MONTANA STATE COLLEGE

Volume Seventeen

DEAN EARLE B. NORRIS

DEDICATION

To Dean Earle B. Norris, by whose continued and unselfish endeavor year after year the College of Engineering at Montana State College has been raised to its present excellent standing, this book is dedicated.

CONTENTS:

BOOK I . . . . . THE COLLEGE

BOOK II . . . . . THE CLASSES

BOOK III . . . . . ATHLETICS

BOOK IV . . . . . ORGANIZATIONS

BOOK V . . . . . ACTIVITIES

BOOK VI . . . . . CO-EDS

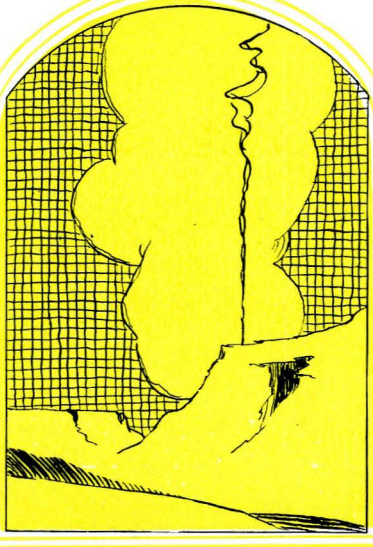

BOOK VII . . . . . FEATURES

BOOK VIII . . . . . ADVERTISERS

In Memorium

Walter Earl Ferguson, '27

Born June 19, 1905
Died February 4, 1924

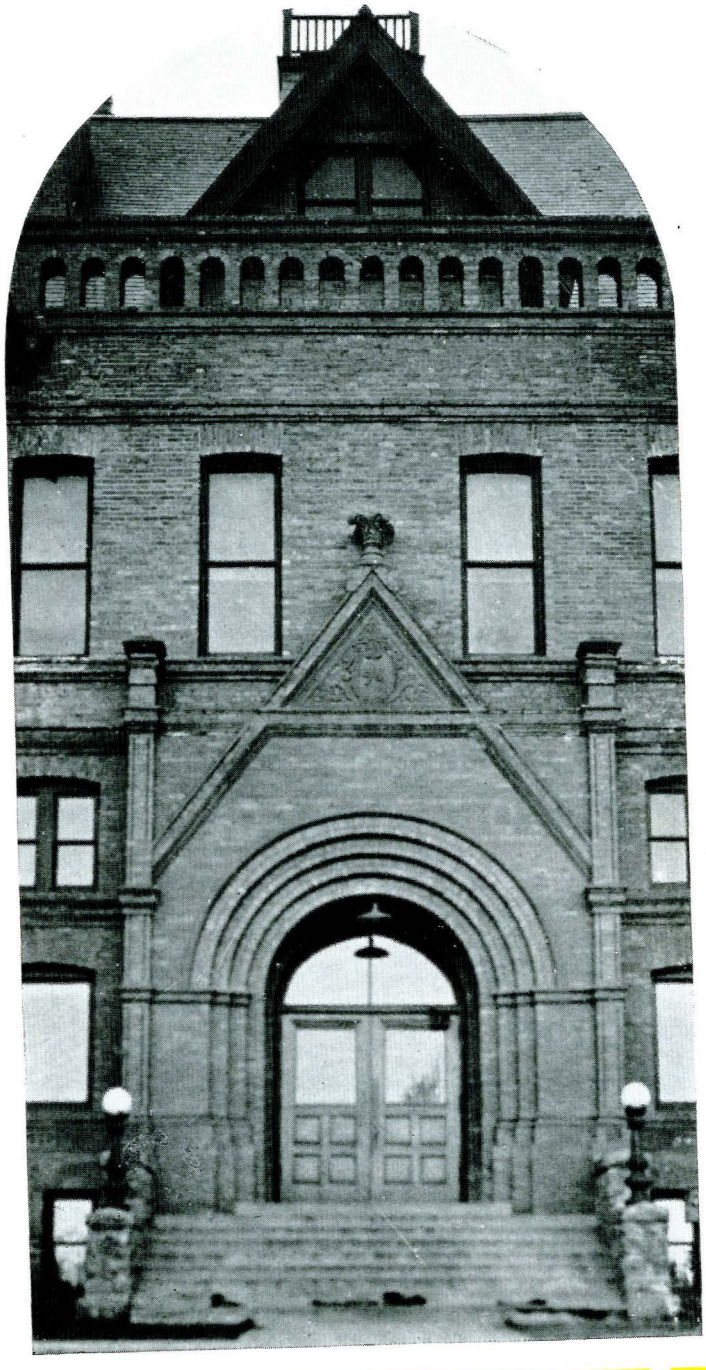

BOOK I THE COLLEGE

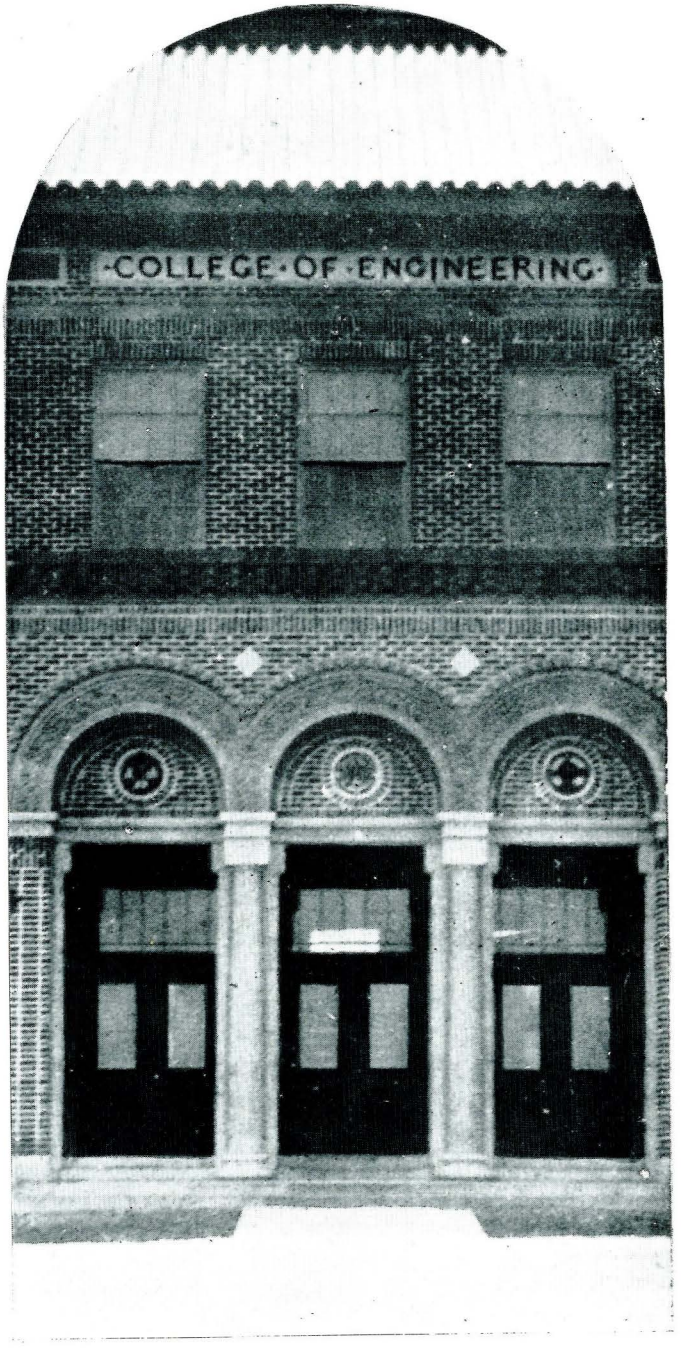

HISTORICAL

THE first period in the development of our wonderful Treasure State. The signal Smoke of the Indian was the only evidence of the great industrial progress that has since characterized Montana.

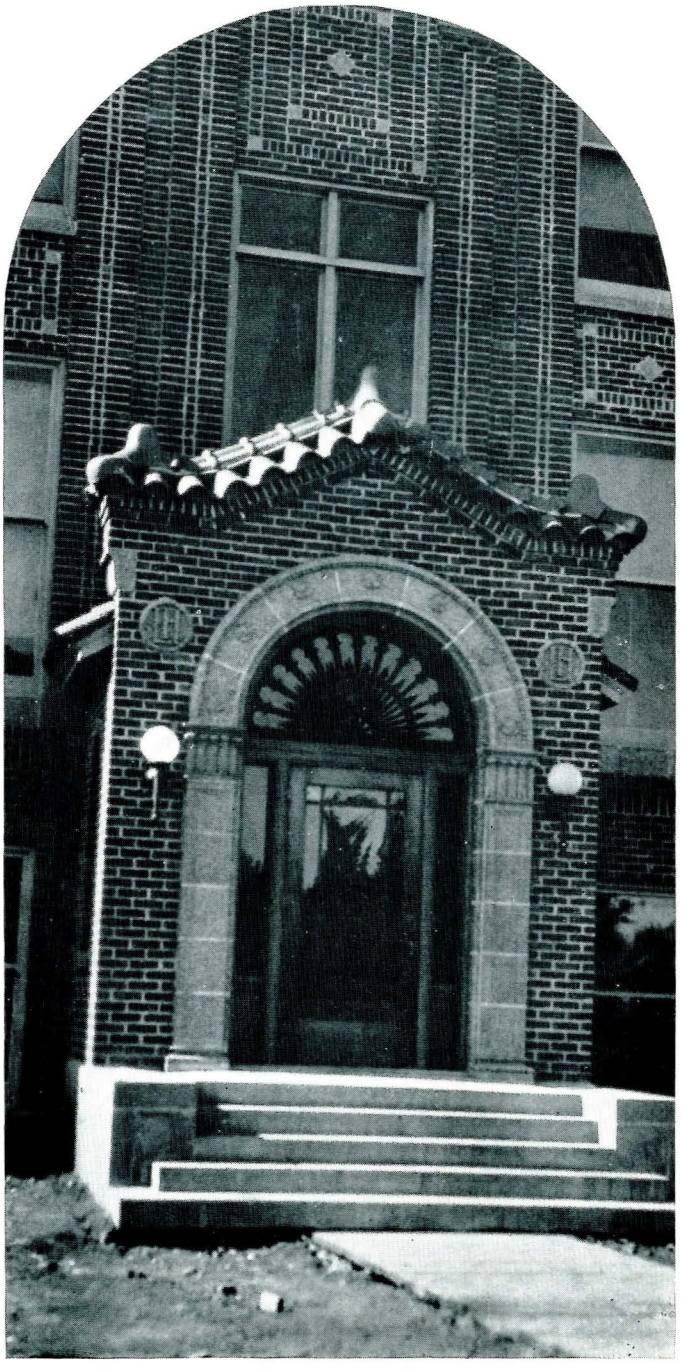

Montana Hall—twenty-eight years
You have been ours;
Yet hourly a crowd,
Laughing and loud,
Streams to you still
From all parts of the hill.

Grand Roberts Hall—The Engineers' House—
(Watch them expand!)
Disputes in the hall—
Statics or football,
Graphs or what not—
They're a live lot.

M. S. C. Gym—playground for all—
Best in the West.
Downstairs a splash . . . .
Upstairs a crash . . . .
We've no more dull Jacks,
And no need for Quacks.

