been kept plenty busy the past few weeks in preparation for the finale this weekend. A promotional and publicity tour was made to Great Falls, September 23, and last weekend the three made trips to Anaconda, Butte, Helena, and Billings. The three girls made appearances on radio, TV, and in the newspapers. The girls were accompanied throughout their tours by Bob Mann, Homecoming Chairman.

The day you know you must provide

Brotherhood Provider gives you:

\$10,000 cash;
plus \$100 monthly income

Because you are a Lutheran, you can own this Brotherhood Provider Plan with Family Protection Benefit and at remarkably favorable rates. That's important when you think of the family responsibilities in your future. It's reassuring to own a Brotherhood Provider Plan now... against the day when you know you must provide.

- Look at these big advantages:
- \$10,000 of permanent, dividend-paying life insurance.
 - If you die within the first 20 years, your beneficiary gets \$10,000 in cash; plus \$100 a month for the remainder of the 20 year period.
 - If you retire at 65, you can get

\$13,000* in cash.
• Lutheran Brotherhood pays all premiums if you are totally disabled before 60.

All this and more for an investment of just \$197.10 a year... about 54¢ a day, based on age 21. You pay more than this for lunch.

Right now, think about your future... the future of those who will depend on you. Call your Lutheran Brotherhood campus representative and join the thousands of Lutherans who enjoy security and peace of mind in the bond of Lutheran Brotherhood.

*Based on age 21 and current dividend rate, which is not guaranteed.

Bobcat Cagers Preparing for Rugged Season

Drills and practice sessions Monday marked the beginning of the basketball season for the MSC varsity and freshman cage teams.

Coach Dobbie Lambert contends he has more experience on the varsity than he had last season. The 1961-1962 basketball version of the Bobcats includes four lettermen, four junior college transfers, one junior, and six sophomores from last year's Kittens. Among the lettermen are Tom Sawyer and John Bryant, the top scorers of 1960-1961. These two will help considerably toward bettering last season's record of 10-15.

Better board power and a greater depth in material are the crowning features of this year's aggregation. Bryant was the club's leading rebounder last year.

This is to be the toughest December ever faced by a Bobcat five, and the team is going for broke in practice. Rugged two-hour workouts constitute the hardest pre-season practice in MSC history.

Lambert is grooming Sawyer for leadership of the team without which the team would move aimlessly.

In the words of Lambert, "It is hard to tell how this team will jell. The cream rises to the top, but it is hard to tell just yet how much cream and of what exact quality this cream will be."

Another sidelight to the completion of a good season would be a Region 7 NCAA tournament berth if Montana State College is taken off athletic probation on October 27 as is expected. The Bobcats could be eligible as a team at large, a team from an independent school, for this tourney providing their record is good enough. MSC plays enough major schools to be eligible for these March contests.

The roster of the 1961-1962 basketball Bobcats includes: John Bryant, Pete Carson, Gordon Haugen, Milt Horton, Larry Kincheloe, Dave Knostman, Gary Lambert, Jim Noennig, John Ockomon, Bill Phillips, Tom Sawyer, Jerry Streeter, George Tyra, Grady Venable, and Andy Wyatt.

This year's freshman group is one of the best to ever play at MSC. Ten of the fifteen frosh are from Montana. The Kittens play 16 games as preliminaries to the varsity games. Providing they can make normal academic progress along with basketball, Dobbie can look forward to considerable help from these men next year.

The 1961-1962 varsity basketball schedule is as follows:

Dec. 1, Long Beach State; Dec. 2, Washington State; Dec. 8, at Idaho; Dec. 9 at Washington State; Dec. 15-16, Montana, Wyoming, and Eastern Montana in a tournament at Billings; Dec. 27, at Montana; Dec. 29, Tennessee A & I.

Jan. 5-6, Idaho State; Jan. 12-13, Regis; Jan. 19-20, at Idaho State; Jan. 25, Pacific Lutheran; Jan. 27, Montana; Feb. 8, Seattle; Feb. 15, at Gonzaga; Feb. 17, at Seattle; Feb. 23-24, at Regis; Feb. 27, Gonzaga; Mar. 3, Air Force Academy.

