ARTS

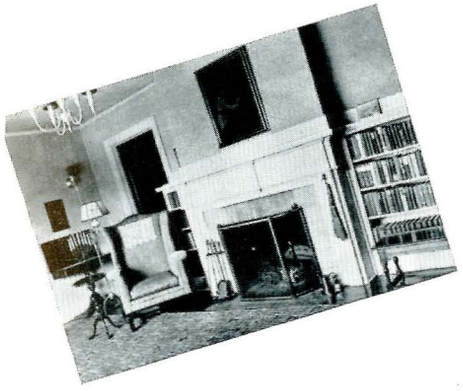

Household and Industrial

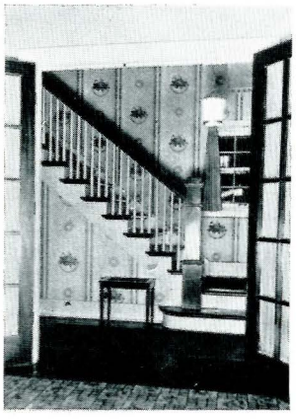

The College of Household and Industrial Arts, located in Herrick Hall, embraces three distinct lines of work: Applied Art, Home Economics, and Secretarial. A very attractive and well furnished home management house, at 119 West Cleveland adds to the facilities of the Home Economics Department. The Secretarial Department is housed in the Mathematics building.

Set Designed and Painted by Russell Lane

"Hay Fever" is the story of an attempt of the eccentric Bliss family to entertain for a week-end a group of respectable people. The clash between the varied natures of the two groups gave Coward the plot for his play. Just as the word "Hay Fever" is the name of a ridiculous, laughable disease, so is the title "Hay Fever" the expression for a preposterous situation. The entire action of the play takes place in the hall of the Bliss home at Cookham.

DEBATE

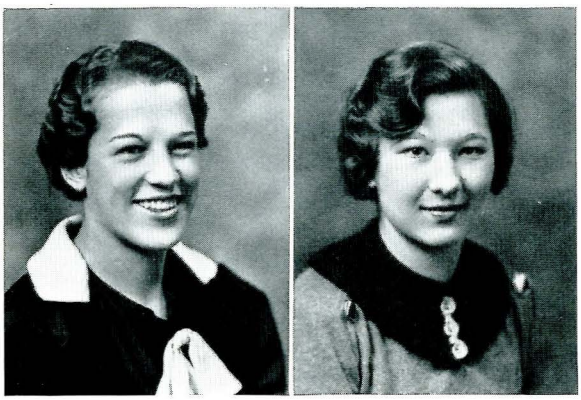

BERT B. HANSEN
DEBATE COACH

The debate season this year was formally opened with the meeting of the Rocky Mountain Forensic League on October 26-29, with M. S. C. acting as host school. Under the direction of Bert B. Hansen, Debate coach, plans for an open-forum discussion of the banking situation had been worked out, which resulted in a far more lively and interesting discussion than is usually the case. William Schenk and Lewis Allison represented the local school at this conference. The question finally adopted for debate was, "Resolved, that the United States Government should own and operate all banks."

WOMEN'S DEBATE

Women's debate has been for many years an annual feature of the Montana State forensic season, and was this year pronounced the most hotly contested and highly successful of the entire series thus far held.

BILLINGS DEBATE

Following a series of intramural debate contests to determine the best two local debaters, in which Ben Law and Sam Eagle emerged triumphant, these two and their runners-up, Dean Stebbins and George Noe, participated in a four-cornered meet sponsored by Billings Polytechnic at Billings, March 1 to 3.

A return engagement at Bozeman, March 9, saw the meeting of a negative and an affirmative team each from the Polytechnic School and M. S. C. in two debates. Bill Schenk and Ben Law upheld the affirmative, while Bob Hirst and Carol Speck formed the negative team for Montana State. Both debates were non-decision in form, with a critic judge for each to discuss the debate for the two teams.

The question, nationally debated by Pi Kappa Delta chapters, of "Expansion of Presidential Powers" was used in the entire series of debates.

MONTANA STATE COLLEGE ALMA MATER

The annual tours of the Bobcat Band are made possible by contributions of all students attending Montana State College. This is in recognition of the band's musical contributions at college and state functions. Every band member is a regularly enrolled student who has met all college scholastic requirements.

