

Homecoming Queen Elections Open Thursday

By JUDY THOMPSON

Three MSC coeds will have "Moments to Remember" as they approach home stretch for homecoming. Maxine Manning, Bobbie Clark, and Tana Burns were selected by an all male vote last spring to be finalist. The crowning of the queen takes place next Friday evening, October 19th, in the fieldhouse. The royalty reigns over the Queen's Dance, Saturday morning parade, Idaho University-Bobcat football game and homecoming ball. The coeds have been traveling for the past month to cities in the Southwestern part of the State to publicize the annual event.

From Sidney comes Tana Burns. Her interest in athletics influenced her to major in Physical Education. Last year she reigned as Sigma Chi Derby Dar-

BOBBI CLARK

ing. The nineteen-year-old sophomore likes to fashion garments for her wardrobe. Tana is an Independent.

Bobbie Clark plans to be an interpreter when she completes her studies in modern language at MSC. Bobbie holds an office for Angel Flight and is a member of Student Education Association. This sophomore is affiliated with Chi Omega sorority.

As past commander of Angel Flight, Maxine Manning was named the top commander in Tucson, Ariz., and the Outstanding Angel award at the Sunshine City competition. Maxine is a Home Economics major and hails from Kalispell, Montana.

An all school election will be held Thursday, October 18. The students are reminded to bring their activity tickets which makes them eligible to vote.

Presidents Slate Meetings; Senate Announces Plans

By RONALD WALTON

Sherrick, Jack Miller, and Hardesty have set class meetings for next Monday evening at 7:30 p.m. The Senior will meet in Room 101 of the Hall, the Junior Class in SUB ballroom, and the more class in Room 108 of Hall.

Agenda for all class meetings is the nomination of officers applications for class committees. Officers to be nominated are Vice-President, Secretary, Treasurer, and Co-Social Chair-

managers for class officers will be Tuesday, October 23, with general election being held a later on October 30.

Freshman Class "Daddy", Jack Nick, has placed nomination for Freshman Class President at the SUB desk and must be turned back to the desk by 5 Monday, October 15th. Foraminations will take place at M-Day Eve Mixer on October 18th. The election dates are the same as those stated for the classmen.

Weydemeyer, Commissioner of Demonstrations, announced tryouts for pom pom girls to be at 5 p.m. in the Fieldhouse. She requested that all who try out should wear Bermuda shorts.

Sh to Climb Next Week

"M" Day Eve Mixer opens the celebration of M-Day. The mixer will be held in SUB beginning at 9:00 p.m. of the most impressive moments is the Spurs and Fangs of the "M", which may be held at 10 p.m.

Wednesday morning the Spurred Freshman will be out by the Fangs and transported by movs to the base of the "M". The brigade will be formed by lime to the top, and rocks added to the "M".

fish pond is the early scene of the Frosh-scrap. If victorious the man can throw away their burdens, and become on the college campus.

Traditions Board met with Weydemeyer and they planned M-Day activities. They also discussed the Frosh-Sophomore Scrap. The next Pep Rally will be after the Homecoming Variety Show and will include the traditional lighting of the "M".

Forensics Commissioner, Terry Conrad, told Senate that the Debate Squad consisting of 10 members would trek to Billings this weekend to size up their state opponents. Last year, they chalked up a very impressive record, and Coach Lawrence feels that MSC should do just as well this year.

Don Wolfe, in the President's report, told Senate members that the "Montanan's" were planning a special trip to Laurel toward the end of the quarter to pay tribute to Keron Chapman. Keron, who was last year's Senate Secretary, died in an automobile accident shortly after graduation from MSC last Spring. Keron, who was regarded with high esteem by all Senate members, was one of Senate's hardest working people. The Montanan's hope to arrange for a special Memorial Service sometime near Christmas. It was moved by Jim Jarrett, Commissioner of Music, that the money for the trip (approximately \$70.00) should come out of the Student Finance Advisory Fund—the board which takes care of the Bookstore profits.

Other business to come before the Senate was the unanimous approval of Don Ragland to replace Larry Anthony on the Student Union Board. This appointment was to resolve a conflict with the ASMSC Constitution which stated that the Junior Bookstore Member is also a member of the Student Union Board. Larry Anthony who had been appointed last spring to the SUB Board, moved down to the Student-Faculty Committee to replace Margaret Voerman's who had resigned.

Appointments that are coming up this fall are: World University Co-chairman, High School Week Co-chairman, and applications will be accepted for the Constitutional Revisions Committee. Anyone desiring any one of the above positions is asked to pick up an application at the SUB desk or in the Student Senate office. Dates for final selection of the above positions will be set later this quarter.

'Satchmo' Featured Attraction At MSC Homecoming Program

By JUDY THOMPSON

"When It's Sleepy Time Down South", the familiar theme of Louie Armstrong, will disperse throughout the MSC fieldhouse next Friday evening at 8 p.m. This great ambassador to jazz will provide the Homecoming Show program for MSC.

Armstrong, known to the world as "Satchmo", was reared as an orphan in New Orleans. It was in the orphan's home that he was given his first trumpet and music lessons. As an ambassador, Louie and his orchestra have toured

Europe, Africa, Asia and the entire United States. Royalty such as Princess Margaret of Great Britain had a special concert given by Armstrong in London's Empress Hall. Members of the New York Philharmonic led by Bernstein have enjoyed making record albums and playing with this famous jazz musician.

This is how Louie feels about his music, "When I pick up the horn, that's all. The world's behind me and I don't concentrate on nothing but that horn. I love them notes."

Bud Purdey, manager of the fieldhouse, arranged the show and feels that many alums and people from the surrounding communities will come to hear the jazz program. Tickets will be on sale in the fieldhouse next week and at the door.

Freshman Beanie Must Be Worn

FROSH BEANIE RULES

1. Beanies must be worn at all times while on campus.
2. After 5:00 p.m. beanies do not need to be worn off campus.
3. Must be worn Freshman Week and until the "Frosh-Soph." Scrap.
4. Sophomores being victorious, the beanies will be worn until Thanksgiving by Freshman.

'Adding Machine' Auditions Slated

Tryouts for the second stage production of the quarter, *The Adding Machine*, will be held Wednesday, October 17 at 7 p.m. in Room 310 of the Student Union. Anyone interested in auditioning is invited to come.

Also anyone interested in working in other phases of the production—sound, lights, publicity, business, costumes, props and other areas—are urged to attend this meeting.

Copies of *The Adding Machine* are on reserve at the Main Desk of the Library.

Elgart's Band Plays Music At Festivities

The sophisticated, smooth sound of Les and Larry Elgart will be heard at the 1962 Homecoming Ball, October 20th in the SUB ballroom. The musical group has been voted most popular college orchestra for the past several years.

Les is the band leader with Larry on the alto saxophone. The Elgarts don't search for progressive combinations. Instead they strive for a mellow tone incorporated into their recognizable style. They continue research constantly with voicings and new placements. One of the unusual qualities of the Elgart Orchestra is the absence of a piano. Its percussive qualities makes the sound of the group.

Les began to play the piano at an early age in New Haven, Connecticut. He gave up the instrument to play the bugle. After his experience with a drum and bugle corps, he made another shift. This time it was to the trumpet. After high school he played with a number of small groups and finally joined with Larry.

Larry went from the piano, to clarinet, to the flute, and then to the saxophone. Hymie Schertzer placed his avid student into the band world.

The first attempt proved to be disastrous mainly because of lack of experience. They experimented with new arrangements and new sounds. It was decided to try again. In 1953 he signed with recording companies. The Elgarts and their Orchestra grew from only a hope to a smashing success.

The band will play from 8:30 p.m. to 12:30 p.m. Tickets may be purchased next week and at the door in the SUB.

"Pom Pom" Tryouts Set For Today

Tradition Board urges all freshmen to try out for Pom-Pom girls Friday, October 12, at 5:00 p.m. in the Fieldhouse. Idell Weydemeyer, Commissioner of Demonstrations, asked all girls who try out to wear bermuda shorts.

Those girls interested in becoming Pom-Pom girls were instructed by the cheerleaders in two practice sessions on Wednesday and Thursday at 5:00 in the Fieldhouse.

The members of Traditions Board and Miss Mollie Hatch, adviser for the cheerleaders, will judge the candidates on ability, pep, enthusiasm, spirit and appearance. Either four or five pom-pom girls will be selected.

Editorially Speaking

Congratulations seem to be in order for student conduct at the Utah game last week. Drinking was in evidence, but general conduct was good.

School spirit was running at an extremely high level at the pep rally and the game. Let's keep the spirit high during the coming year.

* * * * *

As I look back to my freshman year I have fond memories of that early morning hike to the "M". I also have not so fond memories of the hike back down, covered with lime which would have looked much better on the pile of rocks I had just left. The throwing of lime is a rather dangerous pastime, as one young man I know, lost his sight in one eye for about two weeks. Keep in mind that it could well have been permanent. I sincerely hope that all Freshmen will have fun Wednesday while slopping the lime where it belongs.

Letters to the Editor

Athletic Director Salutes Rally

Dear Editor,
I would like to take this means of congratulating Idell Weydemeyer, Commissioner of Demonstrations, for organizing an outstanding rally last Friday evening; to the cheerleaders for a splendid job, attired in their colorful new outfits; to the Pep Band for their inspiring music;

and to the Student Body who turned out in great numbers to support the team.