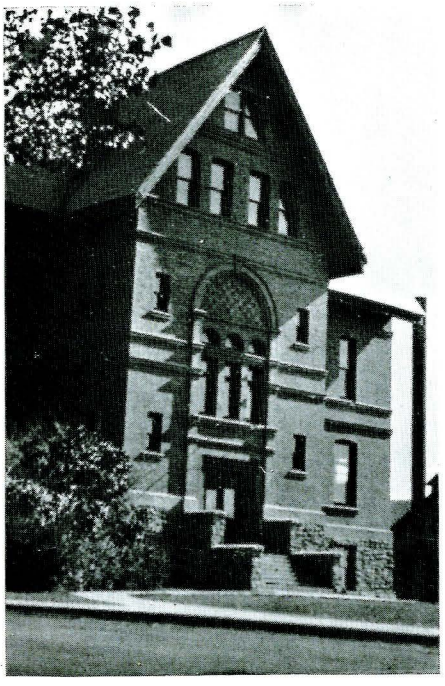

Our new Lewis Hall; Science lives here,
With all her plants,
Germs, birds' eggs, and rats,
And pickled skinned cats—
Even skeletons loom
In one Bug Building room.

Chemistry here! Red brick outside,
Cool halls within;
Chemical air . . . .
An explosion somewhere . . . .
Thus Science grows—
As the Chem Building knows.

Agricultural Hall—what have we here—
Home Ecs and Ags—
Home-makers all . . . .
Gay flowers near . . . .
Bustle and stir . . . .
Motors a-whir. . . . .

ADMINISTRATION

CHANCELLOR M. A. BRANNON

PRESIDENT ALFRED ATKINSON

UNA B. HERRICK
Dean of Women

J. M. HAMILTON
Dean of Men

F. B. LINFIELD
Dean of Agriculture

EARLE B. NORRIS
Dean of Engineering

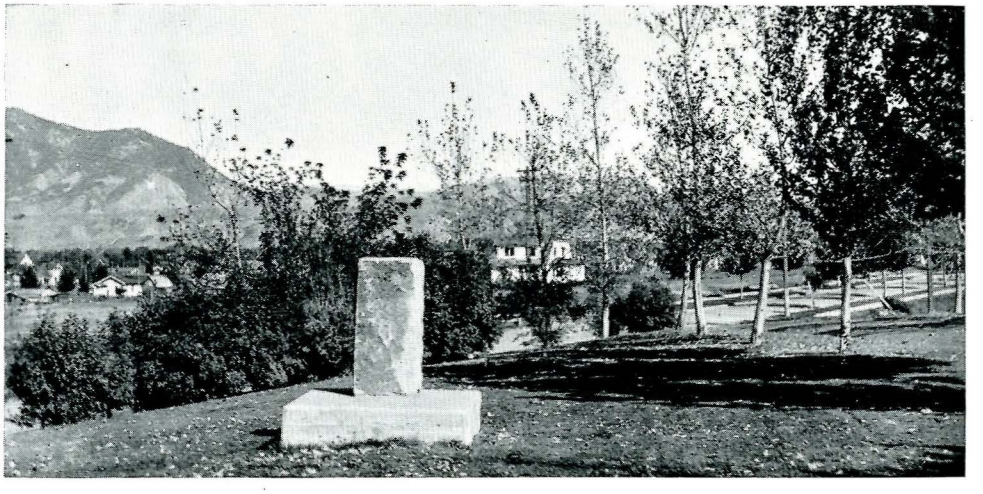

La Bonte, De Hart, McCann, Brittain, Hatfield, Johnson
Rivers, Bowen, Moore, Walter, Bawden, Schank

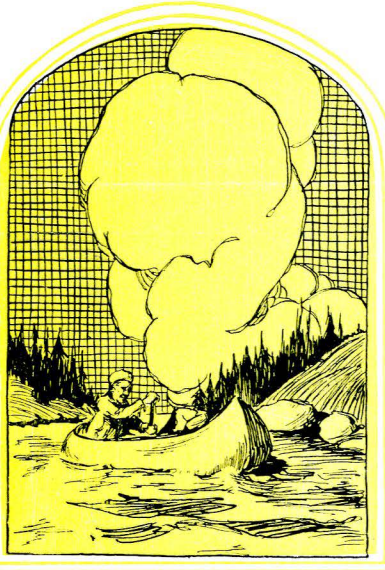

ASSOCIATED STUDENTS OF MONTANA STATE COLLEGE

STUDENT SENATE

Emmett Moore	President of Associated Students
Robert M. Bowen	Senior Class President
William Bawden	Junior Class President
Burton Rivers	Sophomore Class President
Charles Schank	Commissioner at Large
John Brittain	Commissioner of Finance
Frank Hatfield	Commissioner of Athletics
Harry McCann	Commissioner of Publications
Theodore Johnson	Commissioner of Forensics
Helen Chase Walter	Commissioner of Interests Social
Fred La Bonte	Commissioner of Interests Musical
Joseph De Hart	Commissioner of Demonstrations

The first five of the above officers comprise the Council of the Associated Students. Student self-government at Montana State College is vested in the above elected Commissioners. The Council acts as the committee of the Senate in affairs of minor importance.

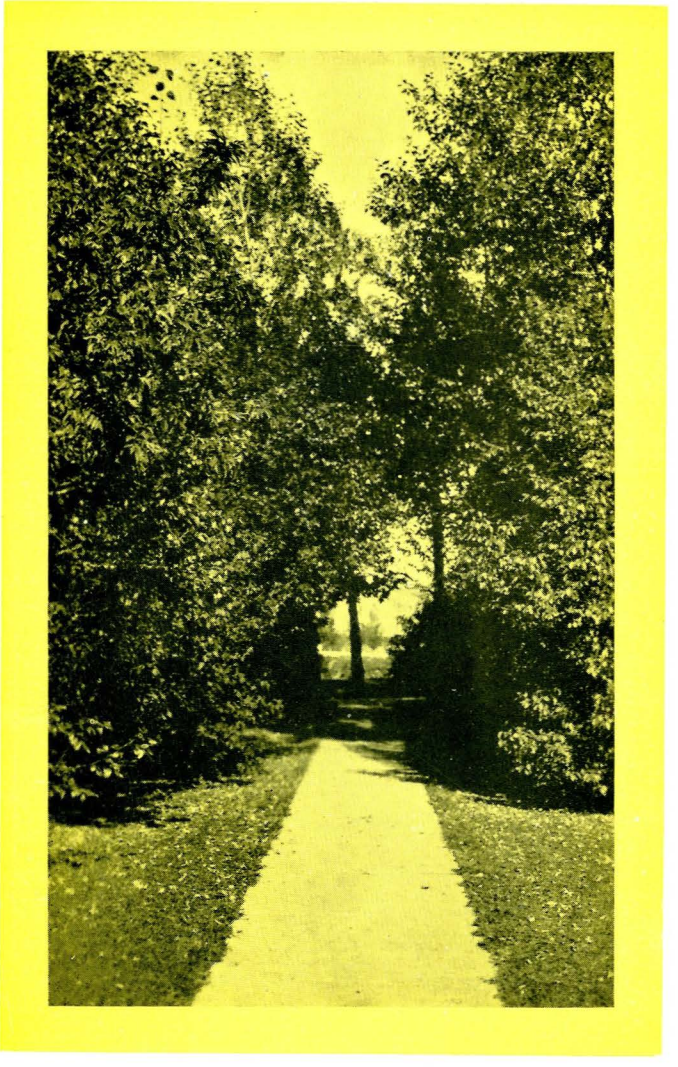

BOOK II THE CLASSES

HISTORICAL

THE adventurer, as he traversed our now great state, little dreamed of the future wealth that was to be found in the fertile plains and valleys and ore-bound mountains in the years to come.

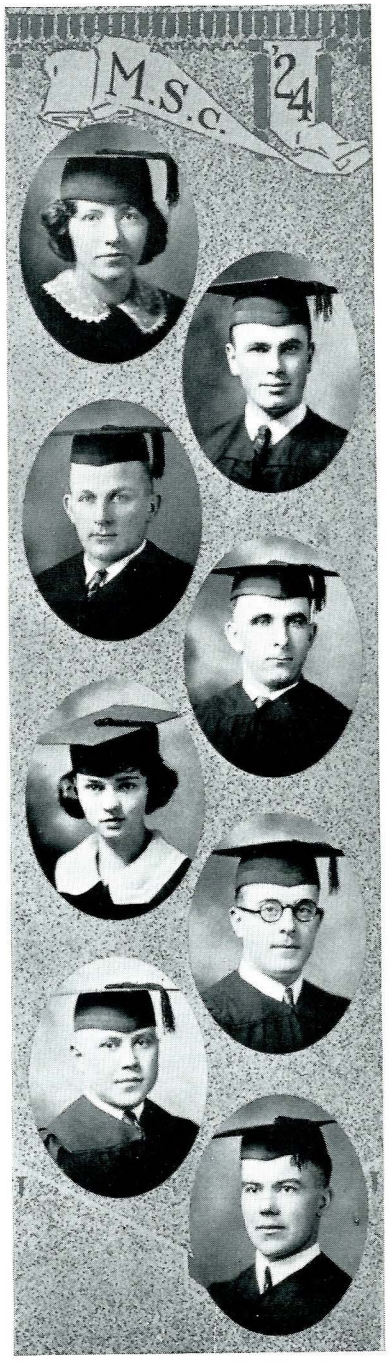

SENIORS

The Veteran's Bureau students at the college maintain a local chapter of the National Society of the Disabled American Veterans of the World War. Its membership is limited to ex-service men or women who were disabled in the World War. Its purpose is to assist the disabled man by acting as a liaison between him and the Bureau, to promote social activities, and to inculcate and perpetuate among ex-service men that same brotherly love and comradeship that existed during the World War.

FOOTBALL

FOOTBALL 1923

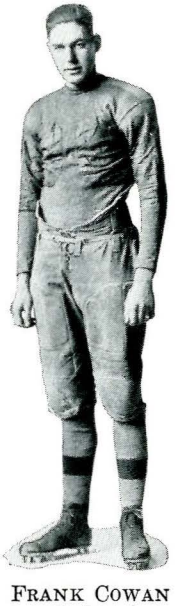

FRANK HATFIELD
Captain-Elect
Halfback

The close of the 1923 football season for Montana State College and the first year of our entrance into the Rocky Mountain Conference showed a season's average of fifty-three per cent. This is hardly the best mark ever set for conference football, but it is undoubtedly better than a first year mark that any other institution has set in this conference.

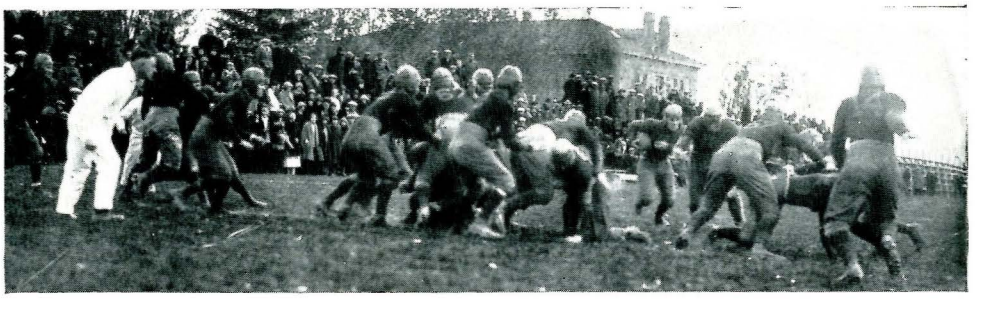

Clean cut victories over the Colorado Teachers and the New Mexico Loboes and one point defeats by Brigham Young and Denver Universities is a record which makes a bright football future for M. S. C. in the Rocky Mountain Conference.

The state average was given a severe shock due to a slight mis-step with Missoula and the School of Mines, but we are assured that at least one of them will not occur again, namely with the University. A team full of fight and determination was the only cause of the defeat by the School of Mines.