'62 CORVAIR MONZA NEW FACE, SAME SPORTING HEART

We might as well tell you straight off: Corvair's the car for the driving enthusiast. Think that lets you out? Maybe. Maybe not.

Until you've driven one, you really can't say for sure, because Corvair's kind of driving is like no other in the land. The amazing air-cooled rear engine sees to that. You swing around curves flat as you please, in complete control. You whip through the sticky spots other cars should keep out of in the first place. (Especially this year, now that you can get Positraction as an extra-cost option.) You stop smoothly, levelly with Corvair's beautifully balanced, bigger brakes.

And Corvair's found other new ways to please you this year. A forced-air heater and defroster are standard equipment on all coupes, sedans and both Monza and 700 Station Wagons. So are dual sunshades and front-door armrests and some other goodies. You'll note some new styling, inside and out. Nice. And safety-belt installation is easier, too, and cheaper. Another extra-cost option well worth considering is the heavy-duty front and rear suspension; it turns a Corvair into a real tiger.

So you can see we haven't really done much to Corvair this year. Why on earth should we? If this car, just as she is, can't make a driving enthusiast out of you, better take a cab.

And here's America's only thoroughbred sports car, the '62 CORVETTE. We warn you: If you drive a Corvette after your first sampling of a Corvair, you may well end up a two-car man. And who could blame you?

See the '62 Corvair and Corvette at your local authorized Chevrolet dealer's

CHEVROLET
A New World of Worth

Bobcats Battle Augustana in Homecoming Tilt

by Bill Walter

The Bobcats will tangle with Augustana College Vikings in the 1961 Homecoming game on the Field Saturday afternoon. The contest is slated to begin at 7 p.m.

The Cats have been getting bigger as the season progresses. They are fresh from their third consecutive win, a 35-0 romp over North Dakota State in Fargo.

The Vikings have a 2-3 record this season, but they have lost their last two games. The Vikings lost to Gustavus Adolphus, North Dakota State, and State College of Iowa, while defeating North Dakota State and South Dakota State University.

The Vikings are one of the best teams the Cats will face this season. Their line averages 200 pounds per man and the backs average 180 pounds. Two of their best offensive threats are quarterback Bill Mitchell, a 6-2, 190-pounder, and Fred Hecker, a 6-1, 185-pound senior fullback.

The Vikings have 13 returning players, but they may have a lack of depth, though there are quite a few promising sophomores in their fall practice. Last year the Dakotan's were second in the North Central Conference and are looking for at least that position on the chart this season.

The Bobcats registered their largest margin of the last two seasons when they scored 35 points against N.D.S. last week. It was also the first white-washing the Cats have handed their opponents this season.

"This was our best game to date," Coach Herb Agoos said. "The team has improved greatly since the opener." Agoos used his 34-man traveling squad and sophomore laden third team to outpoint an 80-yard scoring drive in the fourth quarter.

The Bobcats put on their best defensive effort of the season, picking up 26 first downs and gaining over 450 yards by rush and passing. The top candidates for leader in total offense are quarterback Bill Mulcahy, senior halfback Jack Cameron, and fullback Bucky May.

The defense looked real good last week and the offensive attack seems to have reached a plateau on par with it. The Cats got over the second half letdown and should provide four quarters of real fine football.

