Dear Syl,

Would like to order a copy of your new book *Spinners*. I will be looking forward to reading it and learning of your new fly patterns.

I'm sorry I didn't get a chance to send you some fruit this year.

Will you be appearing at any of the fly fishing shows in California next year? Hope to see you in the near future.

Have a Merry Christmas and Happy New Year.

Sincerely,

*Mits Kozuki*

Dear Fly Fishing Friend:

Well, I'm writing you to tell you about my new book, SPINNERS, the first book dedicated solely to adult mayflies. I spent three years collecting, studying and identifying spinners (with the help of an entomologist from Montana State University). The book records dates of appearance, molting and mating habits and colors, shapes and sizes of nearly 40 species. There are more than 30 new spinner patterns which are quick and easy to tie from readily available materials. A new winging method (the most difficult part of tying a spinner as you know) is described using only hackle fibers which are divided, flattened and pulled with thumbs and forefingers. (No difficult figure 8's.)

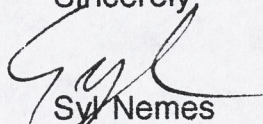

New patterns, like Syl's Gold Plated spinner and Syl's Gold Tail spinner are highly productive during a spinner fall and are also very effective during the hatch of duns. There are also dun/spinners with the body of spinners and wings of duns to be fished anytime, and doubles, two small flies tied on larger hooks for better visibility and better hooking.

The book is 6 x 9, with 157 pages of black and white text and with a 16 page color section featuring some rare macro photos of spinners including one just molting out of its dun skin.

The book features fine binding from Dekker Book Binding in Grand Rapids, Michigan, and should be ready to mail about Jan 12. (It's at the printer here in Bozeman, now.) This milestone book will retail for \$34.95, but I'm writing you with a pre-publication offer of \$30.00, post paid, which means you'll receive your first edition, signed copy long before the book will be available in stores and fly shops, if you send your check now.

If you want to order by phone, please call me at 406 587 8301, when I can tell you even more about SPINNERS.

Sincerely,

  
Syl Nemes

Ps. You might want to extend this book offer to members of your club, and please consider my new program on spinners.

Dear Mr. Nemes,

Enclosed is the \$50 for the purchase of all the types of flies on the cover of your book "The soft hackle addict" that I talked to you on the phone about. Can you also autograph a slip of paper saying that you tied the flies yourself for me so I can display it in the frame when I mount the flies, I would greatly appreciate it!

I want to thank you for getting me "hooked" on the Soft hackles, your two books on the subject had me itching to try them out about 2 yrs. before I had my next Montana trip planned. My only disappointment about the books are that they are not longer (Is there a "Soft Hackle #3" in the works?) Anyways, thanks for letting me purchase the flies directly from you and hope to meet you at one day at a conclave or on the stream

Thanks!
