Mrs. James Willard Schultz.
Glacier Arizona.

Okki Kappi Apikuni

I received your letter of the 23rd about 1st of November but did not have any chance to answer till now. I was busey working all The time and living in a tent. but now I am taking the pleasure in Answerring your request in regards to Chuning Black Bone's Indian Name is Charges with many things Akkap-to-kti the way you have It is the short way. when the Indian is having a fight with their Enemies one might have taken many article from his enemy before and he charged after another with all of those in his hands. That is what his name means.

About the time of the animal the wind pipe and the heart of the Animal.

Now about the snow here we have about Two feet of snow Just now but its not Cold. when our friend Thomas B. Magee Died it was of heart failier. he went to the Post Office to get his mail when he went inside of the Post Office he fell dead.

Charlie Simons died Shortly after that and Xavier Billideaux died a day Two after Charlie died. I wish I had Been with you when you Killed all those Turkeys so I help you to eat them I sure like turkey.

well Willard this is about all for this time so I will close with best wishes To you all.

Sincerely yours Ikahnomakka.
Elk Guardipee.