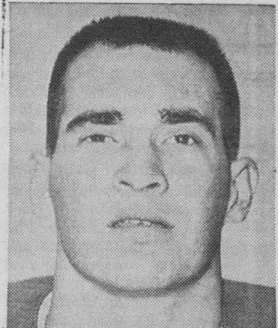

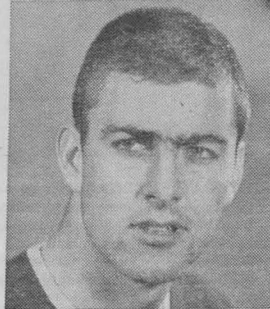

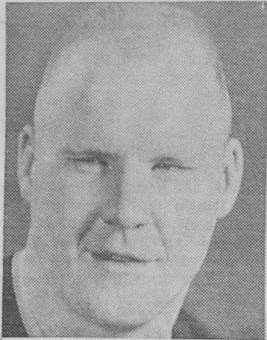

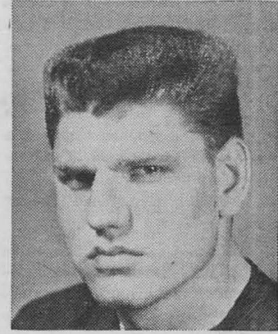

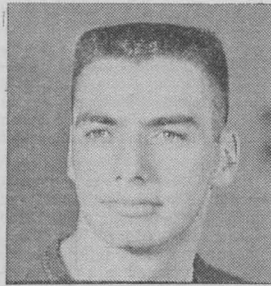

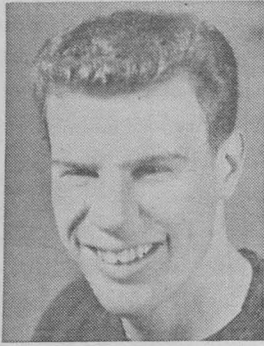

Coach Agoos warned the team on Friday not to take the Augustana club lightly, despite their record. He repeated, "The Vikings are a large, well-coached team with some outstanding talent."

The Bobcats came out of last week's game in good physical condition and should be in good shape for the game Saturday.

The probable starting lineup for Augustana: ends, Mike Nelson, sophomore, 185, and Dean Larson, senior, 200; tackles, Mel Range, senior, 240, and Mel Anderson, junior, 215; guards, Jerry Hagen, junior, 210, and Steve Kessinger, junior, 195; quar-

terback, Ron Mitchell, junior, 190; halfbacks, Doyle Schuler, junior, 195, and Doug Wray, junior, 188; fullback, Fred Hecker, senior, 200.

Bobcats' probable starters: ends, Bill Cords, junior, 194, and Gordon Schlabs, junior, 190; tackles, Bob Biastoch, senior, 230, and Ken Young, senior, 202; guards, Jim Berg, senior, 200, and Steve Sobonya, senior, 182; center, Bob Cegelski, senior, 230; quarterback, Bill Mulcahy, junior, 185; halfbacks, Jack Cameron, senior, 185, and Jerry Johnson, senior, 175; fullback, Bucky May, junior, 191.

BOBCAT STARTERS for Saturday's contest against Augustana College. Top row, left to right: senior halfback Jerry Johnson, Junior quarterback Bill Mulcahy, and senior halfback Jack Cameron. Second row: Gordon Schlabs, junior end; Ken Young, tackle, and Jim Berg, guard, both seniors, and junior fullback Bucky May. Bottom row: junior end Bill Cords, Bob Biastoch, tackle, Steve Sobonya, guard, and Bobo Cegelski, center, all seniors. Cameron, Mulcahy, and May are the leading candidates for the rushing leadership after the first five games. Much of the credit for the success of the Bobcat offense is due to the blocking of the three interior linemen, Berg, Sobonya, and Cegelski. This trio has consistently opened holes in the opposing lines, especially last week in Fargo when the Cats trounced North Dakota State 35-0. A victory of this type, however, was a team effort and the whole squad took part in the win.

Bobcats Smash Bison for Their Third Consecutive Victory

The MSC Bobcats showed true to form last Saturday in downing the NDSU Bisons 35-0. The win constituted the Bobcats third consecutive win in five starts. The Bobcats dominated the offensive action and only once did the Bisons threaten to score, but the invasion was stopped short by a rugged MSC front wall. The Bobcats then took over and NDSU never again threatened Bobcat land.

The first score came as a result of a one-yard plunge by halfback Jerry Johnson. Jr. quarterback Bill Mulcahy set up the score by a 26-yard run to the one yard line. Phil Schneider missed the PAT and the Cats were ahead 6-0 with less than a minute gone in the second quarter. The Bobcats scored their second touchdown with 1:45 left in the second quarter. Halfback Jack Cameron blew up the middle and the Cats were ahead 14-0 going into the dressing room.

The Cats took the second half kickoff and marched 63 yards in 14 plays to collect their third tally. Bobcat place kicker Phil Schneider split the uprights and the Cats had a commanding 21-0 lead. The Bobcat Blue Team then relieved the untired Gold squad and marched 93 yards for the fourth tally. Steve Good scored the TD from the NDU 19-yard line. Again Schneider added the extra point and the Cats were ahead 28-0.