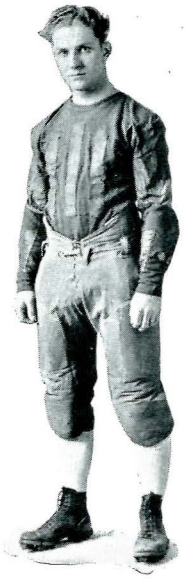

FRANK COWAN
Tackle

The training season started on September twelfth and over forty candidates for the squad answered Coach Romney's call and reported at the college for a grilling two weeks preparation for the initial games in Utah. With a wealth of new material and a few old regulars, including Captain Scotty McDonald, Champ Hannon, Frank Hatfield, Frank Cowan, John Mashin, Frank Knight,

M. S. C. vs. D. U.

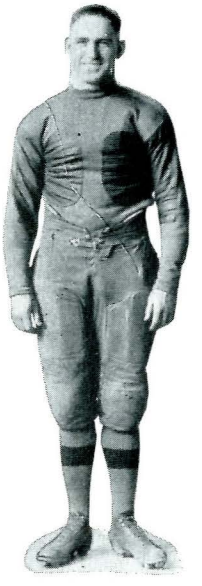

FLOYD ROMNEY
Halfback

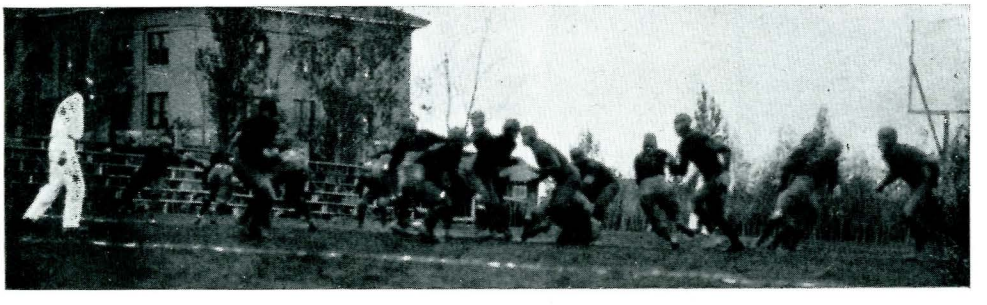

Tracy McGuin and Dewey Cashmore and a large percentage of the undefeated 1922 Bobkittens, a team was whipped into shape in less than two weeks and ready for meat.

A great many holes were left in the lineup through the failure of old regulars to return. Ray McCurren, captain and quarterback for last year's team left a gap which was hard to fill. Bruce Hollister, last year's end was lost through graduation. Carl Husemeyer, Bill Bawden, and Bob Walter, stars of last year's eleven, either failed to return or were ineligible for the coming season.

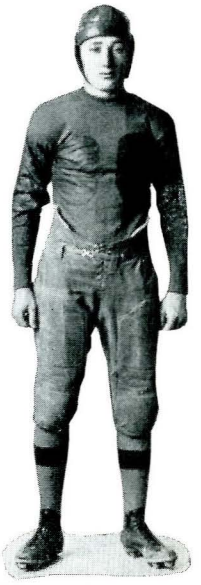

It is notable that many of the stars of the season were men playing their first year of varsity football at Montana State. Floyd Romney, by virtue of his field generalship and his ability for open field running, earned a place as captain and quarter back on Scott's All-State team. Savage made a name for himself as a fighting Bobcat of the first order. Morris and McGuin both showed up well in the fullback position. Brittain was first-string center throughout the season. Plucky little Benton, despite his size, proved one of Coach Romney's most valuable backfield men. Hartwig's specialty of hauling in long passes makes him a likely star for next year's line-up. Pitt and Dobeus both showed their worth as tackles.

CHAMP HANNON
Guard

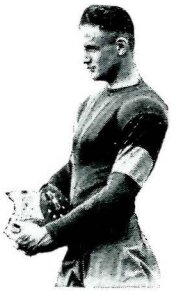

M. S. C. vs. D. U.

DEWEY CASHMORE
Guard

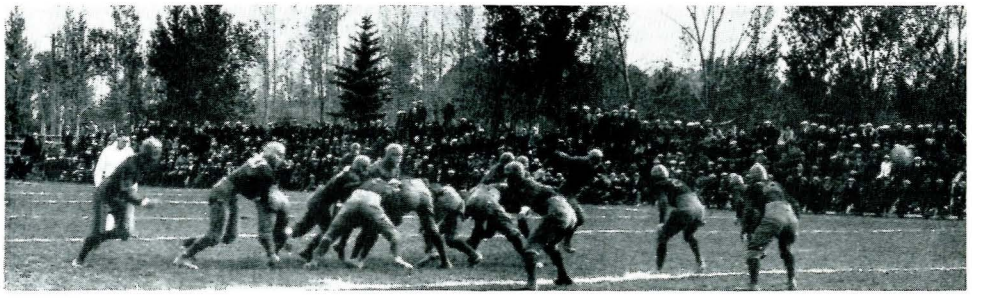

MONTANA STATE BOBCATS 15
BRIGHAM YOUNG UNIVERSITY 16

The initial game of the year for the Bobcats was played at Provo, Utah, with Brigham Young University who edged out on top of a 16 to 15 score. The first half was played in a listless manner with the Brigham Young men in the lead 13 to 9. The second half showed a decided increase in speed and aggressiveness for both sides with the Bobcats having a little the edge. The score stood 16 to 15 three minutes before the final whistle and Floyd Romney dropped back for a goal to tie the score. Luck turned against the Bobcats and the game ended with the teams fighting in mid-field.

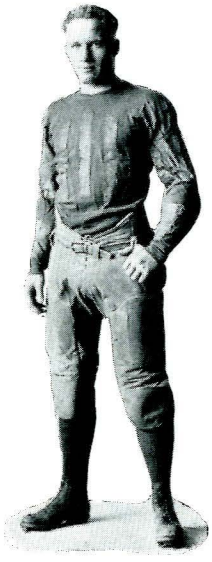

TED COGSWELL
Quarterback

The lion's share of the limelight goes to Floyd Romney of the Bobcats, who played sensational ball throughout the entire contest. Floyd made yardage when all interference failed him. Knight at tackle and Rivers at end also took honors for the game they played.

M. S. C. vs. D. U.

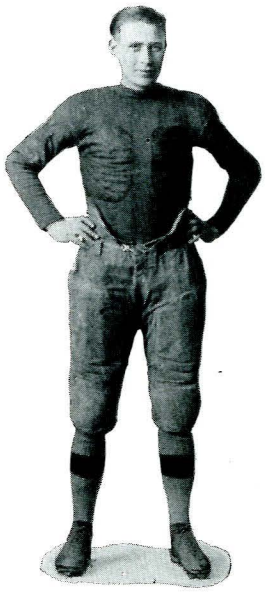

DAVE SAVAGE
Guard

BOBCATS 41
IDAHO TECH 0

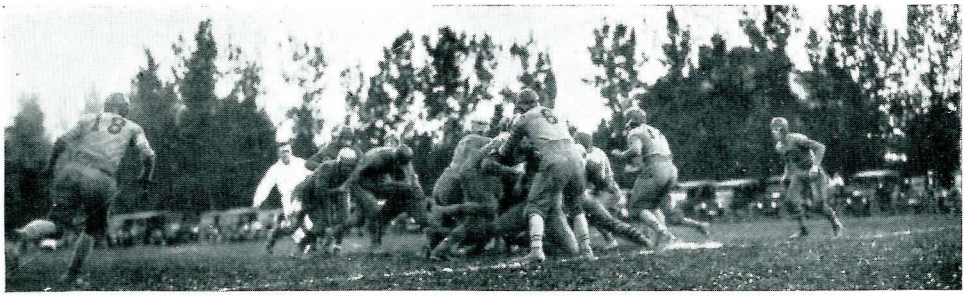

The second game of the season was an overwhelming victory for the Bobcats. The Idaho Tech eleven at Pocatello were unable to penetrate the defense put up and were severely trounced the entire period of play. The Bobcats, unable to make much headway during the first quarter, came back strong and seemed to gain strength at each play.

The scoring started in the second quarter when Benton tore around end for twenty yards, Hatfield took five through tackle and Scotty McDonald passed thirty yards to Floyd Romney, who raced for a touchdown.

The entire game was an exhibition of the beautiful teamwork of a well coached eleven. Scotty, kicking true to form, easily outdistanced his rival. When the final whistle blew the Blue and Gold were again on their way and within ten yards of the Idaho line.

TRACY MCGUIN
Fullback

BOBKITTENS VS. JEFFERSON COUNTY HIGH SCHOOL

TED MORRIS
Fullback

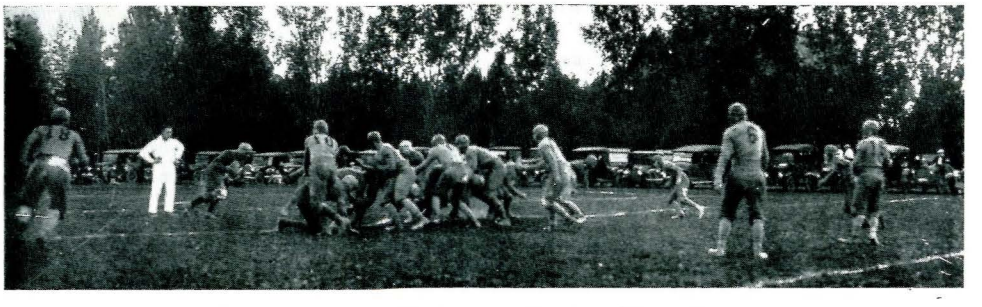

BOBCATS 30
INTERMOUNTAIN 3

With the aid of the forward pass, the Bobcats settled up their accounts for the defeat in 1921 with the Intermountain grid men by gathering in a harvest of points and leaving the field with Intermountain on the short end of a 30 to 3 tally. The outcome of the contest was never in doubt, the Bobcats fighting one of the best defensive games of the season and taking the best end of yardage, first downs, passes, and points. Mitchell was the only veteran left on the old 1921 team and he played the outstanding ball for the visitors. The Hatfield-Hartwig passing combine with the marvelous broken field running executed by Floyd Romney were the deciding factors in the game.

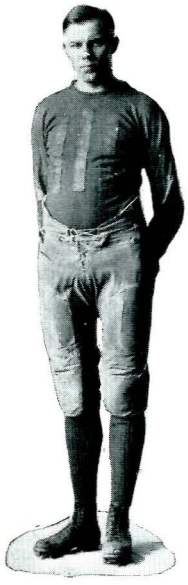

THORNLEY PITT
Tackle

The first part of the game was an exchange of punts with the home team gaining ground due to the exceptional ability of Captain McDonald. A successful place kick by Intermountain in the second quarter gave the visitors their only score. The Bobcats had their way during the entire game in scrimmage and worked the ball up to the ten-yard line and tally with a pass.

BOBKITTENS VS. JEFFERSON COUNTY HIGH SCHOOL

ADOLPH HARTWIG
End

BOBCATS 6
DENVER UNIVERSITY 7

In one of the greatest gridiron classics ever witnessed on Gatton field the Denver University eleven were victors over the Bobcats by a margin of one point. Again the jinx of a goal for a single point was upon the Bobcats and the Ministers from Denver walked off with the laurels. Even though the visitors were heavier than the home team and their backs and line of conference renown they made less actual yardage from scrimmage than did the Bobcats.

The first attempt for a score was a place kick by McDonald, but was a failure. During the first quarter the Ministers either ran up against a stone wall defense on every play or were caught behind the line of scrimmage. The first quarter was scoreless. The second quarter, Boyd, the all-conference back, made a stellar twenty-five yard run through both the line and secondary for the first score of the game. Penalties called on Denver coupled with a sensational pass from McDonald to Mashin put the ball on the Bobcat one-yard line and was carried over by Romney, but Montana failed to kick the goal which would have tied the score. The Bobcats played a wonderful game with every man in every play.