With this kind of support you can rest assured that the Bobcats will go all out to play top football and bring home some victories to a very deserving Student Body.

Bene Bourdet
Director of Athletics

Traditions of Campus Are Cited As Student-Faculty Reminders

Freshmen students are notified and upperclassmen reminded of the following "traditions" which are an intrinsic part of school spirit at MSC.

1. "No high school letters shall be worn by any college student on the campus at any time." High school letters are not only in bad taste when worn on the college campus, but are poor substitutes for the satisfaction the individual would gain from earning a college letter.

2. "One day during the autumn and spring quarters, to be designated by Student Senate, will be set aside as "M" day. This day is to be devoted to the painting and repairing of the big "M". This quarter, "M" day is October 17th.

3. "The senior class president is automatically elected as the Freshman "Daddy". The Class of '66" is fortunate in having an exceptionally fine "Daddy," Jack Sherrick.

4. "No one, faculty member, student, or employee, shall cut the campus." "Cutting campus" is probably the most necessary and most abused tradition. MSC claims the most scenic campus in Montana and one of the best in the Northwest. If "cutting campus" is continued, this boast will surely prove to be an idle one.

5. "The Alma Mater song shall be sung between the halves of every athletic contest, and at the closing of assemblies." Our school song proves to athletic opponents of MSC that we are a strong and unified student body, fully supporting our team both physically and spiritually. It is the best indication of the real spirit of the student body.

6. "Hello Walk"—Greet everyone with 'Hello' on the walk from the main SUB door to the curb." This tradition helps to stimulate and preserve MSC's reputation as the friendliest campus in the United States.

7. "Freshmen shall not enter

Montana Hall through the front door." It is a great privilege to be an upperclassman at MSC and one of the many compensations for successfully completing the Freshman year is being able to use the front door of Montana Hall.

8. "Freshmen shall wear their beanies until the Frosh-Soph scrap." It is a duty and an honor for all Freshmen to wear their beanies. It is an even greater honor to permanently remove them after winning the Frosh-Soph scrap or "tug-of-war." The great event will take place on "M" day, Oct. 17th.

The MSC traditions have been formulated, established, and properly executed by past generations of MSC students. Through the years, these traditions have been increased and modified, but always with the aim of increasing and strengthening school spirit. Without traditions, a school is spiritually dead and has nothing from the past to guide it in the present or the future. It is for us, the present students of Montana State, to keep the meaning and value of our traditions alive for our own benefit and for the benefit of our successors.

Queen Hopefuls Appear in Billings

Montana State College's three Homecoming queen candidates were in Billings October 10 for television and radio appearances.

The three coeds vying for 1962 queen honors are Tana Burns, Sidney; Bobbi Clark, Billings; and Maxine Manning, Kalispell.

One of the three will be crowned Homecoming queen in ceremonies scheduled at the MSC fieldhouse tonight.

Accompanying the candidates to Billings were Don Ragland, Homecoming chairman, and several other members of the Homecoming committee.

ARTCRAFT PRINTERS

Ceramics Show Open In Library During October

A 43-piece ceramic show will be displayed in the court and lounge area, of the Montana State College library during October.

The pieces in the show are the work of ceramist Robert Sperry, a member of the School of Art faculty at the University of Washington.

Sperry, who has studied at the University of Saskatchewan, the Art Institute of Chicago, and the University of Washington, has had several one-man shows in the Northwest.

"The new library court is an excellent facility for shows of this type," says Robert DeWeese, associate professor of art at MSC. "The public is invited to see the library exhibit as well as exhibits of student work in Herrick Hall and the Student Union Building.

Sponsoring the show are the MSC Art Department, the Associated Students of MSC, and the Bozeman Art Association.

Montanans Debut Set for November

The music of American composers will be featured in the programs of The Chorale and The Montanans, MSC choral groups, during the coming school year, according to George L. Buckbee, director of the groups.

The programs have been planned to stress the high quality of musical creativity in the U.S., and to acquaint concert-goers with music by their countrymen.

The Montanans will present their first choral program in November. The Chorale will present a program in January.

MSC Speakers Seek Talented New Students

The MSC Speaker's Bureau, in its third year, is looking for students who have ability to speak on interesting topics. Students who are interested in participating or who have questions about the bureau should contact Mr. Brammer, Room 303 in Montana Hall. There are a number of openings for additional speakers, and Mr. Brammer states that any student from any department is eligible to take part in this activity.

Student Lack of Sleep Is Greatly In Evidence

By JIM GOETZ

How often do you find yourself waking up in the morning, oozing out of bed and stumbling, late, to classes? Already this year I've noticed quite a number of students who look as if they stepped out of a grave to attend classes. I believe with a reasonable amount of certainty that this early-morning drowsiness is probably due to a lack of sleep.

We always caught up on our rest with afternoon naps in Kindergarten. In grade school, there was always recess, and high school had its study halls. But here in college, no one tells us when to sleep. We are now mature college students. We sleep when we want. But when is that?

Looking at the ordinary college student, we see him attending classes during the day and pursuing "extra-curricular activities" to about 10:30 each week night. Figuring an average of 1 1/2 hours of homework a night, there is, at most, only 10 hours left for sleep. Taking into consideration the fact that any normal human needs at

least 15 hours of sleep a night, figure that most of us are far behind at least 35 hours a week. In other words, spending one week in school, will take a person 3 1/2 years out of school (including summers) to catch up on sleep.

Many students attempt to catch up on their sleep in classes, and some teachers (whose names I will not use in order to protect the innocent) say they don't mind their students sleeping in class. After all, as most of us have experienced, desks weren't made for sleeping. But if we can't sleep in classes, when can we sleep? We could possibly notch off an hour more from study time but we would ultimately need to maintain all "extra-curricular activity" time.

We still don't get enough sleep in time though. Perhaps we could adopt a 4-hour "sleep" period each afternoon. This should satisfy the teachers because students wouldn't doze off their morning classes, and students should be more happy because they will get at least fifteen hours sleep a day.

Campus 'Cats' Reminded Everyone Is Not Perfect

By CAB CALLAWAY

As the second week of classes rolls to a close my grade point average sinks slowly in the West. Have you noticed the increasing interest in probability factors on campus? Any day of the week you can find dozens of the students pursuing this course of thought in the SUB by observing the random pattern presented by the mixing of small pasteboards. I believe they call it pinochle. The administration must look into this. Maybe we should petition for extra credit.

I think I'll take a survey. We ought to get a prize for having the largest number of different types of cats assembled in one small hole in the world. We got big cats, little cats, cats in black coats, blue coats, red coats, white coats and no coats. (Red coats and no coats . . . must check. The dean may not like it). Sit in

the SUB just long enough to see two classes any day you can choose and you'll see what I mean. That charming smile at the table over, second seat from the end. Wonder what's behind it. Unless you're an art major, never enter the mind of a cat—a frightening experience. Absolute confusion exists there. "I wonder how SHE ever got a date with him. I should go to class. That beard tickled. Just look at that skirt, I'll bet she's over 'them' too."

Most people are human. They're Greek, Independent or whatever. Give 'em a chance, and they're probably one of "them" someone else.

After four years in this school, I'm beginning to wonder what I'm doing here. I'll never get out. No mention my advisor's opinion, well, try again next week.

Corner Cobweb: Till the End of Time.

Student Talent Sought by 'Prospect' Editor

Norm Strung, Editor of Prospect, the MSC liberal arts magazine, recently announced that the Prospect had met and decided on this year's policy and quarter's deadlines for manuscripts and advertising.

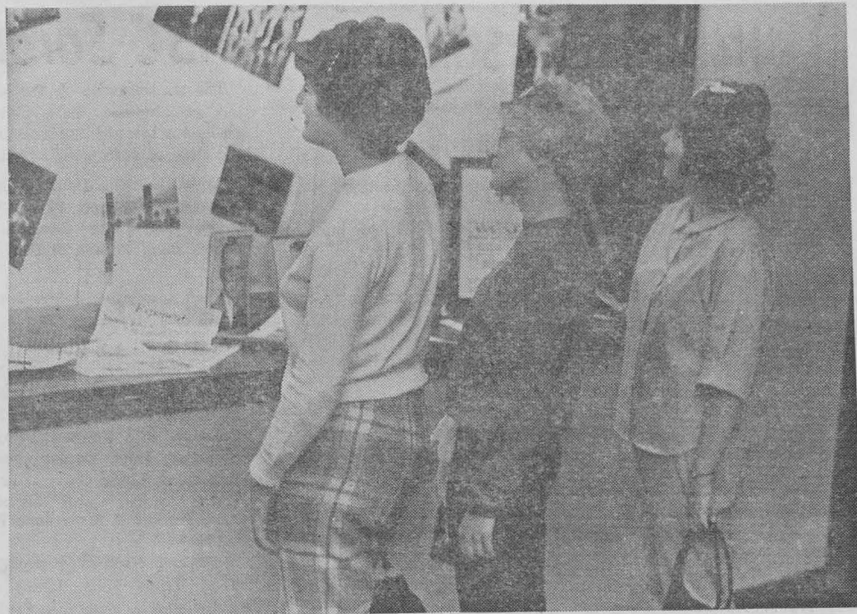

Our primary aim, said Strung, "is to provide the MSC student with a magazine he can read. Our secondary aim is to elicit articles, short stories, work and cartoons that illustrate what we choose to call 'humanism'. We feel that too much of MSC is a cheap imitation of the East, and would like to see

some writing that typifies the rich heritage that is the West."

