

WESTERN was the theme at MSC last Friday when most students donned their "cowboy" hats, and spent a wild day about campus. The tradition that has been neglected so long finally came alive in an all-out effort by the students, and set the stage for the defeat of the Grizzlies in the classic tilt that followed Saturday.

Spotlight Dance to Feature Varied Acts; "Missouri Riverboat" Theme

ing, entertainment and recitations on the "Missouri Riverboat" will be the featured acts at the annual Spotlight Dance, Saturday, November 18, 8:30 to 12:00 p.m. in the ballroom.

Four spots for the dance were chosen after two tryouts on October 26 and November 2. Spots were selected by a committee consisting of: chairmen—Carol Rutherford, Gloria Patricia Goetz, Richard Gormary Iverson, Maryanne and Mr. Creech Reynolds.

Montana, Joana Lester of Montana State University, will be featured as a vocalist. Spots include the MSC Chorus directed by Mr.

Buckbee; The Paupers directed by Blackwood, Craig Brynd Larry Olson; Barbara and Doug Lindseth as the Chi City Singers, and the Chi Significants. Lanny will be master of ceremonies.

Acts will be provided by the Chorus, directed by Mr. Ed and will feature vocals by Patricia Mockel, George Buckard and Jim McArthur. Members of the band were chosen from individual band members and in-saxes, Bud Berges, Dwayne Ed Shirts, Dave Schlecten,

Bernard Sorenson, and Jack Weyland; trumpets, Barry Berg, Joe Bortz, Tom Haggerty, and Lois Nagode; trombones, Bill Barrier, Dale Brookie, and Erin Goosey; violins, Joe Bispham, Jim Jarrett, Creech Reynolds, and Jerry Tureck; rhythm, Dan Archer, Tim Dudley, Cal Erickson, Patricia Goetz, Richard Gordon, George Ihly, Jim Lehfeltdt, and Roy McCracken.

Admission will be \$2.50 per couple. Tickets are now on sale and will be sold at the door. All proceeds from the dance will be used as scholarships for students who show outstanding musical ability. In the past six years a total of \$1,600 has been given in scholarships by Mu Sigma Alpha, sponsors of the dance, to those students who qualified.

Fred Waring's Pennsylvanians to Present Concert Here December 5

By MICKEY DUGAN

On December 5th, Fred Waring will bring his newest concert production to the MSC campus.

The Pennsylvanians, led by Mr. Waring, will present a show considered by many to be "the crowning triumph of Waring's master showmanship."

The theme of the concert is, "Let Freedom Sing". It is not, however, a presentation of flag-waving music, but rather an audio, visual and vocal representation of the American spirit. Songs characteristic of various periods of American development and every section of the nation will be presented in a background of specially designed audio and lighting aids. A stirring feature of the program will be Roy Ringwald's, "The Song of America". About this song, former President Eisenhower states that it is "my favorite piece of patriotic music".

Mr. Waring began his career when he formed the "Banjazzara", a banjo quartet. As his popularity increased, he enlarged the

quartet in both scope and size, giving birth to "Waring's Collegians". It wasn't until the Twenties that the title "Fred Waring and His Pennsylvanians" was officially coined. It was under this title that he became nationally famous.

Since then Mr. Waring and his choral group have appeared in and been successful at almost every phase of the entertainment field. Broadway Revues, one night stands, hit movies, vaudeville, and European tours have all proven their musical dexterity. They have also distinguished themselves in the television field with such productions as, "Alice in Wonderland", "The Emperor's New Clothes", and "Grandma's Thanksgiving".

With this concert production, Mr. Waring and the Pennsylvanians will travel to over 100 cities throughout the country.

Tickets will be on sale at the Fieldhouse. Student tickets will cost \$1.00; adults \$2.00, and reserved seats \$3.00.

Senatorially Speaking

Student Spirit Is Praised

Tom Richardson, ASMSC president, complimented those in charge of special activities and thanked the student body as a whole for the fine show they made during the Bobcat-Grizzly weekend and making it possible to send the MSU Grizzly back with many wounds to heal. John Petelin, Commissioner of Demonstrations, also thanked the members of his committees for making the events so successful. The activities of the weekend were reviewed and, under suggestions to be passed on to future Senates, Tom proposed that aid be enlisted from the honoraries to try to keep the field clear after the game so persons in the stands can see the post-game ceremonies of the Treasure Chest exchange and presidents' pants-bet-payoff.

Our Forensics Debate team will travel to Fresno, California where they will be in competition with 150 to 250 debaters from the western part of the country. In this meet two senior men's teams and one freshman team will be entered as well as individual entries in impromptu events.

Gerry Blackman and Tom Rich-

ardson again have met with Chamber of Commerce representatives to discuss the proposed bus system. Now Mr. Sternhagen of the city taxi service will check the possibility of making scheduled stops with the MRC, transportation licensing agency in Helena.

Applications for High School Week Co-chairmen are being accepted and will be read and decided upon the next Senate meeting.

Try-outs have been completed for the positions in the play and specialty acts which will be taken on the overseas dramatics tour. This group of thirteen students will be on tour from February 9 to April 6.

Carolee Fasake, Dennis Baker, Meg Narraway, and Jay Ochsner have been appointed to serve on the Honor System Committee under the chairmanship of Norman Strung.

Commissioner of Musical Affairs, Wes Anderson announced that the Christmas Sing will be held December 3. Suggestions were given to help promote the sale of the record "Music at MSC" which was recorded by the various music groups during the 1960-61 school year.