VANDER DOBEUS
Tackle

M. S. C. vs. M. S. S. M.

BOBCATS 2, SCHOOL OF MINES 12

DON BRITTAIN
Center

The Ore-digger eleven from the Butte School of Mines invaded Bobcat territory and walked away with a 12 to 2 victory. This is the only game during the entire season in which M. S. C. did not play up to the usual standard. The slump was not very great, but just enough so that the excellent and well coached team from Butte were able to put across the goods for one hour of real football. It was a disastrous defeat because it threw the Bobcats out of the running for state championship.

In the first quarter the dope pointed to Bobcat victory when an intercepted punt by Butte gave two points to the College with a safety.

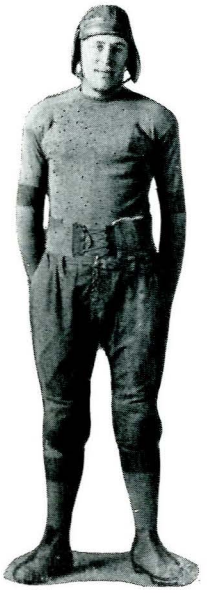

At the beginning of the second quarter and the score 2 to 0 the Ore-diggers gave a sensational and overwhelming comeback which they held during the entire game in spite of all efforts of the Bobcats to break through.

Dunn and Hober for the Mines were the bulk of the attack and by a series of straight line plays they plunged across for the first touchdown.

The third quarter, with both teams fighting to their utmost and every man playing his game, turned also with the visitors. Hober of the Mines intercepted a Bobcat pass and raced down the field 38 yards for a touchdown. An aerial attack during the last few minutes of play was resorted to by the home team, but they lacked the punch to put it across.

M. S. C. vs. M. S. S. M.

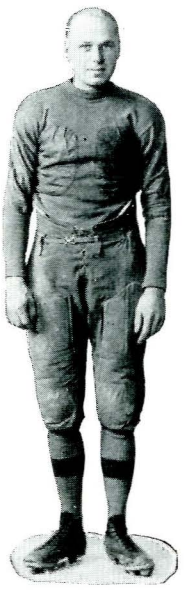

FRANK KNIGHT
Tackle

BOBCATS 83
MT. ST. CHARLES 0

The following Saturday the Bobcat squad of some thirty strong invaded and whitewashed the Mt. St. Charles eleven at Helena with a score of 83 to 0. The Bobcats showed superiority in every class of the game and were able to complete forward passes for substantial gains at will.

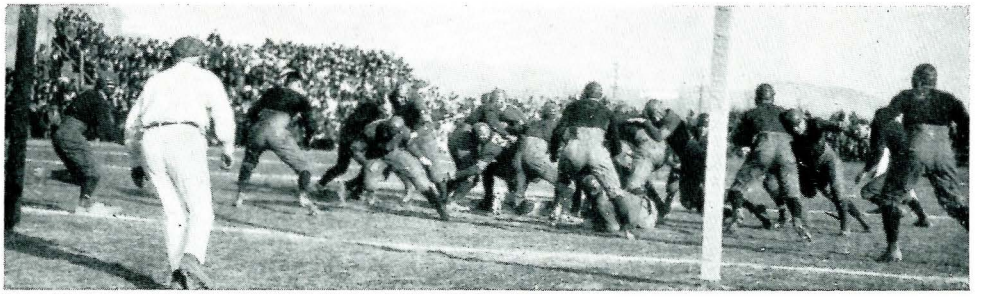

Floyd Romney and Ted Cogswell were the outstanding performers with spectacular passing and flashy running. Cogswell made the longest run of the season of 78 yards through and around every player on the Helena team.

Hyde and Sullivan are given credit for the Saints as outstanding players, breaking through the line on several occasions and throwing the Bobcats for a loss. The light Helena backfield was pounded and crippled until substitutions were almost impossible. Eleven times the Bobcats crossed the Saint goal line along with a good percentage of goal kicks and one safety.

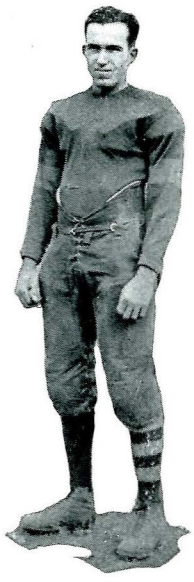

JOHN MASHIN
End

Near the end of the game the Bobcats opened a brilliant aerial attack in which Romney was the sensation in his ability to connect with long heaves and to squirm and side step his way past the frantic Saints.

M. S. C. vs. M. U.

BOBCATS 13, STATE UNIVERSITY 24

JULES BENTON
Quarterback

Playing before a crowd that broke all records for the college field the State University Bruins with a heavier and better balanced team plunged their way through the Bobcat defense with a 24 to 13 victory standing in their favor.

The game started with the Bruins receiving the ball in their own territory on a fumble. The Bobcats recovered and, playing with record speed, they made first down twice and were then stopped by the Bruin line. Floyd Romney dropped back and kicked goal for the first counter of the game. The Bruins came back and Johnson made a thirty-yard gain and Illman took it across on the next play.

The second quarter found the Bruins at their best. They scored two touchdowns, Illman making the first by intercepting a pass and racing thirty-four yards to cross the last white line. Silvernale crossed the line for the second when he broke through the line for a fourteen-yard gain after the Blue and Gold men had been pushed back steadily. Plummer kicked goal both times and the half ended 21 to 3.

The Bobcats came back with a strong offensive in the third quarter and threatened to turn the tables. Three passes were tried, but grounded and again Floyd Romney dropped back and kicked the ball between the posts from a hard angle.

Johnson at the beginning of the final period fumbled the ball and Benton, racing through, recovered and went the rest of the distance for the only Bobcat touchdown. The Bruin then took the offensive and marched through the Blue and Gold line for sixty yards only to be held at the twenty-yard line. Plummer then kicked a field goal for the last counter of the fracas.

M. S. C. vs. M. U.

BOBCATS 48, GREELY NORMAL 12

RUBE ROMNEY
End

On November 24th at Greely, Colorado, the Bobcats, in possibly the best exhibition of individual play, took the long end of a 48 to 12 counter after the Colorado men had led them through the first period by three points, the result of a 49-yard drop kick by Timothy, the crack Normal halfback.

Floyd and Rube Romney formed an excellent passing combination which the locals could not break up and between them they scored five out of the seven touchdowns made by the Bobcats. Hatfield, displaying great open field running, counted the other two touchdowns for the Blue and Gold. Hattie made one 75-yard run for a touchdown and another for 50 yards.

The opening counter came when the Teachers had the ball in their possession on the Bobcat forty-nine yard line and with a mighty heave put the pigskin between the posts for a three-point lead. The Bobcats came back at the beginning of the second quarter and held it throughout the game, clearly showing a style of play that bewildered their opponents.

M. S. C. vs. M. U.

BOBCATS 34, NEW MEXICO 7

The Bobcats closed their 1923 football season Thanksgiving Day by giving the New Mexico Loboes a 34 to 7 trouncing at Albuquerque. The Bobcats took the game into their own hands from the very start and at no time did they have trouble in sending the New Mexico eleven back.

The Bobcat backfield was too fast for the southern men and Hatfield, Romney, and Benton repeatedly broke loose for long gains.

The Blue and Gold took the lead at the very start of the contest when the three backs took the ball and raced down the field for a touchdown in the first three plays.

In the second period the Loboes scored their only touchdown when Jones, New Mexico halfback, slipped through the Bobcat line to count after the Loboes had advanced the ball half way down the field by means of line plays and one forward pass. A few seconds later Hatfield got away for 63 yards for the second Bobcat counter. This was followed closely by another when Floyd Romney intercepted a pass and raced 45 yards to score the third Blue and Gold tally.

The New Mexico men settled down at the beginning of the third period and seemed to have the edge for a short time, but the Bobcat withstood the attack and held. Neither side was able to furnish the punch to score at any time during the third period.

In the final quarter the Bobcats advanced to New Mexico's 20-yard marker and Benton, receiving a short pass from Romney, twisted his way for another touchdown. The last tally came when Hattie intercepted a pass and dashed through to the goal line.

Nov. 22.	School of Mines	Butte

FRESHMAN FOOTBALL FOR 1923

The Frosh football season of 1923 was started at practically the same time as the varsity season and instead of making the training camp at Karsts, they were whipped into shape with the varsity squad. A wealth of excellent material including some well known high school all-state stars turned out for practice on the twelfth of September and by the twenty-second they were ready for the initial game of the season with the varsity eleven.

Among some of the first string frosh were Wilson, Hudson, Haley, Ettinger, Schwartz, Cranston, Nebel, Sullivan, Winner, Babcock, Barrows, Wylie, Olson, Gregory and Glynn.

They began their season with a game against Whitehall High School and piled up a score of 64 to 0. They next played Park County High School of Livingston who came out a little better with a score of 46 to 6 against them.

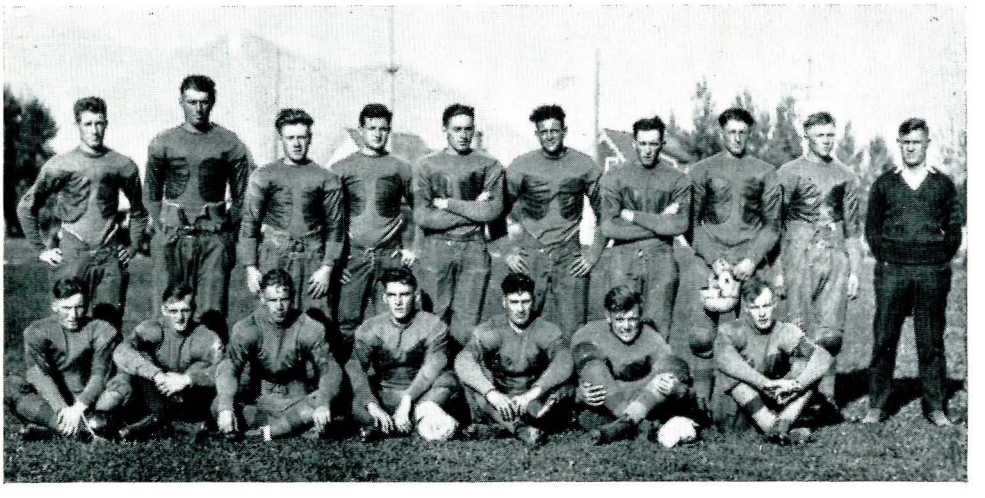

Two weeks later the Frosh dropped one to the University Cubs with a score of 61 to 0. The Kittens bowed before the slaughter of the Cub's offense of spectacular open field running, line bucks, and accurate forward passes fostered by the Kelly-Sweet combination. The Kittens seemed to lack the punch to break through the Cub defense or stop their offense.

On November sixth the Kittens took a 34 to 6 victory from Brigham Young College in a well fought and fast game. B. Y. C. took the lead during the first half, but the Frosh broke through their defense easily and kept in the lead for the remainder of the contest.

The following week the Frosh invaded Ricks College in Idaho and swamped them with a score of 52 to 0. Glynn starred for the Kittens with his punting ability and completing of forward passes.

FROSH FOOTBALL SEASON 1923

BARROWS, BABCOCK, HUDSON, H. SCHWARTZ, SMITH, UDINE, K. SCHWARTZ.