Sparkling defensive action noted the Bobcat kickoff. End, Bob Durado, hustled down under a Mulcahy kickoff and recovered a free ball on the Bison 40-yard

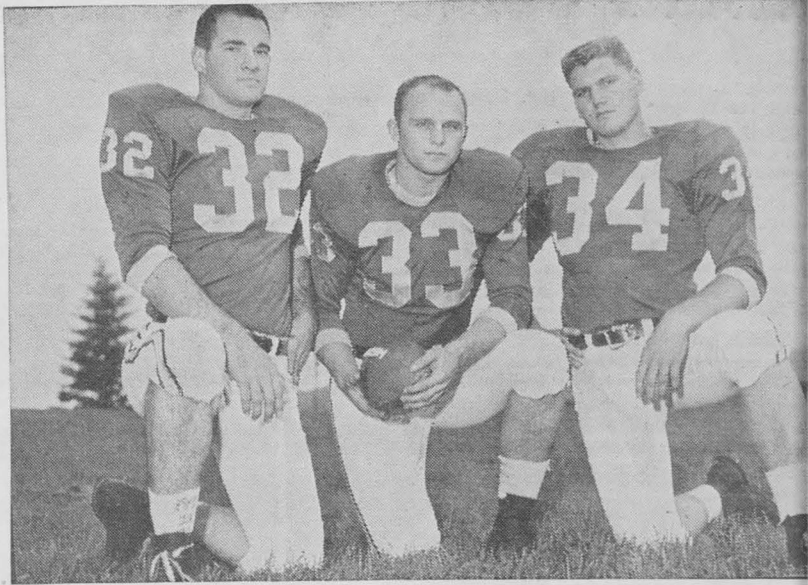

line. The final score of the ball game came late in the fourth quarter when the sophomore laid-en green team put an 83-yard drive together and fullback Leon Hartman scored the final touchdown. The Bobcat offensive sparked all through the game with Phil Schneider kicking 4 extra points and a Mulcahy to Johnson pass resulting in the other two points.

Bobcat defense was outstanding with defensive halfbacks and linebackers stopping the Bison passing attack. Guard John Munk, who substituted for injured Guard Jim Berg, turned in an astounding performance and robbed many Bison ends of ground gaining passes. The Bobcat line was again led by tackles, Bob Bistoch and Ken Young. Junior tackle Curt Farrier was a defensive threat and knocked down an intended Bison aerial. Ends, Bill Cords, Gordon Schlabs, Bob Durado and Dan "Partner" Greer stifled the Bison wide gain. Guard Steve Sobonya and center Bobo Cegelski led the Bobcat offensive line play.

The Bobcat ground game was unequaled in that the Cats rushed for a total of 409 yards and gained 26 first downs. Quarterback Bill Mulcahy completed 5 of 12 passes for 45 yards. Halfbacks Jerry Johnson and Russ Powers along with end Bob Durado intercepted Bison passes.

The statistics:

	Bisons	Bobcats
First downs	6	26
Rushing Yardage	93	409
Passing Yardage	70	45
Passes	5-19	5-12
Passes Int. by	1	3
Punts	6-38	2-44
Fumbles Lost	0	2
Yards Penalized	16	55

BOBCAT FULLBACKS who have carried the brunt of the load on offense this fall. From left to right: junior Bucky May, senior Mark Dassinger, and senior Jack Cameron. Cameron was switched to a halfback position where he has done an excellent job. May and Dassinger have shared the fullback slot this season and both gained good yardage against NDSU last weekend. Through the fall five games, May and Cameron are in contention for the lead in rushing, along with quarterback Bill Mulcahy. The fans should see at lot of these three men in tomorrow's contest with Augustana.

Bobcats Will Meet Idaho U. Gridders Here Next Fall

Montana State and the University of Idaho will meet on the football field next season for the first time since 1948, announces MSC athletic director Gene Bourdet.

The game is scheduled in Bozeman on Oct. 20, 1962, and will mark the first time a Vandal grid team has played on Gaton field. All previous contests involving

the two clubs were played in Idaho.

MSC and Idaho have met nine times and the Vandals held a 6-2-1 series edge. Idaho captured a 28-12 victory in 1948.

