SCORE CARD FOR JUDGING SEWING WORK

Choice of material, design and color	35
Suitability to purpose	10
Suitability of design to article and its use	10
Harmony in color	10
Ease of laundering	5
Workmanship	40
Cutting — accuracy	10
Sewing — choice of kind and size of stitches and thread	10
Accuracy of placing stitches	10
Finished appearance	10
Condition of work	10
Cleanliness	5
Pressing	5
General attractiveness of garment or article	15
	100

BASIS OF ACHIEVEMENT

Exhibit, based on suitability to use and appropriateness to wearer	60%
Cost, (depending upon quality of material)	20%
Achievement Story, telling of principles learned in clothing club	20%
Total	100%

Note: The value of a garment made by a club member is determined by comparison with a garment of similar kind and quality for sale ready made.
To figure the profit substract cost from value.

RECORD OF DEMONSTRATION III CLUB MEMBER
PLANNING A WARDROBE

Name and cost of garments on hand.	Garments and articles I would like to have.	How much money can I spend on each article.	Garments and articles I will make this year.

Note: Make report on page three of articles made.

In space below write items of interest for achievement story, also a record of extra time spent in darning or mending outside of club work for yourself and family, extra garments made, and garments cleaned.

Montana Extension Service in Agriculture and Home Economics. Montana State College of Agriculture and Mechanic Arts and the United States Department of Agriculture, Cooperating; Acts of Congress July 8 and June 30, 1914.