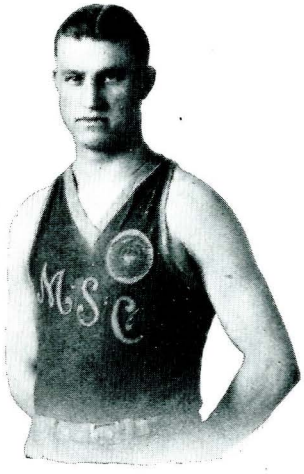

THE THIRTEENTH ANNUAL INTER-SCHOLASTIC BASKETBALL TOURNAMENT

The first anniversary of the opening of the new gymnasium saw rooters flocking in from every corner of the state to attend the tournament. Sixteen of the best high school teams in the state were chosen by district tourneys and sent to Bozeman to compete for state honors. Practically every team was evenly matched and all showed a remarkably improvement over last year's style of play.

Trophies were awarded for the first eight places and an individual medal given to the best individual player in the tournament. H. Hurd of Big Sandy won the Bobcat award for 1924.

Butte High School won the state championship by defeating Helena High School in the final contest of the tournament before a record crowd. Anaconda and Billings played off the semi-finals for third and fourth places. Of the wealth of outstanding players on the various teams a five were chosen by the Director of Athletics of the University as an all-state team. These were Rottler of Helena, Hurd of Big Sandy, Worden of Butte, Bozenhardt of Anaconda and Lewis of Butte.

First	Butte

BASKETBALL 1924

ADOLPH HARTWIG
Center

With a season's record that will stand out in the history of the college the Bobcats finished their 1924 hoop season in a blaze of glory. Playing with some of the best teams in the Rocky Mountain Conference they tallied twenty-eight victories out of a total of thirty-one games The trip to Colorado which ended the season included six of the best teams in the Colorado-Wyoming district. Every team they met bowed to superior playing except the University of Colorado. In games with Regis, Greeley, Denver, and twice with Wyoming the Bobcat five walked off with the laurels.

The schedule was the hardest that the Bobcats have ever attempted both in the number of games played and the teams encountered during the season. The Montana title is undecided because of the disagreement between the University and the College and the failure to play for championship, both having an unbroken record in the state.

The basketball training season began the first of December and a bulk of material answered the call of Coach Romney for preliminary training. Six old regulars reported for duty including Captain Frank Hatfield, Adolph Hartwig, Arnold DeWald, Tracy McGuin, Archie Harma, and Ted Cogswell. In the intramural tournament some very promising freshmen were worked into the varsity squad among whom were Val Glynn, Harold Wylie, Herb Winner and Tenny Babcock. Floyd Romney, who played regular ball for the University of Utah, proved to be a very valuable forward for the Bobcats.

The initial basketball games were played on January 22nd with the School of Mines quintet. The Bobcats showed superiority in every stage of the games winning both of them. The first was 25 to 13 and the second 23 to 4. Speed and roughness featured the games and nineteen personal fouls were called, every regular player having a foul called against him. The mines exhibited some pretty floor work, but were unable to penetrate the Bobcat defense for the necessary counters.

After the Butte games came the Intermountain Union college who were taken into camp by scores of 26 to 6 and 38 to 10 in favor of the Bobcats.

In one of the greatest exhibitions of basketball ever played on the college gym floor, the Utah Aggies, with a heavier and more experienced squad, split honors with a 24 to 21 victory the first game and a 19 to 14 defeat the second night. Every minute saw the games hard fought,

TED COGSWELL
Guard

FLOYD ROMNEY
Forward

fast and furious with but a small margin of lead for either side. The two games were a striking contrast of Coach Ott Romney's man to man defense and the swift, short passing game used by his brother Dick Romney of Utah Aggies.

No particular player on either team starred, although Val Glynn, the tall freshman from Utah, came into the limelight as a player of exceptional ability both in defense and offence.

The Mount St. Charles five the following night furnished a little diversion for the overworked Bobcats. The score was 35 to 22.

The fast Colorado Teachers college from Greeley, with a heart-rending record of victories over far-famed Rocky Mountain conference teams, took the count in one game 32 to 22 and nosed out on top of the second 19 to 13. Personal fouls were frequent and two Colorado players were taken out from too many fouls.

Hattie held the illustrious Timothy to three baskets for both games and Cogswell supported him to a perfection. Romney and DeWald came back true to form and decided the contest in the last five minutes of play.

In the trip to Colorado the Bobcats set a record which has heretofore never occurred since the entrance of M. S. C. into conference athletics. The first game of the seven was with Billings Polytechnic with a score of 63 to 0.

At Laramie they swamped the University of Wyoming men in two games 17 to 14 and 21 to 20. The Bobcats took the aggressive at the very beginning and held it throughout the contests. Val Glynn, the lanky Bobcat center, took the majority of praise in the fray featured with some uncertain basket shooting and a few rough moments.

The only defeat of the trip came at the hands of the University of Colorado in a slow, listless game. Colorado had the half 14 to 11 and finished the game with a 29 to 19 score in their credit.

Regis college proved a harder game than expected although the fighting spirit pulled through and the Bobcats took the game with a 23 to 22 count.

Duplicating their last year's victories the Bobcats annexed their fifth game on the trip by taking a 23 to 20 score from the Denver University quint. The game, although close, was slow and listless.

To make a glorious success out of the trip the Bobcats

HUGH COTTAM
Forward

ARNOLD DEWALD
Forward

squared accounts with the Colorado Teachers in the last game with a score of 16 to 15. The game was fast and exciting throughout, the scored being tied with a fraction of a minute to play. A free throw won the game for the Bobcats.

The season was wound up by two victories over the Mines at Butte, 31 to 18 and 40 to 11, one over the St. Charles five 30 to 28, and one over the Intermountain Union College 40 to 25.

TRACK 1923

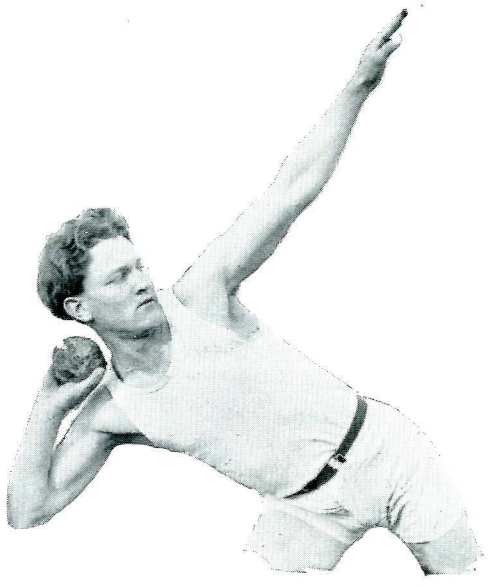

JULES BENTON
Broad Jump
State Record 21 ft. 10 in.

The year 1923 will go down in the history of track and field athletics at Montana State College as by long odds the most interesting and successful to date and as a season full of inspiration and promise for the future. A decisive victory over the State University (the first in the relationship between the two institutions), an equally brilliant one over the Colorado Aggies, a magnificent showing in the Rocky Mountain Conference meet which awoke the intermountain states to the fact that M. S. C. is to be a real factor in conference athletics, the birth of a keen and genuine interest in track and field work and the stressing of cross country running and intramural contests preparatory to the intercollegiate clashes marked a lively season.

The new gymnasium with its tanbark floor providing excellent facilities for early training indoors, an abundance of freshman talent to reinforce the few

State Record Shot Put

stellar veterans of other less successful years, and the painstaking, skilfully directed work of Track Coach "Doc" Jones contributed generously to the happy results.

STATE COLLEGE, 65;
STATE UNIVERSITY, 50.

That score will always stand out in the athletic history of the college as more than a great contest won. It meant that at last the Bobcats overthrew the Bruin supremacy on track and field, did the job to a quiller's taste and, what's more, accomplished it without the stellar services of Captain "Ted" Cates, who was prevented by a torn muscle from enjoying his usual point harvest at the expense of the University athletes. It marked the climax of a year of great athletic revival and of rapidly accelerating student body spirit, and it gave a great impetus to track and field interests.

High spots in the meet were provided by "Shorty" Bachman, who established a new state record in the two-mile run by converting the distance on a very slow track in 10:24 after winning the mile run in highly respectable time, and by Jules Benton, diminutive Bobcat who leaped twenty-one feet ten inches for a new broad jump record, and Albert Blumenthal, who pushed the shot ten inches beyond the Rocky Mountain Conference record to defeat the Grizzly weight experts. Bachman took second in the javelin throw, cinching high point honors with thirteen points.

Ted Cogswell covered himself with glory by breasting the tape first in the two twenty and romping in second in the quar-

TED COGSWELL
Sprints

ter mile dash. Hugh Cottam in the high hurdles and high jump contributed ten points in brilliant style. Powers and Shoebotham tied for first honors in the pole vault and Sales, Bunney, Hodgson, Foster, and Adams added valuable points to swell the total.

M. S. C.—COLORADO AGGIES.

This victory coming at the opening of the intercollegiate the team to a brilliant triumph over the Colorado Aggies in Fort Collins, 71½ to 59½. "Shorty" Bachman again occupied the center of the limelight with a triple win, adding a victory in the eight eighty to his usual successes in the mile and two mile. Cogswell starred with thirteen points in the three dashes and Captain Cates was in shape to add nine points, including first place in the high jump. Only eleven men represented the college in this meet and every one of them contributed points.

CONFERENCE MEET

The season closed in a blaze of glory when the Blue and Gold entrants garnered 27½ points in the Rocky Mountain Conference meet in Boulder, Col,

FINISH OF 880 DASH IN "U" MEET. EGAN FIRST, BUNNEY SECOND

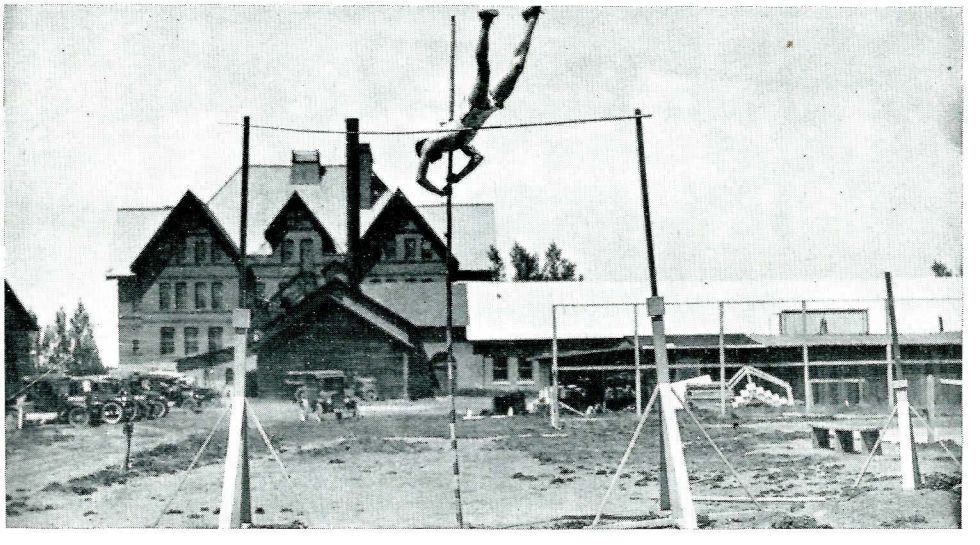

WALTER SALES
Hurdles

on May 19, and this without the services of Captain Cates, whose old injury could not withstand the strain and caused his retirement when he was rendered helpless early in the trials. Bachman with first in the two mile and second in the mile and Blumenthal first in the shot and second in the discus were the chief Bobcat point gatherers. Powers with a great jump of eleven feet ten and one-half inches vaulted his way into tie for first honors in the pole vault and "Tommy" Shoebotham followed right along for third in the same event. Benton, Bunney and Cogswell added the other points.