"This does not," he continued, "eliminate any form of literary or art effort, we want a good cross-section of all forms of endeavor from prose to science fiction, and from cartoons to modern art."

He also stated that although the deadline for manuscripts and art work is set at Nov. 10, he'd like to get as many as possible at the earliest possible time.

There are still many openings on the general staff, and all who are interested are urged to inquire either at the office of Mr. Barsness, Advisor, or by calling 7-7191.

THREE FRESHMAN WOMEN admire the new display of student photography in the Exponent window. The window features MONTANAN photography and the national award given to last year's annual.

Overseas Scholarship Forms Are Due Before October 22

The 1963-64 Fulbright, Rhodes, and Marshall Scholarship Competitions are now open for qualified graduating seniors and graduate students, according to Mr. Paul Grieder, MSC representative for these programs.

Deadline for Fulbright applications is November 1 (October 15 for architects); for Rhodes applications also November 1; for Marshall applications, October 22.

Mr. Grieder urges all interested seniors and graduate students to see him at once in 201 Montana Hall for further information and for application forms.

FULBRIGHT SCHOLARSHIPS

The Fulbright study grants provide a year's graduate study in more than 30 countries of Europe, Asia, South America, and in Australia and New Zealand. About 900 U.S. students will go abroad under this program in the fall of 1963.

RHODES SCHOLARSHIPS

The Rhodes Scholarships are for two years of study (sometimes extended to three years) at Oxford University. Thirty-two students (men only) are chosen each year on regional basis. Montana is grouped in District VIII, along with Alaska, Washington, Oregon, Idaho, Wyoming and North Dakota. Four candidates will be selected from this district; they will begin their studies at Oxford in September, 1963.

MARSHALL SCHOLARSHIPS

Under the Marshall Scholarship Program, 24 candidates will be selected for study in any of the 24 excellent British universities. Both men and women are eligible, and women are especially urged to apply. The scholarships are tenable for two years.

The Fulbright Scholarships supply transportation, academic fees, living expenses, and small

OACU Meets Monday Officers to Be Elected

The first business meeting of the O.A.C.U. will be held Monday, October 15 at 7 p.m., SUB room 303, for the purpose of acquainting potential members with the organization's aims and functioning processes and to elect officers.

In order to be of greater service to our fellow students and the community, it is necessary to enlarge our membership which is open to all undergraduate, graduate and other interested persons who wish to participate.

Programs for the year will include a wide variety of interests within the areas of Science and Technology, the Humanities and the Social Sciences.

Talk Is Scheduled

The annual Placement Talk for Engineering seniors will be Monday, the 15th of October at 7:30 p.m. in the Student Lounge. Mr. John Breeden will point out the most important things a student should be familiar with when interviewing.

supplementary amounts for books and holiday travel. The Rhodes stipend is 750 pounds per year (about \$2100), sufficient for necessary academic and vacation expenses. Travel to and from the British Isles is borne by the student himself. The Marshall stipend is 550 pounds per year (about \$1550), plus transportation and academic fees. Further details are available from Mr. Grieder. Since the deadlines come early, interested students are asked to see him as soon as possible.

Homecoming Schedule

Tickets for Homecoming Activities will be on sale at the Registration Desks.

FRIDAY, OCTOBER 19

- 10:00 a.m. to 8:00 p.m.—
Registration at the Student Union Building and the Hotel Baxter.
- 1:00 p.m. to 5:00 p.m.—
Campus visit—Inspect the new Library and other new buildings; call on old friends.
- 8:00 p.m.—
Concert—Louis Armstrong and his famous trumpet in the Field-house.
Coronation of the Homecoming Queen.
- 9:30 p.m.—
Student Pep Rally and Lighting of the "M".
- 10:00 p.m. to Midnight—
Queen's Mixer Dance in the Student Union Ballroom.

SATURDAY, OCTOBER 20

- 7:30 a.m. to 9:00 a.m.—
Bobcat Booster no-host breakfast at the Hotel Baxter for all football fans. Talks by the coaches.
- 8:00 a.m. to 1:00 p.m.—
Registration at the Student Union and the Hotel Baxter.
- 10:30 a.m.—
Homecoming Parade—Main Street.
Alumni are reminded to visit the Fraternity and Sorority Homes to see the house decorations.
- 11:30 a.m.—
School of Nursing Luncheon in the Student Union Building.
- 11:45 a.m. to 12:45 p.m.—
Alumni Reunion Luncheon in the Student Union Building.
- 2:00 p.m.—
Football on Gatton Field—MSC vs. University of Idaho. Pre-game entertainment at 1:30 p.m.
Half-time show by the Bobcat Marching Band.
- 4:00 p.m. to 6:00 p.m.—
Open House at all Fraternities and Sororities and at Hannon, Pryor, Culbertson and Langford Halls.
- 5:45 p.m. to 6:30 p.m.—
Homecoming Buffet Dinner at Hapner Hall for parents and friends of Hapner Hall Residents.
Reservations may be made at Hapner Hall until 10:00 a.m. Saturday.
- 6:00 p.m. to 7:30 p.m.—
Friendship Hour for Alumni and friends at the Hotel Baxter.
- 8:30 p.m. to 12:30 a.m.—
Homecoming Ball—Dance to Les and Larry Elgart's Orchestra.
Awarding of trophies for House Decorations and Floats.

Indians Meet; Plan Activities

The first meeting of the Council of American Indian students was held on Monday night, October 8. Activities held last year and the constitution and by-laws of the club were reviewed and discussed for the benefit of the new members. Tentative plans for this year's activities were also discussed.

It was decided by the members that the club would enter a float in the homecoming parade. A subject to fit into the theme of the parade was chosen and a

planning committee was appointed.

The Council extends a special invitation to any student of Indian descent to join and take part in the activities of the Indian club. The next meeting of the Council will be held on Monday, October 22, at the home of John Olson, 310 West Olive Street, at 7:30 p.m.

Dr. Verne Dusenberry, associate professor of English, is advisor of the Council.

MSC Sororities Announce Pledges

The six sororities on the campus at Montana State College pledged a total of 132 women at the close of rush week activities.

Alpha Gamma Delta pledged 16, Alpha Omicron Pi 20, Chi Omega 35, Delta Gamma 20, Kappa Delta 12, and Pi Beta Phi 29.

Each sorority's pledges are as follows:

ALPHA GAMMA DELTA: Janet Minshall, Diana Crane, Niki Ward, Susan Conover, Mary Beth McDonald, Jo Anne Knudson, Nita Coleman, Rita Newmack, Phyllis Stephens, Irene Gordon, Bonnie Robertson, Linda Christison, Karen Granat, Carol Martelius, Jane Flaskerud, Mary Jane Westermack.

ALPHA OMICRON PI: Ellen Todd, Linda Felix, Lynne Ann Gordon, Judy Llewellyn, Suzanne Lawrence, Dina Powell, Shirley Richardson, Nancy Adams, Susie Beck, Linda Mockel, Carolyn Spain, Bonnie Bruckner, Gail Gribble, Janice Wetsch, Jacques Wiley, Barbara Blakely, Adele Wilkinson, Marilyn Carpenter, Kathleen Anderson, Mary Ann Marler.

CHI OMEGA: Afton Miller, Vickie Burns, Cobe Chatwood, Barbara Lea, Judy Massman, Barbara Sparks, Regina Cullen, Cheryl DeCosse, Brenda Dunlap, Linda Long, Karen McNeal, Jean Schauer, Dorothy Spain, Gail Birch, Diana Gray, Lilly Francisin, Cheryl Nelson, Margaret Finley, Wendie Kottas, Jean Caraher, Bonnie Diegel, Nan Barsness, Karen Staiger, Sherry Ridgway, Sarah Lemire, Lynda Bley, Sharon Aho, Linda MacDonald, Jan Semon, Kay McCay, Joan Brickley, Kathleen Phelan, Clau-

dia Huckaba, Bettie Thigpen, Sue Ravenscroft.

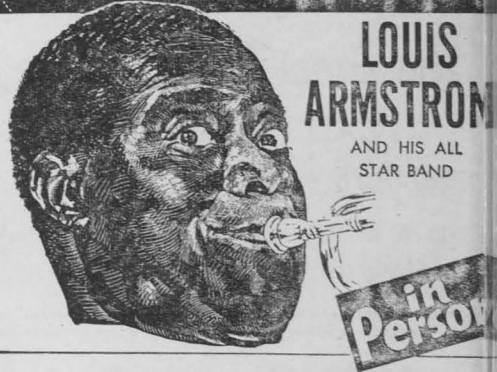

DELTA GAMMA: Donna Donafrio, Judith Elder, Scotta Ramsey, Karen Troy, Shelley Bryant, Marlyn Dolighan, LaVonne Singleton, Linda Quinlan, Nancy Leffler, Lillian Mionas, Janey Tilton, Pamela Weigel, Lynne Chambers, Karen Torske, Carol Wallin, Carolyn Jones, Judee Bentzen, Lynne Brackman, Sandra Hamilton, Lana Nadould.