Ed Kanamasu, chairman of the All-School Dance, reported that the dance has been scheduled for February 23.

Plans Completed For Annual Sing

With the Christmas season drawing near, plans are nearing completion for the annual MSC Christmas Sing. The date has been set on December 3 at 7:30 p.m. and will be in the gymnasium, according to Wes Anderson, Commissioner of Musical Affairs.

In order to make this event a success, cooperation from the entire student body will be necessary. Song leaders from each living group should turn in a report as soon as possible, giving the title of the song, the director's name, and the number of participants in each group.

This information should be turned in to Wes Anderson by leaving a note at 341 Langford or by calling 7-4261.

Chem Engineers Tour Utah

Forty-two juniors and seniors in chemical engineering at Montana State College made a tour of industrial facilities in Idaho and Utah this month, according to Dr. Lloyd Berg, department head.

On November 7, the group visited the Thiokol Chemical Company's solid propellant plant at Brigham City, Utah, and the following day the students saw a similar type of plant of the Hercules Powder Company at Baccus, Utah.

An open house at the Reactor Test Station, operated for the Atomic Energy Commission by the Phillips Petroleum Company at Idaho Falls was attended by the group on November 9.

Students who made the trip are: Charles Dietz, W. R. Emmett, Gerald Funk, Dwayne Haagstad, and Gene Haun, Bozeman; James Jarrett, Charles Lenhardt, Walter Robinson, Mike Romine, and Thomas Wilkinson, Billings;

Gene Peters and Paul Sherick, Polson; Mark Hannah and Kenneth Tacke, Shelby; John Cochran and George Phelps, Missoula; Joe Petrin and Jack Sherick, Butte; Stan Buckland, Whitefish; Edward Casne, Kalispell; Herman Erhard, Libby; Eugene Greene, Augusta; Donald Haase, Homestead; Timothy Kemp, Huntley; Ora Kleffner, Belt; Ronald Lalonde, Sidney; James Nordahl, Columbus; Leland Platt, Livingston; Paul Simacek, Moccasin.

James Stimps, Great Falls; Wayne Turner, Stanford; Charles Ulmer, Bridger; and Robert Ylmen, Phillipsburg; Robert O'Brien, Bellevue, Wash.; James Raisler, Beach, N.D.; Charles Richardson, Glendora, Calif.; Terry Smotherman, Worland, Wyo.; Kirtikumar Dalal, Subodhchandra Mehta, and Dipak Sampat, Bombay, India; Parviz Davallou, Teheran, Iran; Muzaffer Haider, Karachi, Pakistan.

Applications Due

Applications are now being accepted for the position of Head of the Men's Residence. These positions will be for the academic year beginning Fall 1962. Address all applications or letters of inquiry to: Jim Pryor 217.

New girls were added to the MSC Angel Flight through recent competition in drill and written examinations. The new girls take over their duty with the regular Angels in preparing for public appearances and regular drill competition during the remainder of this quarter and Winter Quarter.

Community Shows Interest In Foreign Students

Although a recent article in the Wall Street Journal stated that "more than half of the foreign students attending universities in this country will go home mad at the United States," the 174 international students on the Montana State College campus may be learning to like this country.

If they do return to their native lands with an affection for the United States, these scholars may admit that much of this feeling was stimulated by such activities as the First International Festival held recently at the MSC Fieldhouse.

The festival, a colorful demonstration of the handiwork, entertainment, foods, and traditions of the 31 countries represented on the MSC campus, attracted an unexpected 2500 persons, approximately one sixth of the population of Bozeman. Held in one of the most spacious buildings in the state, the festival took the form of an Eastern "street scene" with booths, music, noise, and concluded with a "parade of nations."

The United Churchwomen of Bozeman, interested in the welfare of the foreign student here for many years, helped to organize the festival, aided the students

in setting up attractive displays, and worked hard to show that people were vitally concerned with developing an exchange of cultures. International students, realizing that citizens here were working with them, pitched in, performed tasks which were new to them, and submitted original ideas to festival planners.

Three hundred townspeople joined in, donated foreign items, worked in booths, and best of all, patted students on the back and encouraged their efforts. Dr. Harvey F. Baty, director of the International Cooperation Center at MSC; and Mrs. Paul Jordan, festival chairman, were amazed by the enthusiasm displayed by usually calm, silent foreign students.

"They really enjoyed participating in the Festival, and liked the interest shown in their country's traditions," said Dr. Baty.

The night of the festival found the fieldhouse jammed. The 2500 people crowded in to examine all

the foreign booths, were delighted with the entertainment, and curiously wandered around the Eastern "street scene." Costumes were bright; entertainment, spectacular; and pageantry was everywhere. Youngsters laughed, jostled, and learned.

Foreign students, bubbling over with pride, were amazed at the turnout.

One student from India, near the close of the evening, summarized their feelings, "We feel tonight that Americans are really interested in us."

They are!

MSC Graduate Division Offers Opportunities to Undergraduates

By JACK READICKER

MSC graduates who plan to further their schooling often overlook the fact that Montana State has an excellent graduate division. Montana State is authorized to grant Master's degrees in 27 fields, and the Doctorate degree in 12 of these. The most recent additions to the graduate program are the Doctorate degrees and the Master of Nursing.

The first graduate degree, Master of Science, was awarded in 1902. Since that time a total of 979 graduate degrees (Masters and Doctors) have been awarded. 508 of these degrees were earned during the last five-year period; 121 within the last year.