The final standing of the teams was University of Colorado, 38; U. A. C., 35; U. of U., 32; M. S. C., 27½; C. C., 14½; B. Y. U., 10½; D. U., 10; Colorado Aggies, 5; Colorado Mines, 1½; U. of Wyoming, 0.

Colorado U won the meet by virtue of a victory in the relay which netted ten points. Utah Aggies garnered six points by taking second in the relay. The heavy expense of sending a team prevented the Bobcats from having a relay combination.

SHOEBOTHAM DOING THE POLE VAULT

PRE-VIEW OF 1924 TRACK SEASON

With six of the eleven men who represented Montana State at the Conference meet in Denver last year left on the Bobcat Track squad the prospects for a banner year on the cinder path are quite as good at this time as they were a year ago. Foster, Benton, Cates, Blumenthal and Shoebotham of last year's squad have been lost, but with Captain Bunney, Cogswell, Bachman, Cottam, Sales and Powers left of last year's veterans, "Doc" Jones will have a very good nucleus for a successful track team.

In the sprints, Cogswell, who placed fourth in the Conference meet last year, will be on the squad this year as will Wester, who, though he was ineligible last year, beat both Cogswell and Benton in the Varsity tryout. In the 440-yard dash Cogswell, Wood, McCoy, Holloway and Livers of last year's squad are showing up well with several Freshmen giving promise of developing first rate material in this event.

Cottam and Sales, who won honors in the hurdles last year, will again represent the Blue and Gold. Ennis, Carlos Livers, and Ijams are among the most promising of the men now in these events.

In the half, Captain Bunney, who last year won third in the Conference meet, and Hodgson, who placed fifth in the same meet, will be the mainstays of the Bobcat team. For the distances, the veteran Bachman, who has never been headed in the two mile, will run that event for the Bobcats.

With over fifty men out for track, "Doc" Jones hopes to have a well balanced dual team whipped into shape by the time to enter the meets. A special effort will be made to get a good selection of quarter milers as four good men in this distance are needed to make a good relay team.

INTRAMURAL

CROSS COUNTRY RUN— APRIL 21

First—Sigma Chi, College of Engineering—Freshmen
Second—Independents, College of Agriculture

Sixty-five contestants started the annual cross-country run over country roads measuring two and nine-tenths miles. Fifty-six finished and entered the score column, as the point system adopted gave the winner a total equal to the number who finished, the second place runner one less and so on down, the last man to finish annexing one point.

Lester ("Shorty") Bachman, running in great style, finished first in the remarkable time of 15:06, establishing a new course record at the expense of his own former mark. Although counting points Bachman was not the official winner, as far as the award was concerned, as his previous victory rendered him ineligible.

John Q. Adams, the elongated Sophomore, pulled a "dark horse" drama by galloping in 16:33 as official winner of the cross-country "M." Edward Bunney, also a previous winner, took third.

The runner was scored as to class, social group, and college and in the team competition the Frosh, Sigma Chis, and the Engineers won.

INTRAMURAL MEET—APRIL 27

Sigma Chi—Engineers—Frosh

A half holiday was declared by President Atkinson to allow the student body to witness its prospective track stars in intramural competition on April 27 and a large Bozeman delegation augmented the student crowd to present a colorful and enthusiastic setting for a highly interesting meet.

Considering conditions and the early season the results were encouraging.

"Shorty" Bachman earned the high point man medal with sixteen points.

The student chapter of A. S. C. E. is an outgrowth of the old Civil Engineering Society, organized in 1908. All students registered in civil engineering are members of this society. Meetings are held at the regular seminar hour on Tuesday for the purpose of discussing topics of interest.

THE ELECTRIC CLUB

Founded 1907

OFFICERS

JACK COWAN	President
GLEN BOYER	Vice-President
CLEM DAVISON	Secretary
BURTON RIVERS	Treasurer

The Electric Club is the oldest of the engineering societies. It was organized at M. S. C. as a student branch of the American Institute of Electrical Engineers in 1907. All regularly enrolled students in electrical engineering automatically become members. Meetings are held each week of the school year, where technical papers are read by the upperclassmen.

AGRICULTURAL CLUB

Founded 1920

OFFICERS

Martin Bell	President
Edward Bell	Vice-President
Joe Sutherland	Recording Secretary
Dave Savage	Corresponding Secretary
Alice McClintock	Treasurer
Harold Barnum	Marshal

The regular meetings of the Agricultural Club, held every other Thursday evening, afford the agricultural student an opportunity to become better acquainted and to hear talks and discussions on topics of interest to them. The annual Ag Fair held in October, and the Ag Day stock and grain judging contests, held in May are some of the original activities of the club.

The Press Club is an organization of the students who are interested in journalism, and who are taking an active part in the production of the publications of the student body of the college. The aims of the Club are to foster an interest in journalism among the students of Montana State, to improve the student publications of the college, to start new publications as the need for them may become apparent, and to provide a means whereby the students who are responsible for the college publications may get together for discussions and social meetings.

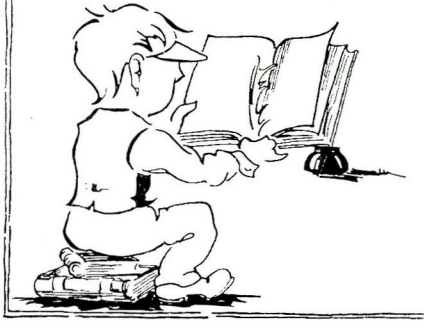

BOOK V ACTIVITIES

THE WEEKLY EXPONENT

"The history of Montana State is recorded in the pages of the Exponent." That statement made a year ago by Dean Hamilton to the members of the Exponent staff at their annual banquet sums up the place the college paper holds in the creation of sentiment, and the delineation of the happenings of Montana State College.

Harry McCann piloted the Exponent through one of its most successful years. During the two quarters he was in charge, he managed to organize a good staff and give the students a college paper that was read. During the basketball tournament his staff showed up with news that made the Exponent a much sought for paper. All speed records were smashed when on the final night papers were in the gymnasium less than nine minutes after Butte won state championship.

At the beginning of the spring quarter Glenn Boyer was elected to fill the unexpired term of McCann's. He retained the same staff with but slight changes, and conducted the activities of the paper for the remainder of the year.

ORATORY

ARTHUR BERGSTROM

ANNUAL ORATORICAL CONTEST

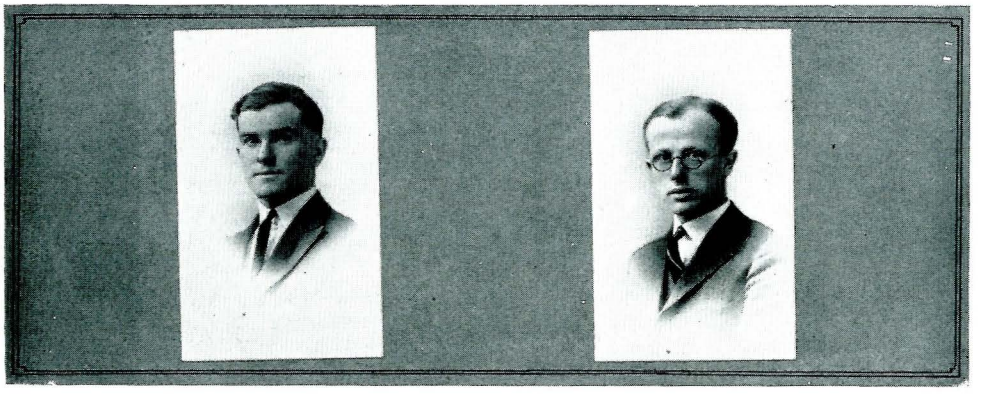

Arthur Bergstrom, '23, who during his career very creditably represented his Alma Mater in several debates, was the college orator last year. Speaking on "The Way to Industrial Peace" he was unanimously awarded first place in the Montana Intercollegiate Oratorical contest held in Helena, and also won the inter-state contest with Kansas.

EXTEMPORANEOUS SPEAKING CONTEST

Miss Thelma Shaw, '26, competing against 20 of the best speakers in college, won the local extemporaneous speaking contest last year. Edward Bell '25 was awarded second place and Joe Livers '26, third place. Cash prizes amounting to $25 were given the winners. In view of the interest in last year's event, it is planned to make the contest an annual affair.

INTER-STATE DEBATE

The Inter-State Debate trip to be made by William Moore, Edward Bell, and Virgil Willson is the biggest thing to be put on by the Montana State College debaters this year. The team is to debate with colleges and universities in South Dakota, Nebraska, Kansas, and Colorado. This will be the climax to one of the most successful years that debaters of M. S. C. have ever had.

MORRIS, COTTIER, BOYER, ROMNEY

BYRNES, GORDON, KEISTER, BUCKBY, BROWN, DAVENPORT, ATKINSON

THE LOOTERS

DICK BUCKBY . . . . . Manager

The Looters Club of Montana State College sponsors each year the production of a musical comedy, the proceeds of which are turned over to the college athletic award fund. The Looters Club was organized in the spring of 1922, after the production of the musical comedy "Loot," a comedy which was written and produced entirely by the college students, who later became members of the organization. It is from this production that the club takes its name.

In the "Honeymoon Trail" of last year, and the "Prince of Tonight" which was produced this last spring the club has made a wide reputation for its ability to put out first class musical comedies, and the "Looters Show" is now considered one of the events of the college year.

POMANDER WALK

THE TORMENTORS

BERT JULIO . . . . . President

The Tormentors are the members of the dramatic club of the college. College students are only eligible to membership after having taken part in at least one college play.

All of the histrionic productions of the college are put on by the Tormentors. It is the practice of this organization to give at least one play each quarter. This year, owing to conflicting dates only two major productions were possible, but these two, "Pomander Walk," and "The Unchastened Woman" were given before large audiences, and were fully up to the standard of excellence set by the Tormentors in their previous productions.

Each year, in addition to the major plays, a number of one-act plays are given from time to time. The Tormentors have taken a leading part in fostering interest in dramatics at the college.

Y. W. C. A. STUNT NIGHT

Emerson Auditorium, December 7, 1924

ALPHA OMICRON PI—FIRST PLACE

DOROTHY LANGSTON . . . . . Business Manager

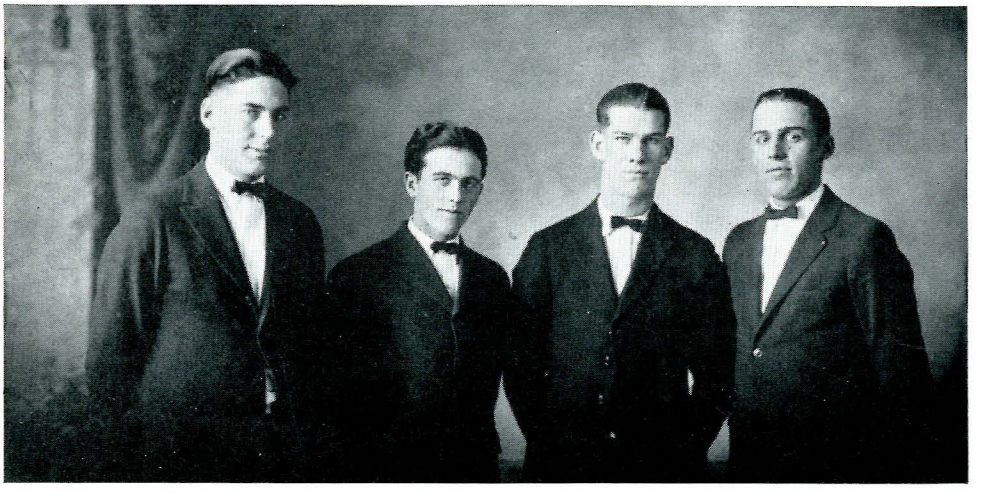

Y. W. C. A. Stunt Night was a great success this year. Alpha Omicron Pi won first place with "Three o'clock in the Morning," Pi Beta Phi, second, and Sigma Alpha Epsilon, third. Prizes donated by H. A. Pease and Gus. J. Steffins were given to first and second places. Y. W. C. A. Stunt Night is one of the biggest events taking place in college circles.