Other teams listed on the 1962 home schedule are North Dakota, South Dakota State and Idaho State. On Sept. 22, 1962, the Bobcats meet North Dakota State in Great Falls.

Talking Sports

by Fred Turner

Seems as if the loyalty for good old Montana never ends! Last weekend when the Bobcats invaded NDSU land, a versatile crew of fans from Concordia College in Moorehead, Minnesota, showed up and cheered the Bobcats on to a 35-0 victory. The fans, participating in the usual student traditions of enjoying themselves during the game, cheered the Bobcats on with "Fight on Montana State," "Hail, Hail, the Gang's All Here," and various other Bobcat cheers. The fans were led on by Dave Klies, known to the editor, and Dave Hiem, both of Butte. A hearty thanks goes out to Concordia for their hardy support.

Looking back over previous Homecoming football games, a fact was brought to my attention by Ken Nicholson of the Office of Information. It seems as if the 1935 Bobcat football team line averaged 176 lbs. and the backfield averaged 167 lbs. At this rate, Bobcat guard Steve Sobonya, who weighs 182 lbs., would have led the poundage on the line and halfback Steve Good, weight 170 lbs., would have led the poundage in the backfield. This year, the Bobcat line averages 204 lbs. and the backfield 180 lbs.

Milers Will Face Grizzlies

MSC cross-country team faces Grizzly land this weekend in Missoula. Bobcat lettermen line up for this grueling race are Bill Paterson, Billings; Keifer, Jasper, Alberta, and Erhardt of Bozeman.

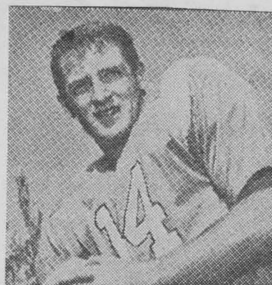

The milers will then have three meets left. On October 28, the cross-country team faces ISC. On November 4, MSU is here in Bozeman, and the final meet is the all-school cross-country which precedes the Bobcat-Grizzly football game.

Intramural Week

by Jack Readicker

The intramurals in the dormitory leagues have been very successful so far this year with many of the students showing an active interest in the touch football season. Two leagues were organized, consisting of the teams from the long floors and the teams from the short floors. The standings at the end of the second round of play show that Mullen 4th and the Head residents lead the short floor league with 2-0 records. Langford 3S and Langford 1S top the long floor league with 2-0 records.

Here are the standings of the other teams. Short floor league: Mullen 4th, Head Residents, Colter 3rd, Colter 2nd, Pryor 1st, Culberston 1st, Colter 4th, Mullen

FRED HECKER, outstanding Augustana fullback, is slated to see action Saturday in the MSC Homecoming Game at 2:00 p.m. on Gatten Field. Hecker is a Viking natural athlete and in high school won honors as a shot-putter and golfer.

3rd, Mullen 2nd, Mullen 1st, Pryor 1st, Hamilton Hall, Quad B, and Colter 1st.

Kittens Drop 12-7 Contest Against Cubs

by Jeff Martin

The Montana University freshmen tipped the MSC Bobkittens, 12-7, Saturday afternoon at Missoula. MSU outrushed the Bobkittens 244 yards to 113 and they had one touchdown nullified by a penalty.

The Kittens had trouble getting their offense rolling against the Cubs tough defense. The Bobkittens only tally came on a 43-yard run by Dan Sundling in the third period.

The Cubs first score was set-up in the second period when they recovered a Bobkitten fumble deep in kittens territory. A few plays later, halfback Lee Swanson went one yard for the Cubs first touchdown. MSU scored again in the fourth period on a five yard run by back, Wayne Bell.

The Bobkittens were plagued by penalties and fumbles; a second quarter fumble setting up the Cubs' first touchdown, and fourth period penalties leading to MSU's final tally.

The Bobkittens looked good at times, but not often enough. The Kittens are still inexperienced but are rapidly improving. The loss Saturday was the second for the freshmen in as many starts.

LUCKY STRIKE presents:

LUCKY STUFFERS

"THE FOOTBALL TEAM"

"There seems to be some dissension on the squad."

"OOOPH!"

"Do you think the coach would get mad if we punted on first down?"