The enrollment in the Graduate Division has increased faster than the undergraduate enrollment in the past few years. Presently there are 303 students doing graduate work. Many of these students are supported by assistantships and fellowships, and much of the money for this program comes from research grants and contracts.

The presence of a good graduate school has been very beneficial to MSC. It has improved the quality of the research; and the school prestige has been enhanced, causing the attraction of more students. As Dr. Johnson, head of the graduate division stated, "The graduate programs have been a significant factor in the expansion of research activities at Montana State College. This has been the catalyst for

attracting and holding many standing scientists and engineers on our faculty."

Any student who would be interested in graduate work should note that in the next decade estimated 346,000 collegiate teachers must be trained, twice as many research engineers and scientists will be needed in 1970. Currently, under 10,000 doctorates are granted yearly.

MUN Delegates Report on Trip

After a week's absence the Model United Nations will hold its regular meeting on Monday, November 20, in Room 310 of the SUB. This meeting will be very informative to every student and faculty member on the campus. This will consist of reports given by the student delegates that represented MSC in New York last week.

The delegates attended lectures and panel discussions held by such noted personalities as Prime Minister Nehru and Mr. Kuznetsov of the USSR. The different problems facing the world today were discussed and many different opinions were put forth. The members of the Model United Nations hope to see the interested students participating in the discussion. I am sure that this will be rewarding for all of you who will take time to attend. Remember this meeting will be held on November 20 at 7:30 in Room 310 of the SUB.

NONLIGHT GIRL candidates of Phi Sigma Kappa fraternity have been chosen for this year. The girls are, left to right: Sue Hart, Marcia Thompson, Janean Kessler, Jonnie Lee Horst, Aaron Endresse, Marilyn Lyle, and Bobbie Olson. The Phi Sig's will have their dance tomorrow night at the Baxter Hotel.

Students May Classify as 2S

of March 8, 1961 college students who qualify for deferment be granted a "2S" classification by the local board. Before making the classification, the board must have on hand a curriculum vitae with evidence of satisfactory scholastic standards OR who have made a score of 80 or more in the College Qualification Test may be considered for "2S" classification by the local board. In the past a student was classified as "1A" until such time as his name was reached for his physical examination. He

would be forwarded for the exam and then would apply for a college deferment. Because of the loss of registrants to college deferments as well as the expense involved in giving a pre-physical exam, it has been decided local boards should be requested to consider any registrant for class "2S" as soon as he establishes to the satisfaction of his local board that he is properly enrolled and in good standing at a college, university or similar institution.

These actions are encouraged in order to not examine registrants who are eligible for school deferments. For further information, contact the Selective Service Office located at 708 West Main or call 6-2634.

SUB Bookstore Sets Policies to Benefit Student Corporation

The directors of your Associated Students' Store, in addition to following the articles of incorporation, set policies for the guidance of the manager hired by them. The success of these policies is shown by the growth and diversification of the inventory, the equipping and fixturing of the present store, and the financial soundness of the corporation.

Some of the policies set by the directors are: 1. Students' wives will be employed to do as much of the work in the store as possible while maintaining a desirable level of services to the student body and faculty. 2. Matters of financial policy such as wages and salaries, leases and rents, acquisition of equipment and fixtures, and the borrowing of money, are a direct responsibility of the directors and must be set and approved by them. 3. The financial records of the corporation shall be audited by a certified public accountant at the close of each fiscal year. 4. Used textbooks will be available for resale whenever possible. Used textbooks will be bought from students at the end of each quarter at 50% of the new book price, if the book is to be used the following quarter and the edition is current. Otherwise the books will be bought for the wholesale market at prices set by the used book companies. 5. A check cashing service will be provided, with a limit on checks of \$10.00 above the amount of purchases. Students must present their student identification cards. 6. Store

hours shall be from 8:00 a.m. to 5:00 p.m. Monday through Friday, and 8:00 a.m. to 12:00 noon Saturday. The store will be closed on campus-wide holidays and between quarters. 7. The store shall maintain membership in the Western College Bookstore Association and the National Association of College Stores to enable the manager to buy better merchandise at a better price, to keep abreast of the latest trends in store operation and management.

Particular mention should be made of the Western College Bookstore Association. MSC has been a member of this group since 1947. Membership is restricted to student or institutionally owned stores having full time managers in schools in Washington, Oregon, California, Idaho, Montana, Utah and Arizona. Presently some thirty schools are members, ranging in size from the University of California, UCLA, USC, Stanford, and the University of Washington to Utah State, the University of Idaho, and MSC.

City Bus Plans Show Progress

By HALLECK B. BRENDEN

Work on the proposed city bus system is going ahead. Tom Richardson, representing the Associated Students of MSC, and Gerry Blackman, representing the Associated Women Students, met Thursday, the ninth of November, with interested Bozeman businessmen. Tom discussed the results of the survey of residence heads on campus.

Before anything can be done, the MRC, which grants franchises for bus and taxi service in Montana, must be consulted. Then the representatives will meet with the businessmen again.

Under a state franchise, buses must make scheduled stops, and taxis are not allowed to make them. This is the dividing line between the two.

If the bus service is started, it could be that N. Willson and W. College will be included in the bus route, along with N. Eighth and Main Street.

Art Show Slated

An art show featuring the painting, sculpture and printmaking of the Montana State University art department is on exhibit in the Fireplace Room in Herriek Hall, on the Montana State College campus, according to Robert DeWeese, MSC assistant professor of art.

The artists, whose work was brought here at the request of the MSC art department, are Walter Hook, Aden Arnold, James Dew, Rudy Autio and James Leedy. The show is sponsored jointly by the MSC art department and the Bozeman Art Association. It will be on exhibit until November 30th.