KAPPA DELTA: Diane Roth, Billye Buettner, Cheryl Kouk, Vickie Billips, Sandra Pfeiffer, Bobbie McKessock, Marilyn Peressini, Pam Perrins, Kathy

Bansch, Linda Brotsch, D Swanson, Pat Way.

PI BETA PHI: Eva Kathy Keene, Janice Kathryn Kelly, Jo Anne I Sara Nash, Carole Richa Myrna Shepard, Lois Lohr, Hoffman, Jill Doty, Carla Mary Thibaudeau, Peggy itch, Jo Ann McLean, V Wylie, Lynne Allen, Marry son, Terry Trerise, Juli Benke, Eita Webb, Susan Miller, Sharon Smith, Leavitt, Susan Symonds, Winn, Virginia Crites, Rand, Beryl Irwin.

Professor Grieder Announces Indian Teaching Assistantships

An announcement just received from Professor Grieder calls attention to a new and challenging program for English teaching assistantships in universities in India. Candidates must be U. S. college graduates—both men and women are eligible—but they must not have majored in English and are not required to have previous teaching experience. Students interested in the political and social sciences and in the humanities are especially encouraged to apply. The eligibility requirements and the stipend are the same as under the Fulbright program. The application deadline is the same also—November 1. This program should appeal to

many well-qualified seniors and graduates who have not yet committed themselves to a specific career, and who are attracted by the opportunity to serve, live, and study abroad in one of the world's great countries and cultures.

The teaching assistantship will involve about 12 hours of classroom teaching plus helping in informal conversation sessions and grading papers. Grantees will work under the supervision of a Professor of English; before they begin their duties, they will receive special training in India on the teaching of English as a foreign language.

Interested students should see Mr. Grieder at once in 201 Montana Hall.

MSC Musicians Attend Workshop

Two Montana State College students attended a workshop of the National Association of Teachers of Singing in Seattle this summer.

George Fleming, Glendive, and Tom Richardson, Corvallis, attended daily lectures in French and French art songs. They each performed in a dress rehearsal of "Don Giovanni".

Miss Fleming is a senior at Montana State College and is a member of the Montanans and the Chorale. She will present a solo recital this spring.

Richardson is a June graduate of MSC and is now a graduate student in vocal music at Indiana University.

Both students are pupils of George Buckbee, MSC music instructor.

Sonja Flatness Elected Editor

A Montana State College coed, Sonja Flatness from Marmarth, North Dakota, has been elected the National Spurs Editor. She was selected by the outgoing National Spurs Officers at the National Spurs Convention in Salt Lake City, Utah.

The National Officers are chosen from Spurs who have completed a year of active service, and the Editor serves a term of two years.

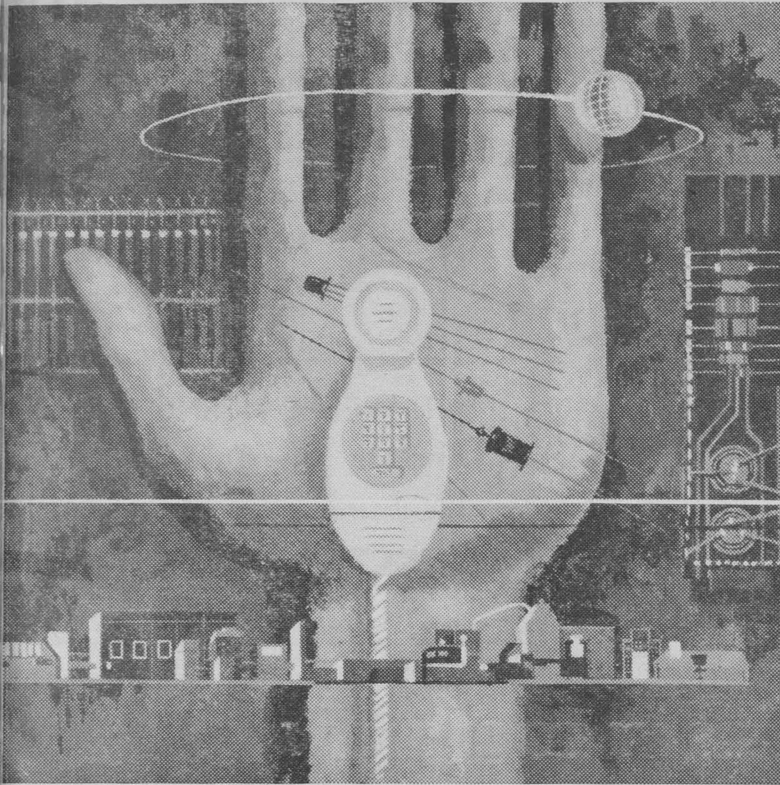

The National Editor's duties include the Spur handbook, AT YOUR SERVICE, and four issues each year of the official newspaper, THE SPUR, and being in charge of distributing the membership to each Spur chapter.

SONJA FLATNESS

Miss Flatness is a junior majoring in pre-medicine. She was chairman of various committees for her Spur chapter and was chosen Spur of the Moment. Academic honors include Alpha

Lambda Delta and Phi Sigma Society, biological sciences honorary. She is also scholarship chairman for Delta Gamma sorority and a member of Traditions Board.

Our future is in the hands of men not yet hired

At Western Electric we play a vital role in helping meet the complex needs of America's vast communications networks. And a career at Western Electric, the manufacturing arm of the nation-wide Bell Telephone System, offers young men the exciting opportunity to help us meet these important needs.

Today, Western Electric equipment reduces thousands of miles to fractions of seconds. Even so, we know that our present communications systems will be inadequate tomorrow; and we are seeking ways to keep up with—and anticipate—the future. For instance, right now Western Electric engineers are working on various phases of solar cell manufacture, miniaturization, data transmission, futuristic telephones, electronic central offices, and computer-controlled production lines—to name just a few.

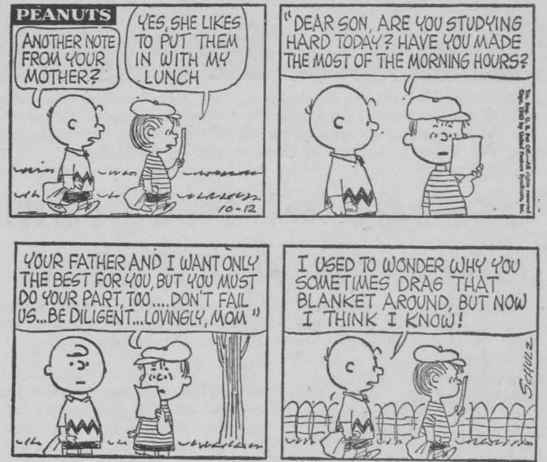

To perfect the work now in progress and launch many new communications products, projects, procedures, and processes not yet in the mind of man—we need quality-minded

engineers. If you feel that you can meet our standards, consider the opportunities offered by working with our company. In a few short years, you will be Western Electric.

Challenging opportunities exist now at Western Electric for electrical, mechanical, industrial, and chemical engineers, as well as physical science, liberal arts, and business majors. All qualified applicants will receive careful consideration for employment without regard to race, creed, color or national origin. For more information about Western Electric, write College Relations, Western Electric Company, Room 6206, 222 Broadway, New York 38, New York. And be sure to arrange for a Western Electric interview when our college representatives visit your campus.

Principal manufacturing locations at Chicago, Ill.; Kearny, N. J.; Baltimore, Md.; Indianapolis, Ind.; Allentown and Laureldale, Pa.; Winston-Salem, N. C.; Buffalo, N. Y.; North Andover, Mass.; Omaha, Neb.; Kansas City, Mo.; Columbus, Ohio; Oklahoma City, Okla.; Engineering Research Center, Princeton, N. J.; Teletype Corporation, Skokie, Ill., and Little Rock, Ark. Also Western Electric distribution centers in 33 cities and installation headquarters in 16 cities. General headquarters: 195 Broadway, New York 7, N. Y.

We all make mistakes...

ERASE WITHOUT A TRACE ON EATON'S CORRASABLE BOND

Touch-type, hunt-and-peck, type with one hand tied behind your back—it's easy to turn out perfect papers on Corrāsable. Because you can erase without a trace. Typing errors disappear like magic with just the flick of an ordinary pencil eraser. There's never a telltale erasure mark on Corrāsable's special surface.

Corrāsable is available in light, medium, heavy weights and Onion Skin. In convenient 100-sheet packets and 500-sheet ream boxes. Only Eaton makes Corrāsable.

EATON PAPER CORPORATION PITTSFIELD, MASS.

Major General Francis M. McGoldrick, left, Commanding General of the Tenth U. S. Army Corps, Fort Lawton, Wash., is greeted by President Roland R. Renne of Montana State College while the commander was on the campus to observe college ROTC activities. Accompanying the commander on his tour of the campus was Colonel George A. Clayton, center, professor of military science at MSC.

U.S.M.C. To Interview Men For Officer Training School

Captain Larry A. Kaufman, Marine Corps Officer Selection Officer for the Intermountain area, will visit Montana State College, in Bozeman, on October

17, 18 and 19, to interview interested in enrolling in officer programs leading to ground aviation commissions in the Marine Corps.