"So that's why they call him Crazy Legs!"

WHY ONLY 11 MEN ON A FOOTBALL TEAM? Because all the other students are just too busy. Yes, busy doing research, studying, smoking Luckies, playing bongos, smoking Luckies, dating, partying, praising professors and smoking Luckies—much too busy for football. Why so many "smoking Luckies"? Simply this: We try to give an honest representation of college life; and college students smoke more Luckies than any other regular cigarette —so smoke Luckies.

CHANGE TO LUCKIES and get some taste for a change!

"Guys and Gals"

By MARY BENNETT

There's no need for reminding you that Homecoming 1961 has arrived.

You are without a doubt in the minority if you have had more than 3 hours of sleep a night for the last week due to the fact that with midquarter approaching, tests seem to be staring you in the face; those floats somehow don't build themselves; you've been busy campaigning for your choice for queen; and today climaxed the hectic week with the painting of the "M". Freshmen, isn't college life great?

There isn't any need to remind you that the CATS are playing tomorrow afternoon at Gatt'on Field, and with this beautiful weather in our favor, who could ask for more.

But nevertheless, there always seems to be those people who seem to forget that they are busy long enough to announce the following:

Pinnings

Dave Nelson, KS, has hung his pin on Linda Dahle, AGD; Bill Fox relinquished his Lambda Chi pin to Bette Sloane; other Lambda Chi pins which seem to be missing include George Simmick's who is pinned to Robin Groshelle, AOPi, and Jim Thompson's whose is in Anaconda with Arleen Smith. Maury Edwards, Sigma Nu, announced his pinning to Donna Davis, KD. And John Alderson, Pi Kap, is pinned to Louise Hubbard, and his fraternity brother, Dennis Marriage, is pinned to Betty Melena, of Scobey.

Engagements

Jerry Young, Pi Kap, handed out cigars to announce that he is engaged to Pat Contall. Don Loftsgarden is engaged to Nette Blake, AGD; and Jack Smitt, KS, is engaged to Sandy Huffine, AGD.

Marriages

The Lambda Chi's included in the wedding lists are numerous; they are: Garry Miller married Donna Richardson, AOPi; Don Koford took Judy Martin, AGD as his wife; Dave Tillet was married to Dixie Fink; Lindy Royer and Jan Christian, Pi Phi, were married; Tim Weston married Myrna MacCullan; John Keith married Cheryl McCahn; Glen Murray took the big step with Iris Cox; and John Timmons married Wilma Berklund.

Also in the married column are five Sigma Chi's. They are as follows: Gene Levang married Ginny Burch, AGD; Butch Funk took Danny Brown, Pi Phi, as his wife; Gary Dusenberry is married to Patti Robison; Tom Devine married Bev Baylis, and Steve Hamilton now calls Karen Badgett, Pi Phi, his wife.

Bill Akos, Pi Kap, and Helen Descheemaeker, AGD, are now Mr. and Mrs.; and Jim Edson, Pi Kap, is married to Marion Drury. We Go Greek

New pledges at the Kappa Sig house include Bill Hay, Sid Sutherland, Jim Linn, and Pete Rab-

ish. The Sigma Nu's have added Dave Kenworthy and Jim Helgeson to their pledge list. Jim Fill-erup, Doug Ferkins, Mike Ttate, Pat Bishop, Joe Petrine, Ken Fisher, and Winston Minikitori have all pledged Pi Kap recently. Sigma Phi Epsilon has pledged Mickey Beary, Don Gunderson, Johnny Long, and Jim Bridger. The Sigma Chi's pledged Rick Buckingham and Larry Moore, recently.

Pledges Elect Officers

Ken Krause was elected President; Arnie Anderson, Vice President; Bill McCraw, Secretary; and Terry Conrad, Social Chairman of the Kappa Sig pledge class. New pledge class officers at the Delta Gam house include Judy Allen, President; Barbara Crowe, Vice President; Terry Holmes, Parliamentarian; Janie Hooper, Secretary; and Clara Thorberg, Jr. Pan Hellenic Representative. Ruling over the Kappa Delta pledge class are President, Faye Emerick; Vice President, Janice Stolz; Secretary, Marsha Turner; and Song Leader, Sandra Huggins. And the Pi Phis have put Carol Dyer as head of their pledge class, Judy Lohr as second in command; Toni Grunenfelder will serve as Secretary, and Kathy Ford is Social Chairman.