The Fireplace Room is open from 8 a.m. to 6 p.m. Monday through Friday, and from 8 a.m. to 12 noon on Saturdays. The public is cordially invited to view the exhibit.

Art Graduate Exhibits Work

Peter Voulkos, internationally known ceramist and sculptor, recently exhibited his art work at a one-man show in the Primus-Stuart Galleries in Los Angeles, it was announced by Cyril Conrad, professor of art at Montana State College.

Voulkos is the son of Mrs. Harry Voulkos of Bozeman and a 1950 graduate of MSC. Since 1952, when he received his masters of fine arts degree from the California College of Arts and Crafts, Voulkos has exhibited at many world famous art centers and galleries and served on numerous panels and juries at art shows.

He is now an assistant professor at the University of California at Berkeley.

Shown here is the cast selected for the USO-AETA Overseas Tour. From left to right, front row: Ann Hewitt, Roy Upham, Lanny Luding, Marty Lee, Bryce Missall, Pat Goering, and Marge Huffman. Back row: Ted Hippely, Larry Daw, Gene Beekman, Ed Heinle, Bruce Jacobsen, and Lee Woodriff. Director of Theatre, Joseph Fitch is addressing the cast. The 30,000 mile tour of the Orient leaves Feb. 9, 1962, and returns April 6. Stops on tour will be Hawaii, Japan, Korea, Okinawa, Formosa, and the Philippine Islands.

Students Are Urged to Seriously Contemplate The True Spirit of the Thanksgiving Season

By JEAN MOELLER

It is a generally accepted and annually repeated fact that a day of thanksgiving was instituted in December of 1621 at Plymouth colony in gratitude for the ending of a difficult year and for a successful harvest. This day of thanksgiving carried through the years until it officially became a national holiday. Today Thanksgiving is celebrated the country over, as well as in several foreign countries. It has come to be a day of religious observance, set apart to give thanks for the blessings of the past year as well as an occasion for family reunions, bountiful dinners and festivities in the home.

Today, as we find ourselves in the midst of the uneasiness of all the ages of man, it may seem hypocritical to many that we give "thanks". But it is at a time such as this that we should take time to re-evaluate our assets, of which there are many.

As examples: we enjoy a peace and freedom that is not prevalent the world over; we are known as one of the world powers and therefore enjoy prestige, face, and allies in many foreign countries; we continue to have a system of free enterprise, with the highest standard of living in the world; we are not confronted with

most of the problems that plague several other countries, such as near-fatal population increases.

On the state level, we have individual rights and privileges. In Montana these privileges have been expressed in one instance by the refusal to let our state become another crowded, industrialized, cified mass of acreage.

We have an unparalleled system of education in our country. This system is evident to those of us here at MSC, and we should realize that only a relatively small percentage of high school graduates have availed themselves of this privilege. As college students, we are gaining what many people are never able to attain; and while we are learning from books, we are also able to make lasting friendships with other students, from both here and abroad.

It must be admitted that as a nation, we still leave much to be desired in racial unity and other aspects; but we are, as a whole, very lucky to be Americans and to be living in this great country of ours.

So, even though to many of us the first thought of Thanksgiving is that of a vacation from books and a few days of fun, we should take a few moments on this Thanksgiving Day to realize how many wonderful things we really have.

And while we are among friends and loved ones, perhaps it would be wise to remind ourselves how lucky we are to live, most important of all, in a country in which we may think for ourselves, form and express our own opinions, and make of ourselves what we want.

MSC Students Confer With Nehru and Other Dignitaries

Prime Minister Jawaharlal Nehru delivered the keynote address to a special assembly of more than 1300 United States college student body presidents, student newspaper editors, and international relations honor students at 11:30 a.m., Saturday, November 11th, in the Windsor Ballroom of the Commodore Hotel.

These student leaders representing American youth from nearly every state were participants in a special weekend conference, November 10th and 11th, sponsored by the Collegiate Council for the United Nations, a national student organization devoted to developing informed student support for the United Nations. The theme of the conference was "1961: UN Year of Crisis".

U. S. Senator Joseph Clark (D.-Pa.), chairman of the senate subcommittee on International Organizational Affairs delivered the closing address on "The United Nations and Disarmament," Saturday, November 11th at 3:45 p.m. in the Windsor Ballroom of the Commodore Hotel.

The U. S. student leaders also met with Ambassador Alhaji Muhammed Ngileruma of Nigeria, Ambassador Francisco A. Delgado of the Philippines, Consul Sean G. Ronan of Ireland, Mr. Wallace Irwin Jr., director of non-governmental organization

affairs of the U. S. Mission, a representative of the S. Mission.

During the conference discussions were held on: "Role of the Non-Aligned Nations in International Politics," "Economic Development and the United Nations," and "The Problem of Chinese Representation." All the panelists were Dr. A. Clement, president of A. University, Dr. Harold I. noted author and authority on international affairs, and Professor Hans Kohn, famous historian.

The students were also given a special tour of the United Nations.

The Collegiate Council for the United Nations is the college affiliate of the American Association for the United Nations.

*The day you know
you must provide*

Brotherhood Provider gives you:
\$10,000 cash;
plus \$100 monthly income

Because you are a Lutheran, you can own this Brotherhood Provider Plan with Family Protection Benefit and at remarkably favorable rates. That's important when you think of the family responsibilities in your future. It's reassuring to own a Brotherhood Provider Plan now... against the day when you know you must provide.