ROTC Announces Cadet Selections

Col. George A. Clayton, professor of Military Science at MSC, has announced the selection of eleven Army ROTC senior cadets as "Distinguished Military Students". The army military board has chosen Herbert W. Lessley, Thomas A. Overturf, Douglas L. Worthington, Bruce H. DeRosier, George E. Powers, Walter W. Boberg, Darrel T. Charlton, Edward D. Haggerty, Robert E. Mann, David A. Nelson and Harold M. Nelson on the basis of outstanding performance during their junior year at college and at summer camp at Fort Lewis, Washington.

Being designated as a Distinguished Military Student gives these men the opportunity to qualify as a Distinguished Military Graduate for appointment as a career officer in the regular army. About one in every fourteen officers commissioned annually from the ROTC program becomes a lieutenant in the regular army.

Freshman, sophomore and junior students may apply for training in the Marine Corps' Plan Leaders Class (PLC). Under PLC program college men participate in summer training sessions at Marine Corps School, Quantico, Va. Upon completion of the training and graduation from college, they are commissioned second lieutenants in the Marine Corps. There is no on-campus training, and pay upon commissioning is up to \$91 per month higher than under other commissioning programs.

Senior students, and graduates may apply for the 12-week Officer Candidate Course (OCC) which convenes after graduation.

Both the PLC and OCC programs offer young men a close of training as either ground aviation officers.

Senior women students, and graduates, also may apply for commissions in the Marine Corps through the Woman Marine Officer Candidate Class which convenes each spring at Quantico.

During his visit to Montana State College, Captain Kaufman may be contacted in the Student Union, between the hours 9 a.m. and 3 p.m.

Passage of Program Concerns Air Force

The Air Force is optimistic that its new Officer Education Program will be submitted to Congress for legislative approval early in the next session. The program, when approved, will affect units at 187 colleges and universities throughout the country.

Two major features recommended by the Air Force are the adoption of a two-year course of study and the addition of a scholarship of approximately \$2200, paid directly to the cadet during this two-year on-campus period.

The present ROTC program, set forth in the provisions of the National Defense Act of 1916, requires successful candidates for commissions to participate in four academic years of instruction on the college campus. The course is divided into two parts, the basic course for freshmen and sophomores and the advanced course for juniors and seniors.

Since only those students enrolled in colleges and universities currently offering AFROTC can participate for four years, this requirement effectively denies eligibility to nearly 65% of all male college students—especially those enrolled in junior colleges. Under the Air Force's proposed program, all male college stu-

dents would have the opportunity to compete for commissions in the United States Air Force.

The Air Force expects the scholarship to make it easier for more students to finish their college education and at the same time participate in the program.

School Bands to Play For Football Games

Nine bands, composed of five-hundred and fifty Montana musicians will provide pre-game and halftime entertainment for the Montana State-Idaho State football game, tomorrow afternoon.

The visiting bands from Belgrade, Willson Jr. High, Deer Lodge, Red Lodge, Stanford, Townsend, White Sulphur Springs and Wilsall will combine forces with the MSC marching band for the annual band day.

Delegates Taught Fire Control at 4-H Convention

Thirteen 4-H delegates from eight counties are participating in the Fire Prevention and Control school being held on the Montana State College campus today and tomorrow.

Richard Marks, Extension forester, is in charge of the program which includes demonstrations with fire-fighting equipment, and instructions for controlling and preventing forest, range, and grass fires.

The school is sponsored by the Montana Association of Mutual Insurance companies and the 4-H department of the Cooperative Extension Service of MSC.

Those scheduled to appear on the program include: George Martin, state fire marshal; Chester Phelke, Montana Association of Mutual Insurance Companies representative; William Pentila, Bozeman city fire chief; Don Williams, U. S. Forest Service; and E. Thomas Collins, fire prevention forester.

World Service Opportunities Be Peace Corps Theme

Montana State College students interested people will be able to learn about opportunities in Peace Corps on October 16. Mr. Bradshaw Mintener, Regional Assistant to the Director of the Office of Public Affairs of the Peace Corps, will appear on the MSC campus. He will show a 27 minute movie entitled "The Peace Corps Around the World".

Mintener helped to build a project with the Operations Cross-Country Africa project in the Ivory Coast in 1960. Recently he received his masters degree in International Studies from the University of Indiana. While at the university he received the annual award for the outstanding contribution to the student government and is now work as Chairman of the Issues Forum.

This past summer Mr. Mintener was a staff assistant for the Peace Corps Tunisian I training program at Indiana University. He also held a graduate assistantship as the coordinator for the Fund for Adult Education.

Mr. Mintener's chief purpose is to inform students and interested groups about Peace Corps service. There will be a no-host luncheon at the SUB on the 16th. Mr. Mintener will show the Peace Corps film and will answer questions about the Peace Corps at 4:00 p.m. in the Ag Auditorium and at 8:00 p.m. in Room 317 in the SUB. Any interested groups who might want to meet with Mr. Mintener should contact the International Cooperation Center, Bridger Hall.

Flu Shots Scheduled

All upper classmen wishing to have flu shots can receive them now, at the Student Health Center free of charge.

International Club Selects Officers At First Meeting

The International Club held its first meeting of the year on Friday, October 5 and resolved to promote better understanding between the people of all nations. New officers elected at the meeting are Munin Sarkis, president; Salim Daud, vice-president; Mrs. Borton, treasurer; Gabrielle, secretary; Meg Narraway, reporter; Henik Bagatourian, sports chairman; Samin W. Sarkis, temporary program chairman; and Ray Borton, social chairman.

Plans this year include a debate team and an open challenge to anyone on campus to compete in any sporting event.

The next meeting will be tonight and will include a forty-five minute film on the Far East. The Homecoming float will also be discussed for anyone who would like to attend.

SUB to Show Classics

Each year the film series is run by the M.S.C. film board which consists of members from Alpha Psi Omega, Cinema-TV Club, Bozeman Film Society, and the Student Union. There is one show each night starting at 7:30. The cost is 50c per person. The purpose of this program is to provide quality entertainment and an

opportunity for faculty and students to view foreign and classic movies to increase appreciation of pictures as a form of art.

Generally, the classic films are shown every other Sunday. A few of the classic films this year are THE 400 BLOWS, LA DOLCE VITA, I'M ALRIGHT JACK, HIROSHIMA MON AMOUR, CAPTAIN FROM KOEPEINICK, IVAN THE TERRIBLE, NO MORE FLEEING, and WILD STRAWBERRIES.

The special Christmas program this year will consist of RED BALLOON, THE OVERCOAT, and ON THE TWELFTH DAY.

Each quarter programs of the coming movies are available in the Student Union Building.

C.A.A. Schedules Coming Concerts

The annual Community Concert Association Drive brought in 750 members. MSC students hold over 20% of the memberships sold in this year's drive.

The association will sponsor the following concerts:

November 17—Hartt Woodwind Quintet and Nelle Fisher Ballet Company in joint concert.

January — Benno and Sylvia Rabinof in a violin-piano duo.

February—Shirley-Verrett Carter—soprano.

March—Karlsrud Chorale.

President R. R. Renne Announces Appointees

Fourteen new appointments to the faculty at MSC have been announced by President Renne.

Three of these, Dr. John Law, Jr., Dr. Donald A. Pierre, and McRae Jarrett will fill vacancies in the division of engineering. Dr. Lloyd Rixe, and Dr. A. M. Elne-goumy are new in the agriculture department.

Three new instructors in the school of nursing are Patricia E. Beaton, Barbara J. Hauf, and Hazel Sorenson, while Vesta Baxter Anderson will be a new face in the home economics department.

Henry E. Gerry will be assistant professor of chemistry, and Dr. Maurice W. Hull will reside in veterinary physiology.

James Cameron, who will teach accounting and finance, Dr. Ross M. Horrall, assistant professor of botany and bacteriology, and Dr. John D. Duke, an assistant professor in the psychology department, fill out the list of new appointees.

The Cats were held to about 50 yards on the ground, but had great success with their aerial game as they complete 15-26 for 204 yards and one touchdown. —Photo by Steve Cox

Intramural Week

By EUGENE BOCK

Intramural football started its season last Wednesday, October 10.

There are 11 teams in the intramural football this year. The 10 Fraternities and the men's Co-op will all support a team.

1. Alpha Gamma Rho
2. Delta Sigma Phi
3. Kappa Sigma
4. Lambda Chi Alpha
5. Men's Co-op
6. Phi Sigma Kappa
7. Pi Kappa Alpha
8. Sigma Alpha Epsilon
9. Sigma Phi Epsilon
10. Sigma Chi
11. Sigma Nu

The games will be played on the following fields:

Field 1—The west end of Beall Park at Grand and Tamarack.

Field 2—East end of Beall Park at Tracy and Tamarack.

Field 3 — South end of Beall Park at Cottonwood and Black.

Field 4—The East End of the Baseball Diamond on the campus.

Field 5 — North End of the baseball Diamond on campus.