Concerts this year were played at Great Falls, Havre, Glasgow, Wolf Point, Poplar, Sidney, Glendive and Miles City. Each concert was under the auspices of the local high school.

In connection with the annual tour of the Varsity Band they furnish the music for numerous events throughout the entire year. This year they played for the Rotary Club at Whitehall, for Music Week at Livingston and are engaged to play for the Montana Livestock Association Convention at Miles City. All music for the dramatic productions is furnished by the band and orchestra.

ATHLETIC COUNCIL

Athletics at Montana State College are directly in charge of a board known as the Athletic Council. The Council is comprised of five members: Professor Dean B. Swingle, chairman; Dr. R. R. Renne, faculty representative and treasurer; Schubert Dyche, Director of Athletics; and Lou Edwards, Commissioner of Athletics from the Student Senate; and the manager of the major sport during that sport's activity. The Athletic Council formulates the athletic policies of the institution, supervises control so that the policy is in harmony with that of the school, ratifies schedules, nominates the managers of the major sports to the student body, and furthers the interests of athletics.

STATE INTERCOLLEGIATE MEET

COEY—JAVELIN

Bobcat trackmen were defeated at Missoula 102½ to 28½ by a strong, aggressive, and well-balanced Grizzly team. Montana Mines, the only other entrant, was unable to break into the scoring column. The only undisputed firsts that the Bobcats were able to claim were those won by Gus Holst. Stoltenberg was the only other Cat to win first honors, tying for first in the high jump with Dahlberg of the University.

Holst was the lone record-breaker of the meet, running the 880 in one minute and 58 seconds, although several other first-class performances were recorded. Clarence Watson, University distance star, running only in the two-mile event, was an easy victor in the fast time of 10:01.1. Kenneth Duff of the Grizzlies, who last year competed in the Olympic try-outs at Seattle, burned up the track to take the 440 in 50.4, shortly after he had taken second to Peden in the 100.

The first three places were won by ineligible men. These men had either won the cross country before or were lettermen on the varsity squad. The honor of the race went to Byron Wilkerson who was presented with the cross country award. The placing of the group winners were as follows: A. G. R.; Ind.; L. C. A.; S. A. E. and S. X.

LAST MINUTE INSTRUCTIONS

Handball

Dave Brenneman, the choice from the start of the tournament, lived up to expectations when he defeated Hexem in the finals of the intramural handball playoff.

The doubles championship was awarded to Allen and Hawks, Pi. K. A. men who survived the round-robin tournament without a loss. It was their keen teamwork that put them up above the rest of the players, and made it possible to win all their games.

Volleyball

In the series playoff, Kappa Sigma defeated the Sigma Chi team by 15-3; 16-14 scores. The Kappa Sig team proved too strong for their opponents, and advanced towards the championship. The lineup for the games were: Kappa Sig: Allen, Bowman, Inglehart, Mathews, Denler and Mackanich. Sigma Chi: Linforth, Cowan, Wamsley, Spain, Emmett and Tilton.

DOROTHY MILLER

LAISTE AWARD

The Laiste High Achievement Award is offered each year by Mrs. Frederick Laiste of New York. It is given on Women's Day to the senior woman who has been selected by a committee for her qualities of achievement in leadership, activities, personality, and character. Dorothy Miller received this award last Women's Day.

IOLA PALMER

PERRIN TENNIS AWARD

Each year Mr. T. M. Perrin, interested in the progress of tennis at Montana State College, gives the winner of the women's tournament in the spring an appropriate award. Last spring Iola Palmer received this award on Women's Day.

BASEBALL

Through a series of hotly contested games, the Alpha Delta Pi baseball team emerged victorious. This sport is enjoyed during the balmy spring weather by girls on the sorority and independent teams.

BROWN BASKETBALL MEDALS

Mrs. R. E. Brown of Bozeman gives small silver basketballs to the girls who are chosen for the all-star team in that sport. They are selected because of their excellence in basketball, good-sportsmanship, and consistent participation.

OLSON C. EASTON EAGER HOWARD EASTON HUNTLEY LLOYD BROUGHTON

RIFLE TEAM

The women's rifle season during fall quarter was the most successful one ever experienced here. There were more girls than ever who attained the score of 180 out of 200 required to be on the team, under the capable direction of Lieut. C. E. Jackson. He also gave a nice turkey to the sosority winning the meet, Alpha Omicron Pi.