Honors

Marion Eldering received the outstanding KD pledge award, and Marv Linseth has been elected the new Kappa Sig GFO.

New Actives

The newest fraternity on campus has added several new names to their chapter roll. Included on the list are: Gary Kennedy, Don Kofflar, Dave Wilson, Bill Keller, Jim Aiton, LeRoy Melville, and Ted Jung.

I would like this space to apologize to Tom Rucinsky, new Kappa Sig pledge, for completely misspelling his name last week.

Peppy Combo Makes Debut

The newly formed MSC Pep Band will make its debut tonight at the pep rally in front of the Student Union. Bill Erickson, vice-president of the new organization, said that the function of the group is to increase school spirit at the Bobcat gam'e's throughout the year.

The nineteen piece combo may be easily recognized by their yellow sweaters. The music played will be ragtime such as: "St. Louis Blues" and "Tiger Rag." While they are an independent group, they will often play in conjunction with the already existing Bobcat Band.

Pep Band officers include Joe Portz, president; Bill Erickson, vice-president; and Dave Riter, secretary-treasurer.

THE TRUE AND

HARROWING FACTS ABOUT RUSHING

It is well enough to sit in one's Morris chair and theorize about sorority rushing, but if one really wishes to know the facts, one must leave one's Morris chair and go out into the field. (My Morris chair, incidentally, was given to me by the Philip Morris Company, makers of Marlboro Cigarettes. They are great-hearted folk, the makers of Marlboro Cigarettes, as millions of you know who have enjoyed their excellent cigarettes. Only from bountiful souls could come such mildness, such flavor, such filters, such pleasure, as you will find in Marlboros! For those who prefer crushproof boxes, Marlboro is available in crushproof boxes. For those who prefer soft packs, Marlboro is available in soft packs. For those who prefer to buy their cigarettes in bulk, please contact Emmett R. Sigafos, friendly manager of our factory in Richmond, Virginia.)

But I digress. I was saying that in order to know the true facts about sorority rushing, one must go into the field and investigate. Consequently, I went last week to the Indiana College of Spot Welding and Belles Lettres and interviewed several million coeds, among them a lovely lass named Gerund McKeever. (It is, incidentally, quite an interesting little story about how she came to be named Gerund. It seems that her father, Ralph T. McKeever, loved grammar better than anything in the world, and so he named all his children after parts of speech. In addition to Gerund, there were three girls named Preposition, Adverb, and Pronoun, and one boy named Dative Case. The girls seemed not to be unduly depressed by their names, but Dative Case, alas, grew steadily more morose and was finally found one night dangling from a participle. After this tragic event, the father abandoned his practice of grammatical nomenclature, and whatever children were subsequently born to him—eight in all—were named Everett.)

They pledged more girls than they had room for...

But I digress. I was interviewing a lovely coed named Gerund McKeever. "Gerund," I said, "were you rushed by a sorority?"

"Yes, mister," she said, "I was rushed by a sorority."

"Did they give you a high-pressure pitch?" I asked. "Did they use the hard sell?"

"No, mister," she replied. "It was all done with quiet dignity. They simply talked to me about the chapter and the girls for about three minutes and then I pledged."

"My goodness!" I said. "Three minutes is not very long for a sales talk!"

"It is when they are holding you under water, mister," said Gerund.

"Well, Gerund," I said, "how do you like the house?"

"I like the house fine, mister," she replied. "But I don't live there. Unfortunately, they pledged more girls than they have room for, so they are sleeping some of us in the bell tower."

"Isn't that rather noisy?" I said.

"Only on the quarter-hour," said Gerund.

"Well, Gerund," I said, "it has certainly been a pleasure talking to you," I said.

"Likewise, mister," she said, and with many a laugh and cheer we went our separate ways—she to the campanile, I to the Morris chair.

© 1961 Max Shulman

The Philip Morris Company makes, in addition to Marlboro, the new unfiltered, king-size Philip Morris Commander—choice tobacco, gently vacuum cleaned by a new process to assure you the finest in smoking pleasure.