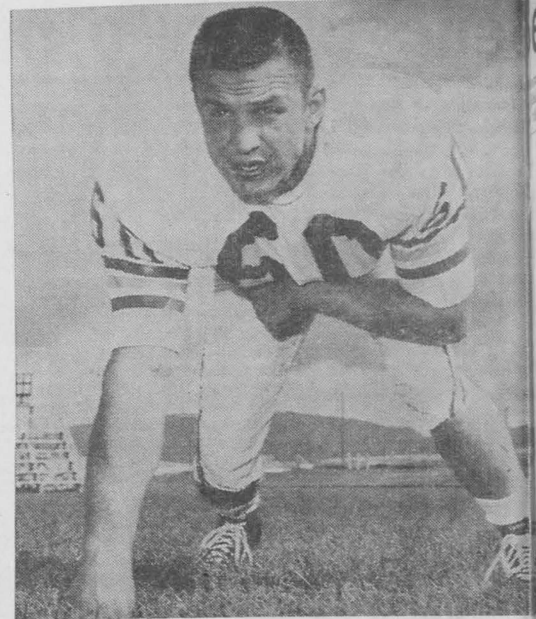

The schedule is as follows:

Practice Game	7-8	4-1	3-9	2-11	5-6
Oct. 10	7-8	4-1	3-9	2-11	5-6
Oct. 11	10-5	2-1	3-4	9-7	11-6
Oct. 12	8-4	3-5	10-2	11-1	6-9
Oct. 15	7-8	4-6	2-5	3-10	9-11
Oct. 17	4-2	9-10	11-3	8-6	5-7
Oct. 18	1-11	11-7	5-4	2-8	6-3
Oct. 19	9-8	1-7	10-11	4-6	2-3
Oct. 22	5-6	9-3	4-10	7-2	1-8
Oct. 24	11-2	9-5	8-3	10-6	1-4
Oct. 25	2-9	1-3	10-8	11-5	7-4
Oct. 26	6-2	11-4	5-8	9-1	10-7
Oct. 29	3-7	4-9	5-1	6-7	11-8

Intramurals committee decided last week to postpone the all-school golf meet until next spring. It was felt that the weather and the football program would not allow sufficient time to complete a tournament.

Work is being started on the Handbook of Intramural Activities which will be published and issued to all participants to inform them of the rules regarding eligibility and regulations of all the intramural activities.

If you have any questions about the program, contact Dobbie Lambert or Hal Nelson.

VETERAN GUARD JOHN MUNK played an outstanding game in defense last week. Munk, who calls the defensive signals, is a senior and two-year letterman. The 205 pounder has good speed and aggressiveness, qualities necessary for a linebacker. He will undoubtedly be in the starting lineup against the Bengals on Saturday.

Cross-country Season Starts

By EUGENE BOCK

Coach Ralph Steben announced the cross-country track schedule for 1962. The Bobcats will have four cross-country runs this year.

The first run will be at the Valley View Golf Course as MSC goes against Idaho State, on the 13th of October. This run will be followed on the 27th as the Bobcats go against the "U" at the

Valley View Golf Course. The Cats will then travel to Missoula on the 10th of November, then they go down to Pocatello on the 17th to run against Idaho State.

Coach Steben said that the men to watch in the races are Paterson, Mike Stark, Fred Martin, Bruce Weydemeyer, Landes, and Art Hecker.

We want your head in our business!

Ken's BARBER SHOP
3 SOUTH BLACK

Frosh Concentrate On Fundamentals

By PHIL KOTERBA

Freshman football got under way this year at MSC with about sixty men hitting the turf on October 1. Since then the fellows have been getting in good physical shape and brushing up on their basic fundamentals.

The able frosh coaching staff is headed by George Marinkovich with Sonny Holland working on the centers, guards and tackles and Bob Durado showing the ropes to the ends. These men will take the Bobkittens into a three game schedule consisting of an October 20th battle at Idaho State against their frosh and two home games, one being against the MSU Cubs here on October 27, and the other on November 2 against Powell Jr. College.

Men showing up well in the

first week of practice were ends, Bob Willett, Great Falls and Myron Amsden, Bozeman; tackles, Charles Schindelar, Bound Brook, N.J., and Ken Peterson, Miles City; guards, James Neilsen, Shelby, Gary Carle, Butte, and John Border, Calgary, Alberta; center, Tom Marinan, Missoula. The backfield is well-handled by quarterbacks Chuck Silvis, Bozeman, Jerry Olds, Butte, and Ray Foley, Naugatuc, Conn. The backs showing well were Dale Jackson, Great Falls, Dennis Hoyem, Kallispell, and Don Cromer, Bozeman. Looking good at fullback is John Cunneen of Butte.

In an interview with head frosh coach Marinkovich, he stated, "This year we have average size with fair speed throughout the team; and we hope to better last year's record of 0-3."

Bengals Set To Invade Gatton Field Saturday

Montana State's Bobcats and Idaho State Bengals will re- the West's closest football

series Saturday on Gatton Field. Game time is 2 p.m. They've met 27 times since the

series began in 1923 and each has won 12 games. There have been three ties.

Saturday's game is expected to be as close as the overall series, but since neither has been able to

win on the other's field since 1955, MSC may have a psychological advantage.

MSC has won in Bozeman in 1956 (26-6); 1958 (17-6); and 1960 (14-9). ISC has been victorious in Pocatello in 1957 (26-13); 1959 (6-0); and 1961 on a snow-covered field (14-12).

Both teams hope to bounce back from defeats suffered last weekend. Idaho State lost to Arizona State, 35-26. MSC had a three-game win streak clipped by nationally-ranked Utah State, 41-13.

In its first two games, ISC defeated Colorado Mines, 30-0, and lost to Idaho, 9-6, after leading up until the final 30 seconds. The Bobcats own wins over Arizona State, 27-6; North Dakota State, 37-2; and South Dakota State, 14-10.

Although MSC defeated Arizona State by three touchdowns and the Arizona eleven came back to whip ISC by one TD, Bobcat coach Herb Agoos believes Saturday's game could go either way.

"Idaho State obviously suffered a letdown after its close loss to the University of Idaho," Agoos said. "Also, Arizona State is a much better team than when we played them. They've now won three in a row."

Agoos has had to make a couple of changes in his lineup because of injuries suffered in the Utah State contest.

Bucky May will replace Dave Miller at fullback and Howie Ross will start in place of Tom Monterossi at left guard. Miller is out for the season with a knee injury and Monterossi has a broken hand.

Other Bobcat probable starters are: ends Bill Cords and Gordie Schlabs; tackles Fred Turner and Joe Tiller; guard John Munk; center Cliff Haven; quarterback Bill Mulcahy; halfbacks Russ Powers and Will Fennal.

ISC starters are ends Rod Rohnhorst and Kent Dean; tackles Roger Cross and Roger Richards; guards Aizawa and Jerry Carothers; center Ben Sanford; quarterback Bill Loehr; halfbacks Stan Brown and Frank Hall; and fullback Bill Jencks.

Weightwise, MSC has a slight advantage. ISC's line averages 209 pounds per man to 210 for MSC. ISC's backfield averages 178 to 180 for the Bobcats.

Attention, all witty, urbane college students:

Get Lucky!

MAKE \$25 (or would you like to try for \$50?)

ENTER LUCKY STRIKES' ZANY NEW "Crazy Questions" Contest

(Based on the hilarious book "The Question Man.")

50 CASH AWARDS A MONTH. ENTER NOW. HERE'S HOW:

First, think of an answer. Any answer. Then come up with a nutty, surprising question for it, and you've done a "Crazy Question." It's the easy new way for students to make loot. Study the examples below, then do your own. Send them, with your name, address, college and class, to GET LUCKY, Box 64F, Mt. Vernon 10, N. Y. Winning entries will be awarded \$25.00. Winning entries submitted on the inside of a Lucky Strike wrapper will get a \$25.00 bonus. Enter as often as you like. Start right now!

RULES: The Reuben H. Donnelley Corp. will judge entries on the basis of humor (up to 1/2), clarity and freshness (up to 1/2) and appropriateness (up to 1/2), and their decisions will be final. Duplicate prizes will be awarded in the event of ties. Entries must be the original works of the entrants and must be submitted in the entrant's own name. There will be 50 awards every month, October through April. Entries received during each month will be considered for that month's awards. Any entry received after April 30, 1963, will not be eligible, and all become the property of The American Tobacco Company. Any college student may enter the contest, except employees of The American Tobacco Company, its advertising agencies and Reuben H. Donnelley, and relatives of the said employees. Winners will be notified by mail. Contest subject to all federal, state, and local regulations.

the taste to start with...the taste to stay with

The question is: WHAT CIGARETTE SLOGAN HAS THE INITIALS GL ttsw . . . ttsw? No question about it, the taste of a Lucky spoils you for other cigarettes. This taste is the best reason to start with Luckies . . . the big reason Lucky smokers stay Lucky smokers. This taste makes Luckies the favorite regular cigarette of college students. Try a pack today. Get Lucky.

Product of The American Tobacco Company - "Tobacco is our middle name"

Skiers Urged To Attend First Session

Ski Coach Bob Beck has issued a call for all skiers who are interested in either the team or ski club. A meeting will be held at 7:00 p.m., Wednesday, October 17, in Room 3 of the Gymnasium. All regulars from last year and all men who want to ski this year are urged to attend.

Last year's team had a very exceptional season. They won or took second in almost every meet in which they were entered.

