

MONTANA UNAUTHORIZED FISH INTRODUCTIONS

Jim Vashro, Regional Fisheries Manager, Montana Fish, Wildlife & Parks, 490 N. Meridian,
Kalispell, MT 59901

Poster display will consist of a map of Montana with illegal fish introduction locations marked by symbols. Display would include a list of species and distribution by region. A copy of the database would be available with an invitation for fisheries personnel to review their area and report any fish introductions not yet documented. Report forms would be available.