HIKING

Four interesting hikes were undertaken by W. A. A. members this spring; among them being trips to Bridger Canyon and to Lava Lake. They were directed by Thelma Morrison, hiking manager.

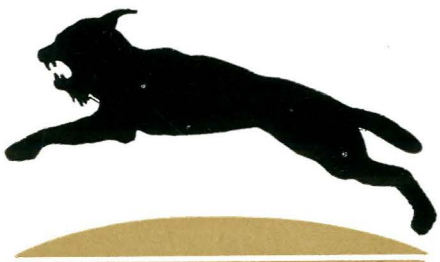

MILITARY DEPARTMENT RIFLE MEDAL

There has just been instituted this year a new award for an old contest — that of riflry. The military department at M. S. C. is giving this medal to the winner of this year's contest, Dorothy Olson.

CO-ED PROM

The Spartanians, honorary women's athletic organization, sponsor a Co-ed Prom each year. Co-eds come dressed in all kinds of beautiful, outlandish, and funny costumes, and appropriate prizes are given at the end of the evening. Refreshments are served to all guests after the games and dancing.

HONORARIES

MORTAR BOARD

Mortar Board is a national honorary organization for senior women who have achieved recognition for scholarship, leadership, and service. Two of their leading contributions to campus life are their annual Ladies' Choice dance and the sponsoring of the M. M. M. day. During spring quarter they give a Junior-Senior tea at which time upperclasswomen are allowed to vote upon those scholastically eligible for membership in Mortar Board.

HOME ECONOMICS CLUB

The Home Economics Club, member of the American Home Economics Association, promotes greater professional interest and understanding through its programs and projects. Business and social meetings are held regularly.

ART CLUB

The Art Club was organized in 1910 for all students majoring in Applied Art. Its purpose is to cultivate a greater appreciation of art, not only among art students but among all students on the campus. In achieving this object the Art Club sponsors several worthwhile art exhibits each year.

AGRICULTURAL CLUB

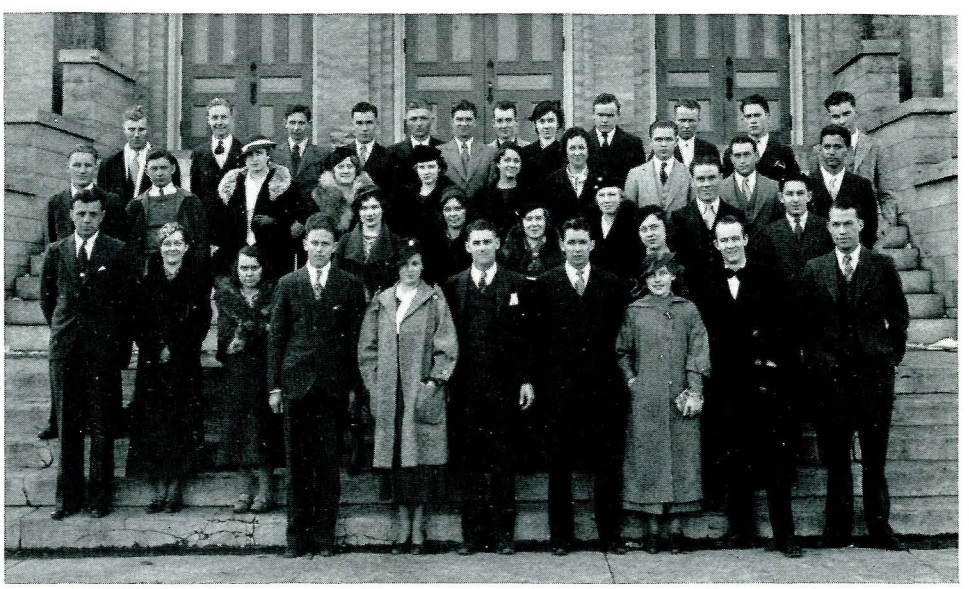

The Agricultural Club was organized in 1920 to promote wider fellowship among agricultural students and to develop a broader viewpoint toward up-to-date phases of agriculture. As a contribution to campus social affairs the Agricultural Club sponsors annually an "Ag Ball", where the coronation of the Aggie Queen takes place.

NEWMAN CLUB

The Newman Club was founded at the University of Texas in 1908 by the Reverend Michael P. Smith. It was created for the purpose of promoting the religious, intellectual and social life of the Catholic students.

The club bears the name of the great English author and convert, Cardinal Newman, who was very interested in university education.