CAT CHAT

By BILL WALTER

Christison Retains Position As Total Offense Leader

Ken Christison passed for 152 yards against Utah State to retain his position as total offense

leader for the Montana State Bobcats with 366 yards.

Christison has passed for 355 yards and four touchdowns in the Bobcats' four games and has rushed for an additional 11 yards.

During Saturday's 41-13 loss to Utah State, Christison completed eight of 13 attempts and several times fought free from a host of Aggie linemen to hit a receiver.

Bill Mulcahy is runnerup in total offense with 206 yards, all of them passing. Against the Aggies, he completed six of 12 passes for 73 yards.

Halfback Russ Powers leads the club in three departments — rushing, pass receiving and scoring.

The 170-pound junior has scored 18 points, rushed for 133 yards and caught nine passes for 154 yards and three touchdowns. Saturday, he got in behind the Aggie secondary and hauled in a Christison pass on the 50 and raced untouched for a TD. The play covered 80 yards.

Fullback Dave Miller, out for the season with a knee injury, is second in rushing with 114 yards. Third is halfback Will Fennal with 74 yards rushing.

Junior end Archie Warwick is runnerup in pass receiving with seven receptions for 127 yards.

CONGRATULATIONS ARE IN ORDER for the entire Bobcat team and coaching staff for their fine effort in last week's game against the Utah State Aggies! The Aggies were, without a doubt, the finest team that the Cats will face this year. Considering the lack of manpower, the Bobcats were able to contain the vaunted Utah attack for almost three quarters and had nothing to be ashamed of at all!

TOMORROW'S GAME WITH THE BENGALS of Idaho State will be the 28th meeting on the gridiron between the two schools and the records rate the game as a toss-up. MSC has won 12 games, ISC 12, and three have ended in ties. Both schools used to be members of the Rocky Mountain Conference and were the perennial powers of the league.

BOBCAT TRAVEL PLANS for the 1962 grid season include visits to four states. The team will travel by chartered plane to Flagstaff, Ariz.; Brookings, S.D.; Wichita, Kansas; and Fresno, Calif.

STUDENT ATTENDANCE AND SUPPORT at the game last week was excellent. Most students turned out to support the Cats, and this was a big help to the team. Let's see everyone out again this weekend to help the Bobcats whip Idaho State. Game time is 2:00 p.m.

SOPHOMORE FULLBACK DAVE MILLER will be lost to the Cat's for the rest of the season as the result of a knee injury he sustained in the Utah game. I would like to join all the students in wishing Dave the best of luck for a speedy recovery. JUNIOR GUARD TOM MONTEROSSO will be out of action for about a month with a broken hand. Tom has been doing a fine job and I hope he will be back in the lineup soon.

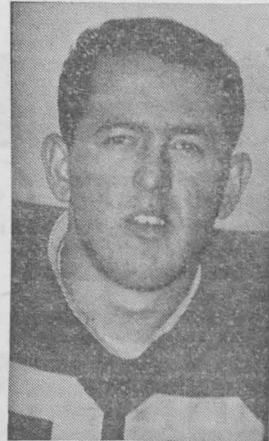

UTAH STATE'S NATIONAL RANKING by the UPI moved up to twenty-second this week following their 41-13 victory over the Cats last weekend. Only twenty-five teams received votes for the mythical honors.

FORMER BOBCAT GREAT BOB SCHMITZ, now playing professional football with the Pittsburgh Steelers, intercepted a pass in last week's game with the Philadelphia Eagles and ran it 25 yards for a touchdown. Schmitz, who played guard for the Cats, is playing at a linebacker spot for the NFL team, and is in his second professional season. Schmitz is one of several former Bobcats playing pro ball.

INTERCOLLEGIATE FOOTBALL has been present on the MSC campus since Mr. Lisle guided the Cats to a 1-3 record in 1897. This year, 1962, is the fifty-ninth year that MSC has fielded a gridiron squad. During this period, twenty-one different head coaches have compiled a record of 182 wins, 182 losses, and 32 ties. Schubert R. Dyche, after whom the present baseball field was named, spent twelve seasons at the reins of the Cats, tops among the coaches. He handled the club from 1928-35 and 1938-41. There was no football on this campus from 1942-45 because of World War II. The present coach, Herb Agocs, is in his fifth year as head man.

UTAH STATE'S FOOTBALL TEAM had only eight squad members from the state of Utah. Twenty-nine (29) of the forty-five men were from the state of California. In contrast, twenty-six of the Bobcat squad members are from the Treasure State.

FEW FANS ARE AWARE of one of the most important men on the campus sports scene. Athletic Director Gene Bourdet handles the planning and development of all MSC athletics. He was instrumental in getting the 1960 NCAA Ski championships here and helped organize the first MSC Indoor Track and Field Meet last spring. He continually strives to give MSC a balanced and interesting athletic program. Hats off for a job well done.

SPEEDSTER RUSS POWERS is currently leading the Bobcats in three offensive departments. Last week he hauled in a pass from Ken Christison and outran the Utah secondary to score in a play that covered 80 yards. That play helped him to take over the lead in pass receiving and scoring, as well as remaining on top in the rushing department. Powers is a junior and also played guard on the MSC basketball squad last winter.

DAVE MILLER AND TOM MONTEROSSO were the most serious casualties of last week's game with the Utah State Aggies. Miller, a sophomore fullback, sustained a knee injury requiring a weekend operation. He will be lost to the Cats for the rest of the season. Monterossi, who has been hobbled by injuries during the previous seasons, suffered a broken hand and will be out of action for about a month. Miller was second in rushing and scored the first Bobcat touchdown against the Aggies. Monterossi had been doing a fine job as the starting left guard.

Wrestling Needs Upperclassmen

Because of an anticipated change this year in the freshmen on the varsity wrestling team, there will be an urgent need for wrestlers who are upperclassmen. This is particularly in the weight classes of 110 and 130 pounds.

Sophomore, junior and senior men who might be interested in making a contribution to the varsity wrestling team are urged to contact Dr. Keith Bowen at the gymnasium.

Last year, the grapplers set a fine 8-1 record in dual meets but several men were lost through graduation. If you have any experience, please contact Dr. Bowen and help the matmen continue their winning ways.

Blast the Bengals

ANUTS YOU MEAN YOU'RE GOING TO SEND THE SAME FORM LETTER TO THE GREAT PUMPKIN, SANTA CLAUS AND THE EASTER BUNNY?

WHY NOT? THOSE GUYS GET SO MUCH MAIL THEY CAN'T POSSIBLY TELL THE DIFFERENCE...

BET THEY DON'T EVEN READ THE LETTERS THEMSELVES! HOW COULD THEY?!

THE TROUBLE WITH YOU, CHARLIE BROWN, IS YOU DON'T UNDERSTAND HOW THESE BIG ORGANIZATIONS WORK!

Left to right: Terry Mero, How Ross, Captain Jim Turner, and Gene Carlson.

Bobcats Join Army ROTC

Captain Jim Turner, of the Army ROTC department at Montana State College, Bozeman, Montana, congratulates three gridiron stalwarts on their recent successes in the "Bobcat" victories.

Jim expresses particular pleasure in the trio who will join the captain in the advanced Army ROTC program this fall. Captain Turner is the junior class advisor.

While posing for the picture, Cadet Howard Ross made the remark that he was standing with the "long" and the "short" of the junior cadet class. Terry is 5 feet, 6 inches, and Gene Carlson 6 feet, 4 inches. Captain Turner replied, "Terry, it's good to shake hands with my kind'a man." Captain Turner is 5 feet, 6 inches. The trio will be among approximately 40 juniors who will start advanced Army ROTC at MSC this fall. Captain Turner says it is one of the largest groups to start the program in recent years, and the individual caliber of the men appears to be as high as ever.

CO-CAPTAIN FRED TURNER played a fine game on both offense and defense last week against Utah State. Fred, a 215-pound senior tackle, is surprisingly agile for his size and has great competitive spirit. You can look for Fred to turn in his usual fine performance in tomorrow's contest with the Idaho State Bengals. Game time is 2:00 p.m.

a most unusual motion picture... the last time you saw a picture like this... it won four Academy Awards!

Utah State U. Downs Undermanned Bobcats

By JIM GOO

Led by a heavy line and three potent offensive platoons, the unbeaten Utah State Aggies ground to a 41-13 victory here Saturday afternoon before 7,000 fans.

Making most of their yardage

off tackles, the Aggie backs racked up 397 yards rushing to 50 for the Cats, while MSC quarterbacks passed for 204 yards to 133 for Utah.

Utah jumped to an early lead when, with 6 minutes left to play in the first quarter, halfback Roger Leonard plunged one yard to climax a 57 yard drive.

The Bobcats came right back to knot the score 7-7 with 3 minutes remaining by rolling 74 yards in 16 plays, with Dave Miller scoring.

With time running out in the 1st quarter, the Aggies demonstrated their offensive prowess by ripping 63 yards in 6 plays to gain another touchdown.

A tough defense by the Cats held the Aggies several times during the second quarter, with a 33-yard field goal being the only score of the period. Halftime saw a 17-7 Utah State lead.

Montana State moved into Aggie territory twice in the third quarter, but was stymied by mistakes.

