1901 - on Leavens Ranch.
7 M. E. of Billings - Riders
handling horses furnished
English Govt. for Boer War
by Lawther + Hereford.

The one with the group men is a picture
of typical horsemen of Yellowstone County taken
in 1901 on the Leavens ranch seven miles east of
Billings. These horsemen were employed by Lawther and
Hereford, who had the contract to furnish saddle
horses for the English Government to be used in
the Boer War in South Africa.