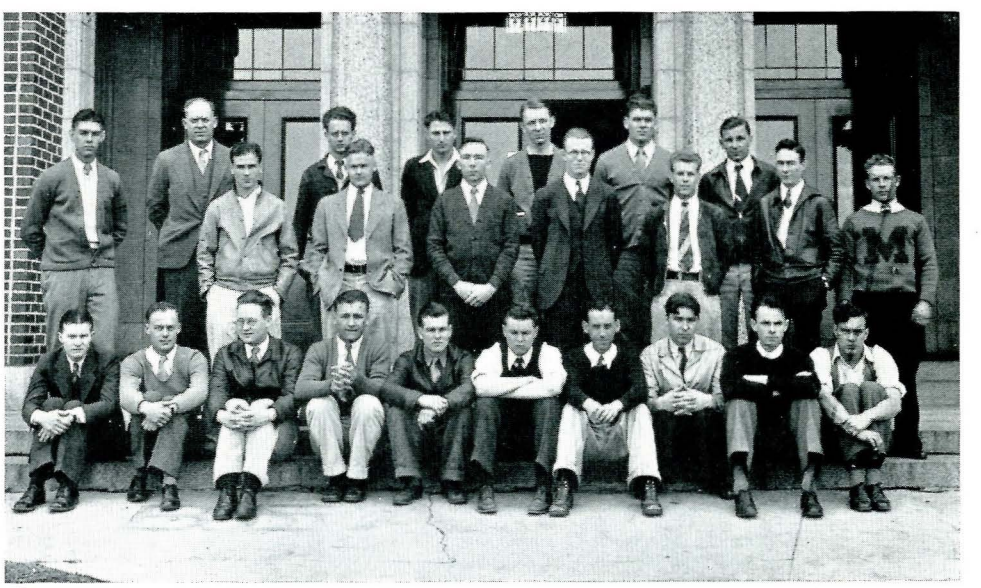

CIVIL ENGINEERS

The student chapter of A. S. C. E. includes all students registered in Civil Engineering. The organization procures speakers and films on industrial subjects for engineering assemblies, and the members themselves discuss topics of importance to their profession at regular meetings.

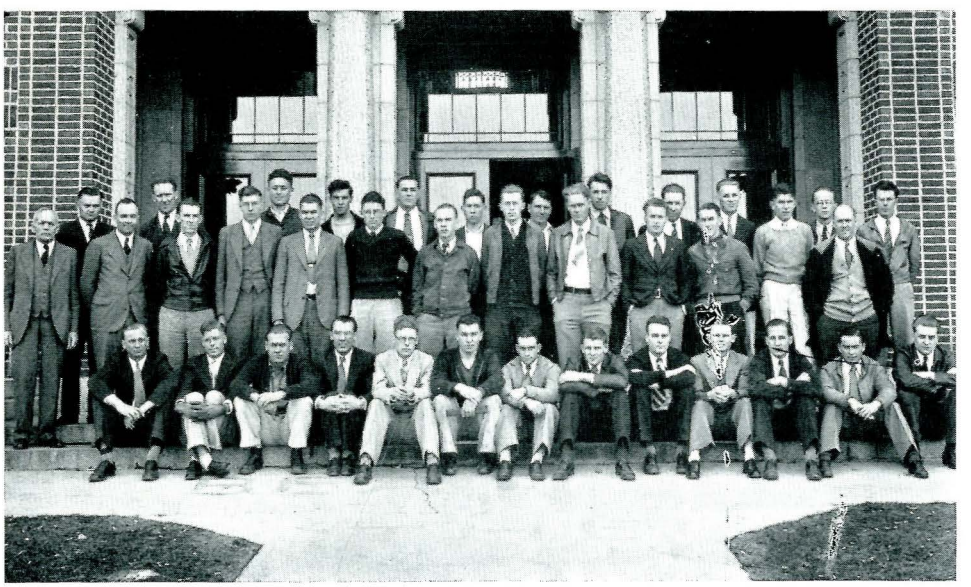

MECHANICAL ENGINEERS

The student branch of A. S. M. E. is organized for the purpose of promoting interest in engineering and a better understanding of engineering practice. All students of Mechanical and Industrial Engineering are eligible to membership. Weekly meetings are held to discuss problems and projects of especial interest.

