SUBJECT: America Eats

Dear Mr. Parker:

Two more Oregon contributions to America Eats are being sent to Mr. Kennedy. He will note that one of these, "Sheepmen Eat Sheep," contradicts the statement of Mr. Gilfillan that sheepmen never eat mutton. We have asked the Oregon Writers' Project to check on this point to discover whether there is a regional difference. In the absence of confirmation on this point, we are inclined to accept Mr. Gilfillan as the authority.

Sincerely yours,

Walter M. Kiplinger, Director
Public Activities Programs