A 38-yard pass, with 3:48 left, from Aggie quarterback Turner to end John Matthews made the score 24-7.

In the final period, the Aggies scored two touchdowns and a last second field goal to wrap up their scoring.

An electrifying 80-yard pass play from Christison to Powers was the final Bobcat scoring play.

Fullback Dave Miller led the Cats with 44 yards rushing on 13 attempts, with Powers receiving passes for 111 yards.

Idaho State plays here tomorrow while the Aggies meet New Mexico in Albuquerque.

A SHIRT WITH AN OXFORD ACCENT

British inspired, all-American admired... Arrow's "Gordon Dover Club." Medium-point, button-down collar is softly rolled for unstilted shaping and fit. Tailored with traditional placket front, plaited back in cool cotton Oxford. All-American trimly tailored to look clean-cut, to feel really comfortable. "Sanforized" labeled keeps it that way. \$5.00.

"The Goldfish Bowl"

By KIRSTEN ANDERSON

Now that the hustle and bustle of rush week, class orientation, schedule changes (to obtain the all important 10:00 and 2:00 SUB hours) and various other good things are over, we can all get down to some serious (?) studying. After all that is what we're here for—isn't it?

WHO'S WHOSE

MARRIAGES: Alpha Gamma Delta announced the marriages of Carol Christison to Chuck Springer; Barb O'Neil to Brent Hall, SAE; Arlene Conant to Wayne Hagen, SAE; and Donna Green to Ron Davis. Alpha Omicron Pi announced the marriages of Cathy Schreiber and Dick Correll, Delta Sig; Barbara Anderson and Gary Whitton; Margaret Hale and John Huggle; Marjorie Handy and Ed Cromer, Lambda Chi; Jeanine Hess and Rex Smith; Kay Moe and Dick Carr, Kappa Sig; Jan Larson and Roy Breneman, Delta Sig; Sharon Peebler and Sydney Torgerson; Margaret Thompson and Larry Goudale, Delta Sig; Linda Zipperian and Gary Bullen. Alpha Gamma Rho announced the marriage of Lee Brittenham to Lois Stillar. Frank Cooper, Sig Ep, was married to Claudia Lane from Kansas State. Bob Keller, Sig Ep, was married to Gloria Dengle, KD.

ENGAGEMENTS: Alpha Gamma Delta is admiring the sparkles of Kay Hoadley who is engaged to Pat Gormley; Linda Dahl to Dave Nelson, Kappa Sig; and Marcia Ness to Bob Wright Spike, Kappa Sig. Alpha Omicron Pi announced the engagements of Sandi Ward to Dale Corey, Kappa Sig; Carole Gemberling to Larry Komlofsky, SAE; Shirley Nash and Joel DuBois; and Donna Cole and Don Wilson, KS. Joanne Heitzman of Delta Gamma is now engaged to Stan Harms, Kappa Sig. From the Lambda Chi house came the announcement of Ken Richardson's engagement to Ann Elderkin, AOPi; and Kip Turley's engagement to Elsie Hardy. Howard Truchot, Sig Ep, is now engaged to Joanna Auren. The Independents announce the engagement of Fred Bonebright to Florygene Johnson.

PINNINGS: Margaret Jacobson, Chi Omega, is now wearing the Lambda Chi pin of Jon Coxwell. At the AGR house Kent Lindsey announced that he has lost his pin to Marge DeWit, Pi Phi.

WHO'S WHO

The Chi Omega pledge class

Inter-Church Council Plans Local Picnic

A picnic, sponsored by the Inter-Church Council, will be held Saturday, October 13, after the football game, at Bogart's Grove. Rides to the picnic grounds will be available in the Danforth Chapel parking lot at 4:30 p.m. Everyone is cordially invited to attend.

officers are: Jo Brickley, President; Barbar Lea, Vice President; Regina Cullen, Secretary-Treasurer; Jean Caraher, Junior Panhellenic Representative; and Cheryl DeCoose, Social Chairman. Delta Gamma pledge class officers are: Lynne Brackman, President; Carol Wallen, Vice President; Marilyn Dolighan, Secretary; Karen Troy, Treasurer; Lynne Chambers, Song Leader; Karen Torske, Historian; Sandra Hamilton, Parliamentarian; and Donna Donafrio, Junior Panhellenic Representative.

New AOPi actives are Linda Arrington, Bonnie Flint, Julie Long, Sandy Miller, Barb Morgan, Shirley Nash, and Susan Stordahl.

Once again, a reminder to GET YOUR NEWS IN BY 10:00 WEDNESDAY MORNING IN THE EXPONENT BOX AT THE MAIN DESK IN THE SUB or it won't get in!

Chemistry Majors Direct Research

Five MSC Chemistry majors will participate in an undergraduate research program during the school year. Maurice Edwards, Maurine Hager, Spencer Tripp, Gary Ungefug and Richard Ward all received grants enabling them to gain research experience under the direction of staff members who are now active in research work.

The grants were made possible with funds received from the National Science Foundation through its undergraduate science education program. The purpose of the system is to prepare students for graduate school.

Institute Sponsors Class in Religion

The L.D.S. Institute, a college level course in the religion of the Church of Jesus Christ of Latter-Day Saints (Mormon), will again be taught by Elroy McDermott in Room 305 of the SUB from 3 to 5 p.m., Tuesdays and Thursdays. This Institute program constitutes one of many held on college campuses throughout the world. College credit is given by Brigham Young University for this course work.

The Deseret Club (Deseret meaning Honey Bee) forms an integral part of the Institute, and carries out the extra-curricular activities. This helps the students to maintain a high moral and spiritual code of conduct on and off campus. In addition, a Deseret House, for male upperclassmen, has been acquired.

Anyone who would like to become an Institute class member, or wishes information concerning application to the Deseret House call 6-2066.

Diamond Ring Missing

LOST: Black diamond ring with the initial "C". In the upper left-hand corner was a diamond birthstone. It was lost in the girl's locker room of the Gym or between the Gym and the SUB. The ring was lost between 10:00 and 11:00 a.m. on Wednesday, October 10.

ANOTHER YEAR, ANOTHER DOLLAR

With today's entry I begin my ninth year of writing columns in your school newspaper for the makers of Marlboro Cigarettes.

Nine years, I believe you will agree, is a long time. In fact, it took only a little longer than nine years to dig the Suez Canal, and you know what a gigantic undertaking that was! To be sure, the work would have gone more rapidly had the shovel been invented at that time, but, as we all know, the shovel was not invented until 1946 by Walter R. Shovel of Cleveland, Ohio. Before Mr. Shovel's discovery in 1946, all digging was done with sugar tongs—a method unquestionably dainty but hardly what one would call rapid. There were, naturally, many efforts made to speed up digging before Mr. Shovel's breakthrough—notably an attempt in 1912 by the immortal Thomas Alva Edison to dig with the phonograph, but the only thing that happened was that he got his horn full of sand. This so depressed Mr. Edison that he fell into a fit of melancholy from which he did not emerge until two years later when his friend William Wordsworth, the eminent nature poet, cheered him up by imitating a duck for four and a half hours.

But I digress. For nine years, I say, I have been writing this column for the makers of Marlboro Cigarettes, and for nine years they have been paying me money. You are shocked. You think that anyone who has tasted Marlboro's unparalleled flavor, who has enjoyed Marlboro's filter, who has revelled in Marlboro's jolly red and white pack or box should be more than willing to write about Marlboro without a penny's compensation. You are wrong.

Compensation is the very foundation stone of the American Way of Life. Whether you love your work or hate it, our system absolutely requires that you be paid for it. For example, I have a friend named Rex Glebe, a veterinarian by profession, who simply adores to worm dogs. I mean you can call him up and say, "Hey, Rex, let's go bowl a few lines," or "Hey, Rex, let's go flatten some pennies on the railroad tracks," and he will always reply, "No, thanks. I better stay here in case somebody wants a dog wormed." I mean there is not one thing in the whole world you can name that Rex likes better than worming a dog. But even so, Rex always sends a bill for worming your dog because in his wisdom he knows that to do otherwise would be to read, possibly irreparably, the fabric of democracy.

"I better stay in case somebody wants a dog wormed."

It's the same with me and Marlboro Cigarettes. I think Marlboro's flavor represents the pinnacle of the tobaccoist's art. I think Marlboro's filter represents the pinnacle of the filter-maker's art. I think Marlboro's pack and box represent the pinnacle of the packager's art. I think Marlboro is a pleasure and a treasure, and I fairly burst with pride that I have been chosen to speak for Marlboro on your campus. All the same, I want my money every week. And the makers of Marlboro understand this full well. They don't like it, but they understand it.

In the columns which follow this opening installment, I will turn the hot white light of truth on the pressing problems of campus life—the many and varied dilemmas which beset the undergraduate—burning questions like "Should Chaucer classrooms be converted to parking garages?" and "Should proctor be given a saliva test?" and "Should foreign exchange students be held for ransom?"

And in these columns, while grappling with the crises that vex campus America, I will make occasional brief mention of Marlboro Cigarettes. If I do not, the makers will not give me any money.

© 1963 Max Shalman

The makers of Marlboro will bring you this uncensored, free-style column 26 times throughout the school year. During this period it is not unlikely that Old Max will step on some toes—principally ours—but we think it's all in fun and we hope you will too.