MEN'S GLEE CLUB

The Glee Club is one of the outstanding organizations on the Montana State College campus. They have successfully put on and ably helped in a number of musical programs. The College Quartet, which is a part of this organization has been one of the main attractions of the various programs.

MONTANA STATE COLLEGE REGIMENTAL BAND

The first college band was organized by Mr. Lou Howard 18 years ago and has been ably directed by him ever since. The band has grown from a group of 12 instruments to a company of over 30 pieces. This year the band purchased an entire new set of instruments as well as a complete set of uniforms. This organization, which takes such a prominent part in all college events, well represents Montana State College.

WOMEN'S LEAGUE COUNCIL

OFFICERS

HELEN CHASE WALTER	President
MARGARET TOBIN	Vice-President
BEULAH KELLEY	Secretary
HELEN WAITE	Treasurer
MARGARET CRYSTAL	President of Council
DORIS PHILLIPS	Secretary of Council

The Women's League is the one organization on the Hill in which all the women are active members. The league sponsors and, in a measure, regulates the activities and interests of Montana State Co-eds on the Campus and co-operates with other Campuses.

The League is five years old and has grown and developed under the untiring efforts and sympathetic cooperation of Dean Herrick.

The Girls' Vocational Congress and Woman's Day are annual events which are undertaken by the League and which are state-wide in influence and interest.

The aim that is paramount in all the activities of the League is "Good Citizenship."

M. BIGELOW, I. BIGELOW

Treble Clef Club, a musical organization for women under the able direction of Mr. Adams has made much progress this year. College credit is offered as an incentive to those musically inclined to take part.

ANDREWS, STEVENS, EVANS, HARRIS, EVERS, PLEW, PHILLIPS

The appearance of the Treble Cleff Sextette calls forth the applause of all. The Sextette has added much enjoyment to such programs as the Girls' and Boys' Vocational Congress and the College Assemblies throughout the year.

ACTIVITIES

PHYSICAL EDUCATION DEPARTMENT

MISS PACK

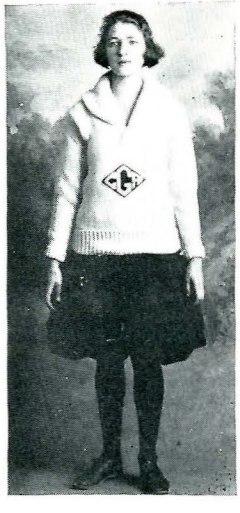

PHYSICAL ED DIRECTOR FOR WOMEN

Miss Pack came to M. S. C. in the fall of 1922 from East High at Salt Lake City, where she was in charge of physical education for girls. Her training was received at the University of Utah, University of California and Sargent School of Physical Education. Her teaching career previous to her coming to M. S. C. includes the Desire Gymnasium, St. Mary's Academy, and East High, all of Salt Lake City.

Miss Pack has a vigorous and pleasing personality and has won the friendship and respect of every coed on the campus. Since her arrival, she has completely reorganized the physical education department and has firmly established athletics for women. Under her direction the C. G. A. was organized for the purpose of sponsoring the various branches of women's athletics. Through her untiring efforts and willingness to cooperate she has made possible the establishment of a bigger, better, and firmer coed spirit at M. S. C.

MARION ARNOLD

ATHLETIC CHAMPION, 1923

Marion Arnold, high point girl in coed athletics for 1922-23 came to M. S. C. as a sophomore at the beginning of last year. Her high school work was taken at Duluth and Salt Lake East High, where she was a physical education pupil of Miss Pack. Her freshman work was taken at the University of Utah.

Throughout the entire year Marion was intensely interested in all branches of coed athletics and C. G. A. activity. She took points in basketball, rifle, track, and swimming, scoring ninety points out of about eight hundred made during the year.

Other girls ranking high in coed athletics were Mildred Morse, with sixty-three points, Keturah Tibbles, with forty-four points, Olive Schreiner, with forty-three points, and Gail Fiske, with thirty-eight points.

C. G. A.

The College Girls' Athletic Association was founded under the direction of Miss Pack during the school year of 1922-1923. It is composed of all M. S. C. women who are interested in Co-ed athletics and has for its purpose the furthering of athletics for girls. Under its direction, contests are held in the activities which follow, special awards being given to the winners of each contest. An award of a C. G. A. cup is given to every girl who has won a first place in four different events.

SWIMMING

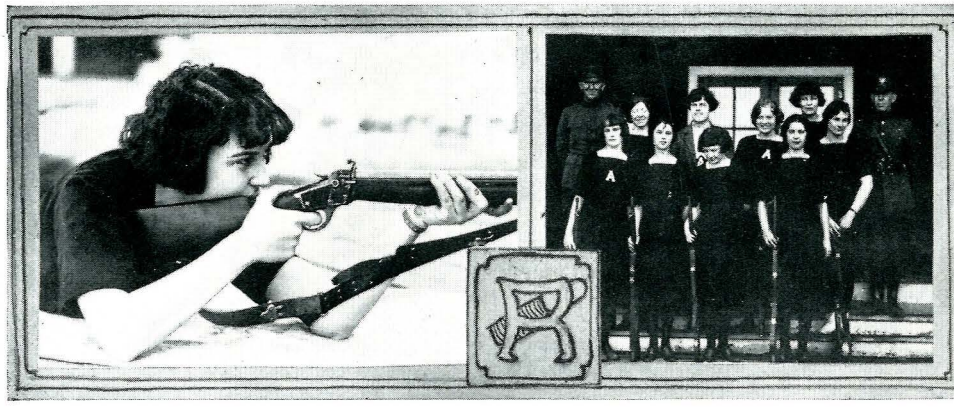

MILDRED MORSE
Swimming Champion
1923

HIGH POINT SWIMMERS 1923

The swimming meet which was held in the spring quarter of last year included contests of speed, form swimming, and diving. High Point winners were Morse (38), Arnold (32), Hoem (18), Baldwin (15), Maxey (18), Dreyer, (14), Walker (23), Conkling (15) and Fiske (23).

RIFLE

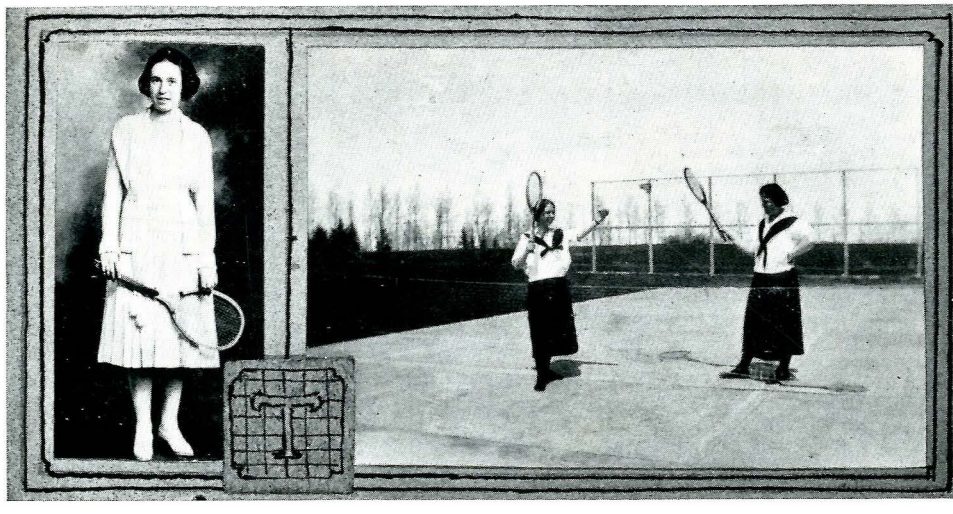

MARGARET NEWLAN
High Point Girl in First Missoula Meet
1924

RIFLE SQUAD, 1924

The rifle squad consisted of Arnold (Champion), Hart, Utley, Kirk, and Hoadley, collegiate meets with Missoula, Riverside, California, and Kansas. Winners for 1924 will not be determined until the spring quarter.

The rifle squad consisted of Arnold (Champion), Hart, Utley, Kirk and Hoadley, in 1923.

TENNIS

OLIVE SCHREINER
Tennis Champion
1923

CO-ED TENNIS ENTHUSIASTS

Under the auspices of the Tennis Club of C. G. A., a tennis tournament was held during the spring quarter of last year. Olive Schreiner, senior co-ed, was the winner of the Tennis Championship.

HOCKEY

HOCKEY SQUAD
1924

HOCKEY GIRLS IN ACTION

Field hockey was introduced at M. S. C. last fall, contests being held between the various classes. Due to bad weather the completion of the hockey series was postponed until the spring quarter.

BASKETBALL

FRESHMAN TEAM
1924 Champions

SOPHOMORE-FRESHMAN GAME

In spite of interruptions due to intercollegiate contests and the basketball tournament, the co-ed basketball season has been a successful one. Junior, Sophomore, and Freshman teams competed for the championship, the Freshman being the winners of the series.

Sept. 28—Girls' rushing begins. College Mixer.

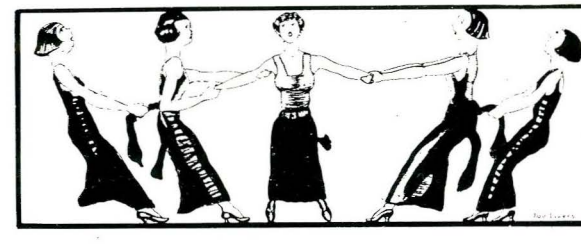

Oct. 1—Men's rushing proves interesting but strenuous.

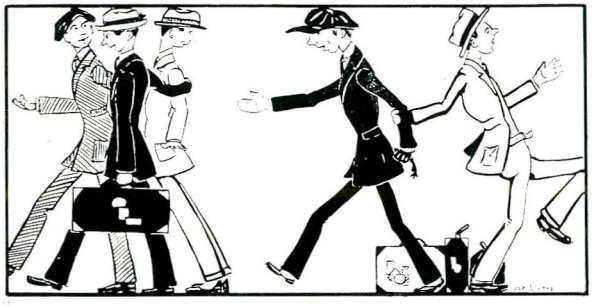

Oct. 3—Most everyone has met the Frosh women now.

Oct. 5—Football in progress.

Oct. 8—Girls' rushing ends.

Oct. 12—Freshmen paint the "M."

Nov. 17—Men's rushing ends.

Oct. 19—The new love supplants the old. The Frosh women step out with the men.

Oct. 29 — Roundup Week. The College studies some.

Nov. 10 — "Which way do you think the men will go?"

The University comes over for the last time.

Nov. 27—Thanksgiving Day.

Dec. 6—Basketball season starts.

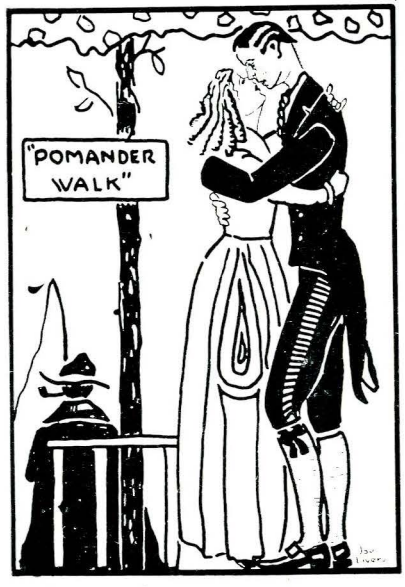

Dec. 11—(From Exponent)—"Y. W. Stunt Night Is Huge Success. Alpha Omicron Pi Dances Into First Place With Well-Planned and Original Act, 'Three o'Clock in the Morning.' Pi Beta Phi Takes Second, S. A. E. Third. Stunts Clever and Original."