Look at these big advantages:
• \$10,000 of permanent, dividend-paying life insurance.
• If you die within the first 20 years, your beneficiary gets \$10,000 in cash; plus \$100 a month for the remainder of the 20 year period.
• If you retire at 65, you can get

\$18,000* in cash.

• Lutheran Brotherhood premiums if you are totally disabled before 60.

All this and more for an investment of just \$197.10 a year... about a day, based on age 21. You'll have more than this for lunch.

Right now, think about your future... the future of those who depend on you. Call your Lutheran Brotherhood campus representative and join the thousands of Lutherans who enjoy security and peace of mind in the bond of Lutheran Brotherhood.

*Based on age 21 and current dividend rates which is not guaranteed.

Mortar Board

Dance Offers Date Bureau

By JEAN MADSON

Girls: Soon Thanksgiving will be over and the final weeks of the quarter will start. Then, it will be time for you to ask your favorite boy to the traditional Mortar Board Sno-Ball Formal. This is the first all-school function during fall quarter where the girl has the privilege to ask a boy.

Each girl owes her boyfriend an expense paid night at the semi-formal dance. This is a good way for you to pay him back for spending his hard-earned money to take you places.

If you have been wanting to go out with a certain boy, here is your chance. Mortar Board will conduct a date bureau. All you have to do is submit your choices of dates to Mortar Board, who will take care of the asking.

Watch for more information on the activities for the Sno-Ball Formal.

Effort Conquers

Bobcats Are Victorious Against 'Poor Grizzlies'

The Montana State College football team closed out their season here last Saturday by downing their traditional rivals from MSU by a score of 10-9. The victory gave the Bobcats their sixth win in the last seven years over the Grizzlies.

The game was hard fought from the very beginning with the Grizzlies accounting for the first tally. MSU fullback Gary Smith plunged over from the one yard line and gave the Grizzlies their lead which wasn't abolished until the fourth quarter. Glenn Sorenson's try for extra point was wide and the Grizzlies led at the end of the first half. The Bobcats couldn't seem to click the first half but after a revitalizing half-time talk, the Cats came out and settled down to invade the Grizzly lead.

The Bobcats opened up a passing attack during the second half due to a nine-man line used by the Grizzlies. Quarterbacks Bill Mulcahy and Ken Christison did the job, completing 13 of 23 passes.

The Grizzlies opened the lead further in the third quarter when

MSU's Glenn Sorenson kicked a 13-yard field goal. The fourth quarter opened with the Grizzlies in front 9-0. The Bobcat spirit picked up and the offensive blue unit took over. With thirteen minutes remaining, senior guard Phil Schneider booted a 15-yard field goal to put the Cats on the road to revenge. The blue team continued the attack and quarterback Bill Mulcahy hit end Gordon Schlabs to put the Cats on the MSU 22 yard line. Fullback Mark Dasinger bucked the line for 13 yards in two plays and put the Cats on the Grizzly seven. Quarterback Mulcahy faded back on fourth down and hit end Bill Cords in the end zone to tie the score at 9-9. Specialist Phil Schneider entered the ball game and ended the scoring for the day by converting the point after touchdown. This gave the Cats the victory at 10-9. Although the second team blue squad scored the points against the Grizzlies, it was the hard hitting senior gold squad that wore the Grizzlies down and enabled the junior-laden blue unit to score.

The game was played before a jam-packed spirited crowd of 8,600 fans. The field was slightly muddy but all in all, the day was an excellent football day. Co-captains Bob Biastoch and Steve Sobonya excelled in the line play and turned in their usual outstanding performances. End play stimulated the afternoon with senior ends Dan "Partner" Greer and Bob Durado stopping the wide sweeps characteristic of the Grizzly ground game. Junior ends Gordon Schlabs and Bill Cords showed true to form by nabbing Quarterbacks Mulcahy and Christison's earnest aeriels. Fullbacks Mark Dasinger and Bucky May each gained 40 yards for the Cats and turned in fine defensive play. Halfbacks Jerry Johnson and Jack Cameron proved their offensive ability by wide yard gainers and played astute defensive ball. The Bobcats will lose 12 seniors by graduation but 10 of the 11 men on the second unit blue squad will return next fall. The Cats will be at a serious disadvantage next year without the valuable services of ends Bob Durado and Dan Greer; tackles, Ken Young and Bob Biastoch; guards, Steve Sobonya, Jim Berg, Phil Schneider and Bill Townsend; center Bobo Cegelski; halfbacks, Jack Cameron and Jerry Johnson, and fullback, Mark Dasinger.

The Cats ended a successful season with a record of 4-3-1.

The statistics:

	MSC	MSU
First downs.....	17	10
Rushing yardage.....	127	142
Passing yardage.....	211	48
Passes.....	13-23	5-11
Passes intercepted.....	3	3
Punts.....	2-35	5-47
Fumbles lost.....	2	2
Yards penalized.....	25	55

Bobcat Bowlers Defeat Grizzlies; Colbo Tops Cats

By BRUCE WHITHORN

The Bobcat bowlers defeated the MSU bowling team by a score of 2794 pins to 2753 pins. High men for the match were Gordie Colbo of MSC with 588 pins and Dean Vaupsel of MSU with 635 pins.

The five men representing MSC in the bowling competition were: Gary Gunderson, Bob Laughlin, Jack Beam, Lee McCartney, and Gordie Colbo.

Besides the team that represented the college here, five kegglers were sent to Missoula to represent Montana State in an open tourney over the weekend.