ELECTRICAL ENGINEERS

All students majoring in Electrical Engineering are members of the M. S. C. branch of A. I. E. E. The purpose of the organization is the advancement of the theory and practice of electrical engineering. This group annually gives an Electrical Demonstration to arouse public interest in the science of electricity.

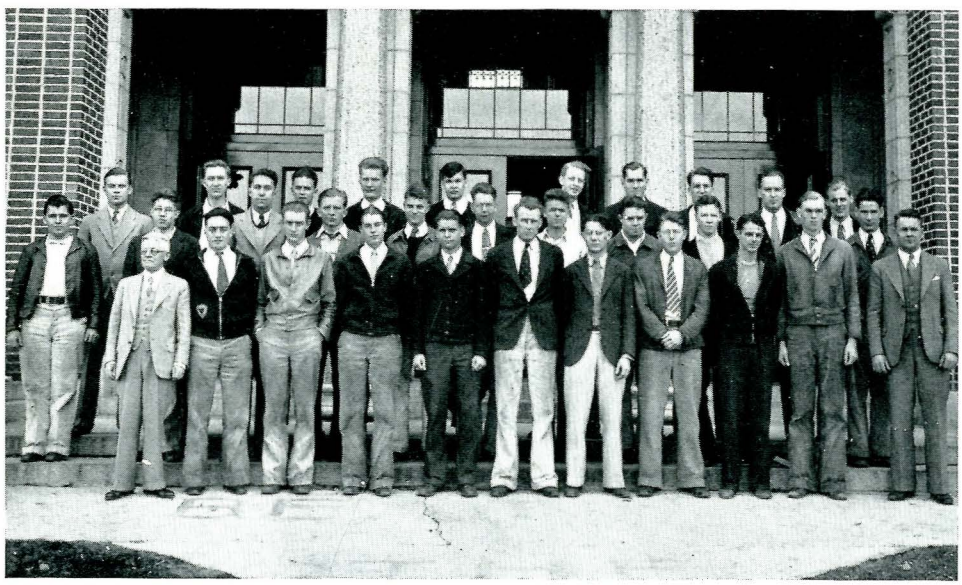

ARCHITECTURAL CLUB

The Architectural Club was organized in 1919 to unite the members of the various classes in this department and to promote general interest in architecture and the allied arts. All students registered in Architecture are eligible to membership, and subjects of particular interest to students of architecture are discussed at the meetings.

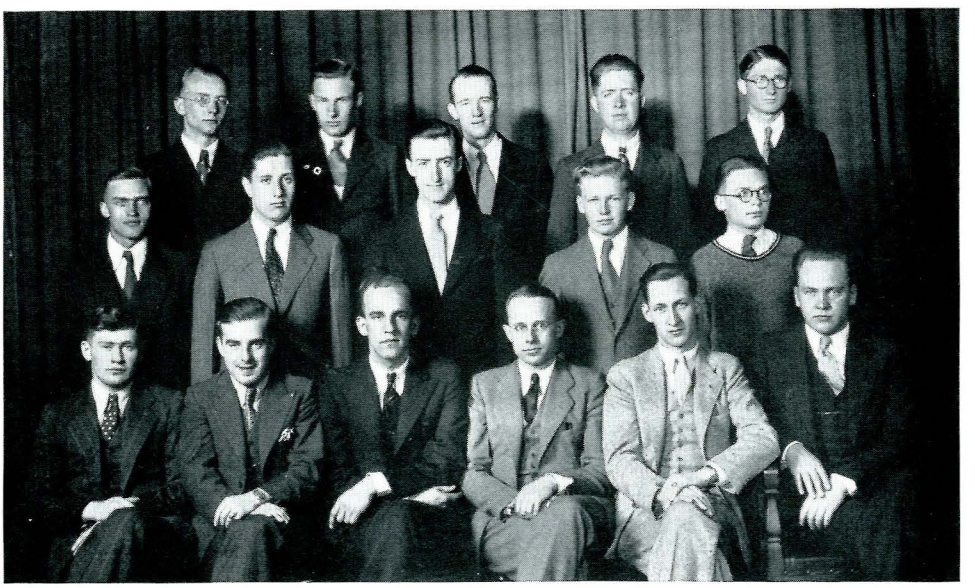

SOCIETY CHEMICAL ENGINEERS

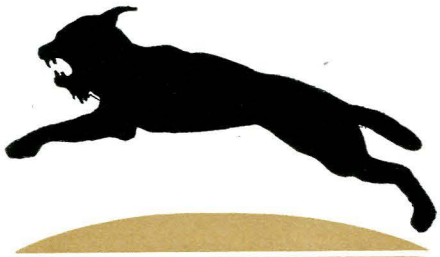

The Montana branch of the American Society of Chemical Engineers was granted a chapter this year. Regular meetings are held and through the efforts of the organization many meets are held on other campuses as well as M. S. C. Many trips are made to various industrial establishments in the state.