Dec. 12—"The Impressario."

Dec. 15—The boys are already hunting the shops for bargains in Christmas presents.

Dec. 18—Studying is again revived in anticipation of the approaching finals.

CHRISTMAS.

Jan. 3—Leap Year!

Jan. 11—"Pomander Walk."

Feb. 16—Basketball season.

March 5, 6, 7, 8—Butte High School wins Interscholastic Basketball Tournament.

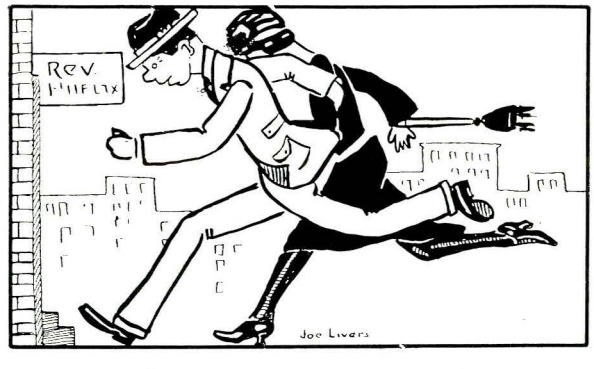

March 11—"The Prince of Tonight" scores big hit. The best show since "Piff, Paff, Pouf."

March 14 — Alpha Gamma Delta installation.

March 15—Engineers' Ball.

March 28—End of the winter quarter, and some of the students.

April 1—All Fools' Day. Several tie for first honors.

April 7—Frank and Elva register in the County Recorder's Office.

April 22—Cross Country Race. Bade wins. Junior-Senior women banquet at the Bozeman Hotel.

April 23—Tormentors initiate.

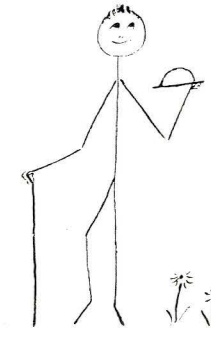

May 2—Les Bouffons Formal.

May 6—State Oratorical Contest at M. S. C. Moore represents the College.

May 15—Spring has come.

May 26—Woman's Day.

June 7—Commencement.

THE PARADE

Nov. 17.

THE STUDENT'S GUIDE

ACTIVITIES—State of restlessness similar to the seven years itch common to all students. Symptoms: much jewelry, furtive study of next hour's lesson during this hour's recitation, absence committee.

ABSENCE COMMITTEE: Group of terrible monsters religiously braved by the Freshmen and Sophomore classes. Developer of courage and procrastinations.

ASSEMBLY: Weekly hibernation by one-tenth of the student body.

ATHLETE: Magnificent specimen entirely covered in front by an "M"; raised, bred, and educated to "beat the U."

ATKINSON: See Deity.

B: Short for bliss.

BLISS: Ignorance.

BUNGALOW: Bottomless pit which the entire student body strives to fill with quarters, fifty cent pieces, and dollars. See futility.

CANE: One of the comedy touches affected by the Seniors.

CHEMISTRY: Might be known as "The Grim Reaper." A subject which most Freshmen pass with "E's."

CO-ED: One of the best arguments for higher education. Exercising them in time to music is the most popular sport.

DATING: Chief industry at Montana State College. Caused by slight or severe fever. Results in embarrassing retreats from house-mothers, the climbing of fire escapes, or that state of boredom resulting from "passing the pin."

DORMITORY: Home for inexperienced girls. Mutual comparison of experiences results in intensive education. Noted for remarkable regularity in diet cycle.

DEITY: See Atkinson.

EDUCATION: Advanced study in "handshaking" and "getting by."

EIGHT O'CLOCK: Instrument of torture whose horrors never grow stale.

EXPONENT: Newspaper with the front page (containing "Eli") folded into the center.

FACULTY: Organization for prevention of securing of degrees by imbeciles. May be classified as "covered" or "hatless."

FLUNK: Peace without victory. The ford begins with "F."

FORMAL: A dance afflicted with very big hands, sharp edge collars, and somebody else's suit.

FRATERNITY: A cross between a boarding house, rooming house, Elks' home, democratic or republican club, and a mutual admiration society, all fastened together by the same pin.

FUSSING: Furious pursuit of misery disguised as happiness.

FUTILITY: Trying to make a brother enjoy a "blind-date."

HARD-BOILED: The result of living in hot water without getting "cracked."

IGNORANCE: Bliss.

KISS: The wages of fussing.

LAUNDRY BAG: Immense leveling influence among student body.

LIBRARY: Date factory. Dates turned out in time to the rapping of a pencil.

LINE: A repetition of memorized phrases never *intentionally* repeated twice to the same girl.

LOVE: See ignorance.

HOME: An address used immediately before the first of every month.

MOON: A liquid orb with a frightful influence. Causes more insanity than calculus or physics.

NOTEBOOK: A leather-bound volume diligently filled, and lost the week before final examinations.

OPEN-HOUSE: An instrument of torture not as frequent but just as terrible as eight o'clocks.

PEP: Combination of loud laughter, loud talking, a politician's handshake, and the ability to flop a mean oxford.

PLEDGE: One of the lesser bipeds.

PORCH-SWING: An efficient tool used in the extraction of fraternity pins.

ROOM-MATE: An individual who is always wearing your clothes when you want them. One from whom you try to borrow money.

SHADY: Full of shade.

SERENADE: Fatal result of an acute internal disorder.

SORORITY: A collection of animals, birds, and fruit (cats, chickens, and peaches) whose chief stock in trade are davenports, assorted kalsomines, surroundable waists, and well exercised lips.

WARRANT: See Futility.

Getting Into Business

Today there is but one safe, certain, practical way for young men and young women to get into business. It is no longer possible to start at the bottom and work up. Business men do not have time to teach young people the things which may easily be learned in school. school.

There are myriads of business positions waiting for the right applicant. A fair general education, a reasonable amount of good judgment, and the necessary special training will fit young people for good places in business life where future success is certain to attend the proper effort.

This school is as efficient in the training of young men and women for business careers, as any in the country. Come in and talk it over or write for information.

Call it "The College Store" we specialize so highly on what is "it" for the college trade — but it is generally known as

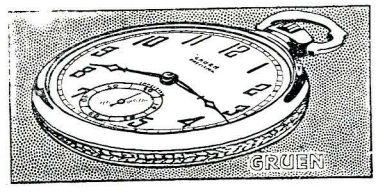

HOLLOWAY'S

where quality is higher than price

The Lowest Price *for a* Quality Watch

No. 103 N

No. 113 N

The difference between a watch made to sell and one made to run, can not be seen with the untrained eye.

Gruen watches could be made to sell as cheap as any, but Gruen quality, Gruen standards of craftsmanship and fine watch construction, can not be put into a watch which retails below $25.

When you buy a Gruen watch at $25 and up, you pay the minimum price for a real watch, and you get with it at no extra cost, a name which stands for dependability, artistic design and lasting satisfaction wherever good watches are known.

4,000 Homes In Montana Are Equipped With Electric Ranges

The Modern Science of Cooking Requires Modern Methods. Electric Cooking is Best.

The Montana Power Company

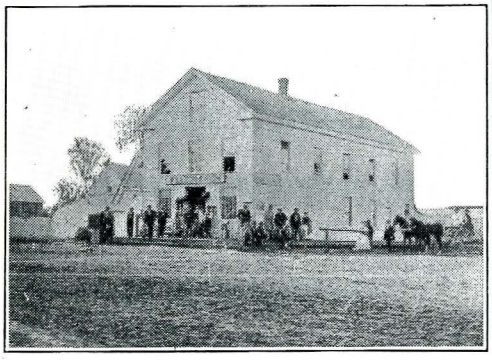

"Log Store"

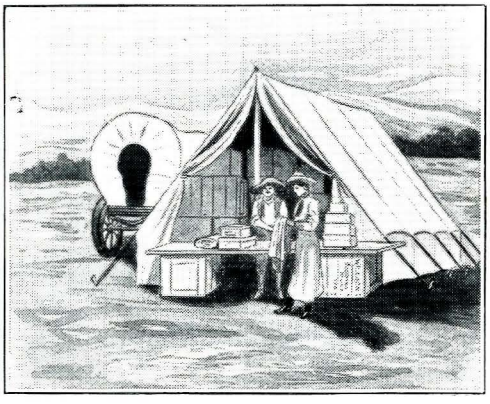

Log store built on the site where the present Masonic Temple is located, corner Bozeman and Main Streets. This was the building occupied by the Willson Company from 1866 to 1872.

The "tent Store" of the Willson Co. on the Penwell Ranch near Belgrade. During the pioneer days this was called the "East Gallatin." This tent served as a store while the log cabin store was being built in Bozeman in September, 1866.

From 1872 the Willson Co. occupied the frame structure popularly called the White Store. It was erected on the corner of Main and Bozeman Streets.

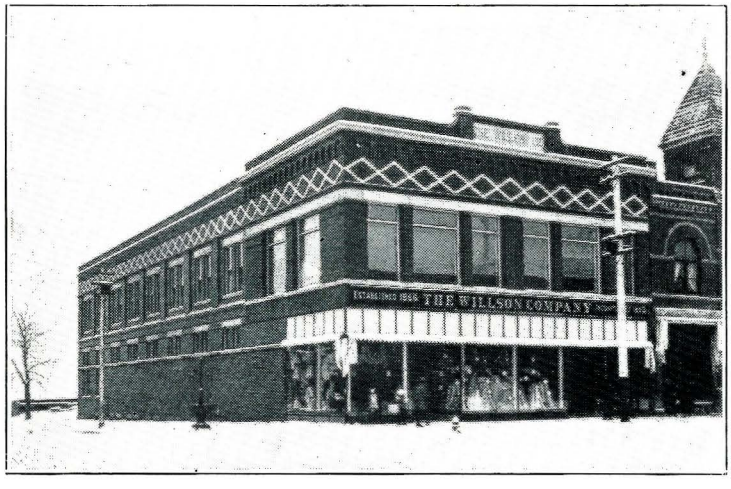

"The White Store"

The Tent Store

The Willson Co. maintains a New York office connection which assures our customers of the latest in styles at all times, and enables us to offer novelties at the same time they are being shown in New York. Thru our office we are informed of market conditions. Thus we buy more intelligently and save our customers on all their purchases.

Get Value Received

The thrifty man knows how to spend money judiciously as well as how to save it.

There is a wide difference between the "good" fellow and the "wise" fellow. The one has friends only so long as he spends his money freely. The other makes sure that his money is safe, and spends it only when he knows he is getting value received. Many a man who seems proud of being called a "good fellow" wouldn't be quite so proud if he knew that his "friends" were merely after his money.

The new and unusual—that sparkling reality which is known as the life of each school year—is caught and held forever within the pages of Bureau built annuals. The ability to assist in making permanent such delightful bits of class spontaneity rests in an organization of creative artists guided by some 17 years of College Annual work, which experience is the knowledge of balance and taste and the fitness of doing things well. In the finest year books of American Colleges the sincerity and genuineness of Bureau Engraving quality instantly impresses one. They are class records that will live forever.

BUREAU OF ENGRAVING, INC.

"COLLEGE ANNUAL HEADQUARTERS"

MINNEAPOLIS, MINNESOTA

The practical side of Annual management, including advertising, selling, organization and finance, is comprehensively covered in a series of Editorial and Business Management books called "Success in Annual Building," furnished free to Annual Executives. Secure "Bureau" co-operation. We invite your correspondence.