The bowlers have a dual meet with the University once every quarter. Other scheduled tourneys include the Montana State Collegiate in Helena and the Northwest Collegiate. These are both held in the spring.

MSC Kegglers are planning a tournament to be held in the spring. Present will be delegations from a good number of western colleges.

Quarterback Ken Christison sends off an aerial to one of Bobcat ends in the action packed Bobcat-Grizzly game played Saturday on Gatten Field before a jam-packed crowd of 8,600. Bobcat players are Gary Alley, no. 20, Bill Townsend, no. 33 and Quarterback Ken Christison.

Varsity Rifle Team Routs MSU Rifles

By BRUCE WHITHORN

The MSC varsity rifle team decisively routed the MSU rifle team 1420-1403 in their first shoulder-to-shoulder rifle meet of the year. The ROTC team triumphed 1420-1415 over their counterparts from the University.

The outstanding individual performance was turned in by Gus Wilkins with 290 out of 300. Bill Kude and Gene Kolstad fired 284. Looking ahead, the team should be good because of five good freshmen who fired almost in the 280 bracket. ROTC team members can fire for the ROTC and varsity after the first quarter of their freshman year.

The "Betsy-ROTC" trophy was retained by the Bobcats for the third consecutive quarter. The "Betsy-ROTC" trophy is an ancient 50 calibre, muzzle-loading Sharps. This rifle was donated in 1950 by the Montana School of Mines for the winner of the MSC-MSU small-bore, shoulder-to-shoulder rifle match which is held every quarter.

"College Men Like Our Clothes"

MSC Ski Team Hits Snowy Slopes

By BILL WALTER

With the increased snow fall and the steadily decreasing temperatures, the skiers are beginning to take to the slopes in preparation for the coming season. The Bobcat Ski team, composed of a nucleus of three lettermen, has a schedule of five meets planned so far.

The lettermen back this year are Ken Miller, Tor Fageraas, and Gary Kiefer. Other returning skiers are Bill Erwin, Bill Haley, and Bill Barrier.

Coach Bob Beck said that there are quite a few new men who should help the team. They include Dave Jarrett, Eric Johnson, Jody Cheshan, Sam Bartow, Ron Johnson, Bob Arrow, and Don Teachont. Beck also added that the team is not complete and anyone who would like to come out and try for a spot on the team is more than welcome.

"These new men will be very important to the success of our team this year, and if they live up to their potential, we should have a very fine season," Beck said.

The ski team has scheduled the following meets for the 1961-62 season: Jan. 6-7, the University of British Columbia Invitational at Rossland; Jan. 20-21, the annual MSC meet held at Bridger Bowl; Feb. 2-3, U. of Alberta meet at Banff, Alta.; Feb. 16, 17, 18, are the tentative dates for the Northwest Intercollegiate Qualifying Meet for competition in the NCAA meet; Feb. 24-25, the Oregon U. meet; and March 24-25, the NCAA Finals.

The Bobcat team was very successful at most of these meets last year, and they are hopeful for the same success this year.

The team has been working out since school opened, with most of the members running in the cross country race last Saturday. Most of the men who ran in the race placed among the winners. Now that there is some snow, the team has been up on the slopes during the weekend.

If the pre-season condition of the men is any indication of the coming season, the team should do very well.

Coach Beck added, "The team spirit is real good and there seems to be a lot of enthusiasm for the coming season."

Beck will get his first good look at the squad during the Thanksgiving holiday when they will run through all of the events if there is sufficient snow on the hill.

BOBCAT CROSS-COUNTRY runners after closing out a 1-3 season start practice for skiing. Pictured from left to right are first row, Bill Paterson and Kenny Miller; second row, Tor Fageraas, Gary Kiefer, Emil Erhart and Coach Bob Beck.

Cow College Cowboys Hit Grizzlies Gut

Oh yes it was a good day last Saturday as Bobcat boosters and Grizzlies alike got the fire water passed around and started insulting policemen from the city and campus alike. The policemen had their jobs cut out for them fighting mud and bottles, trying to subdue the few enthusiastic fans who tried and did get in the spotlight without tickets to the dance this weekend. All in all though, the day was quite calm with only a few "Go Western Days" that our own MSC cowboys are noted for. Action for the day started on the gridiron as the Grizzlies tried to sob their defeat up with a few quick blasts. Halfback Jerry Johnson handled it though with the aid of the entire Bobcat bench.

WHAT DOES AN OLD GRAD LIKE BEST ABOUT HOMECOMING? Next to shaking hands, he likes reminiscing. About fraternity parties, girls, sorority parties, girls, off-campus parties, girls—and, of course, about how great cigarettes used to taste. Fortunately for you, Luckies still do taste great. (So great that college students smoke more of them than any other regular cigarette.) Which shows that the important things in college life stay the same. Parties. Girls. Luckies.

CHANGE TO LUCKIES and get some taste for a change!

We Chomped on Bear Meat

AT END Gordon Schlabs hustles down under a Bobcat punt which Grizzly Quarterback Bob O'Billovich in his tracks. Full-Bucky May and End Bill Cords are on hand to handle any blockers that may show up. Cage Squads Practice for First Games

The freshman and varsity basketball teams are in their fourth week of practice, with both squads working hard on fundamentals and defensive drills. Coaches Lambert and Craft have employed a stiff dose of running exercises to get the boys in shape.