ENGINEERING PHYSICS CLUB

The Engineering Physics Club was organized in 1928 to bring together students majoring in physics and to further the acquiring of knowledge about the most recent developments and discoveries in this field. All faculty members of the Physics department and all students registered in Engineering Physics are eligible for membership.

CO-EDUCATION

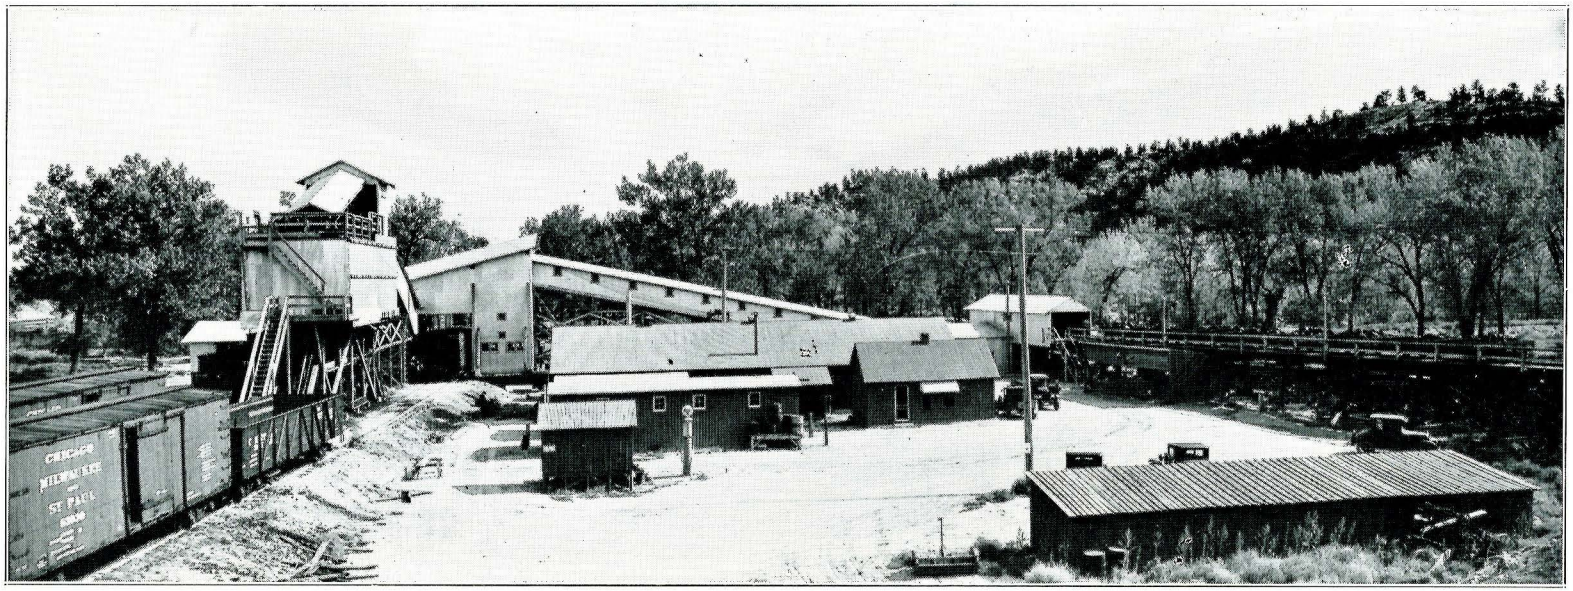

THE 1934 Montanan wishes to take this means of thanking those firms who have helped to make this twenty-seventh yearbook possible.

Without the help of Bozeman merchants much of this work could not have been accomplished; for instance, MARSHALL'S FURNITURE STORE and PHILLIPS BOOK STORE furnished the settings for many of our pictures.

We would also like to call your attention to the assistance granted by the many other firms and individuals represented in this book.

In closing, we especially urge the students, faculty, and BOBCAT boosters to help us show our appreciation by supporting the advertisers who support us.