The varsity squad is composed of 15 men, as is the freshman team. The varsity has 5 returning lettermen. They are John Bryant, Pete Carson, Gordon Haugen, Tom Sawyer, and Grady Venable. Adding to this nucleus of lettermen are promising sophomores Dave Knostman, Jim Noenning, John Ockomon, Bill Phillips, and Andy Wyatt. Also on the team are Jerry Streeter, George Tyra, Larry Kincheloe, Milt Horton, and Gary Lambert. Coach Lambert hopes to improve on last seasons record of 10-15. The Bobcats will open on December 1 at home against Long Beach State.

The freshmen under the direction of Coach Craft are looking forward to a good season. All the freshmen look promising and all the starting spots are still up for grabs. Members of this year's team are Al Brown, Gene Cady, Kermit Young, Norman Klinker, Gene Nelson, Ken Schweitzer, Dick Scott, Dick Silberman, Don Rae and Gary Hicks. Out of state players are Steve Chase, Athens, Ohio; Alan Epps, Englewood, Colorado; Bob Fustaffson, Cambridge, Illinois; Chuck Hallam, Lander, Wyoming, and Tony Seals, Chicago, Illinois.

Talking Sports

By FRED TURNER

GRIZZLIES WIN TOSS and that's all they won last Saturday as Grizzly athletic teams and fans invaded Bobcat land. It's true, the Grizzlies won the toss of the coin before the Bobcat-Grizzly football game but they were completely wiped out in intercollegiate competition in football, bowling, rifle team and drill team. The Grizzlies even took the gas pipe in the room jam. The Bobcats crowded 212 students into the room while the Grizzlies came through with 197 students.

IT'S TIME TO give a little praise to those undying football players who never saw action on Saturday afternoons but were always ready to practice during the week. It's these people, who were either ineligible or else red-shirted for a year, that ran opponents' plays and prepared the Cats for each week's encounter. Guard Tom Monterossi, although preparing for a successful season, broke a bone in his wrist and was red-shirted when he was ready to play. Guard Tom Wing, a transfer student from William and Mary, was ineligible this year due to his transfer to MSC. Tackle Gene Carlson consented to be red-shirted so that he could add depth to next year's Bobcat line. These men are but a few of the many that could always be counted upon to help the Bobcats.

FEEL LIKE SIGNING YOUR NAME? Seems as if Senior Bobcat Guard Jim Berg is sporting a fine, new, white cast on his left hand. I know he is just dying to have but a few signatures placed upon it! Jim was bound and determined to get a Grizzly and he certainly did a fine job in getting one.

Air Force-Army Drill Teams Combine to Conquer Grizzlies

By BRUCE WHITHORN

The combined Army-Air Force ROTC Bobcat men's drill team, under the command of Cadet Captain Charles Fulton, marched to an impressive victory over the Grizzly Army ROTC drill team Saturday morning in the MSC Field House. The Angel Flight, which gave its full support, added beauty to the surroundings of this colorful marching duel.

The judging was deemed to be very good. The judges were Army and Air Force Reserve officers and National Guard officers.

The competition box score show the Bobcat marchers defeated the MSU team by more than 100 points:

	MSC	MSU
Personal Inspection	147	150
Regulation Drill	250	204
Exhibition Drill	363	300
Overall Impression	109	94

869 748
This victory marked the second straight Bobcat win in the "Betsy-ROTC" drill competition and gave the Cats a one meet margin over the Grizzlies in nine encounters. In April this year, the MSC marchers defeated MSU

at Gonzaga University, Spokane, Washington. In the Gonzaga meet, MSC captured first place among nine college teams in the Inland Empire drill competition.

The team, coached by Army ROTC Sergeant Harold W. Pettys, drills 2 hours, 3 times a week. The week before a meet the team works out every night.

The team is commanded by Air Force ROTC Cadet Major Tom Devine. Drill team captains are Cadet Captain Charles Fulton and Cadet Captain Jay Oschner. The other team members are cadets: Dale Carlsen, Duncan MacNab, William McCraw, Terry Moore, Munir Sarkis, Richard Frank, Hal Haefner, Mike Neely, Marc Shay, Wilbur Squires, Robert Towe, Paul Skabo, Gary Glessig, Bobby Jackson, Jeff McAnnally, and Lee Meyers.

Plans call for team participation at Tucson, Arizona; Champagne, Illinois; and Seattle, Washington.

The professor of air science, Colonel Raggio, and the professor of military science, Colonel Clayton, feel that the team will bring national publicity to MSC.

UNDER NEW MANAGEMENT

"Guys and Gals"

By MARY BENNETT

With Thanksgiving this coming week, I beg of you to stop and count your many blessings. We thank thee for the opportunity to attend college, for the place in which we dwell; for the love that unites us; for the hope with which we expect the morrow; for the health, the work, the food, and the many pleasures that make our lives delightful; and for the many dear friends we have here and in all parts of the earth.

Many people will be counting their blessings, in some cases, for no other reason than the fact that they have found an exceptional person of whom they are extremely fond. Some of these people have made public their love as shown by the

PINNINGS

Bob Smith, Sigma Nu, announced that he is pinned to Shirley Sorenson, Pi Phi.

ENGAGEMENTS

Joan Murray, Alpha Gam, is engaged to Verlan Nix. And Nina Garwerich, Pi Phi, showed off her new diamond which was given to her by Morris Spannagel.

ACTIVES

New actives at the AGR house include Dick Henderson, Gary Thompson, Evert Love, Ron Freiz, Dallas Horton and Bill Crowley.

While at the Delta Sig house, ten new actives have been added to the role. Jim Jenkins, Jim Noemig, Mike Foley, Dave Knostman, Don Kennedy, Carter Harmon, Alan Rogers, Mike Fisher, Jim Strouse, and Wilson Markle.

WE GO GREEK

Still the pledge lists get longer. Pam Storm, Kathy Hauge, Donna Jezick, Diane Ekegren, Judy Sullivan, Kay Claypool, Ariel Fry, and Sandra Bolick can now all be seen wearing their new Alpha Gam pledge buttons.

The Chi Omega's pledges 11 new cuties: Connie Bardon, Bonnie Ready, Pat Morgan, Barbara Vruwink, Sherrell Willey, Karen Mann, Diane Stephenson, Marlie Lasker, Connie Thronson, Jane MacGregor, and Janet Blekem.

At the white house on the corner of Cleveland and Fifth, better known as the KD house, many

new pledges are seen doing their house duties. Roberta Clark, Lura Nelson, Thelma Arlindt, Judy Adams, Jan Bowers, Karen Ratzburg, Susan Roess, Peggy Keiffer, Sandy Johnson, Carol Osborn, Diane White, Eloise Ellis, Carole Bache, and Joy Minard.

The Fraternities are still in there pitching. Dennis Jwice and Fred Scott recently pledged AGR. New Delta Sig pledges include Milt Horton, Jerry Streeter, Gary Alley, Jack Tidball, and J. B. McNeil. And Jim Hill is a proud new pledge of Sigma Nu.

HONORS

Karen Kirwan was elected pledge of the month for Chi Omega. Sherry Erwin will be representing Chi O at Jr. Pan Hellenic.

ISA

Priscilla Hoerschgen was elected the new vice-president of the Independent Students Association.

DELTA PHI DELTA

New officers for Delta Phi Delta, Art and Architecture honorary, have been chosen. Heading the group as President is Knut Seram. Other officers are: Marge DeWit, vice president; Donna Andrus, recording secretary; Karen Johnson, corresponding secretary; and Eugene Hoover, treasurer.

Art Club Bazaar Begins Nov. 30

The annual Art Club Bazaar is soon to take place in Herrick Hall, November 30 and December 1. This occasion has long been a tradition at MSC and is an excellent opportunity to purchase individual art, faculty and students' works.

The sale is held from 9 a.m. to 9 p.m. on Wednesday and from 9 a.m. to 5 p.m. on Thursday, on the third floor of Herrick Hall. Students and the faculty exhibit paintings, prints, pottery, weaving, silver and copper enameled jewelry, toys, Christmas decorations and cards, and other crafts.

Art Club work shops have been held each Thursday evening in preparation for the bazaar. This has also been a tradition of the Art Club.

The income from the Bazaar is used for the Art Club scholarships, adding to the Art Club Museum collection, and other projects.

This is an excellent opportunity to buy original and unique, individual gifts for others or yourself.

Patronize Exponent Advertis

On Campus with Max Shubin

(Author of "Barfoot Boy With Cheek", "The ML Loves of Dobie Gillis", etc.)

IT'S LATER THAN YOU THINK!

All year long you've been promising yourself to go there. The semester is nearly over and you still haven't set foot in place. Shame on you!

But it's not too late. Right now, this very minute, before you weaken, lift up your head and forward march to the place you have been avoiding ever since school began. I refer, of course, to the library.

Now here you are at the library. That wasn't so bad, was it? Of course not! Go inside. What do you see? A sign that says "NO SMOKING." Go outside. Light a Marlboro. Smoke. Go back inside.

Because now you are ready. Now your trembling resolve is rigid. Now your pulsing psyche is serene. You have been calmed by mild Marlboro. You have been soothed by that selectate filter, by that fine full flavor that dotes and pampers and caresses, that lifts the fallen, repairs the shattered, straightens the bent, unravels the knotted, rights the askew, fastens the unbuttoned.

In the center of the library you see the main circulation desk. Look in the card catalogue for the number of the book you want, write the number on a slip, and hand it to the efficient and obliging young lady at the desk. The efficient and obliging young lady then gives the slip to an efficient and obliging boy who trots briskly back into the stacks, curls up on a leather encyclopedia, and sleeps for an hour or two. The puffy but refreshed, he returns your slip to the efficient and obliging young lady at the desk, who tells you one of the things: a) "Your book is out." b) "Your book is at the binder." c) "Your book is on reserve."

Having learned that the circulation desk hasn't the intention of ever parting with a book, let us now go into the periodical room. Here we spend hours sifting through an imposing array of magazines—magazines from all the far corners of the earth, magazines of every nature and description—although we search diligently and well, we cannot find *Max Shubin Playboy*.

Next let us venture into the reference room. Here in this hushed, vaulted chamber, we find the true scholars of the university—earnest, dedicated young men and women who are for only one thing in the world: the pursuit of knowledge.

Let us eavesdrop for a moment on this erudite couple perched over heavy tomes at the corner table. Hush! She speaks.

SHE: Whatcha readin', hey?

HE: The Origin of Species. You ever read it?

SHE: No, but I seen the movie.

HE: Oh.

SHE: You like readin'?

HE: Naah.

SHE: What do you like?

HE: Hockey, licorice, girls, stuff like that.

SHE: Me too, hey.

HE: You pinned or anything?

SHE: Well, sort of. I'm wearin a fellow's motorcycle emblem... But it's only platonic.

HE: Wanna go out for a smoke?

SHE: Marlboro?

HE: What'else?

And as our learned friends take their leave, let us too make our way homeward—a trifle weary, perhaps, but enlightened and renewed and better citizens for having spent these hours in the library, Aloha, library, aloha!
